

# MOVE ME SANDMAN

# HOLDEN SANDMAN VAN & UTE

**ALL GEARED UP TO GO AT A GETAWAY PRICE**

New Holden Sandman the sun 'n fun Holden Van and Ute, with all the goodies you could ever wish for. Right now you can buy Sandman with your kind of gear for your kind of fun. Here comes excitement . . . look at what the package on Holden Sandman Van and Ute gives you.

- 4-speed manual gear box • Wide hip-hugging buckets
  - Full GTS sports instrumentation • GTS sports wheels
  - GTS headlamp bezels • GTS sports steering wheel, with Sandman emblem • GTS vented front fenders
  - Sandman decals and wild stripes
  - Wild, wild, wild colours on the outside.
- That's some package! That's Sandman!

And there's a great choice of engines. There's the '173' six, with Holden performance, reliability and economy.

The '202' six, for extra go. The '253' V8 for much more torque and performance, with almost six-cylinder economy. Or the mighty '308' V8 with all the power and performance that you'll ever need. And Sandman vans and utes are built tough too. Full length solid steel chassis, with big coils up front and heavy duty rear leaf springs for the big loads and the rough roads.

You get Holden's forward mounted steering, for more accurate driving and true tracking when you're really on the move.

For lots of fun for the whole gang and gear. So get on the road, there's a ton of room in the Sandman Van and Ute. The tailgate drops right down for easier access.

Just look at those luxurious, hip-hugging buckets.

The snappiest four-on-the-floor in the business, is standard equipment on both Sandman Van and Ute.

This is the optional '253' V8 for extra go and economy that's more like a six.

Full sports instrumentation, plus special Sandman Sports steering wheel. And they're standard equipment.

## This is how our Engineers see Sandman.

**Steering:** Precise forward-mounted steering. 20:1 for positive predictable control. Energy absorbing column. Optional variable ratio power steering.

**Wheels:** Steel sports 14" (356 mm) dia., wide, vented for additional brake cooling.

**Suspension:** Independent coil suspension up front, sturdy 4-leaf spring at rear. Optimum load and ride stability. Superlift shock absorbers are optional.

**Sports Gear:** Three-spoke padded sports wheel. Gauges — tachometer, speedometer, temperature, oil pressure, ammeter, fuel — all positioned for fast reading.

**Driving Comfort:** Deeply cushioned, wrap-around bucket seats, soft leather-grained vinyl trim. Fingertip controlled flow-thru ventilation.

ENGINES	173 cu. ins. (2834 cm <sup>3</sup> )	202 cu. ins. (3310 cm <sup>3</sup> )	253 cu. ins. (4146 cm <sup>3</sup> )	308 cu. ins. (5047 cm <sup>3</sup> )
BHP	118 (88 kW)	135 (101 kW)	185 (138 kW)	240 (179 kW)
TORQUE	168 lb/ft. (228 Nm)	194 lb/ft. (263 Nm)	262 lb/ft. (355 Nm)	315 lb/ft. (427 Nm)
CARBS.	Sgle Barrel Downdraft	Sgle Barrel Downdraft	Twin Barrel Downdraft	4 Barrel Rochester

**Wheelbase:** 114" (2896 mm). Track 60.56" (1538 mm). Wide and long for sure-footed stability.

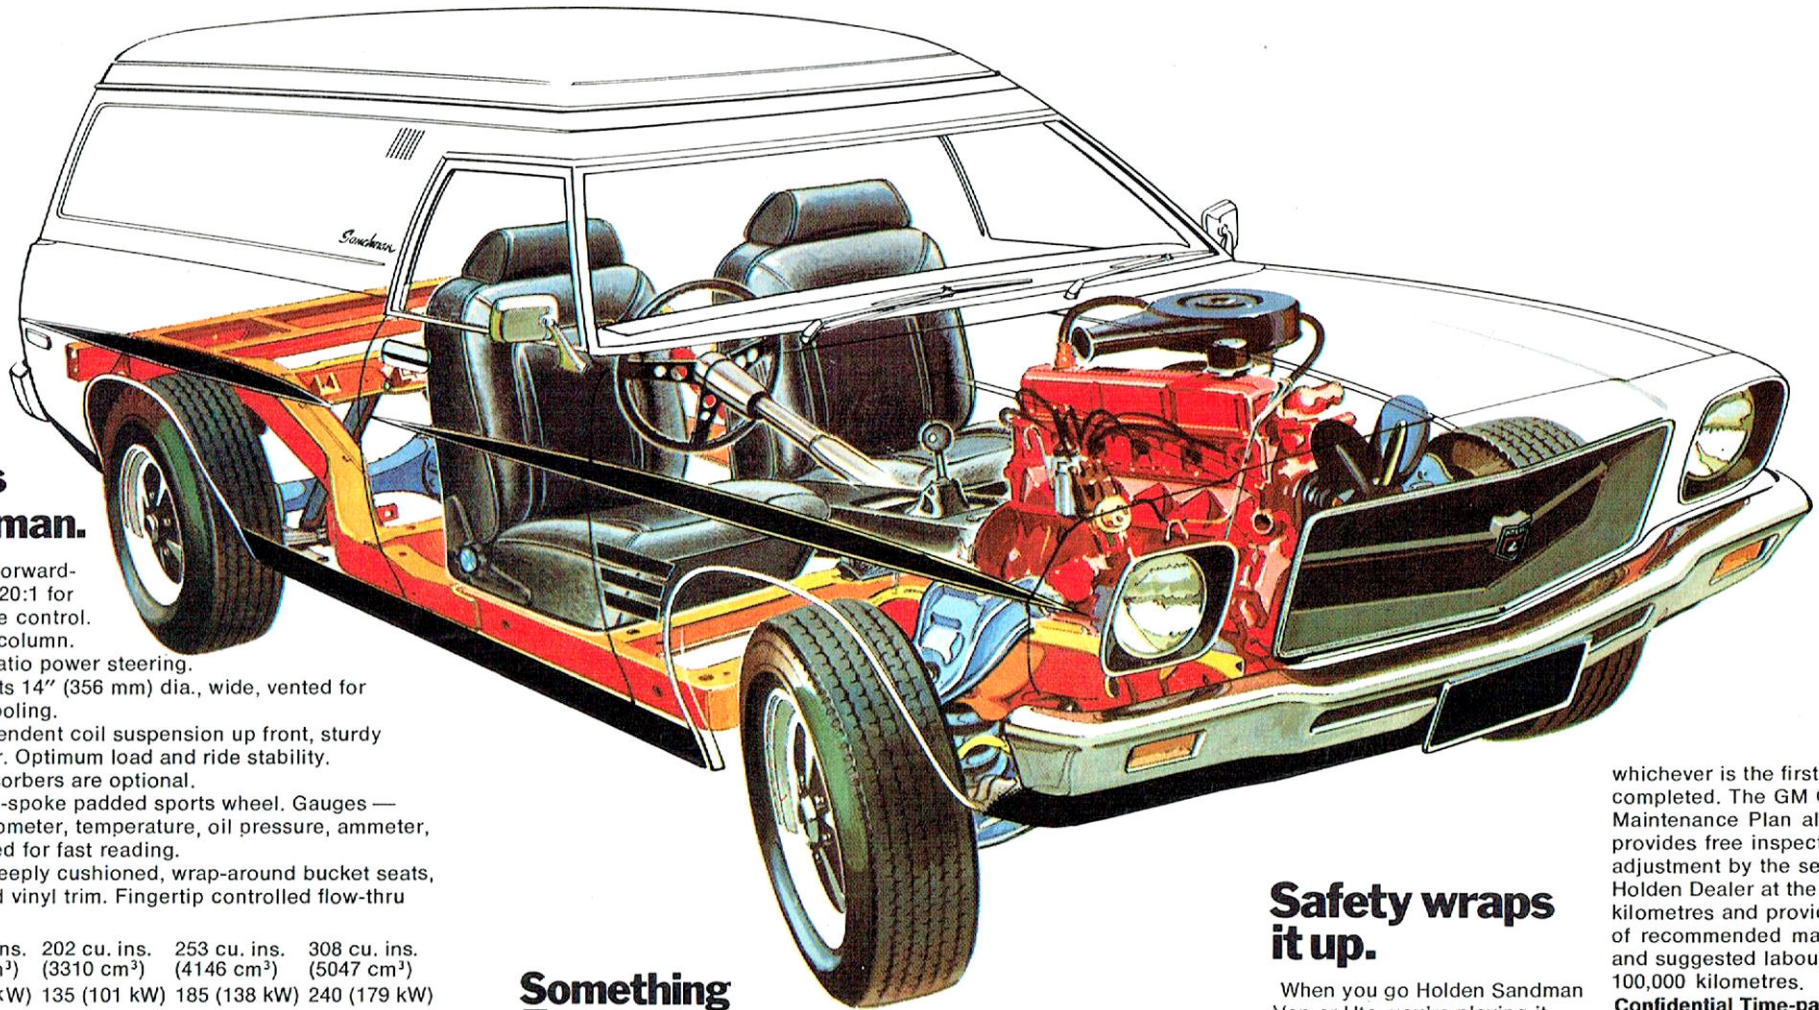

**Brakes:** Four wheel hydraulic, duo servo drum brakes with dual master cylinder feeding separate systems front and rear. Optional power-assisted ventilated 10.63" (270 mm) dia discs. (Standard on V8s) positive stopping power to match all the go.

**Transmission:** 4-speed floor shift — all synchromesh.

Engine	Ratios: 1st	2nd	3rd	Top
'173' 6 cyl.	3.05	2.19	1.51	Direct
'202' 6 cyl.	3.05	2.19	1.51	Direct
'253' V8	3.05	2.19	1.51	Direct
'308' V8	2.54	1.83	1.38	Direct

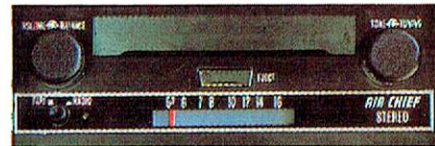

### Rear Axle:

Engine	Ratios: 1 Std.	Opt.
'173' 6 cyl.	3.55	3.36
'202' 6 cyl.	3.55	3.36
'253' V8	3.08	3.36
'308' V8	3.36	3.08, 3.55

## Something Extra.

To complement Holden Sandman's 'Flow-thru' ventilation, you can option up to fully integrated, factory fitted air conditioning. Then you can really 'cool it' when the going gets hot.

For those who like music while you move, there's the famous Air Chief radio range to choose from. Manual radio, push button and stereo units are also available.

## Safety wraps it up.

When you go Holden Sandman Van or Ute, you're playing it safe. You get adjustable head restraints, isolated fuel tank and fuel lines, safety zoned windscreen, scientifically placed safety padding, energy absorbing steering column, with safety padded sports wheel, lap/sash seat belts and anti-burst door locks.

### GM Warranty:

The GM Warranty protects your Holden for the first twelve months or 20,000 kilometres,

whichever is the first completed. The GM Guardian Maintenance Plan also provides free inspection and adjustment by the selling Holden Dealer at the first 1500 kilometres and provides details of recommended maintenance and suggested labour times to 100,000 kilometres.

**Confidential Time-payment:** General Motors Acceptance Corporation provides low cost time payment facilities through Holden Dealers.

And over 500 GM Dealers coast to coast, keep you going first class, with the finest after sales service and parts availability.
