VECTRA

A word about this catalogue. We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this catalogue may have been changed and/or is available at extra cost. Further, Holden Ltd. reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Retailer has details, and before ordering, you should ask them to bring you up to date. No Holden Retailer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden Ltd. A.B.N. 84 006 893 232 in its published sales literature, and Holden doesn't accept any liability for any such unauthorised action. Holden Ltd. has authorised Retailers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Retailers carry adequate stocks of service parts, but Holden Ltd. doesn't make any promise other than that contained in the New Vehicle Warranty given by Holden Ltd. that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request. NEW VECTRA. NEW THINKING. One glance tells you this Vectra is all new. An uninterrupted sweep from nose to tail. A new balance of mould breaking design and cutting edge technology. And a purposeful, yet understated, stance on the road. Designed and engineered in Europe to exacting

standards, the Vectra range won Europe's coveted Golden Steering Wheel Award in 2002. From the CD hatch and sedan to the CDX and CDXi hatches, the Vectra range reflects a new confidence, challenging convention, rewriting rules and delivering all-new levels of performance, refinement and driving pleasure.

Front MacPherson Struts

3.2 Litre V6 Engine (155 kW)

Multilink Rear Suspension

INNOVATION AND PERFORMANCE WORKING FOR YOU. In the new Vectra, our designers have redefined power and taken it to a new level of refinement resulting in a more fluid, responsive driving experience. In the CDX and CDXi models, an exhilarating 3.2 litre quad cam, 24 valve V6 engine produces a confidence-boosting 155 kW. There's also a touch responsive 5 speed Active Select Transmission (standard on automatic models), that gives you the option of automatic or manual transmission modes. Add to this our innovative chassis design and construction in conjunction with front MacPherson struts, an all-new multilink rear suspension and you have a truly superior ride and handling package. This is performance technology that adjusts to the way you like to drive. Technology that puts you firmly in control.

A NEW SENSE OF SAFETY. New Vectra incorporates active and passive safety systems until recently only seen in the most advanced European vehicles. The CDXi is equipped with the latest generation Electronic Stability Program (ESP Plus). The system uses sophisticated yaw sensors, which detect when the car is deviating from its intended course. The sensors automatically apply the necessary power or braking adjustments to up to 3 wheels and assist to correct the vehicle back onto its intended course. The Vectra range also incorporates the latest in safety technology, such as Cornering Brake Control, Anti-lock Brakes, Electronic Brakeforce Distribution, Traction Control and Emergency Brake Assist. All of these functions combine to ensure the load and brakeforce is distributed independently to each brake as and when needed, to keep you firmly in control. In the event of severe front or rear-end collisions, active head restraints on the front seats move upwards and forwards to meet the head as it moves back, helping reduce whiplash. Further proof of Vectra's forward thinking is the pedal release system, designed to automatically drop the pedals away from the driver, in the event of a severe collision helping to minimise injuries to the lower limbs. You can even activate a follow-me-home-light function to ensure the headlamps continue to shine 30 seconds after the vehicle is turned off, to see you safely to your door.

Automatic models

VECTRA CD. A NEW BENCHMARK. Whether hatch or sedan, what strikes you about the new Vectra CD is that it is more refined than ever, especially inside. Innovative engineering and thoughtful design have produced an environment that's spacious and sumptuous. With eight-way adjustable front driver's seating, air conditioning and a nine-speaker CD sound system, you're in your own haven. The Vectra CD features steering wheel mounted audio controls at your fingertips, cruise control, power windows and mirrors and 16" alloy wheels. Raising the bar significantly, class-leading active and passive safety features include dual front and side airbags, ABS, Traction Control, Electronic Brakeforce Distribution, Cornering Brake Control, Emergency Brake Assist and active front head restraints. All standard in your new Vectra CD.

VECTRA CDX. THE CLASS ACT OF ITS CLASS. Striking Euro-design, 16" alloy wheels and the subtle touches of chrome discreetly tell you luxury's never been in better shape. While our standard 5-speed Active Select automatic transmission, coupled to the silky-smooth, 155 kW V6 engine lets you drive enthusiastically, or effortlessly, however you like to drive. Distinctive too, are the integrated front foglamps and big bold halogen headlights that can turn night into day. And, as you'll soon discover, inside the Vectra CDX continues to shine.

VECTRA CDX. ALL THE COMFORTS OF FIRST CLASS. Once you're settled snugly inside your Vectra CDX, you may feel reluctant to leave. Plush black soft-touch velour upholstery sits comfortably alongside other soothing and tasteful textures, colours and finishes, designed for function as well as style. The Vectra CDX features a leather wrap steering wheel with remote stereo controls at your fingertips. It also welcomes you and your passengers with warm, River Elm ornamentation, cool separate rear ventilation, a six-stack 'in-dash' CD player with no less than nine speakers, and a graphic information display to keep you well informed. Wherever you go, it's nothing but first class.

Optional on CDXi model.

VECTRA CDXi. THE POWER TO PERFORM. The CDXi offers you a highly responsive, exhilarating drive. And every inch looks the part. Dark head and tail lamp styling, body colour side skirts, deeply vented sports bumpers and a rear spoiler, accentuate its distinctive body kit. But there's also substance beneath the style. 17" alloys sit purposefully on an advanced sports suspension. A dual branch chrome sports exhaust system tells you it means business. While our latest generation Electronic Stability Program, helps keep you firmly in control.

VECTRA CDXi. A NEW LOOK INSIDE. As you'd expect, the Vectra CDXi offers just as much inside as out. Including snugly contoured heated front sports seats and a sports steering wheel, all wrapped in supple black leather. A large and illuminated glovebox. Four handy cup holders. Matt chrome detail around the instruments. Black leather detail around the handbrake lever. And fully electronic, dual zone climate control air conditioning, with a sun sensor that adjusts itself from the direction and intensity of the sun and equipped with pollen and odour-filters. Here you have a car that well and truly rewrites the rule books. That rivals Europe's finest. That well and truly points to the future.

NEW CHOICES. Like everything with new Vectra, your choice of interiors and exteriors redefines luxury. Our designers have ensured that nothing has been left unfinished. The colour of your interior fabric has been chosen to complement all exterior colours available. Vectra CD has Texas-Malta trim, the CDX Kingston-Amana velour and CDXi sumptuous black leather. All models are available in the following exterior finishes: Prestige Blue, Bamboo Green, Star Silver, Casablanca White, Sapphire Black and Rubens Red.

Star Silver

Casablanca White

Bamboo Green

Prestige Blue

Sapphire Black

Rubens Red

As these are printed colours and not actual samples, variations between those illustrated and actual paint/trim may occur. Metallic paints may be an extra cost item and certain colours may not be available from time to time. Customers are encouraged to contact their Holden Retailer for current colour availability.

The Vectra range gives you the confidence to drive. Holden adds to that a sense of security with Holden SmartChoices.

SMARTCHOICES

A smart way to get into a new Holden is by talking to Holden Financial Services. A wide range of options is on offer and you can select the terms, conditions and pricing structure to best suit your lifestyle. The SmartChoices range offers affordable, flexible, low monthly repayments¹ and the security of a guaranteed minimum buyback price.² For more information contact your Holden Retailer or call Holden Customer Assistance on 1800 033 349.

SMARTCARE

Holden offers a range of competitively priced insurance products that provide tailor-made protection. The SmartCare comprehensive policy offers new car replacement, agreed value and a Holden Approved parts guarantee plus a range of additional premium benefits.³ For more information see your local Holden Retailer or call the Holden SmartCare Hotline on 1800 060 094.

THE HOLDEN MASTERCARD

With the Holden MasterCard, 5% of every dollar you spend on credit purchases goes toward your rebate on a new Holden.⁴ You can redeem a maximum core rebate of \$3000 on any new Holden.⁴ Use your Holden MasterCard at exclusive Holden MasterCard Bonus Partners and you'll receive an extra 1% bonus rebate. Holden Retailers are Bonus Partners. When you make a credit purchase at a Holden Retailer you'll earn a 2% bonus rebate.⁵ You'll also pay no annual fee in the first year, get up to 45 days interest free on credit card purchases, and a competitive rate of interest.⁶ To apply, visit any Westpac/Challenge Bank / Bank of Melbourne branch, your local Holden Retailer or call the Holden MasterCard 24-hour customer line on 1300 650 696.

THE PACKAGE JUST WOULDN'T BE COMPLETE WITHOUT THAT EXTRA PEACE OF MIND

WE'RE WITH YOU ALL THE WAY.

Holden drivers are backed by one of the most comprehensive customer care packages on the road. With over 300 Retailers and 900 Roadside Assistance centres nationwide, few cars in Australia enjoy the level of customer care offered to Holden owners.

3-YEAR OR 100,000KM NEW VEHICLE WARRANTY.

Your peace of mind, guaranteed. Every Holden comes with a 3-year or 100,000km New Vehicle Warranty,⁷ whichever comes first. This factory backed warranty covers items including the engine, transmission, interior and exterior components.

A Holden Extended Warranty is able to be purchased. For more details, contact Holden Customer Assistance on 1800 033 349 or your Holden Retailer.

3-YEAR/24-HOUR ROADSIDE ASSISTANCE.

Go anywhere, anytime, with complete confidence. Holden Roadside Assistance, one of Australia's most comprehensive assistance packages, is complimentary for 3 years.⁸

In the event of the unexpected happening, from your keys being locked in the car to mechanical and accident advice, you are able to get in touch with our 24-hour hotline, 365 days of the year, by calling the toll-free number 1800 817 100.

This service is delivered by Assist Australia and the combined resources of the Australian motoring organisations.

A DECIDEDLY DIFFERENT LEVEL OF SERVICE.

Retailer support when you need it, where you need it. With Retailers strategically located nationwide, the Holden Service Network is one of the largest in the country. Our service centres are staffed by a team of trained technicians who have access to regular factory training, bringing them up to speed on the latest technology.

If you want to know more about the extensive benefits of Holden ownership, contact Holden Customer Assistance on 1800 033 349, Monday–Friday, 8am–7pm and Saturday 9am–1pm EST.

1. Fees and charges apply. For the annual percentage rate applicable to you contact your local Holden Retailer. Subject to credit approval and current terms and conditions. 2. Conditions apply. A disposal fee of \$385 (incl GST) applies plus charges for excess wear and tear or excess kilometres may also apply. For full terms and conditions, please refer to relevant policies at your Holden Retailer. 3. Refer to the policy wording for specific terms, conditions and exclusions. 4. Earning and redemption of rebate is subject to the Holden MasterCard Rebate Program Rules. A maximum of \$3000 in the form of Holden MasterCard 'core' rebate (plus any additional 'bonus' rebate accumulated via the partner program) accrued over a maximum of 5 years may be applied per eligible vehicle purchased. Vehicle sales for which a fleet allowance is paid are not eligible for Holden MasterCard rebate. 5. At participating Retailers only. Credit card purchases of new or used vehicles are not eligible for the 2% bonus rebate at Holden Retailers. 6. The interest-free period applies where the card account is fully paid by the due date each month. 7. Refer to your owner's handbook or see your Holden Retailer for full terms and conditions and exclusions. 8. Roadside Assistance may not be available in some rural areas. Refer to your Holden Roadside Assistance booklet or see your Holden Retailer for terms and conditions.

SPECIFICATIONS

	2.2 16V ECOTEC 4		3.2 24V ECOTEC V6	
ENGINE	Double overhead camshafts operate four valves per cylinder. Direct (distributorless) ignition controlled by engine management system. Sequential multipoint fuel injection. Selective knock control. Electronic throttle control. Electric cooling fan.			
	Aluminium cylinder head, block & sump.		Aluminium cylinder head.	
	4 cylinders, in-line. Twin balance shafts. Dual mass flywheel.		6 cylinders. V-configuration.	
	Variable intake manifold.		Multi-Ram, variable intake manifold.	
			Oil/water heat exchanger. Warms cold oil, cools hot oil.	
			Ignition coil per cylinder, over each spark plug.	
BORE x STROKE (mm)	86.0 x 94.6		87.5 x 88	
CAPACITY (cc)	2198		3175

RECOMMENDED PETROL OCTANE	91 (ULP). Alternative: 95 (PULP).		95 (PULP). Temporary alternative: 91 (ULP).	

*Fuel consumption figures based on AS2877 tests. These figures are provided to assist you in comparing the fuel consumption of Vectra with other vehicles. The actual fuel consumption will depend, however, on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use.

GLOSSARY OF TERMS

ABS/Electronic Traction Control features:

- **ABS** – provides additional vehicle control by preventing the wheels from locking up, allowing you to steer while braking heavily in slippery conditions.
- **Electronic Traction Control** – when sensors detect imminent driving wheel spin engine torque is reduced. If one wheel is about to spin, braking is applied to transfer torque to wheel with better traction.

Active front head restraints – active head restraints on the front seats help prevent whiplash injury from severe collisions.

	2.2 16V ECOTEC 4		3.2 24V ECOTEC V6

SERVICE	1500km (at no cost) inspection, then every 15,000km or 12 months, whichever comes first. Holden Retailer 'Tech 2' computerised analysis available for engine management system. Maintenance-free drive belt for accessories. Maintenance-free ignition system. Spark plug replacement every 60,000km.			

ESP Plus – latest generation Electronic Stability Program. Via several sensors, ESP recognises critical driving situations and helps the driver retain control over the vehicle by regulating engine torque and applying the brakes of individual wheels. **Pedal release system** – in the event of a severe collision, the pedal release system automatically drops the pedals away from the driver, helping minimize injuries to lower limbs. **Sun sensor climate control** – advanced form of climate control which detects the intensity of the sunlight and

communicates it to the climate control system, providing precise cabin temperature. **5-speed automatic transmission features:**

- **Active Select** – makes driving more enjoyable by giving you the option of automatic or manual transmission mode by simply tapping the gear into the second shift gate.
- **Adaptive transmission** – with this transmission system, the gear change shift points automatically adapt and modify according to your personal driving style (be it sporty or economical).
