

# Veloster.

# Live loud.

We have one goal – to be Australia’s most-loved car company.

We’re driven by the simple philosophy that life’s most incredible moments shouldn’t be reserved for a select few. Everyone is entitled to experience an amazing drive.

So how do we make that happen? We start by pushing our own boundaries, by making premium standard, and by engineering the most enjoyable ride possible.

The Veloster is Hyundai at its creative, imaginative best; a car for those who like to stand out from the crowd. With its unique sports coupe design, it makes a bold statement and turns heads wherever you go, while never sacrificing substance for style.

While you’re living loud on the outside, the Veloster’s stylish interior is your personal space on the move, fitted with an array of new technology and connected features.

You’ll also feel connected to the road, thanks to the extensive local suspension development program we’ve carried out, to perfect the Veloster’s ride and handling for Australian conditions.

All of which ensures the new Hyundai Veloster is every bit as exciting to drive as it looks.

**Veloster.**

# Style. Driven.

Beauty shouldn't be sacrificed for practicality. Just because you own a sporty coupe, with the sharp lines and daring desirability that the Veloster exudes, doesn't mean you need to miss out on the practicality and versatility of a conventional hatchback.

What Hyundai has done is combine both, giving you the best of both worlds. The Veloster looks like a two-door sports car, with its cascading grille and sleek lines, making it seem ready to pounce. Yet its unique, asymmetrical design gives you all the advantages of a hatch, and the ability to keep your rear passengers happy, thanks to the hidden third door - placed on the passenger side for safe and easy entry to those back seats. Even the handle for this secret third door is hidden away in yet another magic touch, as it's built into the frame of the door, thus keeping the car's neat, streamlined look perfectly intact.

Speaking of its looks, the Veloster combines futuristic technologies with style thanks to the use of its eye-catching LED headlights<sup>1</sup> and more LEDs in the rear combination lights<sup>1</sup>. Even at night, you'll be making a splash, visually.

Form and function, beauty and practicality, all in one car - this is what makes the Veloster both the logical and emotional choice.

<sup>1</sup>. Available on Turbo and Turbo Premium variants.

# Live in the fast lane.

Some people see cars as machines of convenience and necessity. Veloster owners, however, know they can be something so much more.

The Veloster is far more than just a motor vehicle. It's about reminding its owner how much fun driving can be, making them feel connected to the road, and exhilarated by the experience.

The Veloster puts the fun into driving in every way possible, from its talkative steering to its composed and communicative multi-link suspension.

Its new and improved aerodynamic profile provides even better high-speed stability, while the seven-speed dual-clutch transmission<sup>1</sup> makes every gear shift an eye-blink of seamless acceleration.

You've also got plenty of grip on the ground, thanks to Veloster's standard 18-inch alloy wheels, and you'll constantly be enjoying the triumphant sound track from the centrally positioned, twin-tip muffler, one of the car's iconic hallmarks.

The beating heart of any sports car, of course, is its engine, and regardless of whether you choose the 2.0-litre Atkinson, with its 110kW and 180Nm, or the astonishingly capable and economical 1.6 T-GDI turbocharged engine (150kW and 265Nm), you are in for the ride of your life.

To drive the new Hyundai Veloster is to know that cars this fun from behind the wheel are so much more than mere transport. They are, quite simply, fun on wheels.

### 1.6 Turbo GDI

**150** Maximum power kW/6,000 rpm  
**265** Maximum torque Nm/1,500 - 4,500 rpm

Up to 275 Nm when the overboost function is activated

### 2.0 Atkinson MPI

**110** Maximum power kW/6,200 rpm  
**180** Maximum torque Nm/4,500 rpm

6-Speed manual transmission

Twin-tip exhaust<sup>1</sup>

18" alloy wheel (Turbo Premium wheel shown)

1. Available on Turbo and Turbo Premium variants.

Veloster.

# The Veloster sees where you can't.

The body of a vehicle is its most important safety feature, which is why the Veloster is built using ultra-high tensile strength steel - designed to be stronger, stiffer and lighter than conventional steel - as well as lightweight aluminium.

But while protection in the case of an accident is one very important thing, just as vital is the ability to avoid accidents altogether. Which is why Hyundai's SmartSense™<sup>1</sup> suite of safety features uses sensors, cameras and radar technology to monitor the road around you for potential dangers.

It includes Blind-Spot Collision Warning (BCW)<sup>2</sup>, Driver Attention Warning (DAW), Forward Collision-Avoidance Assist (FCA)<sup>3</sup>, Lane Keeping Assist (LKA), Rear Cross-Traffic Collision Warning (RCCW)<sup>2</sup>, and Smart Cruise Control (SCC).<sup>4</sup>

**Rear Cross-Traffic Collision Warning (RCCW)<sup>2</sup>**  
This system can see in places you can't, sounding an alert if, as you're reversing out of a parking spot, your Veloster senses a car approaching in either direction.

**Forward Collision-Avoidance Assist (FCA)<sup>3</sup>**  
Utilises camera and/or sensors on the car to detect vehicles ahead of you, and autonomously activates the brakes if you don't react in time. Additionally, potential collisions with pedestrians ahead of the car can be mitigated by FCA on Turbo and Turbo Premium variants with DCT.<sup>3</sup>

**Lane Keeping Assist (LKA)**  
The Veloster uses sophisticated forward-facing camera to read the road markings, and won't just warn you if you begin to drift out of your lane, but will even take control of the steering wheel to gently pull you back into the centre of your lane.

**Blind-Spot Collision Warning (BCW)<sup>2</sup>**  
A wing-mirror indicator alerts you to vehicles or cyclists hidden in your blind spot, and even those approaching too fast.

1. Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving.  
2. Available on Turbo and Turbo Premium variants.  
3. FCA City/Urban (Camera-assisted) - available on Veloster, Turbo & Turbo Premium variants with Manual. FCA City/Urban/Interurban/Pedestrian (Radar and camera-assisted) - available on Turbo & Turbo Premium variants with DCT. Not designed to operate above certain speeds.  
4. Available on Turbo and Turbo Premium variants with DCT.

# Home away from home.

With our cars increasingly becoming our “third place”, after work and home, we all want a space in which we can feel comfortable, cosseted and surrounded by easy convenience.

The new Veloster has you covered on all counts, with an interior that’s both light and spacious, and that ensures this sporty-looking coupe looks as good on the inside as it does on the outside.

Enjoying your drive all starts with how you’re sitting, and the Veloster offers leather-appointed<sup>1</sup> sport bucket seats, with stylish blue and red accents.

The Veloster’s interior feels focused on fun, and that means it’s all about the driver. The cluster of race-style gauges add a sophisticated and sporty look, while the LCD Digital Performance Gauge<sup>2</sup> provides displays of your turbo boost, torque levels and even the g-forces you’re achieving through corners.

In terms of convenience, the Veloster’s asymmetrical design, with that hidden third door on the passenger side, is a winning feature, but you’ll also find a useful centre console that’s perfectly placed for easy access.

The Veloster’s interior, then, is that home away from home you’re looking for, but it’s also a home filled with plenty of serious, sporting intent.

Leather-appointed<sup>1</sup> sport bucket seats with red accents.

Piano black audio unit

<sup>1</sup> Cloth and leather-appointed seats available on Turbo variant. Leather-appointed seats available on Turbo Premium variant. **Leather appointed** means parts of the interior have a combination of genuine and artificial leather, but are not wholly leather.

<sup>2</sup> Available on Turbo and Turbo Premium variants.

# At your fingertips.

Designed to keep you connected both to the car, and to your life outside it, the Veloster's interior has been crafted to ensure you really can be in two places at once.

Plugging your phone in to charge is now a thing of the past, thanks to the Veloster's wireless smartphone charging<sup>1</sup> pad, which is conveniently located in the centre console.

And because every Veloster arrives with Apple CarPlay™<sup>2</sup> and Android™ Auto<sup>2</sup> as standard, your phone's major applications, including Spotify, maps and messaging, are now displayed on your car's intuitive touchscreen. Just as convenient, all the important driving information - like your current speed or navigation instructions - are beamed onto a Head-Up Display (HUD)<sup>4</sup> in front of the driver.

And while the lure of a dynamic drive is enough inspiration to grab hold of the Veloster's leather-wrapped, sports steering wheel, the added luxury of heating<sup>3</sup> for the those cold winter mornings, as well as heated and ventilated front seats<sup>4</sup>, will ensure you never want to let it go.

The technology in the Veloster isn't designed to separate you from the drive experience, but rather enhance it, connecting human with machine in a seamless and intuitive way.

1. All Hyundai Genuine Accessories are backed by a 5 year warranty if purchased at the time of a new Hyundai vehicle and fitted by an authorised Hyundai dealer. All Hyundai Genuine Accessories are subject to warranty conditions. See your nearest Hyundai dealer or visit our website at [www.hyundai.com.au](http://www.hyundai.com.au) for full warranty terms and usage recommendations. 2. Auxiliary cable not suitable for Apple® devices. 3. iPad® is a registered trademark of Apple Inc. The iPad® holder has been designed to hold iPad® 1, 2, 3, 4 & iPad Air securely. To ensure occupants are protected in the event of a collision, the screen protector must be fitted to the iPad® when in use. iPad® not included. 4. Portable cooler (12 volt, 15 litre) only suitable for use with retractable seatbelt.

# Relax, we'll take it from here.

We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra”.

Our five-year, unlimited-kilometre warranty<sup>1</sup> means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan<sup>2</sup> – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

And since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes 24/7 Roadside Support<sup>3</sup> for 10 years when you service with us.

iCare

1. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions. 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at [hyundai.com.au](http://hyundai.com.au), apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. 3. **Roadside Support Plan:** Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

Veloster.

# Big help, for little Aussies.

Every time a new car is sold at one of our dealerships, both Hyundai and the dealer will donate part of the sale price to Hyundai Help for Kids.™

Hyundai Help for Kids™ offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids,™ you're empowering thousands of young Australians and giving them a better future.

Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.

**Veloster.**

# Australia, in our DNA.

We're one of the biggest car manufacturers in the world – and one of the fastest growing global car brands.

We're also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That's why we source the majority of our high quality iron ore from right here, in Australia's backyard. So now, when you buy a new Hyundai, you know you're driving a car that's directly connected to home.
