

**HOLDEN**  
DRIVE ON

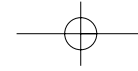

[holden.com.au](http://holden.com.au)

A heap of great features like dual airbags, alloys, power windows, CD player and a sporty leather steering wheel with remote stereo controls means you're going to love driving the new Holden Barina. Whilst a cool, stylish and athletic design means you'll look just great doing it. Engineered and manufactured in Europe, the compact Barina might look like a small car but you can be absolutely sure it's big on quality, safety and performance. So it's no wonder the Holden Barina was awarded Wheels Car of the Year in 2001.

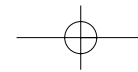

## A NEW LEVEL OF SAFETY

Every Barina is built with a central survival cell, front and rear crumple zones and side impact protection beams. You'll find additional safety features like strengthened front seats, energy absorbing padding inside the front doors and a more extensive use of high strength steel.

Advanced design, full size, driver and passenger airbags that are designed to deploy in severe frontal collisions are standard. And each Barina model also comes with four-wheel disc brakes. That's a rare feature in this price category.

The Barina's pedal release system reduces the risk of injury to the feet and lower legs in the event of a major frontal collision by releasing the clutch and brake pedals from their anchor points. While seat belt height adjusters, pre-tensioners and force limiters all reduce impact on the body. During the early stages of impact, the pyrotechnic pre-tensioners provide enhanced restraint by reducing slack in the shoulder and lap sections. Then, if the force exceeds a safe limit, the force limiters reduce the peak belt pressure on the chest.

The Barina's high level rear brake lights also make it more visible to cars travelling behind it as well as reducing crash repair costs.

## PARK YOURSELF IN THE BARINA SXi

You'll be zipping in and out of car parks with ease in the new Barina SXi. Its German engineered 1.4 litre DOHC 16 valve engine makes it an extremely lively vehicle. And its sequential fuel injection means you get great engine performance and efficiency.

Based on the latest engineering advancements, the SXi has driver-oriented suspension for a more refined driving experience and its rigid body structure offers more dynamic handling and control.

There's even an on board diagnostic system to alert you to potential engine problems should they ever occur.

Other standard features include 15 inch alloy wheels (with a steel spare) and speed sensitive electric power steering for easy parking and precision driving.

While the fully galvanised body offers complete rust protection.

## YOU'LL NEVER WANT TO GET OUT

The new SXi is as stylish on the inside as it is out. With great features like a leather wrap steering wheel, black instrument dials with silver rings, matt chrome door handles, park brake knob and centre console surround together with a range of unique trims and matching seat belts, it'll be hard to keep your eyes off it.

Standard features include power windows, multi function display showing time, temperature and audio information and programmable intermittent windscreen wipers for safer driving in all weather conditions.

Keyless remote central locking deadlocks the doors and locks the tailgate and fuel flap. While the premium six speaker, Blaupunkt PIN coded CD stereo offers superior sound and comes complete with steering wheel mounted audio controls.

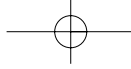

## MAKE SPACE FOR THE BARINA CD

Driving around looking for a car park is an absolute pleasure in the new Barina CD. With dynamic handling and control, the only annoying thing about parking will be actually having to stop.

The CD comes with all the great features of the SXi plus more. These include standard front fog lamps, body colour door mirrors and luxury design alloy wheels (with a steel spare).

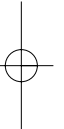

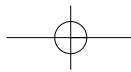

## WE'VE MADE PLENTY OF SPACE FOR YOU

From the sculpted console, to the design and positioning of the gear shift, instruments and controls, it's obvious that every detail has been carefully thought out in the Barina CD.

Standard features include a height adjustable steering column and driver's seat, three rear head rests, power front windows and mirrors, reading lamps, and chrome interior door handles and park brake knob.

The 4 doors on the CD model means getting in and out is easy. Whilst 60/40 split folding back seats that flatten, together with redesigned ergonomic front seats, means you get more room for packages.

Every Barina has a driver's side sunglasses holder, as well as storage compartments for everything from coins to cappuccinos. A steering lock, protected door locks, as well as childproof rear door locks ensure you feel more secure in the Barina, whilst keyless remote central locking deadlocks the doors and locks the tailgate and fuel cap. It also lets you unlock all doors simultaneously, or for your safety, the driver's door only.

**THERE'S NOTHING  
RESERVED ABOUT  
THE BARINA SRI**

If you love to drive then you'll love the Barina SRI. It takes the standard features of the SXi and adds a sportier appearance together with a more athletic performance.

With a 1.8 litre engine and five speed manual transmission, the SRI is a finely tuned vehicle that comes with an incredible balance of power and control.

16 inch alloy wheels (with a steel spare), front fog lamps, side skirts, chrome exhaust tip, modified lower grille, red brake calipers, a front spoiler lip and rear roof spoiler add to the athletic appeal of the SRI exterior. While body colour door handles, front power windows and electric exterior mirrors complete the image.

## IT'S PERFECT FOR CONTROL FREAKS

The cool, sporty styling is continued inside the Barina SRi. You'll find a leather wrap steering wheel with mounted stereo controls, sports seats, three rear head rests, matt chrome centre console surround and a stylish dash with white instrument dials and aluminium pedals.

The SRi also comes with sports suspension, electronic cruise control, Anti-lock Braking System (ABS) and traction control. ABS prevents the wheels locking up, allowing you to steer while braking heavily in slippery conditions. Traction control automatically senses and minimises wheel spin.

## BARINA ACCESSORIES

- 1. Trunk liner
- 2. Headlamp guard
- 3. Weathershield
- 4. Floor mats
- 5. Rear sunguard
- 6. Roof sports bars

## THE SMARTEST WAY TO OWN A NEW BARINA

The Barina range gives you the confidence to drive. Holden adds to that a sense of security with Holden SmartChoices.

### SMARTCHOICES.

A smart way to get into a new Holden is by talking to Holden Financial Services. A wide range of options is on offer and you can select the terms, conditions and pricing structure to best suit your lifestyle. The SmartChoices range offers affordable, flexible, low monthly repayments<sup>1</sup> and the security of a guaranteed minimum buyback price.<sup>2</sup>

For more information contact your Holden Retailer or call Holden Customer Assistance on 1800 033 349.

### SMARTCARE.

Holden offers a range of competitively priced insurance products that provide tailor-made protection. The SmartCare comprehensive policy offers new car replacement, agreed value and a Holden Approved parts guarantee plus a range of additional premium benefits.<sup>3</sup> For more information see your local Holden Retailer or call the Holden SmartCare Hotline on 1800 060 094.

### THE HOLDEN MASTERCARD.

With the Holden MasterCard, 5% of every dollar you spend on credit purchases goes toward your rebate on a new Holden.<sup>4</sup> You can redeem a maximum core rebate of \$3000 on any new Holden.<sup>4</sup> Use your Holden MasterCard at exclusive Holden MasterCard Bonus Partners and you'll receive an extra 1% bonus rebate. Holden Retailers are Bonus Partners. When you make a credit purchase at a Holden Retailer you'll earn a 2%

bonus rebate.<sup>5</sup> You'll also pay no annual fee in the first year, get up to 45 days interest free on credit card purchases, and a competitive rate of interest.<sup>6</sup> To apply, visit any Westpac/Challenge Bank/Bank of Melbourne branch, your local Holden Retailer or call the Holden MasterCard 24-hour customer line on 1300 650 696.

### THE PACKAGE WOULDN'T BE COMPLETE WITHOUT EXTRA PEACE OF MIND. WE'RE WITH YOU ALL THE WAY.

Holden drivers are backed by the most comprehensive customer care package on the road. With over 300 Retailers and 900 Roadside Assistance centres nationwide, few cars in Australia enjoy the level of customer care offered to Holden owners.

### 3-YEAR OR 100,000KM NEW VEHICLE WARRANTY.

Your peace of mind, guaranteed. Every Holden comes with a 3-year or 100,000km New Vehicle Warranty,<sup>7</sup> whichever comes first. This factory backed warranty covers items including the engine, transmission, interior and exterior components.

A Holden Extended Warranty is able to be purchased.

For more details, contact Holden Customer Assistance on 1800 033 349 or your Holden Retailer.

### 3-YEAR/24-HOUR ROADSIDE ASSISTANCE.

Go anywhere, anytime, with complete confidence. Holden Roadside Assistance, one of Australia's most comprehensive assistance packages, is complimentary for 3 years.<sup>8</sup>

In the event of the unexpected happening, from your keys being locked in the car

to mechanical and accident advice, you are able to get in touch with our 24-hour hotline, 365 days of the year, by calling the toll-free number 1800 817 100.

This service is delivered by Assist Australia and the combined resources of the Australian motoring organisations.

### A DECIDEDLY DIFFERENT LEVEL OF SERVICE.

Retailer support when you need it, where you need it. With Retailers strategically located nationwide, the Holden Service Network is one of the largest in the country. Our service centres are staffed by a team of trained technicians who have access to regular factory training, bringing them up to speed on the latest technology.

If you want to know more about the extensive benefits of Holden ownership, contact Holden Customer Assistance on 1800 033 349, Monday-Friday, 8am-7pm and Saturday 9am-1pm EST.

1. Fees and charges apply. For the annual percentage rate applicable to you contact your local Holden Retailer. Subject to credit approval and current terms and conditions. 2. Conditions apply. A disposal fee of \$395 (incl GST) applies plus charges for excess wear and tear or excess kilometres may also apply. For full terms and conditions, please refer to relevant policies at your Holden Retailer. 3. Refer to the policy wording for specific terms, conditions and exclusions. 4. Earning and redemption of rebate is subject to the Holden MasterCard Rebate Program Rules. A maximum of \$3000 in the form of Holden MasterCard 'core' rebate (plus any additional 'bonus' rebate accumulated via the partner program) accrued over a maximum of 5 years may be applied per eligible vehicle purchased. Vehicle sales for which a fleet allowance is paid are not eligible for Holden MasterCard rebate. 5. At participating Retailers only. Credit card purchases of new or used vehicles are not eligible for the 2% bonus rebate at Holden Retailers. 6. The interest-free period applies where the card account is fully paid by the due date each month. 7. Refer to your owner's handbook or see your Holden Retailer for full terms and conditions and exclusions. 8. Roadside Assistance may not be available in some rural areas. Refer to your Holden Roadside Assistance booklet or see your Holden Retailer for terms and conditions.

## COLOURS

The new Holden Barina range is available in a palette of 8 dynamic colours. The interior colour and trim combinations have been carefully selected to complement the exterior paintwork and add to the individual style of each model.

On SXi models you can also choose funky blue or orange trims, with matching seat belts, for an even cooler, sportier look.
