the award-winning family SUV

Moments are happening all around us. The Subaru Outback is built to make the most of them. The moment you get in the Subaru Outback, you notice something different. Well, a lot of things. Ingenious, thoughtful features that make life easier and more fun for every person in the family. Safety innovations and advanced technology that make every trip exciting – even if it's just to the shops.

To build a best-in-class family SUV, we looked at what families use. What they need. What they do. And we built it from there. We engineered every feature to exceed every expectation – even the ones you didn't know you had.

The Outback 2.5i Premium AWD won Australia's Best All-Wheel Drive SUV under \$50,000 three times in a row.

Every moment is a chance to do. So do more with the advanced features in the Subaru Outback.

why Outback?

Symmetrical force of power

Our All-Wheel Drive philosophy

Greater balance and control. That's the confidence you get from our unique Symmetrical All-Wheel Drive (AWD) system, which delivers the drive distribution to all four wheels, all the time. Every Subaru Outback has an innate sense of balance from the ground up, thanks to a near perfect symmetrical layout.

Boxing clever

Our famous Subaru Boxer engine

While most engines stand vertically, ours lay flat. The famous Subaru Boxer engine helps to deliver better handling. Sitting horizontally in the engine bay, it moves like a boxer's fists with a punch and counterpunch action. Lightweight, low and flat, it makes for perfect balance and a much lower centre of gravity. It creates less noise and vibration too. All of this means better on-road handling for you. More stability. More performance. More fun. And a more confident drive.

Finest safety

5 star ANCAP safety across the Outback range

With spirit, quality and imagination comes some serious safety innovation. We want every Subaru Outback to be amongst the safest cars on the road. Engineered full of cutting-edge technologies and the most intelligent design features. The Subaru Outback carries the maximum 5 star ANCAP¹ safety rating.

Eyes in the back of your head

Rear view reverse camera

Manoeuvring back into a tight side street? Family driveway littered with toys? Reverse with confidence, thanks to our rear view reverse camera technology. The rear view reverse camera is like having eyes in the back of your head. This greatly improves your visibility and reduces the risk of bumps and scrapes. A rear view reverse camera is standard on every Outback variant.

Efficiency without compromise

Auto Stop Start

We're constantly thinking of ways to help the environment and become more fuel-efficient. That's why we developed Auto Stop Start technology. It saves fuel by immediately cutting the engine when you don't need it, like when you're idling or stopped in heavy traffic. The moment you're ready to move again, the engine restarts in a fraction of a second. Our Auto Stop Start technology is standard on Outback 2.5i AWD, 2.5i-X AWD and 2.5i Premium AWD variants.

Excellent fuel efficiency

Subaru makes for better adventures

Our 2.0-litre turbocharged Boxer diesel engine offers frugal fuel consumption², without sacrificing performance. It's perfect for taking the road less travelled. This engine gives you more range than ever. Subaru diesel – available in Outback 2.0D AWD and 2.0D Premium AWD variants.

1. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes. 2. Subaru Outbacks equipped with Boxer diesel engines offers more frugal fuel consumption in comparison with Subaru Outbacks equipped with Boxer petrol engines.

Yet another world first

Lineartronic® CVT

Pushing innovation beyond the bounds, we introduced an automatic transmission called Lineartronic® Continuously Variable Transmission (CVT). And it's the reason our automatic models drive so smooth. It's the world's first longitudinally mounted system for AWD vehicles. Unlike a conventional automatic transmission – which uses fixed gear ratios – our Lineartronic® CVT provides infinite variability between the highest and lowest available ratios. So you now experience a smoothness that also optimises the efficiency of the vehicle. For even more excitement, switch to manual mode for greater control to suit your driving style. Lineartronic® CVT is standard on all Outback variants.

Intelligently driven

Subaru Intelligent Drive

Heading to the shops? Taking on the Great Ocean Road? Each situation deserves a distinctive driving mode, so we crafted

Subaru Intelligent Drive (SI-Drive) technology, available on Outback petrol variants, to do just that. Switch from smart, to sporty to even sportier. Intelligent (I) mode – perfect for everyday driving, Sport (S) mode – for enhanced acceleration and all-round sporty performance and on the Outback 3.6R AWD, Sport Sharp (S#) mode – for a truly thrilling drive.

Get smart

X-Mode

When the going gets tough, engage Subaru's intelligent X-Mode, standard across the Subaru Outback range. Featuring Hill Descent Control which optimises traction in low speed and slippery conditions, X-Mode delivers uncompromising performance in challenging terrain.

We're looking out for you

EyeSight® Driver Assist

We were the first car company to exclusively use stereo camera technology to detect

objects in our vehicles path. A sign of our future-thinking and our commitment to quality, technology and safety, EyeSight® Driver Assist is like your second pair of eyes, spotting potentially dangerous situations. If EyeSight® detects anything that might be of danger, it warns you audibly, urging you to take action and brake. EyeSight® is standard across the Subaru Outback range.

Clever thinking

Subaru's Vision Assist

Subaru's Vision Assist is advanced technology that gives you greater awareness of the world around you. Subaru's Vision Assist Blind Spot Monitoring features rear and side sensors that let you know when there's something in a blind spot to make lane changes safer. The Rear Cross Traffic Alert can warn you that another car is approaching when reversing out of a car space. Cutting-edge technology to help keep your family safe. Subaru's Vision Assist available on Subaru Outback 2.5i Premium AWD, 2.0D Premium AWD and 3.6R AWD.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

Subaru New Car Warranty – 5 Year/Unlimited Kilometres¹

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Km manufacturer's national warranty. Visit www.subaru.com.au/warranty or ask your Subaru Retailer for more information.

Subaru Capped Price Servicing

With our 5 Year/125,000 Km Capped Price Servicing Program², you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru

technicians will be looking after your pride and joy using only Genuine Subaru Parts.

1-Month Health Check and Chat

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

Subaru's Map Updates

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program³ – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

Subaru Roadside Assistance

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, our Roadside Assistance will help⁴ with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

1. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/warranty. 2. Every eligible Model Year 2020 onward Subaru Outback comes with Subaru's 5 Year/125,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 3. Subaru's Map Update Program is available on 2020 Subaru Outback models purchased from 10th February 2020 onwards with the factory line fit Gen3.1 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/owner-experience/benefits/subaru-map-update-program. 4. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For a full list of benefits, visit www.subaru.com.au/owner-experience/benefits/program/roadside.

live life without limits

Subaru Insurance

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. A range of Subaru Insurance² options provides a variety of choices, including: Subaru Premier Motor Insurance and Subaru Extended Warranty Insurance.

Subaru Certified Used Cars

Every Subaru Certified Used Car has passed a 120-point quality inspection and comes with a one year unlimited kilometre Subaru Assured Warranty³ – to complement the balance of a new vehicle warranty or the statutory warranty that remains – from participating Subaru Certified Used Car Retailers.

1. Subaru Certified Collision Repairer network not available in all areas. Call 1800 737 179 or visit www.subaru.com.au/retailers to find your closest Subaru Certified Collision Repairer. 2. Subaru Insurance products are issued by Allianz Australia Insurance Limited AFS Licence No. 234 708 ABN 15 000 122 850 (Allianz). In arranging this insurance Subaru (Aust) Pty Limited ABN 95 000 312 792 (Subaru) and the authorised dealers act as agents of Allianz and not as your agent. Neither Subaru nor any of its related companies or appointed authorised retailers have any liability in respect of these policies. 3. The Subaru Assured Warranty product is issued by the selling Subaru Retailer. Subaru Australia has no liability in respect of this warranty.
