

The **OLYMPIC EDITION**
Holden **Commodore**

GOLD MEDAL VALUE

WITH \$4,000* OF ADDED VALUE, NO WONDER IT RUNS RINGS AROUND THE COMPETITION.

That's right. \$4,000* of added value. The Olympic Edition V6 Commodore comes with air conditioning, automatic transmission, power windows, 15" alloy wheels, CD player, power antenna, cruise control, unique seat fabric and chrome exhaust extension. The wagon even comes with roof racks.

Olympic key ring

Air conditioning

Power windows at the touch of a button

Stylish 15" alloy wheels

Unique velour seat trim

Cruise control

The Olympic Edition Commodore is available in both sedan and wagon and a range of five colours - Heron, Orion, Granada, Bermuda and Cinnabar. Every one features a specially designed Olympic Edition badge and gives you a complimentary Olympic key ring. We're even offering the option of a passenger airbag and ABS brakes. See your local Holden Dealer for more details and ask about Holden's factory fitted LPG system and Holden approved towing kits. You'll be a winner before the Games even begin.

DRIVE THE VALUE. DRIVE THE DREAM. DRIVE ON.

*Value of extra based on MSRP
