

The Performance of a Sedan.

The exciting all-new Zafira. Not every car that's been designed with the family in mind needs to drive like a bus. Which is why the all-new Holden Zafira satisfies all the performance criteria you'd expect to find in a Holden. A powerful 108kW, 2.2 litre DOHC, 16-valve engine designed to give you the power and performance you need, but with the added assurance of power steering, ABS, dual front airbags and traction control.

The all-new Holden Zafira drives just like a sporty European sedan, which isn't surprising given its heritage. The Zafira offers the perfect combination of the latest technology for Australian motoring performance.

The stylish all-new Holden Zafira. What use is a car if the one statement it makes is compromise? And compromise in style is the one thing you won't find in the all-new Holden Zafira. The new Holden Zafira brings together a fusion of European-inspired design with the functionality and practicality that you need for everyday Australian life.

Whether it be air-conditioning, Blaupunkt CD player or even front power windows, you'll find the new Holden Zafira has every little luxury you need, plus that distinctive look that sets it apart on the street. Sleek lines and a look that's been designed to get heads turning, but for all the right reasons.

The style of a Hatch.

The Flexibility of a Wagon.

The versatile all-new Zafira. It can be a sedan, a hatch or a wagon.

It can seat two, five or up to seven people. The possibilities go on and on.

In fact, the all-new Holden Zafira offers you the opportunity to create exactly the car you want. You need a handy three seater with enough room for the surfboard? No problems. You need a flexible seven seater that will carry the kids and that extra friend? Easily handled.

The Holden Zafira's unique Flex-7 seating system has been designed to cleverly hide the two rear seats in the floor, so you'll always be able to easily handle anything that life may throw in your path.

The Holden Zafira brings clever design to life. The essence of intelligent design lies in the delicate balance between form and function. And it's a balance that has been perfectly achieved in the Holden Zafira. You'll find it in the ergonomically designed dashboard, the stunning use of storage space and in the innovative and unique Flex-7 seating system.

The Flex-7 seating system brings flexibility to life. The second row seat easily folds and slides forward allowing you to access up to 1700 litres of cargo space, while also giving you access to the spare rear seats in the floor in case you need them.

At the heart of the Holden Zafira is the idea of clever design.

Design that allows you to easily turn the Zafira from a two seater, to a five seater or into a seven seater in seconds. Design that cleverly hides the two rear seats in the floor, so that they are always available at a simple pull of a handle. Design that hides the two spare rear seats away so that they don't take up any room. Design that lets you enjoy the best of all worlds.

Personalise your all-new Zafira. Holden By Design now offers a

unique and fully integrated enhancement package. Whether it's the front,

side and rear skirt attachments, the rear roof mounted spoiler or the

16" alloy wheels, you'll find every piece gives your Zafira a distinct look.*

The body kit is made from high performance Pu-Rim. By using this specially

designed light weight material, that resists cracking on impact and stone

chip damage, Holden By Design offers you the

ultimate in European styling from a material

capable of handling the Australian environment.

The Holden By Design enhancement package

also provides you with a choice of two stunning

wheel options. There's the new European styled

five spoke, 16 x 6.0, alloy wheel that's been

designed specifically for the Zafira,¹ or the

traditional Holden By Design 16 x 6.0 alloy wheel.²

* The Zafira body kit package comprises the lower body kit and the rear spoiler. The lower body kit (front, side and rear skirt attachments) must be purchased as a complete kit. The rear spoiler can be purchased separately. The HBD 16 x 6.0 alloy wheels are available in sets of four with the standard 15" steel wheel as the spare. Additional 16 x 6.0 alloy wheels are available for purchase singly if required.

Personalise your Zafira with Holden By Design.

Safe and smart.

The new Zafira has a range of smart safety features you've come to expect from Holden.

Traction Control. Zafira's Traction Control senses wheel spin in a fraction of a second and reduces power accordingly to bring the wheels back under control. It applies independently to each wheel, maximising control in all weather conditions.

ABS. Every Zafira has a four channel Anti-lock Braking System. ABS acts independently on each wheel so that maximum grip is maintained at all times, helping you in situations where you need to steer clear of trouble.

Dual front airbags. Full size driver and front passenger airbags are standard on every Holden Zafira.

Seating safety. The Zafira comes with pyrotechnic front seat belt pre-tensioners that instantly retract and take up the slack early in a collision by pressing passengers safely back into their seats. The built-in anti-submarining ramps in the first and second row seats also reduce the risk of the driver and passengers slipping under their seatbelts. Zafira also has additional seatbelt force limiters that enhance driver and passenger safety by reducing bruising and the risk of injury.

Added safety. The Zafira's safety features continue with the added extras that you'd expect in a vehicle designed for the 21st century. These include a pedal release system that drops the pedals away from the driver's feet to prevent injury in the event of a severe frontal collision. Child seat restraint anchors located in the second row seat are actually attached to the rear of the seat and not the floor, ensuring that the child seat anchors move backwards and forwards to the seat for convenience. 1. ABS. 2. Traction Control. 3. Airbag. 4. Second row child seat anchor.

SmartChoices. A smart way to get into a new Zafira, or any new Holden, is by talking to Holden Financial Services. A wide range of options is on offer and you can select the terms, conditions and pricing structure to best suit your lifestyle. The SmartChoices range offers affordable, flexible finance, low monthly repayments¹ and the security of a guaranteed minimum buyback price.² For information contact your Holden Dealer or call Holden Customer Assistance on 1800 033 349.

SmartCare. Holden offers a range of competitively priced insurance products that provide tailor-made protection. The SmartCare comprehensive policy offers new car replacement, agreed value and a genuine Holden Approved parts guarantee plus a range of additional premium benefits.³ For more information see your local Holden Retailer or call the Holden SmartCare Hotline on 1800 060 094.

The Holden MasterCard. With the Holden MasterCard, 5% of every dollar you spend on credit purchases goes toward your rebate on a new Holden.⁴ You can redeem a maximum core rebate of \$3000 on any new Holden.⁴ Use your Holden MasterCard at exclusive Holden MasterCard Bonus Partners and you'll receive an extra 1% bonus rebate for every dollar that you spend on credit purchases. Better still, there's no limit to the amount of bonus rebate that you can earn. You'll also pay no annual card fee in the first year, get up to 45 days interest free on credit card purchases, and a competitive rate of interest.⁵ To apply, visit any Westpac/Challenge Bank/Bank of Melbourne branch, your local Holden Retailer or call the Holden MasterCard 24-hour customer line on 1300 650 696.

3-year or 100,000km Warranty. Peace of mind guaranteed. This factory backed bumper to bumper new vehicle warranty⁶ covers everything including engine, transmission, clutch and interior and exterior components. An extended new vehicle warranty is also available. For details call 1300 505 058.

3-year/24-hour Roadside Assistance. Anywhere, anytime. We're always there for you. Every Zafira driver is backed by the most comprehensive customer care package on the road, and it's complimentary for 3 years.⁷ If you lose your keys, or need mechanical or accident advice, there's a 24-hour helpline at your service 365 days a year. Simply call 1800 817 100. This service is delivered by Assist Australia and the combined resources of the Australian Motoring Organisations.

Comprehensive Retailer Network. The Holden service network is the largest in the country, and our service centres are staffed by a team of trained technicians who have access to regular factory training, bringing them up to speed on the latest technology. If you want to know more about the extensive benefits of Holden ownership, contact Holden Customer Assistance on 1800 033 349, Monday to Friday 8am-7pm and Saturday 9am-1pm EST.

1 Fees and charges apply. For the annual percentage rate applicable to you contact your local Holden Retailer. Subject to credit approval and current terms and conditions. 2 Conditions apply. A disposal fee of \$385 (incl GST) applies plus charges for excess wear and tear or excess kilometres may also apply. For full terms and conditions, please refer to relevant policies at your Holden Retailer. 3 Refer to policy wording for specific terms, conditions and exclusions. 4 Earning and redemption of rebate is subject to the Holden Card Rebate Program Rules. A maximum of \$3000 in the form of Holden Card 'core' rebate (plus any additional 'bonus' rebate accumulated via the partner program) accrued over a maximum of 5 years may be applied per eligible vehicle purchased. Vehicle sales for which a fleet allowance is paid are not eligible for Holden Card rebate. 5 The interest-free period applies where the card account is fully paid by the due date each month. 6 Refer to your owner's handbook or see your Holden Retailer for full terms and conditions. 7 Roadside Assistance may not be available in some rural areas. Refer to the Holden Roadside Assistance booklet or see your Holden Retailer for terms and conditions.

Accessories for your all-new Holden Zafira. When choosing your new Zafira, you'll need to find one that suits your style, which is why the new Zafira is available in five great colours.
