

**Designed for Joy**

**CIVIC**

# Joy has no limits.

When it comes to joy, there should never be any limits. That's why when it came to the design of the Civic, nothing was off limits.

We upgraded everything. The entire exterior has been refined with swooping curves – making it as sleek on the outside as it is seamless on the inside.

There, you'll uncover and enjoy intuitive tech and superior design touches – all to fill you with a limitless amount of confidence and joy from the moment you first drive one home.

Because when it comes to the joy of the Civic, limits are just so... limiting.

# ELEVATE

Overseas model shown.

# The limits are off.

Every aspect of the Civic has been elevated into another stratosphere of style, sophistication and luxury.

## **Front Door Red Ambient Lighting**

An elegant touch of red light illuminates the cabin for added ambience.

## **Black Leatherette Seats with Red Accented Suede**

As stylish as they are comfortable, these luxurious black leatherette seats with red suede accents are a real treat for your seat.

## **Bose®\* Speakers**

A 12-speaker premium sound system with subwoofer makes for some very immersive listening.

## **Refined Finishes**

Strategically crafted pattern helps make scratches, dust and fingerprints inconspicuous.

## **Honeycomb Panels with Concealed Vents**

The breeze goes behind the scenes with air vents concealed behind a distinctive honeycomb panel.

## **Larger Windscreen**

We lowered the dash to elevate your point of view and create an airier, more joyful cabin. It's truly a sight to see.

\*Bose is a registered trademark of Bose Corporation.

# Pushing the boundaries of power and efficiency.

The genius of Honda engineering has pushed the limits and raised the bar (once again) with a powertrain and body structure that combines excitement and efficiency into one extremely enjoyable package.

## **1.5L Turbo Engine**

Turbocharging your joy with 131kW of power and 240Nm of torque.

## **Continuously Variable Transmission**

Provides a silky smooth, seamless wave of power and maximises fuel efficiency.

# GENIUS

## Fuel Economy

Sips fuel to help you save money with just 6.3L/100km<sup>†</sup>

## Earth Dreams Technology

Engineered to minimise your environmental impact and maximise your performance.

## Strong & Light

Super strong and safe yet light and flexible. It's safe to say the Civic handles itself well.

<sup>†</sup>Fuel consumption figure quoted based on ADR81/02 test results. You may experience different results depending on driving conditions and the condition of your vehicle. Overseas model shown.

# Super Seamless. Extremely Enjoyable.

## Android Auto™# and Wireless Apple CarPlay®^

Stay connected on the go. Music, maps and more. They're the gold standard of seamless connectivity.

## Wireless Charging~

Simply set it down to get charged up. No cords required.

#Google, Android and Android Auto are trademarks of Google LLC. To use Android Auto on your car display, you'll need an Android phone running Android 5.0 or higher, an active data plan, and the Android Auto app.

^Apple CarPlay, iPhone and Siri are trademarks of Apple Inc. CarPlay and Siri requires iPhone 5 model and above running iOS 7.1 or higher. ~Feature only compatible with devices that support or can be upgraded to support wireless charging. Check the compatibility of your device with your device manufacturer.

# Tech without limits.

## 9" High Mounted Touchscreen Display

Keep your head high and eyes on the road with a crystal clear touchscreen that stands at the ready. Also features 5 years of 'over the air' map updates.

## LCD Instrument Panel

Everything you need to know (and a bit more) conveniently displayed right behind your steering wheel. So you always know what's happening in real time.

## Integrated Washer Nozzle

Focuses the spray in the direction your wiper is headed. Keeps things as clear as can be, even at night with the glare of oncoming headlights.

## A few more intuitive touches...

### Dual Zone Climate Control

You and your passenger can individually select their perfect temperature while Plasmacluster<sup>®</sup> filtration freshens the air as you drive along.

### Walk Away Auto Lock

Simply walk away with the key FOB in your pocket and the doors will automatically lock. Easy as that.

### Bose<sup>®</sup>\* Dynamic Speed Compensation

The faster you go, the louder the audio volume becomes. As you slow down, and road noise decreases, the volume does too. So smart.

# Honda Sensing<sup>†</sup>

Honda  
**SENSING**

## Lane Keeping Assist System (LKAS)

Provides steering input to help keep the vehicle in the middle of a detected lane and provides audible and visual alerts if the vehicle is detected drifting out of its lane.

## Lane Departure Warning (LDW)

When the vehicle enters the warning area, the LDW alerts you with slight steering wheel vibration as well as a warning display.

## Forward Collision Warning (FCW)

Alerts you when it detects the possibility of your vehicle colliding with the vehicle in front of yours.

## Collision Mitigation Braking System (CMBS)

CMBS is designed to alert you when a potential front collision is determined, as well as to reduce your vehicle speed to help minimise collision severity when a collision is deemed unavoidable.

## Traffic Jam Assist (TJA)

When you are in heavy traffic and LKAS is active, the traffic jam assist system, upon detecting the traffic lane lines, will apply steering torque to help keep your vehicle in the centre of the lane.

## Road Departure Mitigation System (RDM)

Alerts and helps to assist you when the system detects a possibility of your vehicle unintentionally crossing over detected lane markings or approaching the outer edge of the road surface or a detected oncoming vehicle.

## Adaptive Cruise Control (ACC) with Low Speed Follow (LSF)

Helps maintain a constant vehicle speed and a set following interval behind a vehicle detected ahead of yours and, if the detected vehicle comes to a stop, can decelerate and stop your vehicle.

## High Beam Support System (HBSS)

Automatically changes your headlights from low to high on a clear road, and then back to low beam when an oncoming vehicle is detected.

<sup>†</sup>Honda SENSING technologies are driver-assist technologies and should not be used in place of safe driving practices. Drivers should continue to monitor the road at all times. The accuracy and operation of Honda Sensing technologies may vary based on weather, speed, traffic, road conditions, markings and other factors. Images used for illustration purposes only.

# Taking safety to new heights.

## **Rear Cross Traffic Alert (RCTA)**

If you're backing out of a tight spot, an alert lets you know if something is coming your way.

## **Multi-Angle Reversing Camera**

Shift into reverse and the rear camera comes to life – with three views and dynamic guidelines to get you into or out of tight spots.

## **Blind Spot Information System**

If someone happens to be in your blind spot, a handy alert will let you know.

## **Airbags All Around You**

Front, front-side, full-curtain and knee airbags are at the ready if you ever happen to get into an accident.

## **Pop-up Hood System**

Designed to help to reduce the possible head injuries of a pedestrian if they experience a frontal impact with your vehicle.

# Featuring loads of Joy.

## Key features:

- 1.5 litre DOHC VTEC Turbo in line 4-cylinder engine
- 131kW @ 6000rpm and 240Nm @ 1700-5500rpm
- Fuel consumption 6.3 L/100km†
- Honda Sensing suite of driver-assist technologies
- Blind spot information system
- Advanced Display Audio (9-inch touchscreen) with Android Auto™# and Wireless Apple CarPlay®^
- Wireless charger~
