This colour chart illustrates the available interior trims of the Holden Commodore, Calais and Ute range of passenger vehicles. As these are printed colours and not actual samples, variations between those illustrated and actual dye colours may occur. As such, we recommend that these illustrated colours be accepted as indicative only. It is important that your Holden Sales Consultant confirms with you such variations by reference to the latest Holden Order Procedure. Availability of trims was correct at time of printing, however, General Motors-Holden's Automotive Ltd. A.C.N. 006 893 232 reserve the right to make changes at any time and without notice.
