Right- for entertainment

CHOICE OF 3 SUPERB 'AIR CHIEF' CAR RADIOS: 13 TRANSISTOR PUSH-BUTTON - Thirteen transistors, advanced printed circuit, gives 8 watts of terrific sound. Automatic Gain/Volume Control resists fading in

mountainous areas, subways, between high buildings.
11 TRANSISTOR PUSH-BUTTON OR MANUAL - Powerful, fade-free, long-range performance. Volume control circuit automatically compensates tone to volume level.

8 TRANSISTOR MANUAL - Excellent value in medium range car radios. Beautiful tone.

'AIR CHIEF' RADIO-STEREO CASSETTE PLAYER - Combination radio and stereo cassette player, styled and acoustically tailored for your Torana. Operates on two speakers supplied, or with four speakers using the Extension

Speaker Kit for all-round stereo sound.
***EXTENSION SPEAKER KIT -** Gives full stereophonic sound reproduction using four matched speakers.

Right- for styling

(STANDARD SLR MODELS.)

(STANDARD SL MODELS.)

***FULL WHEEL TRIMS -** Yet another way to enhance your new Torana's external appearance in general, and wheels in particular.

WHEEL TRIM RINGS - Smart, glamorous trim rings add another styling touch to the Torana of your choice. (Set of four.)

***EXHAUST EXTENSION**
A sporty touch that gives your Torana "that little something extra".

BODY SIDE MOULDINGS - Most decorative. But more than that, they protect panels from damage by doors of other cars in parking areas. (Standard on SL models.)

***HOOD ORNAMENT -** Richly chromed and tastefully styled, it tops off your new Torana's outstanding appearance.

Right- for comfort and convenience

***AIR CONDITIONER -** With a GM-engineered air conditioner in your new Torana 6 or V6, you drive and arrive refreshed - no matter how hot and humid it is outside. You breathe cool, conditioned air

from which excess moisture and irritating pollen has been removed. And because the closed windows keep out wind roar, and road noise, you enjoy a quieter ride, and you don't need to adjust the

level of your 'Air Chief' car radio to overcome the noise. Ask for a demonstration, and discover how much more pleasant driving can be.

DOOR PULL-TO HANDLES - Makes door closing easier from inside. Attractively chromed.

VANITY MIRROR - Attaches to glove box. Handy for attending to make-up and hair.

VENETIAN SHADE - Shields rear seat passengers from direct sunlight, and adds to your car's appearance.

PARCEL SHELF - Handy extra storage space for small personal belongings - parcels, books, cigarettes, etc.

SUNSHADE - Reduces sun glare, alleviates eyestrain and helps keep the interior cool and comfortable. Vinyl covered types also available.

WEATHERSHIELD - Deflects rain and wind when driving with windows open. Standard and Vented types in tinted or clear plastic.

GLOVE BOX LAMP - Lights up when the glove box is opened. Saves having to delve for things in the dark.

BOOT LAMP - Helps you to see clearly when loading or unloading the boot at night.

Right- for protection

HEADLAMP GUARDS - Tough chrome-plated steel mesh protects headlamp units from accidental damage. Hinged for easy cleaning.

***AUXILIARY DRIVING LAMPS -** Quartz iodine lamps provide long distance illumination for night driving. Automatically extinguished when dimmer switch is on low beam.

PETROL LOCKING CAP - Prevents petrol from being contaminated or siphoned from tank. Polished stainless steel.

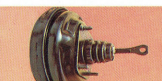

MUD DEFLECTORS - FRONT & REAR - Protects panel paintwork from damage by mud, gravel and stones.

***DOOR PAINT PROTECTION PLATES -** Protect paint around door handles from scuffs, scratches and wear.

***REMOTE CONTROL MIRROR -** Allows you to adjust the exterior mirror, to suit any driving position, from inside the car... with a simple, fingertip control... even while the car is moving.

***POWER BRAKES -** For quicker, easier stopping... with just a light pedal touch on drum brake models.

***HIGH NOTE HORN -** Combines with the car's single low note horn to give a loud, penetrating warning signal.

ANTI-GLARE REARVIEW MIRROR - Eliminates glare from following headlights. Shatterproof, too.

LEFT-HAND EXTERIOR MIRROR - Fits on door and matches right-hand exterior mirror. Gives extra margin of safety.

BUMPER GUARDS - Strong over-riders for front and rear bumpers. Solid rubber absorbs minor bumps, prevents damage to body work.

INSECT SCREEN - Internal type. Stops insects clogging radiator core. Easily removed for cleaning. Not available for models with air conditioner.

***REAR AIR SPOILER -** Provides extra stability during high performance driving.

***FRONT AIR DAM -** Fits under the front bumper bar as another aid to extra stability.

Right- for towing & touring

7-PIN TRAILER WIRING HARNESS - Instant plug-in harness for tail, stop, turn-signal, clearance lamps and interior caravan light. Kit includes heavy-duty flasher which operates vehicle turn-signal

lamps when harness not in use. Avoids need to exchange flasher which operates vehicle turn-signal lamps when harness not in use. Avoids need to exchange flasher when towing.

TOW BAR - Strong, reliable GM-designed for towing of caravans, trailers, boats.

WATER BAG CARRIER - Strong metal frame attaches to the bumper bar to keep the bag securely in place. A "must" for outback drivers.

***SUPERLIFT SHOCK ABSORBERS -** Pneumatically control rear height of the vehicle when carrying heavy loads.

Why it pays to order the accessories when you order the car

The best time to have your accessories fitted by your Holden Dealer is before you take delivery of the vehicle, as then they come under the car's 12/20 warranty and repayment plan. (You can, of course, have them added later if you wish.) Discuss them with us now.

Fit them now-enjoy the benefits right from the start.
