

CAPRICE

PRESENCE

This is the new Holden Caprice. Australian luxury sports at its pinnacle. Dynamic performance at its very peak. Not only does Caprice command respect, it completely dominates the road.

IMPOSING UNCOMPROMISING ENTHRALLING

If luxury sports has a dominant gene, it is Caprice. Potent performance characteristics combined with ingenious driving features give the new Holden Caprice a unique personality and allure.

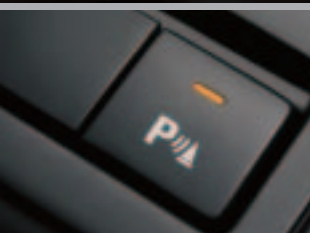

Distinctive 17 inch alloy wheels underline sporty looks.

New Front Parking Sensors operate automatically but can be disengaged in heavy traffic.

High visibility LED rear lamps add extra flair to Caprice's dynamic design aesthetics.

New lower body kit and distinctive new grille further enhance the charismatic styling.

Delivering optimum power, the performance of the renowned 250kW Generation III Alloy V8 engine is now further enhanced by Electronic Throttle Control. The option of the all new Alloytec 190 V6 engine linked to a new five speed automatic transmission with Active Select, keeps you confidently in command.

DOMINANCE

On Alloytec V6

Caprice may command the road, but you totally control Caprice. Everything about Caprice is designed to give you access to an unsurpassable driving experience. All driver functions are focussed on indulging you and are right at your fingertips.

The multi-function display allows the driver to customise options. The trip computer displays distance to arrival, radio display, headlight approach time and headlights off delay time, to name a few.

Dual zone electronic climate control sets the perfect environment for both the driver and front passenger.

On Alloytec V6, a new five speed automatic transmission with Active Select assures drivers enjoy smooth, crisp almost seamless gearshifts.

Fingertip Cruise Control reduces effort and enhances economy on long distance touring.

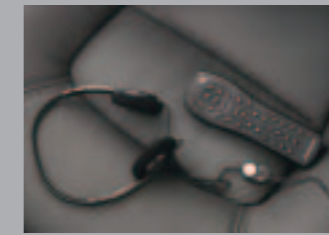

Conveniently located at the base of the driver's seat, 8-way electric memory seat can be programmed to accommodate the individual preferences of up to three drivers.

COMMAND

ALLURE

The leather interior of Caprice has an allure like no other. Indulge in the seductive promise of pure pleasure. This is Caprice. The very highest level of luxury sports.

Dual rear DVD screens with remote control and twin stereo headsets allow rear passengers their own style of entertainment.

6 disc in-dash CD player places premium sound played through 12 speakers enhanced by subwoofers at your fingertips.

Digital Signal Processing simulates various live performance venues. An equaliser further enhances particular styles of music.

Intuitive and innovative. This is technology that exudes total confidence. Caprice takes the very latest in Holden safety and security and fully integrates them throughout. This creates an outstanding safety package in an exceptionally dynamic form.

On the Alloytec 190, Electronic Brake Assist uses sensors to detect a panic brake situation and immediately add braking pressure to all wheels so the ABS system reduces stopping distances.

On the Alloytec 190, Electronic Stability Program helps control under-steer and over-steer, maintain grip and safely stabilise the car.

On the V8 model, Traction Control provides stable acceleration on difficult road surfaces. It limits power to driving wheels, if required, to maintain grip.

Tyre Pressure Monitor system will alert the driver to low pressure in tyres.

One of Australia's most advanced satellite car monitoring systems, Holden Assist is understandably standard on Caprice.

Rear Parking Sensors help remove the guesswork when reverse parking.

Active front seat head restraints and seatbacks are designed to help reduce the risk of neck injuries or whiplash in the event of a low velocity rear impact.

Control-Link Independent Rear Suspension, with dual control arms helps keep Caprice stable on the road at all times. This is particularly useful in challenging cornering situations.

INTUITIVE

EMPOWERMENT

GENERATION III ALLOY V8

Caprice totally dominates in terms of V8 performance and power.

The lightweight 5.7 litre Generation III Alloy V8 engine delivers 250kW of power and 470Nm of torque. Tuned for Australian conditions, the supremely responsive engine now features Electronic Throttle Control. This co-ordinates driver's intentions with actions of various powertrain control components, for improved launch feel and to help maximise performance.

Aluminum alloy construction creates a light weight engine.

Lower weight means a softer, more supple front suspension for a smoother ride.

One piece induction system made from composite materials for smooth airflow and superior breathing.

TRANSMISSIONS

You dictate and Caprice responds. Advanced transmission technology further enhances Caprice's total dominance of the road.

Four speed automatic transmission teamed with the 250kW V8

Caprice drivers can experience the four speed automatic providing refinement, with consistent shifts and enhanced smoothness.

ALLOYTEC 190 V6

Caprice drivers also have the option of the all new high performance Alloytec 190 V6 engine. One of the most sophisticated and advanced production engines ever manufactured in Australia.

It's a world-class engine and Caprice drivers will be able to enjoy the responsiveness and outstanding driveability of this unique automotive technology for years to come.

New alloy construction for performance and strength.

New variable intake manifold for outstanding performance and reliability.

Double Overhead Camshaft improves performance.

Four valves per cylinder help the engine breathe better, for greater performance.

Continuously variable valve timing adds to performance and engine responsiveness.

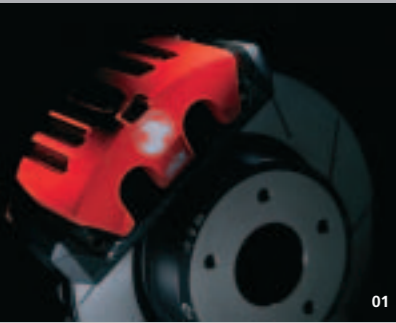

TRANSMISSIONS

The all new high performance Alloytec 190 V6 engine is an option on Caprice combined with a new five speed automatic transmission with Active Select.

This assures drivers enjoy smooth, crisp and almost seamless gear shifts. Active Select is activated by pressing the 'AS' button on the centre console. It provides the option of automatic or manual mode transmission shift modes. Paddle shift controls on the steering wheel then allow drivers to change from automatic to manual at a touch.

3.6 LITRES
LIGHTWEIGHT, ALLOY CONSTRUCTION
190KW OF POWER AT 6500RPM
340NM OF TORQUE AT 3200RPM

For the ultimate expression of performance and style, enhance your Caprice with Holden By Design and Holden Genuine Accessories. Explore all the possibilities at www.holden.com.au/holdenbydesign and www.holden.com.au/genuineaccessories

- 01 Brakes for drivers who enjoy their driving and demand more. HBD Performance Brakes feature larger 320mm, 10 slot front rotors with eye-catching Holden branded red calipers and ventilated rear discs (for V8 models only)
- 02 Silver Foil Anthracite leather-wrapped sports steering wheel, gear selector and handbrake (also available in Redhot)
- 03 HBD satellite navigation helps you find your way quickly and easily
- 04 Open up your Caprice with a HBD sunroof
- 05 Wireless, infra-red headphones allow you to enjoy your favourite DVD in comfort (compatible with standard Caprice DVD system)
- 06 17" x 8" W series alloy wheel
- 07 18" x 8" N series alloy wheel
- 08 18" x 8" L series premium machined face alloy wheels
- 09 Protection up front with stylish, practical bonnet and headlight protectors
- 10 HBD decklid spoiler creates a great finish

HOLDEN BY DESIGN

Performance brakes (V8 only)
17" x 8" I series six spoke alloy wheels. 235/45 R17 94Z tyres (4)
17" x 8" Y series multi spoke alloy wheels. 225/50 V-rated tyres (4)
17" x 8" W series five-spoke alloy wheels. 225/50 V-rated tyres (4)
18" x 8" J series seven-spoke alloy wheels. 235/40 R18 tyres (4)
18" x 8" N series six-spoke alloy wheels. 235/40 R18 tyres (4)
18" x 8" L series premium six-spoke alloy wheels. 235/40 R18 tyres (4)
(Black insert/machined fascia)
Rear deck lip spoiler
Satellite navigation. Global positioning system (GPS)
Electric sunroof. Tilt and slide. Can slide fully or to 2 preset positions.
Auto close when vehicle switched off, unless overridden. Anti-jam facility.
Auto close when vehicle immobilised

GENUINE ACCESSORIES

Headlamp guards
Bonnet protector
Mudflaps (moulded)
Cigarette lighter and ashtray, front and rear
Windscreen sunshade, front
Weathershield, in standard width or slimline, driver and front passenger window
Rear sunguard
Garage remote holder
Car fridge 31L
Towing equipment (see specifications)
Wireless infra red headphones (compatible with standard Caprice DVD system)

SPECIFICATIONS

	190kW, 3.6 litre high performance Alloytec 190 V6	250kW 5.7 litre high output Gen III V8
Engine	3.6L 60-degree Double Overhead Cam V6 with 4 valves per cylinder. Sequential fuel injection. High energy, distributorless ignition. Twin knock control sensors with individual cylinder adaptive control. Onboard diagnostics. Electric cooling fan. Stainless steel exhaust	V ⁸ configuration. High flow, low restriction air intake. OHV design with cross flow cylinder heads. Sequential fuel injection. High energy, distributorless, ignition. Twin knock control sensors. Onboard diagnostics. Electric cooling fan. Stainless steel exhaust
	Electronic Throttle Control (ETC)	Aluminium alloy block and cylinder heads
	Low restriction air intake with acoustic dampening chambers	High flow, low restriction air intake
	Aluminium oil pan	
	Continuously variable camshaft phasing for inlet and exhaust cams. Variable intake manifold	
		High performance dual exhaust
	Coil-on-plug	Coil-per-cylinder
	Cross-bolted main bearings. 6-bolt	
Bore x stroke (mm)	94 x 85.6	99 x 92
Capacity (cc)	3565	5665
Compression ratio (:1)	10.2	10.1
Power (ECE, kW)	190 @ 6500rpm	250 @ 5600rpm
Torque (ECE, Nm)	340 @ 3200rpm	470 @ 4800rpm
Gear ratios	5 speed	4 speed
1st	3.42	3.06
2nd	2.21	1.63
3rd	1.60	1.00
4th	1.00	0.70
5th	0.75	
Final drive ratio	2.87	3.07
Recommended petrol octane	91 (ULP)	
Petrol tank (L)	75	

Brakes	Four wheel disc. Ventilated front disc and finned caliper
Anti-lock Braking System (ABS)	4 wheel speed sensors, 4 channel
Traction Control (TCS)	When sensors detect imminent rear wheel spin, engine torque is reduced. If one wheel is about to spin, braking is applied to transfer torque to wheel with better traction (On V8 model)
Electronic Stability Program (ESP)	4 wheel speed sensors, 1 steering angle sensor, 1 yaw sensor, 1 lateral g-sensor, 4 channel. ESP assists the driver in emergency situations by providing correction to the intended vehicle path, which may help the driver to avoid obstacles and reduce slides. This is accomplished via individual brake application and engine torque management control. (On Alloytec 190 V6)
Kerb weight (Est. kg)*	1728 1772
Suspension	Front MacPherson strut. Direct acting stabiliser bar. Progressive rate coil springs. Rear Control-Link Independent Rear Suspension (IRS). Semi-trailing arm. Progressive rate miniblock coil springs. Stabiliser bar
Steering	Variable ratio rack and pinion
Track (mm)	Front 1559 Rear 1577
Turn circle (kerb to kerb, m)	11.5
Wheelbase (mm)	2939
Exterior dimensions (mm)	Length Width Height Ground clearance
	5193 1847 1444 105
	2046 (Mirrors)
Interior dimensions (mm)	Leg Shoulder Head Hip
Front	1070 1510 992 1472
Rear	1099 1499 981 1468
Cargo (L)	530
Towing (kg)	Holden approved 1200, 1600 and 2100 towing equipment is available. See your Holden Dealer for details
Service	V6 3000km (at no cost) inspection. 15,000km then every 15,000km or 12 months, whichever comes first. V8 3000km (at no cost) inspection. 10,000km then every 10,000km or 6 months, whichever comes first.
	Maintenance-free, long life, accessory drive belt with automatic tensioner. Dual belt on V8. Holden Dealer 'Tech 2' computerised analysis available for engine management system
	*Vehicle weights based on pre-production data. All fluid levels at their nominated capacity

FEATURES

Powertrain V8	
250kW, 5.7 litre Gen III High Output Alloy V8 engine with performance exhaust	S
Electronic Throttle Control	S
Electronic control 4-speed automatic transmission. Power or economy mode	S
Limited slip differential (mandatory with V8)	S
Powertrain Alloytec 190 V6 (option)	
190kW, 3.6 litre High Performance Alloytec 190 V6 engine	O
Electronic Throttle Control	S
5-speed automatic transmission with Active Select	S
Control and handling	
Control-Link Independent Rear Suspension	S
Anti-lock Braking System (ABS)	S
Brake Assist (BA)	S
Electronic Brakeforce Distribution (EBD)	S
Electronic Brake Assist (EBA) (With Alloytec V6 option)	S
Electronic Stability Program (ESP) with Corner Brake Control (includes the functionality of Traction Control) (With Alloytec V6 option)	S
Traction Control (TCS)	S
Wheels	
17" x 8" alloy wheels. 225/50 R17 94V tyres	S
Exterior	
Chrome finish grille surround	S
LED rear lamps	S
Projector headlamps	S
Front foglamps	S
Cornering lamps	S
Metallic paint	S
Lower body kit	S
Chrome finish window surrounds	S
Chrome finish exhaust tip (V6 model)	S
Chrome finish twin exhaust tip (V8 model)	S
Full immersion body corrosion protection	S
Stainless steel long life high performance dual exhaust system	S
Driver	
Steering wheel height and reach adjust	S
Leather and chrome on gear shift and handbrake levers	S
Cruise control	S
Electric remote boot release	S
Power exterior mirrors. Heated, auto off	S
Passenger side exterior mirror dips when reverse gear selected to show low-level hazards	S
Electro-chromatic interior rear vision mirror reduces headlamp glare automatically	S
Remote fuel filler door release	S
Variable intermittent road speed sensitive wipers	S
Front and Rear Parking Sensors	S
Automatic headlamp mode. Switches on at twilight or low light. Manual override Headlamps auto off feature. (Variable delay)	S
Trip computer includes:	
- Average speed. Odometer. Average economy on trip	
- Elapsed trip time. Trip distance. Fuel used on trip	
- Tracks two trips. (e.g. short day trip within long interstate trip.)	
- Trip time to go. Distance to go. Remaining fuel	
- Audible and visual overspeed warning. Underspeed warning confirms when speed is back under setting. (4 adjustable speed settings) Distance to empty. Instant economy	
- Stop watch	S
Service reminder. Appears 1,000km before service is due	S
Chrome finish accent rings around instruments	S
Tachometer	S

Driver continued	
Very low fuel warning	S
Rest reminder warning after two hours continuous driving	S
Warning and chime: Parking brake on while vehicle moving. Low fuel.	
High engine temperature	S
Tyre pressure monitor	S
Mobile phone power socket in centre console	S
Pre-wired mobile phone antenna	S
Sound system able to accommodate cellular phone. Auto mute when phone is in use	S
Occupant safety	
Active front seat head restraints and seatbacks to help reduce risk of injury in collision from behind	S
Driver and front passenger airbags (full size)	S
Driver and front passenger side impact airbags	S
Strengthened upper B pillar to help reduce side impact velocity to head, neck and chest	S
Front lap/sash seat belts with webbing clamps, force limiters and pyrotechnic pre-tensioners	S
Centre rear lap/sash seatbelt	S
Front seat belt sash height adjust	S
Anti-submarining ramps in seats	S
Stalks for all seat belts for easier buckle-up	S
Rear seat child restraint anchor points	S
Childproof rear door locks	S
Entertainment	
DVD player with dual LCD screens for two rear passengers.	
Headphones. Remote control	S
Blaupunkt AM/FM stereo electronic tune radio. Local/distant selector switch.	S
Automatic station store memory	S
Preset station scan	S
Radio display repeats in multi-function display	S
Sound system remote controls on steering wheel	S
Speed dependent volume control	S
6 disc in-dash CD player	S
Equaliser, to enhance each music style: jazz, rock, classical	S
Digital signal processor to simulate venues, e.g. concert hall, stadium, club	S
'Position' button to shift stereo image for different passenger loads, from full cabin to driver sitting alone	S
12 speaker elements, including subwoofers. Total 430 watts	S
Headsets for rear passengers, two pairs	S
'Multi-mode' function to allow headset choice of radio or CD	S
Rear overhead console remote control of radio and compact disc functions	S
Power antenna, fully automatic. Driver adjustable pre-setting for height	S
Rear window 'diversity' FM antenna	S
Seating	
Leather faced seats with leather door trim inserts	S
Bucket seats with high rise padded leather console armrest	S
8-way electric adjustment of front seats: Slide. Cushion tilt. Height. Recline	S
Driver's seat memory settings for 3 driver positions	S
Driver and front passenger seat adjustable lumbar support	S
Rear seat centre fold-away tray	S
Rear seat centre armrest	S
Three height adjustable rear seat head restraints	S
Cabin comfort	
Dual zone electronic climate control: driver and front passenger	S
Rear overhead console remote control of climate control	S
Priority Key for two people automatically restores when unlocking car, settings for: Climate control. Sound system. Trip computer. Speed alert.	
Transmission power/economy mode. Instrument dimmer. Antenna height.	
Headlamps-off time delay	S

Cabin comfort continued	
Key restores preferred driver's seat position	S
Key restores preferred exterior mirrors position	S
Power windows, front and rear. Express down driver and passenger window.	
Remain powered on time delay after engine switched off.	
Override switch for rear windows	S
Electric sunroof. Tilt and slide. Can slide fully or to two preset positions.	S
Auto close when vehicle switched off, unless overridden. Anti-jam facility.	
Auto close when vehicle immobilised	O
Satin chrome finish interior door handles	S
Stainless steel sill plates	S
Vanity mirror, driver and passenger side. Illuminated, with cover	S
Interior lighting, time delay on entry. Automatic illumination when ignition is turned off. Auto off after 1 hour	S
Courtesy lamps on front and rear doors	S
Footwells, front	S
Rear reading spotlamps	S
Rear reading lamps	S
Plush cut pile carpet with carpeted floor mats	S
Rear vents	S
Storage, cargo	
Twin fold-out cup holders in instrument panel	S
Twin retractable cup holders in rear armrest	S
Sunglasses holder	S
Mobile phone concealed storage compartment	S
Storage in rear seat armrest	S
Fold-down rear seat centre 'ski' hatch for long loads	S
Carpeted boot floor and spare wheel cover	S
Boot lid lining	S
Power socket in boot	S
Luggage net (adjustable) in boot to keep small items in place.	
Cargo tie-down hooks to stretch net flat over boot floor	S
Storage container in spare wheel well	S
Emergency highway kit: Kneeling mat. Gloves. Cleaning chamois	S
Security	
Remote control Priority Key:	S
- Operates interior lighting. Time delay on entry. Automatic illumination when ignition is turned off	S
- Operates exterior lamps, to show location of car at night	S
- Engages door deadlocks when pressed twice	S
- Releases deadlocks	S
- Operates central locking for keyless entry	S
- Operates all doors when button kept pressed	S
- Enables/disables alarm system	S
- Opens boot	S
- Disables remote boot release button in glovebox (when locking)	S
Key has rolling security code	S
Horn sounds if door is ajar when remote locking	S
Engine immobiliser	S
Doorlock in driver's door only. Lock cylinder 'freewheels' if anything other than correct key is inserted	S
Slip-type steering lock. If steering wheel is forced, front wheels will not turn	S
Doors can be set to lock automatically when transmission shifted out of Park	S
Sound system and DVD player operate only in original vehicle	S
Road safety	
Emergency mode after seat belt pre-tensioners are triggered. On-board computer turns engine and fuel pump off. Unlocks doors. Turns dome lamp on	S
Warning triangle for roadway, stored in boot lid	S
First aid kit	S
Holden Assist (includes 3 year subscription)	S

Easy Purchase Options

Finance	Smart Choices Provided by GMAC Financial Services is an array of automotive finance products designed to help the dream of driving a new Holden become a reality. Just select the product, term and payment structure that best suits your lifestyle and your Holden Dealer can provide more information.
Insurance	Holden SmartCare Insurance provided by GMAC Financial Services offers a range of competitively priced insurance products, providing tailor-made protection, at whatever level of cover you need. For more information, call the SmartCare hotline on 1800 060 094.
Leasing	Holden Leasing Whatever the size of your fleet, Holden Leasing offers a range of flexible, value driven, specialist fleet leasing products. Years of experience means they can provide the best solution for you. Call Holden Leasing on 03 9696 7400 for more information.
Holden MasterCard	Holden MasterCard can assist you to get into a new Holden sooner. 10% of credit purchases on this card goes towards a Rebate of up to \$3,000 on your new Holden. ¹ That's a \$1 saving towards a new Holden for every \$10 spent. There are a range of extra features including up to 45 days interest free ² on credit purchases and a competitive interest rate. Apply ³ online at www.westpac.com.au . Or call Holden MasterCard's 24 hour help line 1300 650 696.

Ownership Benefits

Service	Holden Service With over 300 Holden Dealers, Holden can supply an enviable level of customer care. Our Service Network is one of the largest in the country. Only Holden Dealership technicians have access to regular Holden factory training. The Holden Luxury Edge One of the extras you get from owning a new Caprice is extra peace of mind. With the Holden Luxury Edge, the first three handbook services are at no extra charge ⁴ as long as they fall within the first 12 months from date of first registration. For complete terms and conditions, just ask your Dealer.
Warranty	Holden Warranty Every new Holden comes with a New Vehicle Warranty, covering your Holden for 3 years or 100,000 kilometres, whichever comes first. This factory backed warranty covers items including the engine, transmission, interior and exterior components. For support after that, a Holden Extended Warranty can be purchased for vehicles that have travelled less than 100,000 kilometres and prior to the vehicle being registered for 3 years from date of first registration. Refer to your owner's handbook or see your Holden Dealer for full terms, conditions and exclusions.
Roadside Assistance	24 Hour Roadside Assistance Provided for the first 3 years of your new Holden's life, ⁵ Holden Roadside Assistance is one of Australia's most comprehensive assistance packages with over 3000 Roadside Assistance patrols nationwide. ⁶ There to help with even the smallest service, the toll-free Roadside Assistance hotline is always open, 1800 817 100. Roadside Ultra Assistance Provided for the first 3 years of your Holden Caprice's life. ⁷ Roadside Ultra provides additional benefits, over and above those supplied by our standard Roadside Assistance program. In certain circumstances it covers accommodation, alternative transport, rental car, accident assistance, Australia-wide vehicle recovery and more. ⁸ For more information call 1800 645 668, 8am to 8pm EST.
Club Holden	Owning a Holden has another great benefit – Club Holden. It's a free online service that provides exclusive vehicle and owner information tailored to your Holden. Register today at www.club.holden.com.au . ⁹

**For more information contact
Holden Customer Assistance on 1800 033 349
Monday to Friday 8am to 7pm or Saturday 9am to 1pm EST
or visit www.holden.com.au**

¹ A total of \$3000 in the form of Holden Card 'Core' Rebate (plus additional 'Bonus Rebate' accumulated via the Partner Program) accrued over a maximum of five years may be applied per eligible vehicle purchased. Vehicle sales for which a fleet allowance is paid are not eligible for Holden MasterCard Rebate. Earning and redemption of Rebate towards a new Holden is subject to the Holden Card Rebate Program Rules ² The interest-free period applies where the card account is fully paid by the due date each month ³ Applications are subject to Westpac's normal lending criteria ⁴ Services include all labour and parts (except oil) as per the owner's handbook and exclude non-scheduled service work or repairs. Services must be conducted by an authorised Holden Dealer ⁵ From date of first registration ⁶ In remote or sparsely populated areas you may experience delay in obtaining Roadside Assistance. Refer to the Roadside Assistance brochure in your glove box for full terms and conditions of this service ⁷ From date of first registration ⁸ See the Roadside Assistance brochure in your glove box for full terms and conditions of this service ⁹ Most Holden vehicles from 1997 can be registered for Club Holden ¹⁰ It is a condition of use of Holden Assist Services that customers acknowledge the terms and conditions of the Subscription Service Agreement by returning an original signed copy of the agreement ¹¹ Holden Assist service is dependent on the availability and functionality of GSM and GPS and the vehicle's electrical system ¹² Dependent on insurance company. Holden will not be involved in insurance discount negotiation between the insurer and the customer.

Safety and Security

Advanced Satellite Vehicle Monitoring Holden Assist¹⁰ keeps us in touch with your car and is a standard feature on your Holden Caprice. Using satellite technology, we can keep track of your car, wherever it goes.¹¹ We can then access your car's electronic systems; so we can do everything from remote door unlocking – should you leave your keys in your car – to immobilising the car in conjunction with the police – should your car be stolen.

Holden Assist includes

- Vehicle tracking
- Unauthorised entry alert
- Supplemental Restraint System (SRS) alert notification
- Remote vehicle immobilisation
- Remote door unlock
- SOS / Emergency connection
- Connection to Roadside Assistance
- Low battery alert
- Hands free voice contact with operator
- Potential vehicle insurance benefits¹²
