Holden's Limited Edition...
For the man who's earned himself
something out of the ordinary.

Holden's Limited Edition
... an Australian dream in
personal luxury comes true.

Limited? Only 600 will be built — a fact which also protects your investment. The exclusive, metallic "LE" red exterior is accented with gold pinstripping and gold finished honeycomb polycast wheels.

Limited Edition has almost every conceivable luxury and performance refinement. Push-button radio, quadrasonic tape player, full air conditioning, power operated side windows. Five litre V8, power steering, ER70 radial ply tyres, silky, smooth Turbo-Hydrumatic automatic. Sports steering wheel. The instrument panel, in a handsome burl walnut finish, carries full instrumentation.

There's a front air dam, a rear deck spoiler. The four headlamps include two quartz halogen beams. Limited slip differential and dual exhausts add to your performance. Exterior sports mirrors.
And fully carpeted boot.

You think of it . . . Holden's Limited Edition almost certainly has it.

Limited Edition. Specifications that spell out its luxury.

Holden's Limited Edition...
For the man who's earned himself something out of the ordinary.

Holden's Limited Edition. Very limited...only 600 will be built.

Luxury beckons you inside this very personal two-door coupe . . . to reclining front bucket seats in body moulding resilient foam. Upholstery in soft touch brushed knit cloth with plaid inserts. Deep cut pile carpet.

For your personal year-round comfort . . . fully integrated air conditioning cools, heats and dehumidifies.

Luxury appointments include push-button radio, power antenna, 4-speaker quadraphonic cartridge tape player.

At your fingertips . . . power operated side windows. Rear window electrically heated to demist.

Floor mounted T-bar shift in centre console controls the silky Turbo-Hydramatic Transmission.
