

THE ALL NEW HOLDEN
COMMODORE
ACCESSORIES

HOLDEN

There's nothing quite like a Holden.

The only thing Australia's most exciting new car needs is your personal touch.

It's hard to imagine improving the most exciting, new family car in a decade.

But it is possible to personalise your new VT Commodore with the Holden range of accessories.

Whether you're looking for an accessory that adds style and luxury or safety and protection, this brochure contains the best possible selection.

Whatever you finally choose, it will give you a great sense of pride and enormous satisfaction making

your new VT Commodore as individual as you are.

Not only does every accessory meet the Australian design rules, each part is also backed by a 3 year 100,000 km warranty when installed

by your Holden Dealer at the time of new vehicle purchase. (Other Warranty conditions apply when accessories are fitted after new car purchase).

Weathershield

Let the fresh air in and keep the wind and rain out with this full sized weathershield.

Slimline weathershield

Every bit as practical, this sleek new generation design complements the flowing lines of your Commodore.

Rear sunguard

This tinted acrylic sunguard provides excellent heat protection for rear seat passengers. It's the perfect 'sun smart' accessory.

Sunshade

Aerodynamic designed external front sunshade reduces heat build up when parked and helps reduce sun and road glare when driving.

Rear spoiler

Achieve a sporty look and give your Commodore a dynamic presence with this stunning rear spoiler.

Bonnet protector

Don't let stone chips and scratches detract from the superb paint finish. This durable acrylic custom design can be easily removed for cleaning.

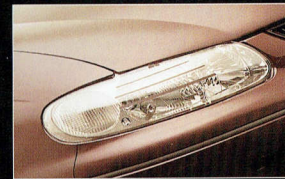

Insect screen

In extreme conditions an insect screen can help prevent clogging and stop your car's cooling system being put under pressure.

Country roo bar

Rural driving is safer with a Country roo bar which is designed to work with Commodore's SRS airbag system. Also available in textured black finish.

Headlight protectors

Specially engineered for Commodore headlights in durable acrylic they provide the ideal protection against annoying stone chips and scratches.

Moulded mud flaps

Integrated in Commodore's fascia design, these fully moulded mudflaps are both practical and stylish. (Not designed for S and SS models).

Mud flaps

Protect your car's paintwork and make these tough, durable mud flaps the first line of defence against road grime. (Not designed for Calais).

Make this superb comfort zone your very own.

Countless hours have been spent designing this superb new interior.

So it's worth spending a few extra minutes adding to your driving pleasure and ensuring passenger

comfort. Everything you need to make a trip more enjoyable and convenient is right here.

Cruise control

By maintaining a set speed, cruise control helps long country kilometres glide by effortlessly and improves fuel economy.

Air conditioning

Driving in continuous comfort is assured with Holden's ozone-safe R143a air conditioning.

Ashtray & cigarette lighter

These ashtrays and cigarette lighters are cleverly integrated into the front and rear cabin of your Commodore.

Sheepskin seat covers

Fully tailored, stylish Sheepskin Covers add to your comfort, keeping you cool in summer and warm in winter.

Anti-theft security

In addition to Commodore's extensive security features this anti-theft upgrade sounds an alarm if doors are opened by thieves. (Standard on Berlina and Calais).

Third seat package

Turn your wagon into a seven seater family mover with this third seat package. Designed to accommodate children, up to the size of an average 12 year old. Available in matching trim for all wagons.

Automatic electric antenna

When your Commodore isn't fitted with an electric antenna this accessory automatically extends and retracts the antenna when your radio is switched on or off.

Carpet mats

Help keep your Commodore in its original condition with these fully tailored, high quality long pile carpet floor mats, now with a new anti slip backing.

Towing systems.

Not all tow bars are the same. Holden tow bars have been specifically designed and tested by Holden engineers for Commodore.

They meet stringent Australian Design Rules. Only Holden Approved tow bars are covered by Holden's warranty.

Holden provides a choice of towing systems. It's important for you to determine what your towing needs are and then to fit the appropriate

system. Refer to your state authority for the maximum towing weight permitted for your car.

For your safety, your car's durability and to protect your New Vehicle Warranty all essential equipment is included in your Holden towing package.

To really enjoy every trip away, start here.

These practical extras will ensure you really enjoy this great big country of ours.

Whether it's a windsurfer or a boat you're taking away, we have a full range of accessories to meet your particular needs.

From specially designed roof racks to our unique towing systems, every trip you take with the family will be safer and more worry-free.

Cargo blind

Stylish, integrated design draws out to provide protection from the sun and provides added security for the back of wagons.

Cargo barrier

Keep everything in its place with a heavy mesh cargo barrier. Expertly designed with quick release fittings and multi-positional attachments for your wagon.

Trailer wiring harness

Select the trailer wiring harness that best suits your existing connections 7 pin flat, small 7 pin round and large 7 pin round.

Roof bars

Ideal for both sedan and wagon, Holden roof bars let you carry luggage and sporting equipment without sacrificing interior space.

Load distribution devices

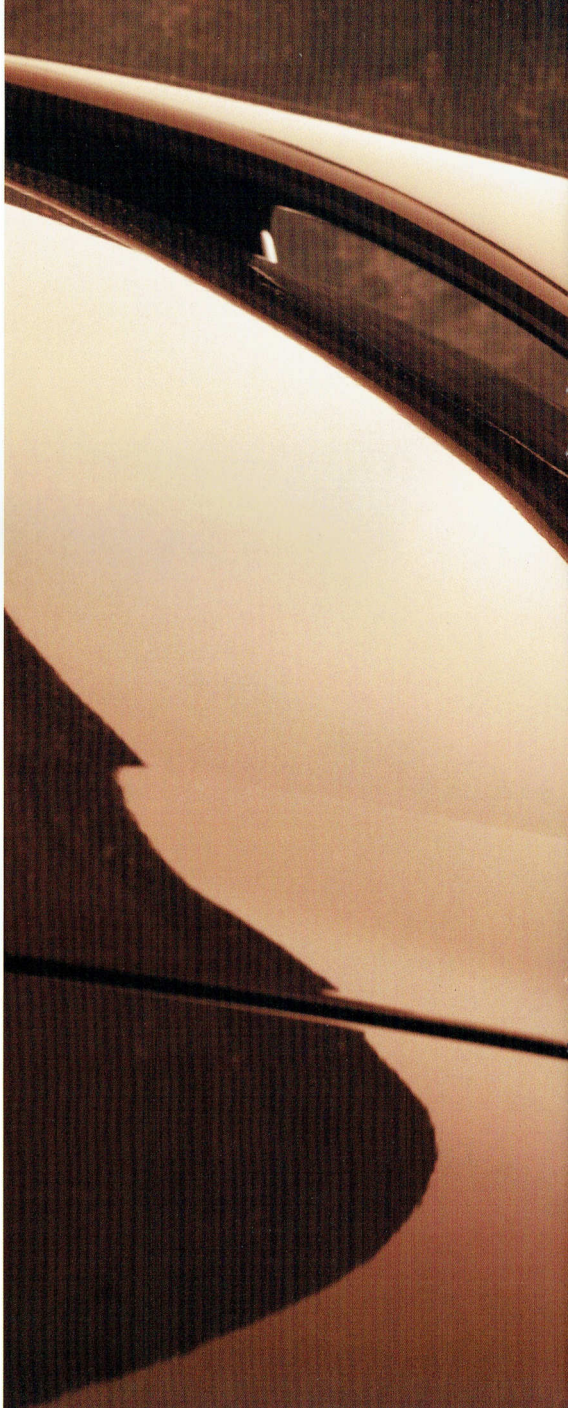

Designed specifically for Commodore to transfer a portion of the load to the front wheels of your car when towing. This accessory is recommended when towing more than 750 kg.

Superlift shock absorbers

Superlift shock absorbers allow you to adjust the car's height providing improved handling and better ground clearance when heavily loaded or towing.

A word about this catalogue. We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this catalogue may have been changed and/or is available at extra cost. And the right is reserved to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by General Motors-Holden's Automotive Ltd. A.C.N. 006 893 232 or General Motors-Holden's Sales Pty. Ltd. A.C.N. 004 668 831 in its published sales literature, and neither company accepts any liability for any such unauthorised action. General Motors-Holden's Automotive Ltd. and General Motors-Holden's Sales Pty. Ltd. have franchised dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such dealers carry adequate stocks of service parts, but neither General Motors-Holden's Automotive Ltd. nor General Motors-Holden's Sales Pty. Ltd. makes any promise other than that contained in the New Vehicle Warranty given by General Motors-Holden's Automotive Ltd. that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden product are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request.
