HOLDEN
DRIVE ON

holden.com.au

Remember those days when you didn't have to go anywhere, and were happy to spend all day getting there? They're back. Holden Adventra gives you the power to do everything, or nothing. Superbly engineered; the only thing you won't be able to control is your excitement. This is the car that will redefine family motoring. Get ready. In this car, life's an Adventra.

Thursday 7.30pm Driving home, the extra response from the engine, and some deft manoeuvring, is all I need to break free from the mayhem of the rush hour and into the serenity of a clear freeway run. I can settle back, and relax. Every minute taking me further and further from the ironic dawdle of rush hour. It's my evening ritual: taming the snarl of the concrete jungle. It's an urban Adventra, and it's all mine.

Projector Headlamps Turn night into day
Rear Park Assist Perfect for getting into tricky spaces
17" Alloy wheels Looks the goods
Sunglasses holder They think of everything
6 disc in-dash CD Every Adventra needs a sound track

Saturday morning 9am Why do I need seven layers of clothes when the kids are happy in shorts and footy jumpers? It felt almost criminal to venture from this leather bound luxury, despite the promise of coffee, and a silent obligation to cheer for the team. Then inspiration. Why not cheer from the sidelines, in the car. A quick flip into drive, and I'm there. Make mine a long black! Even a drive in the park can be an Adventra!

LX8

Heated exterior mirrors with memory position Clearly better
Sunroof Nothing above me but freedom
17" alloy wheels Gives the other road users something else to envy
8 way adjustable electric leather seat Comfort is king
Dual Zone Air Conditioning I'm warm. And he's cool with that
260W 6 disc in-dash CD Player It's a whole lot of music to my ears
Front Fog Lamps So I'm never in the dark

12:03pm Saturday

I wonder if all adventurers felt this way. When you're in the middle of it all, the exciting moments seem to happen in slow motion.

12:03:21 I hit the creek and, so the experts tell me, a complex system of technologies is engaged, each working seamlessly together. It's called Cross Trac, Holden's first all wheel drive system. It's designed for Australian conditions. It's built to do this. And it certainly feels like that.

12:03:22 The back wheels enter the water. Under the car, the transfer case at the rear of the automatic transmission is busy splitting the drive, front and rear. Three more, open differentials, then distribute the power to each wheel as required. Seems to be working perfectly so far.

12:03:23 Nearly halfway through. Inside the car, I'm sitting behind a spray of water. Underneath, there are a thousand things happening. The refined Traction Control System puts me in command; I'm Captain Can-Do. How cool is this!

12:03:25 The front wheels are out of the water. The slightly wider track gives me extra stability and control. If I can do this, anyone can do this.

12:03:26 The back wheels are out. Underneath, everything returns to normal. In the driver's seat, nothing will ever be normal again. It all happened so easily, I feel like turning around and doing it all over again! What an Adventra!

- Cross Trac transfer case**
- rear-axle output – 62%
- epicyclic centre differential and torque splitter
- front-axle output – 38%

Steering Wheel Controls They just make it easier and easier
Multi-function display When, where, why and how far. Any other questions?
Cruise Control I just can't be without it
Front and rear power windows Every trip has its ups and downs
Air Conditioning Everyone can be as comfortable as me

Anthracite LX8 interior – Anthracite Black leather seats

Wednesday 11pm Relaxation isn't just a state, it's a whole country. And you can get there by car, as long as that car is an Adventra. Settle back and make a wish, touch a button and the wish comes true. Warmer, cooler, louder, softer; all at the touch of a button. We may be having an Adventra, but there's no need to suffer for it.

Ownership Benefits	
Service	Holden Service With over 300 retailers and 900 Roadside Assistance centres nationwide, Holden can supply an enviable level of customer care. Our Service Network is one of the largest in the country. Our trained technicians are kept up to date with regular factory training. The support is there wherever you go, whenever you go there.
Warranty	Holden Warranty Every new Holden comes with a New Vehicle Warranty, covering your Holden for 3 years or 100,000 kilometres, whichever comes first. For support after that, a Holden Extended Warranty can be purchased for vehicles which have travelled less than 100,000 kilometres and prior to the vehicle being registered for 3 years from date of first registration. Refer to your owner's handbook or see your Holden Retailer for full terms, conditions and exclusions.
Roadside Assistance	24 Hour Roadside Assistance Free for the first 3 years of your Holden's life, ³ Holden Roadside Assistance is one of Australia's most comprehensive assistance packages. ⁴ There to help with even the smallest service, the toll-free hotline is always open, 1800 817 100. Roadside Ultra Assistance. Provides additional benefits, over and above those supplied by our standard Roadside Assistance program. It's designed to help you and up to four passengers only when you're farther from home (100 kilometres or more) and if your vehicle is disabled for more than 24 hours. It covers accommodation, alternative transport, rental car, accident assistance, Australia-wide vehicle recovery and more. ⁵ For more information call 1800 645 668, 8am to 8pm. For more information contact Holden Customer Assistance on 1800 033 349 Monday to Friday 8am to 7pm or Saturday 9am to 1pm EST Or visit www.holden.com.au

1 A total of \$3000 in the form of Holden Card 'Core' Rebate (plus any additional 'Bonus Rebate' accumulated via the Partner Program) accrued over a maximum of five years may be applied per eligible vehicle purchased. Vehicle sales for which a fleet allowance is paid are not eligible for Holden MasterCard Rebate. Earning and redemption of Rebate towards a new Holden is subject to the Holden Card Rebate Program Rules. **2** The interest-free period applies where the card account is fully paid by the due date each month. **3** From date of first registration. **4** In remote or sparsely populated areas you may experience delay in obtaining Roadside Assistance. Refer to the Roadside Assistance brochure in your glovebox for full terms and conditions of this service. **5** This service is automatically available to owners of our prestige vehicles – Caprice, Statesman, Calais, Monaro, Adventra and Vectra CDXi. Or you can upgrade to Ultra Assistance for a period of 3 years from the date of first registration for \$99. See the Roadside Assistance brochure in your glovebox for full terms and conditions of this service. **6** Holden Assist service is dependent on the availability and functionality of GSM and GPS and the vehicle's electrical system. **7** It is a condition of use of Holden Assist Services that customers acknowledge the terms and conditions of the Subscription Service Agreement by returning an original signed copy of the agreement. **8** Dependent on insurance company. Holden will not be involved in insurance discount negotiations between the insurer and the customer.

Safety and Security
Advanced Satellite Vehicle Monitoring Holden Assist keeps us in touch with your car. Using satellite technology, we can keep track of your car, wherever it goes. ⁶ We can then access your car's electronic systems; so we can do everything from remote door unlocking – should you leave your keys in your car – to immobilising the car in conjunction with the police – should your car be stolen. Holden Assist includes: <ul style="list-style-type: none"> — Vehicle tracking⁷ — Unauthorised entry alert — Accident notification — Remote vehicle immobilisation — Remote door unlock — SOS/Emergency connection — Connection to Roadside Assistance — Low battery alert — Hands free voice contact with operator — Potential vehicle insurance benefits⁸ Holden Assist must be optioned at time of ordering, as it cannot be fitted after factory.

Sunday 4pm This is a real Adventra! Misty mountain road, who knows what's around the next corner? Come to think of it, who knows where the next corner is! But the Adventra handles it all with ease. It has answers to questions I haven't asked yet. Technological superiority cloaks me in confidence; like some ultra-modern security blanket. They're right! The more confident you feel, the more you enjoy the Adventra.

- Airbags** Hopefully, we'll never need them
- Active Head Restraints on LX8** More safety insurance
- ABS** When you've got to stop, you've got to stop
- Traction Control** The only thing that's slipping away is the afternoon
- Level Ride Suspension on LX8** You have to feel this to believe it
- Remote Key Security** Like having a security guard next to your car
- Control Link IRS** It corners like it's on rails

Front airbags will inflate only if car is struck hard in certain severe frontal collisions. Airbags form part of the Supplemental Restraint System (SRS) as they assist, but do not replace safety offered by seatbelts. Side impact airbags will deploy and offer protection in some, but not all, severe side impacts.

Adventra LX8 in Turbine Mica

Tow bar mount Towing capacity of 1,600kg
Tow bar mount upgradable to 2,100kg* (How many fish is that?)
Rear Park Assist It cleverly switches itself off when a trailer harness is plugged in

* At additional cost

Sunday 4pm "Bring the kids," he said, "I know a place." An out of the way place. "No-one else knows where it is." Turn left after the bridge, take a right onto a back road, second left, third right... after 2 hours, I was beginning to wonder if even he knew where it was! Then, before I knew it, we were slipping the boat into the most amazing stretch of water I've ever seen. Sure, it was a little out of the way, but it wouldn't be an Adventra if it wasn't exciting.

Everyone's idea of an Adventra is different. And, with so many different personal touches to choose from, you can make your Adventra distinctly yours.

- 01 Universal ski carrier (skis not included)†
- 02 Scissor-type ski carrier (skis not included)†
- 03 Roof tray with spare wheel carrier (alloy wheel not included)†
- 04 Bike carrier (bike not included)†
- 05 Weathershield
- 06 Bonnet and headlamp protectors*
- 07 Front carpet floor mats (standard on LX8)
- 08 Front rubber floor mats
- 09 Rear rubber floor mat
- 10 Vinyl carpet protector
- 11 Convenience cargo hold down net (standard on LX8)
- 12 Third row seat
- 13 Off road recovery kit
- 14 Load tie down strap kit (standard on LX8)
- 15 HBD ochre leather steering wheel, auto shifter and handbrake*
- 16 HBD redhot leather steering wheel, auto shifter and handbrake*
- 17 HBD alloy pedals

† Shown with roof cross bars
 * Items sold separately – refer to feature summary

Saturday, Dawn It's our weekly getaway; our own weekend adventure. And, while 5 stars is enough for me, he likes a few million more, so the boot is always filled with extra stuff. His stuff, my stuff, the kids' stuff, there's a place for everything – and this is our place. This is where we live. We just happen to spend our week nights in the city. Just goes to prove, some Adventras can take you to heaven.

- 60:40 split fold second row seat** In case we need even more room
- Storage compartment system** A place for everything; power outlet, cup holders and bottle holders
- Cargo security blind** Keeps it all neat
- Electric remote tailgate glass window release** Open sesame!
- Rear compartment power socket** For all your toys
- Load tie-down rails** Keeps it all very neat

Gen III V8 Very Vroom. And very smooth
Automatic transmission Speaking of very smooth...
Cross Trac AWD Takes smooth to a whole new place

September Holidays, 6am We were gone early, before anyone else was up. He wanted to avoid the rush. If that's so, why is he grinning like a mad cat? The higher we climbed, the faster the snow fell. He's happy driving. There's nothing for me to do but watch the sun chase the shadows from the valleys and wonder if the sleepy heads are up yet. This is what holidays are meant to be, our own winter Adventra.

Long Weekend, 2pm This is an unexpected Adventra. We decide to go mountain biking, but he keeps finding excuses to go further and further. He keeps explaining why this road isn't good enough, or that track isn't steep enough. Mind you, the scenery is great, he's relaxed. Let him talk! This Adventra can handle any unexpected ramble!

Dust deflector with stop lamps For those dusty back roads
Flared wheel arches Looks tough enough for any road
Roof rails Up there for thinking
Chromed Exhaust Twin Tips Only because they're more durable, of course
Aluminium plates and rocker inserts Helps keep the vitals intact

Who said you can't have the best of both worlds? Holden Adventra uses the latest technology to help you get back to what driving is all about. Designed in Australia, for Australian conditions, this car can handle those adventurous moments when you want to go "just a little bit further."
