

INDIVIDUALISE YOUR HOLDEN with approved NASCO ACCESSORIES

NASCO accessories impart added beauty and distinction . . .
enhance your comfort and convenience . . . make your motoring
more enjoyable . . . and help to keep your Holden looking and
running like new. They increase your Holden's value, too.

You can arrange to have your choice of NASCO accessories fitted now by your GMH Distributor or Dealer

To give your Holden its own individual personality, your Dealer will arrange to fit the NASCO accessories you choose at the time of ordering your particular model.

Motorists' preferences for different accessories vary greatly. Therefore, General Motors-Holden's Ltd. gives you the opportunity to buy those accessories which appeal particularly to you or which you consider necessary for the conditions in which you drive.

GMH fully guarantees all NASCO Accessories.

LOOK HOW NASCO ACCESSORIES GLAMOURISE YOUR HOLDEN

1. GMH AIR CHIEF CAR RADIO

Choice of two great sets—Select-o-matic and conventional—engineered for Holden—long-range and exceptionally powerful 6-valve. Australia's biggest seller.

2. DOOR REVEAL MOULDING KIT*

An attractive stainless steel surround tailored for each door.

3. VENETIAN SHADE

Ideal to keep your Holden cool and shaded. An attractive addition to the car's styling. Two types: Fixed and loose louvres.

4. SEAT COVERS

In wide range of colours and patterns. Glamourised seat covers have leather-cloth panels for added beauty, protection.

5. ASSIST GRIPS*

Four colours: red, blue, fawn, green. Made of sponge rubber, covered with leather.

6. DOOR PULL HANDLE*

For additional convenience in pulling the door to from inside the car. Chrome-plated.

7. DOOR TRIM MOULDING*

Decorative chrome strip to enhance the inside appearance of the doors.

8. REAR FLOOR RUBBER MAT*

Tailored to fit Holden rear floor. Strong rubber gives added protection against hard wear.

9. REAR QUARTER TRIM LOWER PANEL*

A protection plate fitted to the pillar over the wheel arch.

10. REAR SEAT RISER KICK PANEL*

A metal plate to protect upholstery from feet marks.

11. ARM RESTS*

Styled for additional front seat comfort. Leather finish in colours to tone with your Holden's interior.

12. FRONT SEAT KICK PLATE*

A metal protector to save upholstery from kicks.

13. REAR OF FRONT SEAT KICK PLATE*

Strong metal plate. Saves upholstery from rips and scratches.

14. COOLARIDE CUSHION

For cool driving comfort. Eliminates perspiration "stickiness."

15. SEAT PAD

Soft and springy, for extra comfort.

16. WINDOW LOCK

Prevents no-draught windows being forced.

17. HANDRAIL*

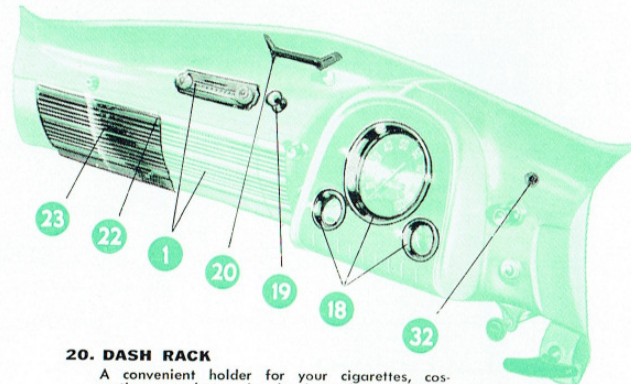

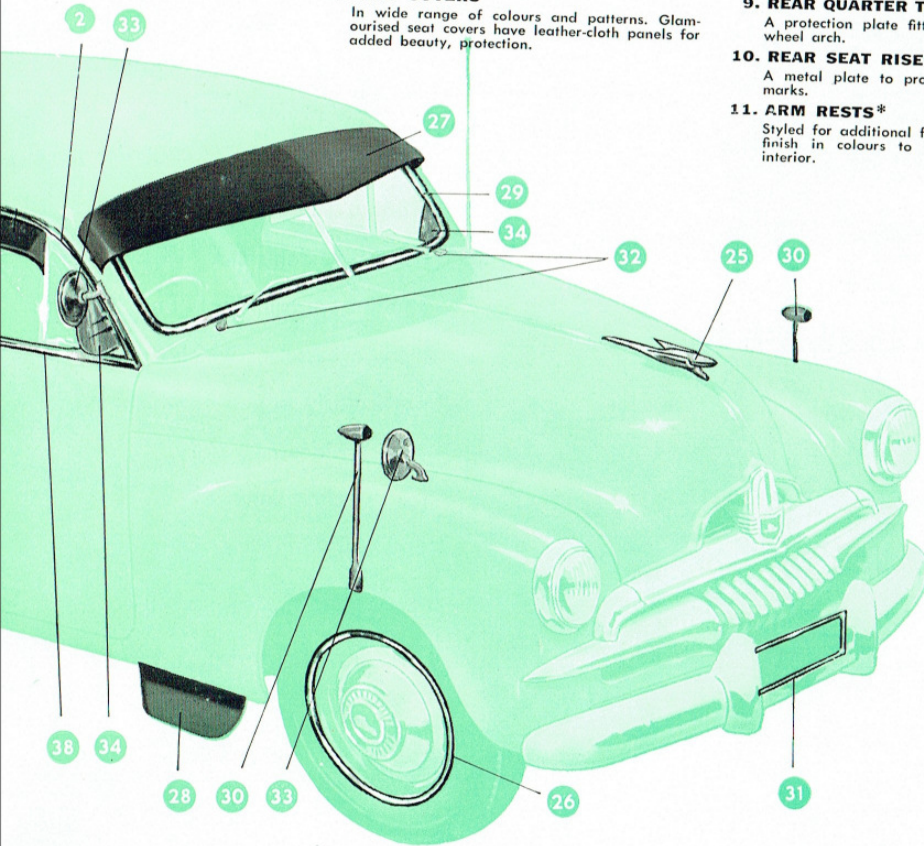

A great convenience for rear seat passengers. Richly chrome-plated.

18. INSTRUMENT PANEL TRIM RINGS*

Chrome-plated brass rings which clip into the speedometer, fuel and generator dial recesses.

19. CIGARETTE LIGHTER*

Automatic, electric and one of the most valuable convenience and safety devices you can have.

20. DASH RACK

A convenient holder for your cigarettes, cosmetics, sun glasses. In pleasing coloured plastic.

21. STEERING LOCK

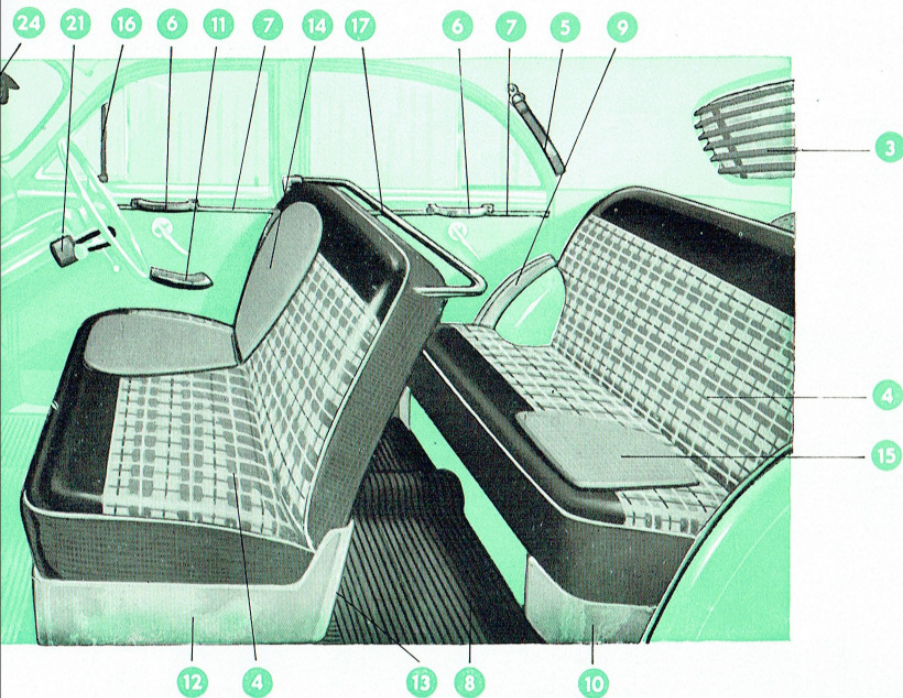

Prevents changing gears or steering. Thieves can not steal car. Laminated finish.

22. GLOVE BOX LAMP

Operates automatically when door is opened.

23. GLOVE BOX DOOR AND MOULDING*

Designed for extra luxurious appearance.

24. ANTI-GLARE MASK

Stops dangerous dazzle from following headlights. Blue plastic mask clips on mirror. Just flick it down.

25. HOOD ORNAMENT*

The only hood ornament designed and recommended by GMH for Holden. In gleaming chrome.

26. WHEEL TRIM RINGS

A set of five chromium-plated rings that clip into the wheel rims.

27. WINDSCREEN SUNSHADE

Reduces glare and heat. Constructed of sheet metal and styled to blend with the lines of your Holden. Standard and De Luxe types.

28. FRONT FENDER MUD FLAP

Heavy rubber flaps that prevent dirt and mud from the front wheels soiling the body.

29. WINDSCREEN REVEAL MOULDING KIT*

A shining stainless steel strip that sets off the windscreen.

30. FENDER MARKER

Helps prevent fender damage and consequent repair bills.

31. NUMBER PLATE FRAME

One of the finishing touches which gives your Holden individuality. Made of extendable chrome-plated tubular brass.

32. SCREENCLEAN

Pressing a button on your dash sprays two jets of water across the windscreen, enabling the wiper blades to wash it clean.

33. EXTERNAL REAR VIEW MIRRORS

Door mounting and fender mounting types. "Comeback" fender type automatically returns to set position when bumped.

34. VENTEEES

Plastic deflectors which direct the flow of air towards the floor, away from your face. Red, green, blue and clear.

35. EXHAUST EXTENSION

Highly polished stainless steel. Adds brightness and distinction to rear end styling.

36. REAR FENDER MUD FLAP AND GRAVEL DEFLECTOR

Protects the underside of fenders.

37. REAR LIGHT REVEAL MOULDING KIT*

Stainless steel surround that highlights the rear window.

38. BODY BELT MOULDING KIT*

A rich-looking, stainless steel belt which encircles the car.

39. DUAL TAIL LAMPS

"Special": Tail Lamps for fitting into reflector brackets. Other Holden Sedans: Lamps and brackets as fitted on "Special."
