GM-Air Chief car radio

**MAKE YOUR NEW HOLDEN
'ONE-OF-A-KIND'**

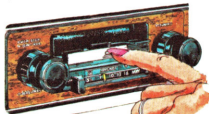

Fit the accessories you want when you order your new Holden. Enjoy the added comforts and luxury, right from the start.

GM Air Conditioner. With a GMH-engineered accessory air conditioner fitted to your new Holden, you arrive fresh and relaxed, regardless of the weather. Cool, comfortable air flow control for maximum cooling efficiency at your fingertips. Famous Frigidaire compressor. Discover how much more pleasant driving can be. Available for both six and eight cylinder Holdens.

GM-Air Chief Radios

* **13 Transistor Push-Button** Powerful car radio, 13 transistors, advanced circuit, gives tremendous tone and reception. Automatic gain volume control resists fading in mountainous country, in suburbs and high building areas. Push/on, push/off switch. 5 push-buttons easily reset to automatically select other stations. Fully variable manual tone and volume controls. Static suppression switch with indicator light. 5-piece telescopic, fully retractable lock-down antenna.

* **11 Transistor Push-Button or Manual** Powerful, fade-free, long range performance. Volume control circuit automatically adjusts tone to volume level. Volume is left at desired level, when radio is switched off.

* Radio/Stereo Cassette Player

Get set for a new high in listening enjoyment! Magnificent fidelity reproduction of cassettes, plus powerful radio reception! Operates with two speakers supplied, or with four speakers using the extension twin speaker kit for all-round stereo sound. Fast forward or reverse rewind for easy selection of recorded music.

Side mounting cassettes. Fully variable tone control. Separate balance control. Automatic tape stop and eject. Altogether a great musical instrument and travelling companion.

Extension Speaker Kits

Extra speakers make the sound richer, fuller! And they mean you can balance the volume so that it suits everyone, in the front or back. Single rear speaker available for Air Chief Radios. Extension twin speaker kit, giving full stereophonic reproduction from four matched speakers, available for Air Chief Radio/Stereo Cassette Players.

Fully Retractable Power-Operated Antenna

Raise or lower at the touch of a single control. It can be operated easily while on the move. Slides down into fender for protection against vandals while your car is parked.

Auxiliary Driving Lamps. Quartz iodine lamps provide long distance illumination for night driving. Automatic control through standard light dimmer switch.

Bumper Guards. Strong overriders for front and rear bumpers. Solid rubber insert absorbs minor bumps, prevents damage to body work when you park your car.

Sunshade

Reduces sun glare, alleviates eye strain and helps keep the interior cool and comfortable. Vinyl trim also available

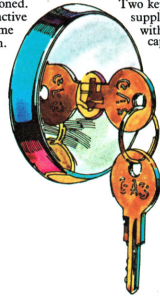

Tow Bar

Strong, reliable, GMH-designed for towing boats, caravans and trailers. A choice of painted or chrome-plated tongues.

Weathershield. Deflects rain and wind. Standard and Vented types available in tinted or clear plastic.

Headlamp Guards. Protect headlamps from flying stones. Easily fitted and removed.

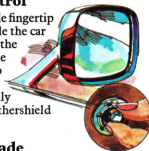

Petrol Locking Cap. Extra security. Prevents petrol from being contaminated or syphoned. Attractive chrome finish.

Two keys are supplied with the cap

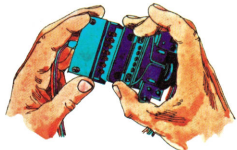

Remote Control Mirror

Simple fingertip control, even while the car is moving. Allows the driver to adjust the exterior mirror, to suit any driving position. Especially handy when Weathershield is fitted.

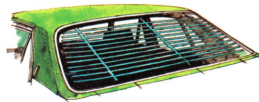

Venetian Shade

Adds to your cars appearance... shades rear seat passengers from the sun and helps keep the interior of the car cool.

7-Pin Trailer Wiring Harness Instant plug in harness for tail, stop, turn signal, clearance lamps and interior caravan light. Stows neatly in boot when not in use.

Mud Deflectors Front And Rear Protects panel paintwork from damage by mud, gravel and stones.

Wheel Trim Ring. Smart glamorous trim rings add another stylish touch to the Holden of your choice.

Superlift Shock Absorbers. Pneumatically control vehicle's rear height when heavily loaded.

Parcel Shelf. Handy extra storage space for personal belongings.

End Gate Dust Deflector—Station Wagons. Aerodynamically shaped panel deflects windstream over rear end gate window, stopping build-up of dust and road grime, and aiding clear rear vision. Painted or extruded aluminium.

Luggage Compartment Mat—Station Wagons. Safeguards floor against scuffs, scratches. Help protect luggage. Easily removed for cleaning.

Door Paint Protection Plates Prevents scratching—protects paint around door handles.

Anti-Glare Rear View Mirror Eliminates glare from following headlights. Shatterproof!

Insect Screen. Keeps bugs from radiator, easily removed for cleaning.

Left Hand Rear Vision Mirror Matches right hand mirror for extra rear vision.

Brakes, Rear Spoiler, Rope Rail—Utility, Seat Covers, Vanity Mirror, Wheel Opening Mouldings

Why it pays to order accessories when you order the car.
The best time to have accessories fitted by your GMH Dealer is before you take delivery of the vehicle, as then they come under the car's 12/20 warranty and repayment plan. (You can,

of course, have them added later if you wish). Discuss them with us now. Enjoy the benefits right from the start.
