

COMMODORE
SERIES II

HOLDEN
DRIVE ON

holden.com.au

Commodore Series II is the car for people
with a passion for driving. Sharper lines reflect the precision
and refinement you expect from this driver's car.

The heart of the lion is racing.
It's a passion which has bred three decades of Bathurst success.
A passion which drives us to constantly refine our formula
for the driver's car.

COMMODORE EXECUTIVE

Look sharp. Stay in control. Commodore Series II delivers the smooth responsive handling you expect, while the driver-oriented interior delivers that feeling to your fingertips.

3.8 litre V6 engine. V-shape is a short, light six-cylinder design to promote excellent performance. Control-Link Independent Rear Suspension. Dual control arms bring precise rear wheel tracking, and extra traction to hold the tail in check on corners. Bosch 5.3 ABS. Sensors adjust brake pressure in rapid pulses for excellent grip without lock-up. Keeps wheels steering and car on track. Dual front airbags. Feature 65 litre driver airbag and 120 litre passenger bag for added protection in certain severe frontal impacts. Trip computer. Includes four audible speed warnings. Trip planning including distance to empty, distance travelled, time to go, as well as average speed and average fuel consumption. Cruise control. For fast and accurate speed adjustment - new to Executive Series II. Sunglass holder and rear reading lamps. Little things make a big difference; a sunglass holder between visors places sunglasses in easy reach - new for Executive Series II.

Acclaim could be your family's best possible defence against the unexpected. Both sedan and wagon are proven performers and boast an array of safety features found on many luxury vehicles.

COMMODORE ACCLAIM

Traction control. Controls power to driving wheels to help maintain grip. If traction fails on one wheel, its power is sent to the other. 4 airbags. The front airbags operate in 30 milliseconds, and two side impact airbags help protect the head, neck and chest in 20 milliseconds when activated. Active front head restraints. Designed to reduce the risk of neck injuries or whiplash in the event of a low velocity rear impact collision. A further improvement to the already high levels of occupant safety. Alloy wheels. Gives your Commodore sports styling. Air conditioning. Commodore was designed around an extremely powerful air conditioning system specifically designed for Australia's extreme heat. Rear park assist. New Acclaim Series II comes with rear park assist, an innovative system which removes the guesswork in reverse. New Acclaim Series II Wagon provides more practicality and style. New rear circular design lamps add refinement. Load tie down rails and cargo blind makes carrying loads easy.

Take control. Expect an instant response. The driver-oriented instrument panel is totally integrated around the driver's every whim.

Covered console compartment now clears away any mobile phone clutter and provides a dedicated power socket inside. **Compact disc player.** Pure CD sound plays through six speaker, 80-watt system. **Multi function display** in main instruments. Innovatively positioned ahead of driver and close to eye level – features audio system status, gear selected and trip computer. **Sound system remote controls** on steering wheel. The right radio station or CD track right at your fingertips, leaving your concentration unbroken. **Electric driver's seat.** Touch-select your height and tilt for effortless achievement of the ideal driving position. **Sunglass holder and rear reading lamps.** A new sunglass holder placed between sun visors for easy to reach convenience whilst driving.

COMMODORE S

This is a different kind of power. Commodore S is excitement for the driver who expects sporty performance with a sharp, sophisticated, supercharged response.

3.8 Litre V6 engine, for high torque and powerful launch at every green light. Or the option of the Supercharged V6 engine, which seamlessly unspools V8-like power through the rev range. **Dual front airbags**. Have low-pressure inflator for rapid, yet safer inflation. **Sports Suspension**. A lower ride height and less body roll bring responsive handling. **Sports body kit**. Powerfully styled front, rear and side skirts, and a sports wing add a definite dash of attitude. **New 17 inch alloy wheels**. Complete the powertrain package to deliver powerful acceleration, braking and cornering with great control. **New sports styled instrument panel**. An information interface to match the attitude under the bonnet.

COMMODORE SV8

Commodore SV8 is understated power. Cool, confident styling, with the unmistakable growl of a High Output Generation III Alloy V8 under the bonnet.

High Output 245kW 5.7 litre GENERATION III ALLOY V8 Engine. Free-flow performance exhaust that makes all the right noises. 6 speed manual transmission. 1st, 2nd, 3rd, 4th, 5th and WOW! Matched differential ratio to engage the right gear for every road scenario. Sports suspension. To lift the rolling chassis up to speed with awesome V8 performance. New 17 inch alloy wheels. Complete the powertrain package to deliver powerful acceleration, braking and cornering with great control. Sports styled instrument panel. An information interface to match the attitude under the bonnet. Cruise control. To help make the journey even smoother, fingertip cruise control reduces effort and enhances economy on long distance touring.

COMMODORE SS

This is the Commodore SS Series II, the king of the concrete jungle. Sharp, aggressive lines which promise 245kW of pure menace.

High Output 245kW 5.7 litre Generation III Alloy V8 engine. Light engine weight for fast steering response and pin-sharp cornering. 18 inch alloy wheels. Holden's biggest ever, for a huge contact patch to get the power to the ground. Sports suspension. For responsive, performance car handling. Alloy pedal cluster. Yet another sign of Commodore's successful racing heritage. 6 disc, in-dash CD. Load fresh CDs on the spot and shuffle the mix on the move from steering wheel controls. Distinctive SS style instrument cluster in Cosmo, Redhot or Silver Grey.

All Commodores are powered by passion. Choose between big car Ecotec V6 performance, the sophisticated rush of the Supercharged V6, or the fury that is the High Output Generation III Alloy V8.

COMMODORE ENGINES

V8

- 245kW of power, 465Nm of torque
- Aluminium alloy construction creates light weight engine for – Smooth ride. Lower weight allows softer, more supple front suspension – Agile handling. Less weight in front end allows more precise steering response
- One piece induction system made from composite materials for smoother airflow and superior 'breathing'
- Inlet manifold has improved airflow for performance and fuel economy.
- New sports performance strut brace is added to 245kW V8 models. Designed to handle the additional energy loads associated with pure sports performance.

Supercharged

- 171kW of power, 375Nm of torque
- Outstanding 6-cylinder performance from elite technology, shared with Aston Martin, Mercedes and Jaguar
- Eaton M90 Supercharger is a crankshaft driven air pump that compresses more air into the cylinders than a naturally aspirated engine
- More air, and more fuel, increases power. So it performs like a bigger engine
- Vacuum operated boost control modulates air pressure to give smooth, progressive power
- Substantial torque across rev range makes engine responsive and easy to drive.

V6

- 152kW of power, 305Nm of torque
- V6 engine is compact and light, for excellent ride and handling
- High power with outstanding fuel efficiency from use of – Friction reduction techniques on moving parts, especially pistons, rings and valve train – Fast, powerful new engine management for individual cylinder spark control, to improve performance, driveability and economy – Die cast inlet manifold is smoother for improved airflow to increase power
- Stainless steel long life exhaust.

COMMODORE SAFETY

Safety first, second and third. Commodore has been engineered to respond instantly to the unexpected, giving you an unparalleled feeling of confidence and control.

Control-Link Independent Rear Suspension. Dual control arms help keep Commodore precisely on track over bumps and during strong acceleration, deceleration or braking. Particularly valuable in challenging cornering situations. **Anti-lock Braking System (ABS).** Sensors adjust brake pressure in rapid pulses for improved adhesion before the point of lock-up. Helps keep the front wheels steering and rear wheels on track. **Pyrotechnic front seat belt pre-tensioners.** In certain frontal collisions of moderate severity, pre-tensioners reduce unwanted forward movement. **Driver and front passenger side impact airbags.** Help protect the head, neck and chest from injury in certain severe side collisions.¹ **Dual front airbags.** Feature full-size driver and passenger Supplemental Restraint System (SRS) airbag for improved protection in certain severe frontal impacts. Low-pressure inflator to help reduce the risk of injury from airbag inflation.² **Traction Control.** For stable acceleration on difficult road surfaces. Limits power to driving wheels, if required, to help maintain grip. If traction fails on one wheel, for example on a gravel shoulder, braking is applied to direct the power to the wheel with better traction.

1. Side impact airbags will deploy and offer protection in some, but not all, severe side impacts.
2. Front airbags will only inflate if car is struck hard in certain severe frontal collisions. Airbags form part of the Supplemental Restraint System (SRS) as they assist, but do not replace safety offered by seatbelts.

Make it personal. With a wide array of personalised enhancements and factory fitted extras, Holden By Design allows your Commodore to be as individual as you are.

HOLDEN BY DESIGN

rear lip spoiler

rear 5 pack spoiler

Holden By Design sports profiled handbrake, gear selector and steering wheel are available in Anthracite Grey, Redhot, Bermuda Blue and Cosmo.

The Virtual HBD. You be the designer. HBD-3D is your own personal virtual design studio, allowing you to see what your new Holden would look like with any HBD exterior enhancement; just a click changes the colour, the wheels, the spoiler, whatever. And HBD-3D lets you view your Holden from any angle. Simply visit www.holden.com.au and follow the prompts to HBD-3D.

Holden towbars have been specifically designed for Commodore to meet stringent Australian Design Rules.

Only Holden approved towbars are covered by Holden's warranty. Holden also gives you the option of a **dual fuel system with LPG**. This factory fitted system can be fully integrated into your Commodore and is covered by Holden's 3 year or 100,000 km warranty.

Holden offers a wide range of accessories, each designed to help your Commodore meet your individual driving needs. See your Holden Retailer for a full listing.

Protect your investment with Holden Assist – one of Australia's most advanced satellite car monitoring systems. An interactive primary security system, Holden Assist uses mobile phone and global positioning technology to notify you if someone tries to gain unauthorised entry to your vehicle. And, if stolen, it will locate and track it, then in conjunction with police, may immobilise the engine. If an airbag and/or seat belt pre-tensioners are deployed, and the driver cannot be contacted – or if requested by the driver – Holden Assist will notify emergency services. It can even unlock the car remotely if you lock your keys inside.

Holden Assist service is dependent on the availability and functionality of GSM network and GPS system. Not available on vehicles fitted with LPG. Only available on vehicles fitted with side impact airbags.

FEATURES

	SEDAN				WAGON

THE SMARTEST WAY TO OWN A NEW HOLDEN

SmartChoices

A smart way to get into a new Holden is by talking to Holden Financial Services. A wide range of finance options is on offer and you can select the product, term and payment structure to best suit your lifestyle. The SmartChoices range offers you flexibility to select from a choice of monthly repayments¹ and the option of the security of a guaranteed minimum buyback price.² For more information contact your Holden Retailer or call Holden Customer Assistance on 1800 033 349.

SmartCare

Holden offers a range of competitively priced insurance products that provide tailor-made protection. The SmartCare comprehensive motor vehicle policy offers new car replacement, agreed value and a genuine Holden Approved parts guarantee plus a range of additional premium benefits.³ For more information see your local Holden Retailer or call the Holden SmartCare Hotline on 1800 060 094.

Holden Leasing

Holden Leasing is a vehicle fleet leasing specialist, offering a wide range of leasing and management products and services. Whatever your fleet size, Holden Leasing can provide the best in flexible, value driven and specialist fleet leasing products and services to suit your needs. Our Holden focus means we can provide the very best fleet leasing and management solutions for any business running, or wanting to run, a predominantly Holden fleet. For more information about your leasing options, please call Holden Leasing on 03 9696 7400.

The Holden MasterCard

With the Holden MasterCard, 5% of every dollar you spend on credit purchases goes toward your rebate on a new Holden.⁴ You can redeem a maximum core rebate of \$3000 on any new Holden.⁴ Use your Holden MasterCard at exclusive Holden MasterCard Bonus Partners and you'll receive an extra 1% bonus rebate. Holden Retailers are Bonus Partners. When you make a Holden MasterCard purchase at a Holden Retailer you'll earn 2% bonus rebate.⁵ You'll also pay no annual card fee in the first year, get up to 45 days interest free on credit card purchases, and a competitive rate of interest.⁶ To apply, visit any Westpac/Challenge Bank/Bank of Melbourne branch, your local Holden Retailer or call the Holden MasterCard 24-hour customer line on 1300 650 696.

The package wouldn't be complete without extra peace of mind.

We're with you all the way.

Holden drivers are backed by one of the most comprehensive customer care packages on the road. With over 300 retailers and 900 Roadside Assistance centres nationwide, few other cars in Australia are supported with the level of customer care offered to Holden owners.

3 year or 100,000km New Vehicle Warranty.

Your peace of mind, guaranteed. Every Holden comes with a 3 year or 100,000km New Vehicle Warranty,⁷ whichever comes first. This factory backed warranty covers items including the engine, transmission, interior and exterior components. A Holden Extended Warranty is able to be purchased. For more details contact Holden Customer Assistance on 1800 033 349 or your Holden Retailer.

3 year/24 hour Roadside Assistance.

Go anywhere, anytime, with complete confidence. Holden Roadside Assistance, one of Australia's most comprehensive assistance packages, is complimentary for 3 years.⁸ In the event of the unexpected happening, from your keys being locked in the car to mechanical and accident advice, you can get in touch with our 24 hour hotline, 365 days of the year, by calling the toll-free number 1800 817 100. This service is delivered by Assist Australia and the combined resources of the Australian motoring organisations.

A decidedly different level of service.

Retailer support when you need it, where you need it. With retailers strategically located nationwide, the Holden Service Network is one of the largest in the country. Our service centres are staffed by trained technicians who have access to regular factory training, bringing them up to speed on the latest technology. If you want to know more about the extensive benefits of Holden ownership, contact Holden Customer Assistance on 1800 033 349, Monday - Friday, 8am - 7pm, Saturday 9am - 1pm EST, or visit www.holden.com.au

A word about this catalogue. We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this catalogue may have been changed and/or is available at extra cost. Further, Holden Ltd. reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Retailer has details, and before ordering, you should ask them to bring you up to date. No Holden Retailer or other person is authorised to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden Ltd., A.B.N. 84 006 993 232 or General Motors-Holden's Sales Pty. Ltd., A.B.N. 80 004 688 831 in its published sales literature, and neither company accepts any liability for any such unauthorised action. Holden Ltd. and General Motors-Holden's Sales Pty. Ltd. have authorised retailers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such retailers carry adequate stocks of service parts, but neither Holden Ltd. nor General Motors-Holden's Sales Pty. Ltd. makes any promise other than that contained in the New Vehicle Warranty given by Holden Ltd. that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request. Copyright Holden Ltd., August 2003. CCMM06601 AD11289

¹ Fees and charges apply. For the annual percentage rate applicable to you contact your local Holden Retailer. ² Conditions apply. A disposal fee of \$395 (inc GST) applies plus charges for excess wear and tear or excess kilometres may also apply, exclusive to SmartBuy contracts only. ³ Refer to the policy wording for specific terms, conditions and exclusions. ⁴ Earning and redemption of rebate is subject to the Holden MasterCard Rebate Program Rules. A maximum of \$3000 in the form of Holden MasterCard 'core' rebate (plus any additional 'bonus' rebate accumulated via the partner program) accrued over a maximum of 5 years may be applied per eligible vehicle purchased. Vehicle sales for which a fleet allowance is paid are not eligible for Holden MasterCard rebate. ⁵ At participating Retailers only. Credit card purchases of new or used vehicles are not eligible for the 2% Bonus Rebate at Holden Retailers. ⁶ The interest-free period applies where the card account is fully paid by the due date each month. ⁷ Refer to your owner's handbook or see your Holden Retailer for full terms, conditions and exclusions. ⁸ In remote or sparsely populated areas you may experience delays in obtaining Roadside Assistance. Refer to your Holden Roadside Assistance booklet or see your Holden Retailer for terms and conditions.
