Actual vehicle colours may appear different under certain light conditions.

A word about this catalogue. We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this catalogue may have been changed and / or is available at extra cost. Further, GM Holden Ltd ABN 84 006 893 232 reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by GM Holden Ltd in its published sales literature, and GM Holden Ltd does not accept any liability for any such unauthorised action. GM Holden Ltd has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but GM Holden Ltd doesn't make any promise other than that contained in the New Vehicle Warranty given by GM Holden Ltd that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from GM Holden Ltd on request. Copyright GM Holden Ltd. Calais in Nitrate

*Sleek and refined. Purposeful and capable. Australian, and yet so obviously brimming with world-class automotive sophistication, the all new Holden Sportwagon is like no other wagon in Holden's 60 year history. Its five-adult cabin is large, luxurious and packed with driving and entertainment technology. The expandable cargo area is meticulously designed to ensure easy and ergonomic access in even the tightest spaces. A full complement of advanced safety systems – including Electronic Stability Program (ESP®) and six airbags – is standard across the seven model range. And powered by your choice of V6 or V8 engine on selected models, the agile Holden Sportwagon handles like a Holden should. Nothing compares.*

# Holden Sportwagon
