

Holden  
**Astra Hatch**

Astra RS-V shown in Summit White

## Beauty, but not just on the outside

The latest Holden Astra is designed and built in Europe for drivers after a touch more luxury, technology and cutting-edge style.

For starters, you're going to love the sleek aerodynamic design, enhanced by striking details like bold alloy wheels, an electric sunroof<sup>1</sup> and signature LED daylight running lamps and tail lights.<sup>1</sup>

You'll be even more impressed by the attention to detail you'll find on the inside. To give maximum in-car comfort, there's a large touch-screen display and 6-speaker premium audio system to keep everyone entertained. Then there's the added luxury of heated leather-appointed sports seats<sup>1</sup> with built-in power lumbar support<sup>1</sup> so you'll stay super comfy, even on longer trips.

Whether you're behind the wheel or admiring it from the side of the road, the quietly confident Holden Astra is built to leave a lasting impression.

1. RS-V only.

# Innovative technology that puts you first

The Holden Astra is engineered to deliver an unmistakable drive, but not at the expense of subtle refinements you'll really appreciate. Get ready for a suite of built-in features and little luxuries that will keep you and your passengers connected, comfortable and safe no matter where your Astra takes you.

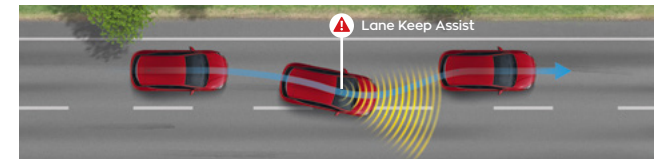

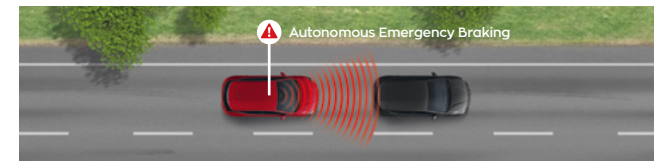

Life doesn't stop when you get behind the wheel of your Astra, so we've made sure it comes with the most advanced technology to keep you in touch with the world around you. Make calls, send messages and listen to your favourite music with Holden's MyLink Infotainment system. Apple CarPlay® and Android® Auto¹ mobile integration conveniently projects your phone onto the large 8-inch colour touch-screen² right in front of you.

You can also keep the interior just how you like it, with dual-zone climate control² and heated front seats.³ Remote engine start³ lets you get the cabin to a comfortable temperature before you even get in. And for really cold mornings, there's a heated steering wheel³ to keep you nice and toasty.

1. Requires a compatible device. Data rate plans may apply.  
2. RS and RS-V only.  
3. RS-V only.

When it comes to safety, we've made sure the Astra has your back. The most advanced safety technology comes standard across the range, including HoldenEye – an embedded technology system designed to help protect you and your passengers with:

- Autonomous Emergency Braking, which makes sure your Astra is always ready to react to sudden hazards, reducing the likelihood and severity of a frontal impact.
- Lane Departure Warning with Lane Keep Assist lets you know when you drift from your lane and helps steer you back on course.
- Forward Collision Alert with Head-Up Warning, which alerts you when you're approaching too fast on the vehicle in front, along with a Following Distance Indicator to help you maintain your distance from the car in front.

Astra RS-V shown in Summit White

## International style with a local accent

The sporty, European-inspired Holden Astra gives you the spirited drive you'd expect from a punchy 1.6L turbo engine,<sup>1</sup> combining performance with efficiency.

A smooth 6-speed automatic transmission navigates the gears confidently and offers up an exhilarating Sports Mode<sup>1</sup> for when you want to take it up a notch. You can even maximise your Astra's fuel efficiency with the stop/start technology that comes standard across the range, perfect for city traffic. Carefully refined local tuning means the Astra is engineered to handle our local road conditions with boldness.

Beyond this precise performance and handling, the Astra comes with features that give you additional command and control out on the road, including rain-sensing wipers, automatic headlamps and adaptive cruise control,<sup>2</sup> which brakes and accelerates for you, maintaining a gap between you and the vehicle in front.

You can even expect to win yourself some admirers when they see you pull into a tight front-and-centre parking space with ease, using the Astra's advanced park assist<sup>1</sup> that parks the car for you.

1. RS and RS-V only.  
2. RS-V only.

Astra R shown in Nautic Blue

Apple CarPlay® and Android® Auto

# Astra R

The small car that's big on style and safety

The Astra R comes with a powerful and efficient 1.4L turbo engine, equipped with a smooth 6-speed automatic transmission. Loaded with advanced safety technology, the Astra R also incorporates the Holden MyLink Infotainment system with Apple CarPlay® and Android® Auto<sup>1</sup> to project your phone onto the 7-inch touch-screen display.

### Standard across the range:

- 17" alloy wheels
- 1.4L Turbo direct-injection 4-cylinder engine with 6-speed automatic transmission
- LED headlamps
- LED daytime running lamps
- Holden MyLink Infotainment system
- Apple CarPlay® and Android® Auto<sup>1</sup>
- 7" colour touch-screen
- Autonomous Emergency Braking (AEB)
- Lane Departure Warning with Lane Keep Assist
- Forward Collision Alert with Head-Up warning
- Rear view camera
- Automatic headlamps
- Rain sensing wipers
- Leather steering wheel

# Astra RS

## Turbo performance meets European refinement

The Astra RS takes it up a gear with a 147kW 1.6L turbo-charged engine, delivering unmistakable performance and handling. Plus, with a massive 8-inch colour touch-screen and driver information display, advanced park assist and dual-zone climate control, there's more than enough added sophistication to leave a lasting impression.

### Additional features to R:

- 17" black alloy wheels
- 1.6L Turbo direct-injection 4-cylinder engine
- 8" colour touch-screen
- 8" Driver Information Display
- Embedded satellite navigation<sup>1</sup>
- Dual-zone climate control
- Passive entry push-button start (PEPs)
- Black roof
- Black door handles
- Black mirror caps
- Heated and power folding exterior mirrors
- Advanced park assist
- Side blind spot alert
- Digital radio (DAB+)

## Astra RS-V

Get on the road with even more style

The Astra RS-V combines powerful turbo performance with the ultimate in design and technology. Heated leather-appointed front seats and a heated steering wheel dial up the comfort levels, while innovative tech like adaptive cruise control and Autonomous Emergency Braking (AEB) gives you extra command and control in the cockpit.

### Additional features to RS:

- 18" alloy wheels
- Leather-appointed seat trim
- Heated front seats
- Heated steering wheel
- Adaptive cruise control
- Electric sunroof
- Electric park brake
- Remote engine start
- LED tail lamps
- Wireless charging<sup>1</sup>

# It's the little things that add up to Holden Complete Care.

At Holden, we've been caring for Australians for more than 150 years and over that time, we've learned that it's the little things we can do for you that matter most.

Learn more at [holden.com.au/complete-care](https://www.holden.com.au/complete-care)

**5** FIVE YEAR UNLIMITED KM WARRANTY

## 5 year unlimited km warranty.<sup>1</sup>

Now you're better covered with a 5 year unlimited kilometre warranty standard across the range.

You've got more peace of mind from the moment your new Holden is registered, so you can get in and enjoy it without a care in the world.

## Take your time test drive.<sup>2</sup>

Take up to 24 hours to see if it's the car you feel completely comfortable with. Drive it to work, show your friends, see what the family thinks. There's no pressure and no 'hard sell'.

## Know your cost servicing.<sup>3</sup>

Know what a scheduled service will cost before you even drop off your car, for the life of the car. Our trained expert technicians ensure your car is getting the best possible care.

## Tailored to you finance.

With Holden Financial Services<sup>4</sup> we offer competitive and flexible finance options that make it easy to get into the Holden that's right for you. You can organise the whole thing in one place, easy as that.

## At your call roadside assistance.

With Holden Roadside Assistance,<sup>5</sup> if the unexpected happens rest assured we'll be there to help. Flat battery, keys locked in the car, puncture.

## Keep you moving rental service.

While your car's being serviced, take advantage of Holden Rental service,<sup>6</sup> where we give you the option of a replacement Holden. Because we believe nothing should keep you from driving.

**Holden**  
Complete Care

<sup>1</sup> For new and demo vehicles registered on or after 1 July 2018. 5 year unlimited km warranty from date of first registration. Private and ABN buyers only. 5 year/200,000km warranty, whichever occurs first, for fleet, government, not-for-profit, and rental vehicles.  
<sup>2</sup> Subject to Take Your Time Test Drive Terms and Conditions. See [Holden.com](https://www.holden.com.au) for details. <sup>3</sup> Subject to Know Your Cost Service terms and conditions.
