

PALISADE.

Taking Australian families further.

Life has never moved faster, or asked more of you. But with its striking design, intuitive technology, and a suite of leading-edge safety features, the all-new Palisade is both your sanctuary and your getaway - a space to transform the hours you spend on the move into quality time.

In a world that wants all of your attention, all the time, Hyundai's flagship SUV Palisade is not just a luxuriously comfortable 8-seat SUV, it's the ultimate space to connect with your family.

PALISADE.

Charismatic. Confident. Capable.

The Palisade has been created as Hyundai's flagship SUV - and it shows. Both muscular and elegant, it's a bold design statement that delivers genuine presence and an unmistakable sense of occasion. Wherever you're going, the Palisade will take you there in style.

A large, cascading front grille captures attention from the first glance, framed at each side by a distinctive stack of LED daytime running lights. An extended hood draws the eye across the powerfully sculpted alloys, adding to the visual impression of strength, while the shoulder line is clean and ultramodern. This is Hyundai at its most decisive: clever, confident, and refined.

Just as the Palisade reframes the conversation about who an 8-seat SUV is for, so does its exterior, detailing a reinvigorating large vehicle design. From the panoramic rear window glass - allowing passengers in the 3rd row far greater visibility - to the unique, vertically shaped rear lights, nothing has been overlooked.

And with LED fog lamps and a LED High Mount Stop Light which will keep you safely in sight, even in murky weather conditions - the all-new Palisade offers an unmistakable silhouette from every angle.

2. Available on the Highlander variant.

The best room in the house. With 8 seats.

Perhaps your family's grown. Or maybe your passengers are simply overgrown. Either way, sometimes it's good to have a little extra legroom. And headroom. And everything room. Whether space for eight is a necessity or just a lifestyle choice, the Palisade delivers a premium experience to every seat.

Available in a 7-seat option¹, the Palisade Highlander with 7-seats has captain's seats in the 2nd row to create a luxurious and spacious 2-2-3 seating configuration. Meticulously designed, all the Palisade's seats have been developed with the latest ergonomic technologies for superior comfort and easier entry & exit.

In Highlander variants, rich Nappa leather appointed² seats provide an even more tactile cabin experience. Family life can get messy sometimes, and you'll also appreciate just how easy leather seats are to wipe clean after sports carnivals, camping trips or beach adventures.

Nor are the rear seats forgotten. A dual sunroof¹ allows you to fill the Palisade Highlander with light, while individual, built-in window sunshades¹ in the 2nd row can be raised or lowered depending on each passenger's preference.

For those long family trips, Quiet Mode plays music through only the front speakers when your youngest passengers are sleeping, or your teenagers are glued to their screens and don't want to be disturbed.

With thoughtful solutions from front to back, the Hyundai Palisade really is the best room in the house.

Everything a family values.

The all-new Hyundai Palisade is packed with family friendly features that will have you smiling every time you use them. It's all about making you feel calm, confident and in control, from loading the vehicle with ease to the fun-filled experience of driving. In the all-new Palisade, effortless design and practical luxury align to meet your needs.

Seat configuration³
With multiple seat configurations, you can fold seats to suit any trip.

Walk-in switch³
The spacious cabin of the Palisade makes getting into any seat a breeze. With a touch of a button, the 2nd row collapses and slides forward, allowing access to the 3rd row even easier.

Three-zone climate control system¹
Dual-zone for the driver and front seat passenger (which means you can both enjoy different climate settings), temperature and control settings in the 2nd row and air vents in the 3rd row.

16 cup holders²
Ultimate convenience in every seat, and storage for far more than just drinks. They also make excellent homes for takeaway coffees, water bottles, rogue earphones or uneaten fruit...

Abundant storage¹
Whatever you need to carry - from a beautiful vintage sideboard to the luggage of visiting family and friends - with up to 704L of boot space (behind 2nd row), there's room for everything.

7 USB charging ports³
There is a total of 6 USB charging ports (2 in each row) plus 1 multimedia USB terminal in the front, for maximum recharging convenience.

Rear conversation mirror
Displays vision of passengers in the 2nd and 3rd rows to the driver, allowing parents to safely keep an eye on the little (or not so little) ones in the back.

1. 7-seat Highlander variant shown.
2. Available on the 8-seat.
3. Highlander variant shown.

Technology that speaks to you.

The Palisade is equipped with cutting-edge technology that brings you closer to the people you love; simply, quickly, and reliably. Because whether you're sending a message, trying a new way home, or booking a table for eight, a lot of life happens when you're behind the wheel.

A crystal clear 10.25" multimedia touchscreen leads the way, with Apple CarPlay™¹ and Android™ Auto² providing smartphone functionality with minimal fuss - allowing you to control your podcasts and music playlists without ever having to touch your phone. Wireless charging³ and an integrated Head-Up Display (HUD) are also included on the Highlander variant.

If things have become a little unruly in the back - or you'd just like to address everybody at once - there's an innovative, in-built 'Driver Talk' intercom system. With the touch of a button, it allows the driver to address the rest of the passengers, without ever raising their voice.

No fewer than seven USB ports (one of which is a dedicated multimedia port) ensure that every passenger's needs are met, while a 12-speaker Infinity™⁴ premium audio system provides symphony worthy sound throughout the cabin. And when there's more than one regular driver, the Palisade's Integrated Memory System (IMS)⁵ allows two people to reconfigure their preferred seating and external mirror positions instantly.

Life has enough challenges, and Hyundai captures technology to make your everyday life easier. The Palisade's smart tailgate⁶, allows you to open the boot without touching your smart key, or even waving your hands or feet at a sensor. If you're approaching the Palisade with your arms laden down by shopping or sports gear and you've got the smart key in your pocket or handbag, you can just pause near the rear of the vehicle for three seconds and the tailgate will automatically open. It's simple, and simply genius.

Hyundai SmartSense™¹

The Palisade's Hyundai SmartSense™¹ is an array of safety features designed to safeguard you and your family. Unobtrusive, yet constantly vigilant, it works in the background, ever ready to intervene if required.

Things happen quickly on the road. That's why Hyundai's Blind-Spot View Monitor (BVM)² maintains a watchful eye, activating automatically whenever you use your indicators. This safety system sees cars travelling in rear blind spots and projects real-time video onto the 7" supervision cluster, giving the driver an even better driving picture to respond to.

Forward Collision-Avoidance Assist (FCA) uses both the Palisade's radar and camera to monitor conditions ahead, alerting the driver to slow or stopped traffic, and even cyclists or pedestrians, applying the brakes if necessary.

Meanwhile, a variety of complementary systems operate to keep you centred in your lane, help prevent accidents while reversing from driveways onto busy streets, or to automatically dip your high beams to oncoming traffic after dark.

Hyundai SmartSense™¹ even has you covered once you've arrived. Surround View Monitor (SVM)² uses a camera to give you a bird's eye 360° view of your Palisade for perfect parking everytime.

The Rear Occupant Alert (ROA) - Advanced system first displays a "check rear seats" alert to the driver when exiting the vehicle, and then uses an ultrasonic sensor to monitor movement in the rear seats when the car is locked. If movement is detected, it will sound the horn and flash the headlights to make sure nobody, including the family's youngest members, is forgotten in the car.

Wherever your journey takes you, the Palisade has your back. Every time.

Blind-Spot View Monitor (BVM)²

Blind-Spot Collision-Avoidance Assist - Rear (BCA-R)

Like a second set of eyes, this system uses radar sensors in the rear bumper to look out for vehicles in the driver's blind spot. When BCA-R detects a vehicle in those blind spots, it provides visual and audible alerts, and if it detects a potential collision, an active avoidance manoeuvre is undertaken with the system gently applying braking force.

Lane Following Assist (LFA)

LFA works in conjunction with Smart Cruise Control (SCC) whereby it uses a front windshield-mounted camera to detect lane markers on the road and provides steering assistance to ensure the Palisade stays in the centre of its lane.

Rear Cross-Traffic Collision-Avoidance Assist (RCCA)

RCCA monitors for traffic approaching on either side of the Palisade when reversing out of perpendicular parking spaces. Should RCCA detect a vehicle approaching, a warning will sound and a visual alert will appear in the cluster. Then if necessary, emergency braking will self-activate to help prevent a collision.

Surround View Monitor (SVM)²

Employs a series of high-resolution cameras to create a real-time, 360° bird's eye view of your Palisade and its surroundings. With this kind of spatial awareness, parking becomes so much faster and easier.

¹ Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving.
² Available on the Highlander variant.

Powering ahead.

Both the 2WD 3.8L V6 and AWD 2.2L diesel 4-cylinder versions provide satisfying dynamic response, whether your Palisade has one passenger or eight.

Both engines are matched to a remarkably refined Shift-By-Wire eight-speed automatic transmission, featuring effortless power delivery whether you're making your way through the city, driving through the mountains, or cruising the open highway. Whatever mood, or environment, the driver is in, the Palisade adapts, with four drive modes to choose from — Comfort, Eco, Sport and Smart — while Multi-Terrain Mode¹ available in diesel engines only, offers ideal dynamic settings for three surfaces: Snow, Mud or Sand.

And for those adventurers thinking about getting on the road with a trailer, boat or caravan - the Palisade has a towing capacity of 2,200kg (braked) and 750kg (unbraked).

Poised, planted, and with all the power you need, the Palisade is your ultimate family vehicle. It's a constant invitation to explore a little longer, to take the family down another road less travelled, or to set off on an impromptu dash to the horizon.

PALISADE.

Variants.

Life is about choice – so we've created three different Palisade variants that will let you take to the road the way you want.

Palisade.

Engine and transmission

3.8L GDi V6 (Petrol) 2WD - 8-speed automatic
2.2L CRDi (Diesel) AWD - 8-speed automatic

Key specifications:

Safety

- 6 airbags (including 3rd row curtain)
- Rear view camera with front & rear parking sensors
- ISOFIX points (3)
 - 2nd row: LH, RH
 - 3rd row: LH
- Top tether anchor points (5)
 - 2nd row: LH, centre, RH
 - 3rd row: LH, centre
- Electronic Stability Control (ESC) including:
 - Anti-lock Braking System (ABS)
 - Brake Assist System (BAS)
 - Electronic Brakeforce Distribution (EBD)
 - Downhill Brake Control (DBC)⁶
 - Hill-start Assist Control (HAC)
 - Trailer Stability Assist (TSA)
 - Traction Control System (TCS)
 - Vehicle Stability Management (VSM)
- Tyre Pressure Monitoring System (TPMS)
- Hyundai SmartSense™¹ including:
 - Blind-Spot Collision-Avoidance Assist - Rear (BCA-R)
 - Driver Attention Warning (DAW)
 - Forward Collision-Avoidance Assist (FCA) - camera and radar type, including:
 - i) Car/Pedestrian/Cyclist detection
 - ii) City/Urban/Interurban operational speeds

Safety

- High Beam Assist (HBA)
- Lane Keeping Assist - Line/Road-Edge (LKA-L/R)
- Leading Vehicle Departure Alert (LVDA)
- Lane Following Assist (LFA)
- Rear Cross-Traffic Collision-Avoidance Assist (RCCA)
- Rear Occupant Alert (ROA) - Advanced
- Smart Cruise Control (SCC) with Stop & Go

Interior and technology

- 8-seats
- 10.25" multimedia touchscreen with Apple CarPlay™² and Android™² Auto compatibility
- Leather appointed³ seats & steering wheel
- Multi-Bluetooth®⁴ Connection
- Satellite navigation with Live Traffic Updates
- Infinity™ premium audio system with 12 speakers
- Driver Talk function
- Quiet Mode function
- 7" supervision cluster
- 7x USB charging ports
- DAB+ digital radio
- Three-zone climate control
- 16 cup holders
- Smart key with push button start
- Walk-in switch

Interior and technology

- Rear conversation mirror
- Drive Mode - Comfort, Eco, Smart & Sport
- Multi-Terrain Mode® - Snow, Mud & Sand
- Panoramic glass in 3rd row
- Power driver's seat
- Electro-chromatic Mirror (ECM)
- Electronic Parking Brake (EPB)
- Shift-By-Wire (SBW)
- Steering wheel mounted controls - audio, phone, cruise control & trip computer

Exterior and technology

- 18" alloy wheels with full size spare
- LED Daytime Running Lights (DRL)
- Automatic dusk sensing headlights
- LED positioning lights
- LED rear fog lights
- LED High Mount Stop Light (HMSL)
- Headlights (projector beam)
- Roof rails

Towing capacity

- 2,200kg (braked)
- 750kg (unbraked)

18" alloy wheels

Shift-By-Wire (SBW)

LED Daytime Running Lights (DRL)

Drive Mode - Comfort, Eco, Sport & Smart

Highlander - 8 seat.

Engine and transmission

3.8L GDi V6 (Petrol) 2WD - 8-speed automatic
2.2L CRDi (Diesel) AWD - 8-speed automatic

Key specifications above Palisade :

Style, your way.

Your new Hyundai should stand out. And because the Palisade is hard working, stylish, and intelligent, we've developed an interior and exterior colour range that emphasises these qualities.

After all, everyone's different. From the colour of the paint, to the shade of the trim – take the opportunity to complement your personality and make sure the Palisade fits right into your every day life.

Relax, we'll take it from here.

We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra.”

Our 5-year, unlimited kilometre warranty¹ means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan² – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes Sat Nav Update Plan for up to ten years³, and a 24/7 Roadside Support⁴ for ten years when you service with us.

iCare

1. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions. 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at hyundai.com/au/en, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicles, for their lifetime. 3. **Sat Nav Update Plan:** Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle's purchase. Included map updates apply only if the vehicle completes a scheduled service at a participating Hyundai dealer. 4. **Roadside Support Plan:** Receive 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).
