

# Chevrolet LUV

WITH GM 12/20 WARRANTY

**The tough little Japanese one-ton truck  
that's backed by General Motors**

Chevrolet LUV came to Australia only after thorough testing and endorsement by Chevrolet engineers in the USA and Japan.

In the short time since its arrival – and as our many testimonials show – it has already earned an extraordinary reputation for reliability and economy, under some of the toughest working conditions in Australia.

And not only does Chevrolet LUV meet and beat its Japanese rivals in important money-saving ways. But it comes to you with the best

recommendation any truck could have . . . it's backed by General Motors.

That means your investment is protected by GM's unbeatable 12 months or 20,000 kilometres warranty. And by expert service and access to spare parts through the largest dealer network in Australia.

LUV — it has  
to be good to  
earn the name . . .

**Chevrolet**

# Chevrolet LUV, a bit longer, a bit wider, a bit roomier, a bit more road clearance than the top-selling Japanese import.

## Hefty one-ton payload

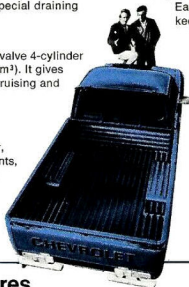

LUV makes light work of one-ton payloads. And does it easily on a husky steel frame, independent torsion bar front suspension, and 8-ply tyres. The all steel load floor, separately mounted, has special draining outlets to prevent build-up of water.

## High-performance engine

LUV's beautifully designed overhead valve 4-cylinder engine displaces 96.7 cu. ins. (1584 cm<sup>3</sup>). It gives outstanding performance with quiet cruising and minimum fuel consumption.

## Roomy, well-equipped cabin

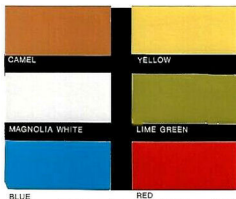

LUV's well-appointed cabin has flow-thru ventilation, heater/demister, door armrests, easy to read instruments, safety-padded dash panel, vinyl-clad seats, a large glove box and parcel shelf, useful storage space behind the back seat, and many more thoughtful touches.

## Beautiful colours — put on to stay

LUV's a great looker as well as a hard worker. And with its smooth styling and dual headlights comes a range of colours you'll be happy to live with.

Each one carefully applied, and ready to keep its showroom shine for a long long time.

Interiors colour matched in blue or black.

## the facts and figures

**Engine:** 4 cylinders, overhead valve, Capacity 96.7 cu. ins. (1584 cm<sup>3</sup>). Bore 3.23 ins. (82 mm). Stroke 2.95 ins. (75 mm). Max. hhp 87 (65 kW) @ 5200 rpm. Max. torque 90.4 lb/ft (123 Nm) @ 2600 rpm. Compression ratio 8.2:1. RAC rating 16.6.

**Electrical:** 12 volt 40 amp. hour rating battery, negative earth, 12V 30 amp. alternator.

**Fuel System:** Mechanical diaphragm-type fuel pump, 2 barrel down-draft carburettor, hand choke, replaceable dry air cleaner element. Capacity tank 11 imp. gallons (50 litres).

**Lubrication:** Pressure feed system with full flow replaceable oil filter. Crankcase capacity 7 imp. pts. (4 litres).

**Exhaust:** Single muffler system, zinc coated to resist corrosion.

**Transmission:** 4 speed all synchro column change. Ratios 1 to 1; First 4.3:1, Second 2.8:1, Third 1.6:1, Fourth Direct, Reverse 4.4:1, Rear axle 5.1:25.

**Suspension:** Front, independent torsion bar. Rear, 6 semi-elliptic leaf springs. Double acting shock absorbers front and rear.

**Steering:** Recirculating ball, collapsible lower shaft. Gear ratio 22.4:1. Turning circle 34.2 ft. (10.4 metres).

**N.B.** As the policy of General Motors is one of continual product improvement, all specifications and equipment are subject to change without notice.

**Brakes:** 4 wheel hydraulic, self adjusting 10" (254 mm) drums front and rear. Handbrake mounted under dash panel, mechanical on rear wheels.

**Wheels and tyres:** 4J x 14 steel disc wheels. 6.00 x 14 8-ply tubeless tyres front and rear.

**Weights:** Total kerb weight 2348 lb. GVW 4592 lb. Payload 2244 lb.

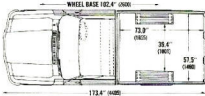

**Standard equipment:** Laminated windscreen. Two lap/sash and one lap-type seat belts.

Flow-thru ventilation. Kilometre speedometer/odometer. Water temperature and fuel gauges. Warning lights for headlamp high beam, oil pressure, generator, turn indicators and handbrake. Twin sunvisors. Collapsible interior rearview mirror, 2 external rearview mirrors.

Glovebox and parcel shelf. 2 speed electric windshield wipers and washers. Mud flaps. Bench seat. Four headlights. Interior light.

Ash tray. Lifting type spare wheel and tyre carrier. Reversing lights. Heater/demister. Hazard warning flasher. Tool kit. Hydraulic jack and tools.

**GM Warranty:** 12 months or 20,000 kilometres. GM Guardian Maintenance Plan provides for free inspection and adjustment by the selling GM Dealer at the first 1,500 kilometres or one month.

Figures in brackets refer to millimetres.
