● = Standard | □ = Optional equipment | — = Not available | NCO = No cost option

<sup>13</sup> Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

<sup>14</sup> The content and scope of the Audi connect plus services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect plus services. Terms and conditions apply, please visit [www.audi.com.au/audiconnectplus-termsofservice](http://www.audi.com.au/audiconnectplus-termsofservice) for more information. Additional Information about our privacy practices and procedures is contained in our Privacy Policy located at: [www.audi.com.au/audiconnectplus-privacypolicy](http://www.audi.com.au/audiconnectplus-privacypolicy)

<sup>1</sup> Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

<sup>2</sup> Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.

<sup>3</sup> Audi connect plus Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. Audi connect plus services are valid for 3 years after vehicle delivery. Emergency call and Audi Service Request are valid for 10 years after vehicle delivery. If Audi connect plus services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.

<sup>4</sup> Audi connect plus Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.

<sup>5</sup> Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

<sup>6</sup> Digital radio reception coverage dependent on vehicle location.

<sup>7</sup> MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

<sup>8</sup> Certain sections of the leather appointed seat upholstery contain man-made material.

Vehicle pictured is an overseas Q5 35 TDI Limited Edition model with optional equipment.
