FEEL THE FREEDOM OF MAZDA2

Welcome to style that leaves an impression combined with impressive performance. With the latest in safety and technology, Mazda2 offers you the freedom of a compact drive without compromise. It's ready to effortlessly go whenever you like, to wherever you need to be.

EXPERIENCE A HIGHER STANDARD OF DESIGN

Drawing on Mazda's signature 'Kodo - Soul of Motion' design language, the luxurious cabin has been infused with a sense of playful elegance. Light and shadow dance off the premium materials throughout, elevating the sense of quality in all directions. Extensive research has been undertaken to create a peaceful, quiet space where road noise is minimised and natural conversation can flow.

STYLE THAT SETS YOU APART

Taking a 'less is more' approach to exterior design, Mazda2 conveys a strong sense of quality and elegance that's well above its peers. The distinctive front grille adds presence and a feeling of width, while the wheel design and colours create a sense of poise and capability from front to back.

CONNECTIVITY THAT DOESN'T COMPROMISE

Every piece of technology within Mazda2 has been engineered around effortless convenience. Access your world with Apple CarPlay®§ and Android™ Auto§ standard across the range. Choose your settings via MZD Connect's intuitive commander dial. While at night, the rearview mirror in G15 Evolve and G15 GT automatically adjusts and dims itself if it detects a high beam.

§ Please check the compatibility of your device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

PERFORMANCE THAT TAKES CHARGE

With the spirited Skyactiv-G 1.5L engine, Mazda2 delivers an exciting drive every time. You'll love the fuel economy as well as the strong torque and fast engine response that really helps you take charge. All while reducing harmful substances in exhaust emissions.

SAFETY WITH SMARTS

Mazda2 is equipped with the latest enhancements to our safety technologies to ensure even greater peace of mind. Lane keep Assist (LAS) alerts the driver if they are deviating from their lane and provides gentle steering assistance to help them get on track. Smart City Brake Support (SCBS) and Blind Spot Monitoring (BSM) are standard across the range, and Traffic Sign Recognition (TSR) is standard on G15 Evolve and above, meaning you can enjoy a drive that's full of confidence.

SURROUND YOURSELF WITH QUALITY

To maintain the feeling of considered design throughout the cabin, luxurious materials from the seats adorn the door trims and centre dashboard. Beautiful to touch and to admire, these trims create a stylish, fresh ambience that speaks to Mazda2's modern styling.
