

i30.

Exceptional standards.

We have one goal – to be Australia’s most-loved car company.

And to get there, we’re driven by a simple philosophy that life’s most incredible moments shouldn’t be reserved for a select few, and everyone should be able to experience an exciting and enjoyable drive.

So, how do we make that happen? We start by pushing our own boundaries, by making premium the new standard. And by engineering the most enjoyable ride possible.

Take the i30, one of Australia’s most awarded small cars¹. Most companies would have sat back, put the awards on the mantelpiece and called that success. But we saw this as an opportunity to make this car even better. We reinvented it, delivering a stronger, stylish, more intelligent car.

You can be sure we’ve put it through its paces. With an extensive local development program, the i30 is perfectly suited to Australian conditions. Whether it’s the value packed Go and Active, luxury focused Elite and Premium, or the sporty N Line - we make sure there is an i30 for everyone.

1. Australia’s most awarded small car: Best Small Car under \$35,000 in 2015, 2013, 2012 and 2010. Best Mid-Sized Car under \$30,000 in 2009. Best Mid-Sized Car under \$28,000 in 2008.

Safety first, and always.

We take safety very seriously, which is why we don't settle for anything less than 7 airbags and a 5-star ANCAP rating*.

The i30 has also been fitted with some of the most advanced safety features available, and the 53% ultra-high tensile steel chassis is a revelation. It uses much more ultra-high tensile steel than the previous model, boosting torsional rigidity by 18%, making it the strongest i30 ever.

The i30 range also offers a suite of intelligent safety technologies – Hyundai SmartSense™¹

Hyundai SmartSense™¹ technologies all have one thing in common – they've been developed to help alert you to (and avoid) any dangers around you.

From braking or reducing speed to maintain a safe distance from vehicles ahead, to helping you stay aware of what's happening in your blind spots, Hyundai SmartSense™¹ provides peace of mind for you, and for us.

Rear view camera

7 airbags

1. Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. Optional on Go and Active variants (Auto & DCT transmissions only) at an additional cost. Forward Collision-Avoidance Assist (FCA), Driver Attention Warning (DAW), Blind-Spot Collision Warning (BCW), Lane Keeping System - Line (LKA-L) and Smart Cruise Control with Stop & Go (SCC) not available on N Line manual variant. Blind-Spot Collision Warning (BCW) and Rear Cross-Traffic Collision Warning (RCCW) not available on N Line and N Line Premium variants. *i30 N has not been ANCAP tested.

Lane Keeping Assist - Line (LKA-L)

LKA-L provides steering intervention to assist the vehicle to stay within the lane. When the vehicle strays from the intended lane without indicators being activated, an audible and visual warning will be sounded.

Blind-Spot Collision Warning (BCW)

When driving at a speed of 30km/h or higher, the BCW function will alert the driver to other vehicles in the i30's blind spot, including during lane changes.

Forward Collision-Avoidance Assist (FCA)

Combining radar and camera data, the FCA system autonomously activates the brakes when it detects potential collisions with vehicles, cyclists, or pedestrians in front of the i30.

Smart Cruise Control (SCC) with Stop & Go

Detects the speed and distance of vehicles ahead of the i30, and automatically maintains a safe distance to the vehicle ahead, up to a pre-set speed.

Stunning to see. Thrilling to drive.

There's no denying it, the i30 looks good, thanks to its striking lines, headlights and cascading front grille.

But it's also a thrill to drive. Its performance is a testament to the work our designers and engineers put in every day in order to deliver a more enjoyable ride. And to put it simply, it's fun.

The i30 offers a choice of powerful engines, and three transmission options, 6-speed manual, 6-speed automatic or 7-speed dual clutch transmission.

We've taken Hyundai's commitment to research and development one step further too, rigorously testing and optimising the i30 for Australian roads, thanks to our extensive local tuning program.

By recruiting the finest engineers and designers, and investing billions of dollars each year, we've made a firm commitment to the future of motoring in Australia and overseas.

Beauty, on the inside.

The i30 is turning heads, in more ways than one.

When you see how far the i30 has come, you begin to realise how serious we are about offering comfort and premium in every inch of the car.

And you'll notice the difference the minute you get behind the wheel.

Take the full-length panoramic glass sunroof¹ for example. It gives you that extra look of luxury, connecting you with the outside from within.

Our multimedia system with Infinity™² premium audio and touchscreen technology has been designed specifically for the i30, while heated and ventilated front seats³, dual zone climate control⁴ and leather appointed⁵ interior completes the interior package, giving the i30 an impressive edge over its competitors.

Heated and ventilated front seats³

Panoramic glass sunroof¹

8" touchscreen

Dual zone climate control⁴

1. **Panoramic glass sunroof:** Only available on Premium and N Line Premium variants, and optional on Elite and N Line variants at an additional cost. 2. **Infinity™** is a registered trademark of Harman International Industries, Incorporated. Only available on Premium and N Line Premium variants. 3. **Heated and ventilated front seats:** Only available on Premium and N Line Premium variants. 4. **Dual zone climate control:** Not available on Go and Active variants. 5. **Leather appointed seats** means parts of the seats have a combination of genuine and artificial leather, but are not wholly leather. Not available on Go and Active variants.

Forward thinking.

The i30 understands your desire to stay connected, which is why we have seamlessly integrated smartphones into the car.

Once your journey is under way, Apple CarPlay™¹ and Android™ Auto¹ lets you safely play music, make calls or get directions on the easy-to-use 8" touchscreen. Satellite navigation² also helps to keep you on road.

We've also integrated wireless smartphone charging³ to ensure you've got the power you need to stay connected, long after you get out of the car.

The i30 recognises your smart key⁴ when you approach, which means you don't need to fumble for your keys to get in. And once you're behind the wheel you still don't need to take your keys out, thanks to the push button start⁵.

Android is a trademark of Google Inc. 2. Satellite navigation not available on Go variant. 3. Wireless smartphone charging: Requires Qi-enabled smartphone or adapter to operate. Not available on Go and Active variants. 4. Proximity smart key: Not available on Go and Active variants. 5. Push button start: Not available on Go and Active variants. 6. Electronic parking brake: Not available on Go and Active variants.

i30 N Line. Don't go unnoticed.

The i30 SR had been unanimously well-received, being awarded 2017 Drive Car of The Year and 2018 Drive Car of the Year Best Small Car. Now we aim to take one step further with the i30 N Line range.

A perfect balance between the i30's class-leading comfort and technology and the i30 N's sporty design, it will be difficult to miss the distinctive front and rear bumpers of the i30 N Line models. Complete with the twin exhaust pipe, exclusive steering wheel¹ with paddle shifters², gear knob and red stitched sports seats, the N Line is a car that screams to be driven.

Our sport-tuned, independent multi-link rear suspension was developed specifically for Australian roads and delivers sporty and engaging vehicle dynamics, without compromising ride quality.

The N Line variants offer large front brakes with improved stopping power, helping you better prepare for corners, whilst the N Line's 150 kW turbo charged engine will dare you to put your foot down as you come out of the bend. The 18" alloy wheels and Michelin Pilot Sport 4 performance tyres create a dynamic stance and deliver fantastic road handling.

Images shown feature N Line and N Line Premium variants.
1. N sports steering wheel with N logo, N sports gear lever knob with N logo & red stitched seats: Available on N Line and N Line Premium variants only.
2. Paddle shifters: Available on N Line with DCT variant and n line Premium variant.

i30 N. For those with a wild side.

Here are some of the features that make the i30 N so unique:

- 202kW/353Nm 2.0L turbo-GDi engine (Overboost: 378Nm)
- Electro-mechanical Limited Slip Differential
- Electronic Controlled Suspension (ECS)
- Launch control
- Performance brake package
- N Drive Mode System with five driver-selectable modes – Eco, Normal, Sport, N or N Custom setting
- 19" alloy wheels, Pirelli P-Zero HN tyres
- Hyundai SmartSense™²
- 8" inch satellite navigation
- Apple Carplay™³ & Android™ Auto³ compatibility

For further information, please refer to the i30 N brochure.

Every new chapter has a beginning. This is ours. The i30 N is Hyundai's first true high-performance car, developed to debut the N division and redefine the way in which the world views our vehicles. With the award-winning third-generation i30 as its basis, the i30 N has been created by a team of talented, enthusiast engineers to deliver uncompromised driving exhilaration on both road and track¹, without sacrificing the civility and comfort needed for daily enjoyment.

1. Whilst the i30 N has been designed for ultimate fun on the track, the vehicle warranty does not cover defects if the vehicle is used under racing conditions, speed endurance trials and timed or rallying competitions. Please refer to warranty terms and conditions for details and exclusions.
2. Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. 3. Apple CarPlay™ functionality requires software update. Apple CarPlay™ requires iPhone 5" or subsequent model (lightning cable) in order to operate. Apple® and iPhone® are registered trademarks of Apple Inc. Android™ Auto requires a device with Android 5.0 operating system or subsequent version in order to operate. Android™ is a registered trademark of Google.

Variants.

Life is about choice – so we've created six different i30 variants that'll let you take to the road the way you want to.

Go.

Engine and transmission

2.0 litre petrol (manual & auto)
1.6 litre diesel (manual & DCT)

i30 Go

Key specifications:

Safety

- Electronic stability control (ESC) including: Anti-Lock Braking System (ABS), Brake Assist System (BAS), Electronic Brakeforce Distribution (EBD), Hill-start Assist Control (HAC), Traction Control System (TCS) and Vehicle Stability Management (VSM)
- Rear view camera
- Tyre Pressure Monitoring System (TPMS)
- 7 airbags

Interior and technology

- Apple CarPlay™¹ & Android™ Auto² compatibility
- Bluetooth® connectivity²
- 8" touchscreen
- AUX/USB input with iPod®³ compatibility
- Cloth seats
- Hyundai Auto Link

Exterior and technology

- LED Daytime Running Lamps
- Automatic dusk sensing headlamps with escort and welcome function
- Heated exterior mirrors
- 16" steel wheels

Optional

- Hyundai SmartSense™⁴ pack (Auto/DCT only) including:
 - Forward Collision-Avoidance Assist (FCA)
 - Blind-Spot Collision Warning (BCW)
 - Driver Attention Warning (DAW)
 - Lane Keeping Assist – Line (LKA-L)
 - Rear Cross-Traffic Collision Warning (RCCW)
 - Smart Cruise Control w/ Stop & Go

Plus chrome front grille inserts, rear cooling/heating vents, LED side repeaters on side mirrors, Electronic Parking Brake (EPB)

16" steel wheels

Style, your way.

Your new Hyundai should stand out. And because the i30 is intelligent, stylish and bold, we've developed an interior and exterior colour range that emphasises these qualities.

After all, everyone's different. From the colour of the paint, to the shade of the trim – this is your opportunity to complement your personality. This is the time to fit the i30 right into your everyday life.

1. All Hyundai Genuine Accessories are backed by a 5 year warranty if purchased at the time of a new Hyundai vehicle and fitted by an authorised Hyundai dealer. All Hyundai Genuine Accessories are subject to warranty conditions. See your nearest Hyundai dealer or visit our website at www.hyundai.com.au for full warranty terms and usage recommendations. 2. Auxiliary cable not suitable for Apple® devices. 3. iPad® is a registered trademark of Apple Inc. The iPad® holder has been designed to hold iPad® models 1, 2, 3, 4 or Air securely. To ensure occupants are protected in the event of a collision, the screen protector must be fitted to the iPad® when in use. iPad® not included. 4. Only suitable for vehicle with the low boot floor, and no sunroof. 5. Not suitable for vehicles with panoramic sunroof. 6. Only suitable for use with a retractable seatbelt. 7. Mudflaps cannot be fitted in conjunction with a full bodykit or rear skirt. 8. Maximum ball download 75kg. Towing capacity 1300kg braked & 600kg unbraked. Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations. 9. Load capacity = 75kg evenly distributed over 2 bars. Roof Racks should be removed when not in use. 10. Requires fitment of roof racks at additional cost. 11. Maximum loading of the roof pod must not exceed the maximum load capacity of your roof racks. Please refer to your specific roof racks for maximum load capacity. 12. Park Assist is designed as driver assist aid only and should not be used as a substitute for skilled driving and safe parking practices. While the Park Assist Sensors monitor objects on approach, there may be occasions where blind spots affect the sensitivity of the sensors and as a result, the area into which the vehicle is heading must be visually monitored by the driver at all times while parking.

Hyundai Auto Link Bluetooth®.

Hyundai Auto Link Bluetooth® (Go, Active, Elite and N Line) is a smartphone app that lets you stay connected with your i30.

The app connects with the i30's pre-installed module to link the car to your smartphone via Bluetooth®, to help you drive smoothly.

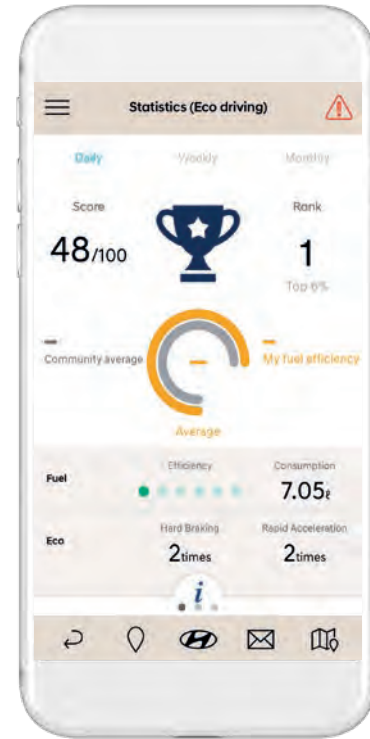

Become an economical driver.

- Keeps track of your driving habits and fuel efficiency on each trip.
- Presents vehicle health report and alerts you to any signs of faults.
- Remotely monitors your i30 health.
- Provides analytical information so you can get the most out of your i30.

Help us care for your car.

- Service information and online service bookings at your fingertips.
- Easy access to Hyundai Customer Care.
- Compare your driving to other owners.
- Logs private and business trip stats for record keeping purposes.
- Alerts Roadside Assistance in case of a breakdown.
- Sends alert messages¹ to Customer Care or family/friends in case of an emergency.

Hyundai Auto Link Premium.

Hyundai Auto Link Premium (Standard on Premium and N Line Premium) is an upgraded version of the Bluetooth® app that lets you stay remotely connected with your i30.

Your drive, your way, made better.

- Allows remote engine start from smartphone.
- Lets cars' doors, lights and climate control to be handled remotely.
- Sets geo-fencing, guard (theft control) and valet mode.

Download the app for your iOS and Android device² today.

CarPlan. The smarter way to finance your new Hyundai.

Life's full of surprises and while you won't always know what's around the next corner, with Hyundai CarPlan™ you'll always have the right car for the journey there. It's a smart and flexible way to have the vehicle that's perfect for you, even as your lifestyle changes.

Hyundai CarPlan™ has been developed by Hyundai Finance™ to provide flexibility at the end of your finance contract, letting you enjoy the new Hyundai experience again and again. At the end of your finance contract you can pay any amounts owing on your finance contract to keep your Hyundai or trade it in at your preferred Hyundai dealer to step into the latest Hyundai model and continue your journey with us. The choice is yours.

In a nutshell.

1. Choose your Hyundai model

Visit a participating Hyundai Dealer and select an eligible new or demonstrator Hyundai¹ that best suits your lifestyle.

2. Choose an eligible finance solution

You can choose your desired finance contract term of 36 or 48 months and the kilometres you intend to travel up to a maximum of 25,000 per year.

Our fixed rate loans are available with or without a deposit – whichever suits you.²

3. We'll then tell you:

- How much your regular payments will be over the finance contract term.³
- The Guaranteed Trade in Value for your new Hyundai. The Guaranteed Trade in Value is the value of your new Hyundai at the end of your finance contract as determined by Hyundai Finance™, subject to Fair Wear and Tear conditions and agreed kilometres not being exceeded.
- We'll also give you a copy of the Fair Wear & Tear Guidelines, setting out the condition requirements you'll need to maintain over the finance contract term to avoid any adjustments to your Guaranteed Trade in Value under the GTV terms.⁴

It's all about choice.

We know that everyone's lifestyle and situation is different, so we give you two different options to choose from when your contract comes to an end: keep your Hyundai, or trade it for a brand new one¹ knowing your Guaranteed Trade in Value.

1.

Keep your Hyundai by paying any amounts owing on your finance contract or applying through Hyundai Finance™ to refinance the loan residual balance.

2.

Trade in your Hyundai at your preferred Hyundai dealer and apply for another Hyundai CarPlan™ giving you the chance to step into the latest Hyundai model and continue your journey with us.

1. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme.

2. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers.

3. Your total interest charged may be higher if you choose the Guaranteed Trade in Value feature for your loan, compared to a loan without the feature.

4. The Guaranteed Trade in Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Trade in Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Trade in Value will be reduced and you'll be required to pay the difference.

How does Hyundai's new CarPlan differ from typical Hyundai financing?

Greater confidence

Hyundai CarPlan™ will ensure the amount you receive on trade in satisfies the final repayment, even where the value of the trade in is less than the final repayment amount¹. If the trade in valuation is higher than the Hyundai CarPlan™ value, the difference can be used as equity towards your new or demonstrator Hyundai when you purchase it².

A personally tailored solution

You may decide on the term for your finance contract, the deposit you would like to pay (if any) and the kilometres you intend to travel.

Greater flexibility

At the end of the finance contract term, you'll have the choice to keep your Hyundai, or trade it for a brand new one².

More options

You have the option to include things like Pre-Paid Service Plan³, insurance and accessory costs as part of your fixed-rate loan agreement.

Maintaining your vehicle.

To ensure you enjoy the full benefits of the Hyundai CarPlan™, your Hyundai must be in an acceptable condition when you are trading it in for your new Hyundai² and must not exceed the kilometre limit you have selected. Of course, we also understand that some reasonable wear and tear is to be expected, but it needs to remain within the provisions of your Hyundai CarPlan™ contract and Fair Wear & Tear Guidelines.

Where the vehicle is not in acceptable condition or where you have exceeded your kilometre limit, the Guaranteed Trade in Value of your vehicle will be reduced.

Is Hyundai's new CarPlan right for you?

Hyundai CarPlan™ is just one of many options available from Hyundai Finance™, so there may be another product that suits your individual needs better. Have a chat to your participating Hyundai Dealer about what's right for you.

1. The Guaranteed Trade in Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Trade in Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Trade in Value will be reduced and you'll be required to pay the difference.

2. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme.

3. Pre-Paid Service Plan: for scheduled services only, including parts. Does not include fair wear and tear items. For full terms and conditions visit hyundai.com.au/pre-paid

The Hyundai CarPlan from Hyundai Finance is a feature which ensures you receive the Guaranteed Trade in Value (determined by Hyundai Finance) at the end of the term of your contract when you trade it in at a participating Hyundai Dealer in accordance with the terms and conditions.

To exercise the feature your vehicle must be inspected and assessed by a participating Hyundai dealer at the end of the term of your finance contract. Adjustments to the value may apply. You receive the Guaranteed Trade in Value for the car if you exercise the feature at the end of the term and purchase a new or demonstrator Hyundai at the same time. The amount you receive on trade in will satisfy the final repayment, even where the trade in is less than the repayment amount.

Relax, we'll take it from here.

There's a reason why our iCare program has won awards¹. We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra.”

Our five-year, unlimited kilometre warranty² means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan³ – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes Sat Nav Update Plan for up to ten years⁴; and a 24/7 Roadside Support⁵ for ten years when you service with us.

iCare

1. 2015 Canstar Blue Innovation Excellence Awards (5 Stars). 2. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions. 3. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at hyundai.com.au, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicles, for their lifetime. 4. **Sat Nav Update Plan:** Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle's purchase. Complimentary map updates apply only if the vehicle completes a scheduled service at a participating Hyundai dealer. 5. **Roadside Support Plan:** Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids.™

Hyundai Help for Kids™ offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids,™ you're empowering thousands of young Australians and giving them a better future.

Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.

Australia, in our DNA.

We're one of the biggest car manufacturers in the world
– and one of the fastest growing global car brands.

We're also the only car company in the world producing
its own steel, because we know the best steel makes for
the strongest cars.

That's why we source the majority of our high quality iron
ore from right here, in Australia's backyard. So now,
when you buy a new Hyundai, you know you're driving
a car that's directly connected to home.
