S E R I E S I I S T A T E S M A N D e V I L L E

To complement its classically handsome exterior and well bred performance characteristics, Series II Statesman De Ville has an enviable quality of finish that reveals intelligent design as well as superb craftsmanship.

A glance inside the spacious passenger compartment reveals a smorgasbord of pure luxury.

For your driving comfort there are full foam front bucket seats faced in new colour co-ordinated soft tweed cloth, with a matching rear bench seat. The driver's seat is height adjustable and designed for superb posture support.

The interior is colour-keyed throughout with tweed cloth door trims that echo the new seat covers.

There's superb climate control through bi-level fully integrated air conditioning, with eight separate air outlets, including two in the rear for the individual comfort of your passengers.

Rear seat passengers also enjoy the luxury of personalised reading lamps positioned on each side of the compartment, and the convenience of a cigarette lighter and ashtray integrated into the armrest of each rear door.

Your driving enjoyment is enhanced by the full rich sound of De Ville's high fidelity AM/FM radio/cassette system that comes complete with power antenna.

And for touring convenience the De Ville luggage compartment is large enough to handle your whole family's requirements with room to spare, and incorporates an electric boot release switch within easy reach of the driver.

Luxury appointments and V8 power, a unique combination that gives you uncompromising driving pleasure and makes De Ville a real value for money package in the prestige class.

New Series II Statesman De Ville. There's nothing quite like a V8.

Seat belts for all occupants.

Flow-through ventilation and fully integrated air conditioning. Shatter-resistant knock-out insulation (minion Glass) reduced intrusion. Flourescing lights. Power assisted brake system. Fuelie link wiring system virtually eliminates risk of electrical fires. Isolated underslung all steel fuel tank and external fuel lines. Safety rims on all wheels.

**GMH WARRANTY** The GMH Warranty protects your Statsteman for the first 12 months or 30,000 kilometres, whichever is first completed. Recommended routine service intervals are every 1000 km or 6 months.

A word about this catalogue.

We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described throughout this catalogue is available extra cost. And the right is reserved to make changes at any time, without notice, in prices, colours, materials, equipment and models. Your GMH Dealer has details and, before ordering, you should ask him to bring you up to date. No GMH Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions, or fitness for any purpose of any GMH product or in connection with the supply of any GMH product, which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by General Motors-Holden's Limited or General Motors-Holden's Sales Pty. Ltd. in its published sales literature, or with the company's accepted liability for any such unauthorised action.

General Motors-Holden's Limited and General Motors-Holden's Sales Pty. Ltd. have franchise dealers in many parts of Australia for the sale of service parts and the provision of service to owners of GMH's products. Every endeavour is made to ensure that such dealers carry adequate stocks of service parts, but neither General Motors-Holden's Limited nor General Motors-Holden's Sales Pty. Ltd. makes any promise other than that contained in the New Vehicle Warranty given by General Motors-Holden's Sales Pty. Ltd. that such parts or service facilities will be available, or available at any specific location or at any particular time.

# D e v i l l e

Prestige motoring often means compromising your driving pleasure in one way or another. All too often, additional comfort means sacrifices in driving performance.

New Series I Statesman De Ville is the only car in its class that can give you the luxury you expect in a prestige vehicle, and performance that's as exciting as it is flexible.

It's performance that comes from the only 5 litre V8 engine available in Australia, to give you responsive power that no 6 cylinder engine can match, for relaxed highway cruising, confident passing and effortless towing capacity. In short, there's nothing quite like a V8.

To back up its phenomenal engine performance, De Ville has the combination of variable ratio power steering and Radia Tuned Suspension, to give you ride and handling acknowledged by motoring experts to be better than anything else in its price range. Power disc brakes on all four wheels bring you to a safe, efficient stop.

You also enjoy the convenience of T-Bar automatic transmission, and De Ville offers you the option of Highway Cruise Control to reduce the effort of long distance driving so you arrive feeling fresher and more relaxed.

Series II De Ville is a truly magnificent vehicle featuring opulent exterior styling in a whole new colour range. Its spacious passenger compartment is well equipped and supremely comfortable and De Ville comes with a luxury that makes it a true driver's car. The Luxury of V8 power.
