SOPHISTICATION MEETS PERFORMANCE

New, sleek, and sporty, the SP models from Mazda have arrived. All black wheels and mirror caps exude a sense of refinement that only the darkest shade can bring. While vibrant red stitching that works its way around the cabin, lights up the finer details of what Mazda has to offer. The SP models

also deliver Burgundy seat trim on Mazda6 and Mazda CX-9, a black seat trim with unique red contrast stitching on Mazda CX-5 and Mazda CX-8, along with a range of other carefully considered touches to bring sophistication and performance to life like never before.
