

NASCO ACCESSORIES FOR HOLDEN

*Designed with your new
Holden in mind...*
NASCO ACCESSORIES

Right from the word go — now while your Holden is brand spanking new — you should consider the difference NASCO Accessories make.

NASCO Accessories have been designed with your new Holden in mind. And each Accessory, approved by GMH, gives your gleaming new car that something extra that puts it in a class of its own.

NASCO Accessories add glamour, individuality, comfort, safety and value to your new Holden. So why not ask your Holden salesman about them right now — right from the word go!

NASCO Accessories fitted before you take delivery of your new Holden are automatically covered by the same 12-month/12,000-mile warranty that covers the rest of the car . . . your guarantee of complete satisfaction.

**AIR
CHIEF**
*THE SOUND
OF
MOTORING PLEASURE*

Take your choice of any of the three high fidelity Air Chief models. Each is carefully tailored to fit your new Holden. There's the economical manual, quick-change push-button, or take-anywhere portable that locks into your Holden when you're not using it outside. With each model there's a guarantee of crystal clear reception, and mile after mile of sheer motoring pleasure. They're all thrifty battery-savers, all have long-range reception, and all are approved by GMH Engineers.

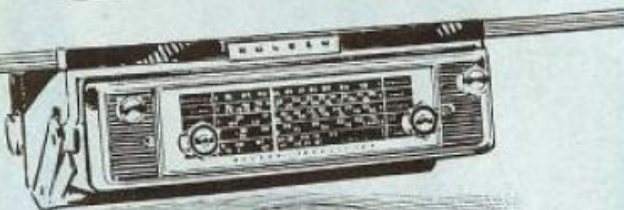

MANUAL

Tops in economy, but packed with all the features that make Air Chief a respected name in car radios.

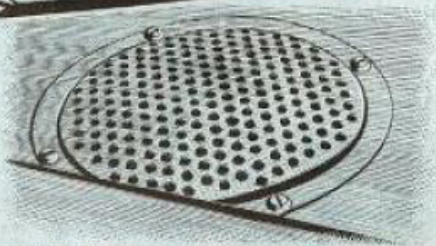

PUSH-BUTTON

Fingertip control for automatic motoring entertainment in a push-button age.

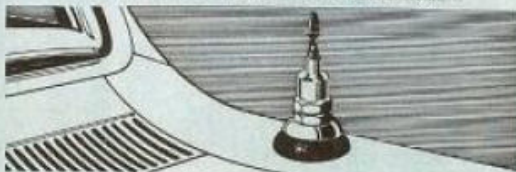

PORTABLE

Use it as a portable, take it anywhere. Then lock it into your Holden and Zing . . . it's transformed into a quality car radio.

REAR SEAT SPEAKER

Supplements front compartment speaker to give stereophonic sound effect throughout the car.

RETRACTABLE ANTENNA

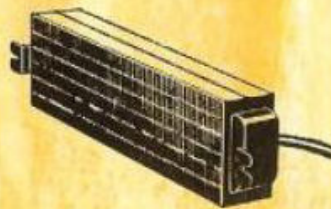

Richly chromed, and telescopes in a second — right down into the fender leaving no chance for it to be damaged while your car is parked.

WARMARIDE CAR HEATERS TEMPERATURE CONTROL AT YOUR FINGERTIPS

NASCO really know how to apply the heat. Here are two efficient Warmaride Heaters that make for cosily warm driving. And they're backed by the research of GMH.

MOTORLESS FRESHAIR

A really thrifty unit that combines heater with demister to heat your Holden from top to bottom and provide clear vision . . . a windshield free from mist. Fresh air is forced through the plenum chamber by the car's motion and passes through a special heater unit.

DELUXE FRESHAIR

A truly luxurious heating and demisting unit, complete with two-speed electric fan. This booster fan accelerates heating when starting from cold and forces hot air onto the windshield when demisting is necessary.

ENJOYING THE GREAT OUTDOORS -with Accessories to help you

Campers, caravan travellers, boating enthusiasts and others with a yen for the open road will find these NASCO Accessories invaluable.

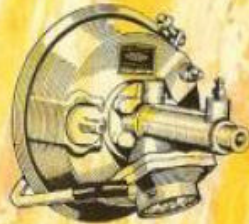

TELESCOPIC REAR VIEW MIRROR

A wide-scope mirror that can be adjusted into several positions for clear all-round vision.

TOW BAR

Designed by GMH Engineers to fit your new Holden. Dependable for towing caravans and trailers of all types.

NASCO POWER BRAKES

If you pull a trailer, you'll want braking that's quick and easy. That's what you get with NASCO Power Brakes. A light touch on the pedal means quick, smooth stopping — with the minimum of effort.

WHEEL CHOCKS

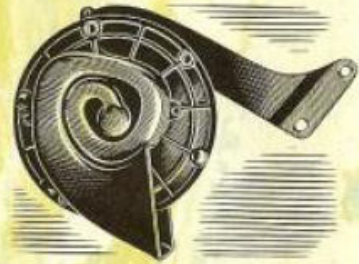

Toughened steel wedge-shaped chocks to hold your vehicle or trailer right where you want it. They feature easy-grip handles for easy placement and removal.

EXTERNAL ACCESSORIES FOR EXTRA GLAMOUR PROTECTION AND CONVENIENCE

WEATHERSHIELD

Deflects rain and wind stream when driving with front door window down.

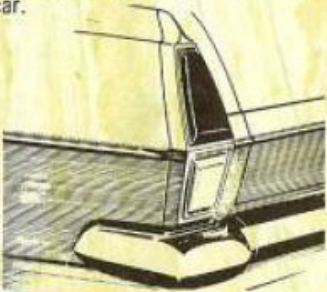

HIGH NOTE HORN

Combines with existing horn to give a loud, penetrating warning signal.

REVERSING LAMPS

Light up automatically when reverse gear's engaged to provide a broad pathway of light behind the car.

REAR WHEEL COVERS

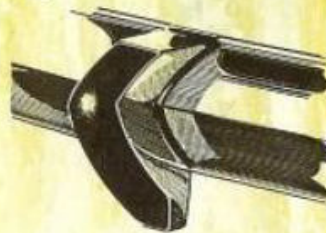

Fender Mouldings, Gravel Shields

High in beauty-value, and high on the list of quality accessories that protect your new Holden's bodywork from scratches and chips.

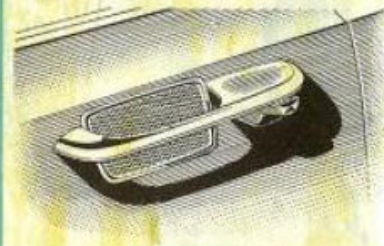

RUBBER CUSHION BUMPER GUARDS

Strong metal over-riders for front and rear bumpers with resilient rubber insert to absorb minor bumps and prevent damage to bodywork.

PAINT PROTECTION PLATES

Protect bodywork round door-handles from scuffs, scratches and wear.

FENDER REAR VIEW MIRROR

Provides added all-round view of following traffic. Several types available.

MUD FLAPS

Models for front and rear fenders to keep water, mud and gravel clear of bodywork.

WHEEL TRIM RINGS

Car wheels look distinctive. Try these beauties and just see what they add to your Holden.

WEATHERSHIELD REAR VIEW MIRROR

Screw it onto your weathershield and you have all-round rear vision even when the weather's bad.

BODY SILL MOULDINGS

High lustre stainless steel mouldings that protect the bodywork and add a touch of elegance.

LOCKING PETROL CAP

Locks automatically when pressed into position on petrol tank. Richly chromed, and thief-proof.

INSECT SCREEN

Fits neatly behind radiator grille to prevent insects clogging radiator core. Easily removed for cleaning.

HOOD ORNAMENT

Adds real beauty to your Holden. Richly chromed and fitted in minutes.

INTERNAL ACCESSORIES FOR EXTRA GLAMOUR,

These NASCO Accessories are designed to make the plush interior of your new Holden more beautiful, more convenient, more comfortable than ever. They've been designed with new Holden in mind—and approved by GMH styling engineers.

VISOR VANITY MIRROR

Clips onto sun visor. A great boon to the lady passenger, at very little cost.

FOOT MATS

Strong rubber mats that fit over existing floor and can be taken out for easy cleaning.

GEAR LEVER LOCK

A deterrent to thieves—lock it in place and gears can't be changed.

PULL-TO HANDLES

Attractively chromed to make door closing easier from inside your Holden.

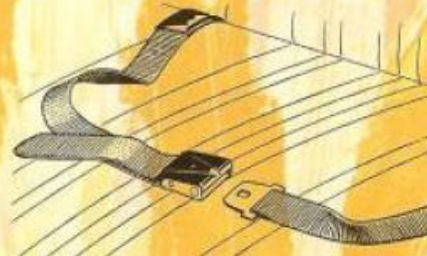

COOLARIDE CUSHIONS

For cool, comfortable driving in hot weather. Allows air to circulate round your body.

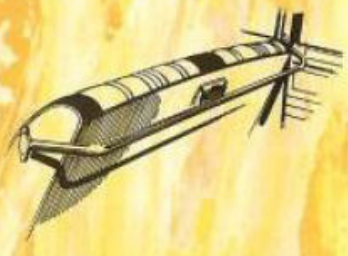

SEAT BELTS

One item you should never be without. Specially designed for your Holden. Lap, sash or lap-and-sash types.

REAR SEAT HANDRAIL

A convenient hand-hold for rear seat passengers.

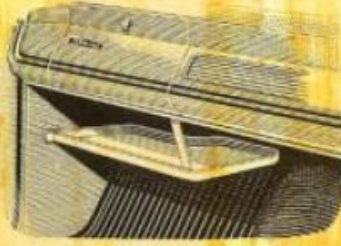

PROTECTION AND CONVENIENCE

SUITCASE SET

Designed to fit snugly into Holden's spacious boot, this super-light travelling set is really tough.

PARCEL SHELF

Provides handy extra space for small personal belongings.

VENETIAN SHADES

Protect rear passengers from direct rays of the sun — adds to car's appearance, too.

ANTI-GLARE MIRROR MASK

A tinted shield that clips onto existing rear view mirror and folds down to stop glare.

HANDBRAKE WARNING LAMP

A dash-board mounted red lamp that flashes a signal to driver when handbrake is on. Guards against handbrake wear.

SEAT BELT RETRACTORS

Ends the problem of seat belts caught in doors or crumpled on the seat. Belts roll neatly back when not in use.

ANTI-GLARE REAR VIEW MIRROR

A precision-built prismatic mirror that alters its angle at the flick of a lever to eliminate glare from following headlights.

GLOVE BOX COURTESY LAMP

Lights up as you open the glove compartment.

FOR COMMERCIAL VEHICLES

SUNSHADE

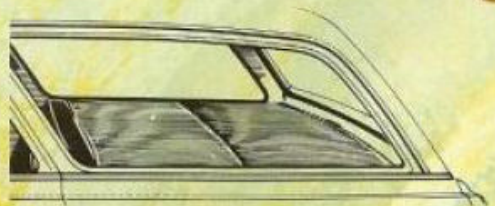

A strong metal shade that adds beauty and driving comfort to your new Holden. Reduces glare, cuts down eye-strain, and helps keep cabin cool.

UTILITY ROPE RAIL

A real asset to utility owners who use their vehicles for carrying tall loads. Strong and richly chromed.

AND FOR STATION SEDAN OWNERS...

Here are four Accessories from NASCO specifically designed for your new Holden Station Sedan. The time to have them fitted is NOW — while your Holden is brand spanking new.

LUGGAGE COMPARTMENT COVER

A strong, heavy-weight PVC coated fabric, tailored into a protective cover to keep goods in luggage area out of public sight. Tailgate can be opened with cover in position, and in many cases, loading is possible without removing it. Strongly braced with metal stays.

VENETIAN SHADES

Specially designed and manufactured for your Station Sedan. They cover luggage compartment side windows and help keep the interior cooler in summer.

DUST DEFLECTOR

Here's an aerodynamically designed shield that deflects wind and dust from your tailgate window, leaving clear rear vision for driver.

LUGGAGE COMPARTMENT MAT

A tough covering to protect luggage area floor from scuffs and scratches. Easily removed for cleaning.

WHY TAKE CHANCES WITH YOUR NEW HOLDEN?

Think of the miles of happy motoring you've got ahead of you. You'll want them to be trouble-free . . . and your friendly GMH Dealer makes this possible. He stocks a complete range of Genuine GMH Parts for HR Holden. You know by now that Genuine GMH Parts are your guarantee of unbeatable value and quality workmanship. After all, they're made to the same specifications as the Holden original—approved and engineered by GMH. There's an easy way to ensure economical and reliable motoring for years to come: always insist on Genuine GMH Parts for your Holden—and don't be content with anything less.

GMAC HIRE PURCHASE PLAN

Should you decide to purchase your vehicle under the GMAC Hire Purchase Plan, the cost of the accessories of your choice can be included in the deal. This way you can enjoy having your accessories right from the start for only a few extra shillings per week.
