

ALL-NEW SUBARU
BRZ

ultimate joy ride

2022

SUBARU

Subaru BRZ Coupe S

ultimate **JOY** ride

The all-new Subaru BRZ
is here to transform
your world.

Delivering pure exhilaration, power and heart-pumping thrills, the all-new Subaru BRZ takes you far beyond the bounds of what you once thought possible for the ultimate JOY ride.

Born and bred from Subaru high performance DNA and featuring the famous adrenaline inducing Subaru Boxer engine – the Subaru BRZ is now faster, sexier and more playful than ever. It's a car that spawned a cult of loyal followers. And now – reimagined, reengineered, and redesigned (both inside and out) – it's set the bar even higher. From the moment you step into this stylish and meticulously engineered piece of machinery, your world will transform into one filled with epic rear-wheel thrills, fun and pure unadulterated joy.

torque of the town

Delivering pure exhilaration, power and heart-pumping thrills, the all-new Subaru BRZ takes you far beyond the bounds of what you once thought possible for the ultimate JOY ride.

With Subaru's legendary rally heritage running through its veins, the new Subaru BRZ elicits an electrifying response. From exhilaration induced goosebumps, to the instant gut reaction triggered by the distinctive rumble of the Boxer engine. With a new 2.4 litre Boxer engine, this new incarnation is set to raise the stakes. The newly configured engine powers a sublime analogue sports car performance, producing faster, smoother acceleration and an undeniable urge to put Subaru BRZ through its paces. Coupled with an ultra-low centre of gravity, exceptional handling and driveability is delivered in a choice of 6-speed manual or 6-speed automatic transmission.

Racetrack-bred levels of driver control, align with Subaru's commitment to safety, Towards Zero¹ vision and advancements in collision performance. Subaru BRZ safety comes in many guises to keep you in line when necessary - including primary, active, passive and some of the latest safety technologies.

Variants with automatic transmission boast Subaru EyeSight[®] Driver Assist² - the first driving support system for Subaru BRZ delivering superior preventive safety. While high rigidity and excellent collision safety, support impressive passive safety credentials and passenger protection performance across the range. Because driving fun and inherent safety, are two synergistic forces bound together in Subaru's DNA.

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html. 2. Available on Subaru BRZ Coupe and Subaru BRZ Coupe S 6-speed automatic transmission models only.

Alloy Wheels

Subaru BRZ Coupe S

set your world on fire

With aerodynamic precision, retuned suspension and a re-engineered chassis optimised for traction, Subaru BRZ is designed to thrill. Urging you on, Subaru BRZ's sculpted new exterior lines cut sharply through the mountain air. With aerodynamics to match the raw engine power and boosted acceleration, the athletic coupe styling echoes its playful ethos and legendary JOY ride status.

The low and wide stance is designed to house the Boxer engine for straight-line stability, superior road grip and handling prowess. The revised platform features increased chassis rigidity, an improved power to weight ratio and retuned suspension to deliver improved traction for responsive steering, dynamic handling and sharp gear-shifting control.

Add 18" alloy wheels, Michelin Pilot Sport 4 tyres and a grip that hangs on through the corners and you have the ultimate in driving excitement, safety and agility.

feel the connection

Created by sports car aficionados, Subaru BRZ imparts a powerful connection that's at one with the road. Configured to heighten the thrilling performance, the re-designed cockpit delivers an energy and balance that revels in the ride, especially when cornering. Hunker down in purpose-designed, bolstered front seats shaped for optimum driver position and enhanced road feel.

Delve deeper and a new configurable, digital instrument cluster with advanced features pumps out all-important vehicle stats. The set up includes an LCD segment display, combined with Subaru's first 7" TFT LCD – to improve visibility and instant readability by consolidating driving information.

The interior connects you to the road – and the world beyond. With an integrated 8" display infotainment system, plus seamless connectivity, satellite navigation, intuitive controls, switches for frequently used functions and a responsive touchscreen for smartphone-like operation.

INSTRUMENT CLUSTER

New configurable, digital instrument cluster with clear, easy to read driving information.

TOUCHSCREEN

Responsive 8" touchscreen with Apple CarPlay® and Android Auto™ smartphone connectivity¹.

RE-DESIGNED SEATS

Re-designed driver and front passenger seats for optimum driver position and a sports car feel.

PADDLE GEAR SHIFTERS

6-speed automatic transmission with fingertip operated paddle gear shifters. (AT models only)

1. Compatible Apple® or Android™ device required.

Subaru BRZ www.subaru.com.au/brz

Subaru BRZ Coupe S

heart and soul

When honing the sports car credentials of Subaru BRZ, the creators were unanimous that some things remained sacrosanct.

Boxer Engine

Horizontally-opposed Boxer engine

The heart and soul of Subaru BRZ owes its reputation to the intersection of two irreplaceable forces - the iconic horizontally-opposed Boxer engine and classic rear-wheel drive sports car layout. Designed to sit lower and flatter in the engine bay than traditional engines, Boxer's unique design delivers less noise and vibration to the cabin, while the lowered centre of gravity improves stability, cornering and traction with the road.

Coupled with Subaru BRZ's rear-wheel drive design, this combination delivers innate balance from the ground up, enhanced driving dynamics and a true sports car performance. Further enhanced by increased rigidity and balance in the chassis, Subaru BRZ boasts optimum control for a thrilling, self-assured drive.

Safety and performance are built into the very core of Subaru BRZ, learn more about the advanced engineering at www.subaru.com.au/safety-active

Protecting you and your passengers throughout every moment of your journey always has been, and always will be, at the heart of everything Subaru does. Subaru strives to create innovative cars that protect you and your loved ones, whether they're in or outside the car.

towards zero fatal road accidents by 2030¹

It's a philosophy that started with Subaru's first mass produced vehicle and saw Subaru achieve a number of world safety firsts.

Now, Subaru is proud to introduce its most important safety vision yet – working towards zero fatal road accidents in a Subaru vehicle by the year 2030¹. A vision underpinned by the four vital safety pillars of Primary, Active, Preventative and Protective safety that work together to achieve Subaru's 'All-Around' approach to automotive manufacturing. By combining holistic design principles and advanced safety technologies with cutting-edge future innovations, Subaru BRZ aims to provide inherent safety and peace of mind so you can pursue the ultimate JOY ride.

 Road user safety is expressed in the design of countless Subaru innovations www.subaru.com.au/safety

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html.

Packing a powerful safety performance, Subaru BRZ is a winner in cutting-edge protection.

EyeSight® Driver Assist¹

second pair of eyes

This world-renowned preventative safety system, available on Subaru BRZ automatic variants only, operates like an ever-attentive second pair of eyes – to provide warnings and braking assist that is designed to help reduce driver burden, prevent accidents and save lives.

Subaru EyeSight® Driver Assist system incorporates a host of primary functions – Pre-Collision Brake Assist, Pre-Collision Braking System, Pre-Collision Throttle Management, Adaptive Cruise Control, Lead Vehicle Start Alert, Lane Departure Warning and Lane Sway Warning.

Using EyeSight® stereo cameras, this intelligent system detects potentially dangerous driving situations before you do. While the host of primary functions prompt the driver to take action or assists in the event it detects an impending collision.

You'll look at safety with new eyes when you learn more about Subaru's advancements at www.subaru.com.au/safety-preventative

1. Available on Subaru BRZ Coupe and Subaru BRZ Coupe S 6-speed automatic transmission models only.

A smart driving companion to have on your side, Subaru's Vision Assist uses radar technology to detect vehicles and obstacles you can't see. Subaru Vision Assist is standard across the range, and combines with EyeSight® Driver Assist¹ technology on automatic variants to empower drivers with a sixth sense to support preventative safety.

Vision Assist

EyeSight® Driver Assist¹

all knowing, all seeing

Subaru's Vision Assist gives the driver a greater awareness of the world around them. Blind Spot Monitor uses radar sensors to help make lane changes safer, by warning of vehicles detected in the blind spot. And when changing lanes, the Lane Change Assist radar sensors are designed to detect fast approaching vehicles and warn the driver of their presence. While the Rear Cross Traffic Alert warns the driver if another car is detected approaching when reversing out of a car space.

Automatic variants come with the added feature of High Beam Assist¹ which monitors the road ahead and automatically switches to low beam when an oncoming vehicle is detected. Plus the additional Reverse Automatic Braking¹ feature triggers a warning to alert the driver of an obstacle detected behind the vehicle and can also apply the brakes if the driver doesn't react first.

 Read more about the way Vision Assist innovations are keeping Subaru owners safe at www.subaru.com.au/safety-preventative

1. Available on Subaru BRZ Coupe and Subaru BRZ Coupe S 6-speed automatic transmission models only.

peace of mind protection

It has always been Subaru's purpose to design vehicles with a crucial advantage in road safety and occupant protection. While Towards Zero fatal road accidents in a Subaru vehicle by the year 2030¹ represents Subaru's ambitious future target, decades of astute observation, structural development and design research has informed the remarkable safety advances built into Subaru BRZ.

The passenger safety cell absorb and direct impact force around the cabin, rather than through it.

An overwhelming feeling of protection is underpinned by Subaru's development of a revolutionary global platform, which drives all other models in the range. This extensive research and knowledge has been harnessed in the manufacturing and engineering which has now created the most advanced Subaru BRZ chassis ever.

Subaru BRZ also features a new full inner frame structure, plus the passenger safety cell that is designed to absorb and direct the impact of a collision around the cabin, rather than through it. Meanwhile, the horizontally-opposed Boxer engine is designed to 'submarine' under the floor during a severe frontal collision – protecting the cabin's occupants.

In addition, the chassis structure has been engineered to include crushable zones, absorbing collision energy to effectively protect passengers. While Subaru can't control every variable on the road, the inclusion of seven SRS² airbags in Subaru BRZ can help reduce the possibility of serious injury in the event of a serious accident.

 Discover more reasons why Subaru BRZ gives you peace of mind protection at www.subaru.com.au/safety

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html. 2. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts.

Designated crumple zones direct impact energy away from the passenger safety cell, while the Boxer engine is designed to slide below the cabin in a severe frontal collision.

have it your way

Crank up Subaru BRZ's sports car heritage and add go-fast attitude for the the ultimate JOY ride experience with a wide range of accessories to customise your Subaru BRZ. To see the full list of accessories available see the following pages.

There may be restrictions on features available for certain models that are not fully compliant with AVCRP. 4. Compatible Apple[®] or Android[™] device required. 5. Digital radio reception not available in all areas. 6. Every new Subaru comes with a 5 Year/Unlimited Kilometre warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 years/150,000 kilometres (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 7. Every brand new 2022 Subaru BRZ comes with Subaru's 60 Month/75,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 8. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit www.subaru.com.au/roadside-assistance-program.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

SUBARU NEW CAR WARRANTY – 5 YEAR/UNLIMITED KILOMETRES¹

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Km manufacturer's national warranty. Visit www.subaru.com.au/owners/warranty or ask your Subaru Retailer for more information.

SUBARU CAPPED PRICE SERVICING²

With our 5 Year/75,000 Km Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts. For more information on our Capped Price Service Program visit: www.subaru.com.au/service/pricing/capped-price-servicing

1-MONTH HEALTH CHECK AND CHAT

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

SUBARU'S MAP UPDATES³

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

1. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 2. Every eligible Model Year 2022 onward Subaru BRZ comes with Subaru's 5 Year/75,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 3. Subaru's Map Update Program is available on 2022 Subaru BRZ models purchased with the factory line fit Gen4.0 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/servicing/subaru-map-update-program.

SUBARU ROADSIDE ASSISTANCE¹

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

SUBARU CERTIFIED COLLISION REPAIRER NETWORK²

With a dedicated Subaru Certified Collision Repairer helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

GENUINE ACCESSORIES

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full range of Subaru BRZ accessories visit www.subaru.com.au/brz/accessories. For more information on Genuine Subaru Accessories, visit www.subaru.com.au/accessories-information.

SUBARU INSURANCE³

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. Subaru Premier Motor Vehicle Insurance is designed to protect your Subaru and your investment in it.

SUBARU CERTIFIED USED CARS

Looking for a high quality used Subaru? Every Subaru Certified Used Car has passed a 120-point quality inspection giving you peace of mind – from participating Subaru Certified Used Car Retailers.

AFFORDABLE OWNERSHIP

Enjoy being on the road for longer, for less with 12 months/15,000kms service intervals and 5 Year/Unlimited Km Warranty⁴. The Subaru BRZ is not only affordable to run but allows you the freedom to enjoy where the fun takes you.

SUBARU FINANCIAL SERVICES⁵

When you fall in love and know it's the one, you don't want to wait. So why should you?

Subaru Financial Services brings you and your Subaru together, faster. It's like a Vegas wedding, with a bit more class and a lot better with numbers. And the only thing better than your new Subaru, is your next one. So we work hard to make upgrading into a newer Subaru more often, part of the process. It's a lifelong love affair - we get it. Available at participating Subaru Financial Services Retailers.

1. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit www.subaru.com.au/roadside-assistance-program. 2. Subaru Certified Collision Repairer network not available in all areas. Call 1800 737 179 or visit www.subaru.com.au/retailers to find your closest Subaru Certified Collision Repairer. 3. Subaru Insurance products are issued by Allianz Australia Insurance Limited AFS Licence No. 234 708 ABN 15 000 122 850 (Allianz). In arranging this insurance Subaru (Aust) Pty Limited ABN 95 000 312 792 (Subaru) and the authorised dealers act as agents of Allianz and not as your agent. Neither Subaru nor any of its related companies or appointed authorised Retailers have any liability in respect of these policies. 4. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 5. Finance to approved applicants only. Credit criteria, fees, charges and T&Cs apply. Finance is provided by IFSA Pty Ltd ABN 39 651 319 774 trading as Subaru Financial Services, managed by Allied Retail Finance Pty Ltd ABN 31 609 859 985 Australian Credit Licence 483211.
