

THE ALL NEW HOLDEN  
**SUBURBAN V8**

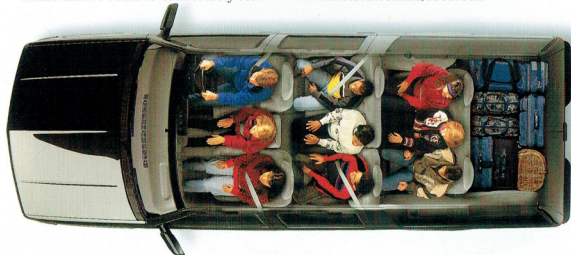

# The Largest 4WD on the Face of the Planet.\*

Introducing the all new Holden Suburban. With its uncompromising power, ruggedness, strength, comfort and an unmistakable presence in any surrounding.

No other four wheel drive even comes close with a combination of size, towing capacity, passenger and cargo space, big truck-like strength and the choice of V8 petrol 1500 Series or V8 Turbo Diesel 2500 Series.

Inside there's room to comfortably seat

up to nine people as well as plenty of space for their luggage.\*\*

Sit back and relax in the space and power that comes from leadership; because the Holden Suburban is sourced from Chevrolet, which has been a leader in this class of vehicle in the USA for over 60 years.

When there's hard work to be done, make no mistake - bigger is better. And there's none bigger than the Holden Suburban.

To find out whether the Suburban can make a big difference to your life, see your nearest Suburban Specialist Dealer, call 1800 629 222 or visit our web site at [www.holden.com.au/suburban](http://www.holden.com.au/suburban)
