

SANDMAN CANOPY CONVERSION from HOLDEN by DESIGN

A PERFECT SENSE OF SPACE
IS NOW OPTIONAL!

REST ASSURED WITH A 'SANDMAN' CANOPY

Now you can add the convenience of a Holden approved and warranted canopy to your new Ute. Holden by Design can assist you to make the transition from utility to 'Sandman' while continuing to complement the clean lines of the VY Series II Holden Ute design.

SECURITY IN THE REAR

The 'Sandman' canopy provides an improved level of security for tools and personal belongings. The canopy also features a lockable rear tailgate window with an override button and emergency release for occupants who may be resting in the rear of the parked vehicle.

MOBILE CAMPER

Toss in a bed roll and there is ample room for two sleeping adults to stretch out in comfort. A Holden by Design 'Sandman' canopy allows you the flexibility to go and stay any

where you want, when you want, knowing you have a roof over your head to protect you from the elements.

STUNNING LOOKS - THE 'SANDMAN' CANOPY CONVERSION FROM HOLDEN by DESIGN

Usable storage capacity increases to a massive 2100 litres

GO ANYWHERE IN STYLE

Today, the work and recreational demands of active people exceed all boundaries. Whether on a building site or heading up the highway, a Holden 'Sandman' canopy conversion offers the ideal dual purpose vehicle for work and play.

Monday through Friday, you can load up the rear and confidently tackle the toughest jobs. Come the weekend, your 'Sandman', allows you to visit places and do things that were once out of your reach.

Whatever out door activity you follow, you now have more options and greater flexibility to achieve the ultimate with the assistance of a 'Sandman' – catch the perfect wave, go trail bike riding, or abseil a sheer cliff face.

Wherever you go and whatever you do - you'll enjoy it more knowing you have a custom-built vehicle that matches your lifestyle.

'SANDMAN' STYLE WAGON

Professionally fitted at the time of build, the Holden canopy conversion transforms your utility into a 'Sandman' wagon. The stylish canopy design compliments the vehicles exterior design perfectly and offers a natural, integrated look and appeal.

The Holden by Design canopy is fully lined and includes interior lights, flip-out side windows, a lockable tailgate and a rear demister for greater visibility in the colder months.
