2004 GMC SAFARI

Safari® is the midsize van that keeps up with your full-size agenda. The Vortec™ 4300 V6 engine generates 190 horses while the long list of standard and available features means you don't have to sacrifice comfort for power. In a GMC® Safari, you'll realize that life is too big for a minivan.

¹ Manufacturer's Suggested Retail Price as of 7/10/03. Includes DFC. Tax, title, license and optional equipment are extra.

² Cargo and load capacity limited by weight and distribution.

³ Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.

⁴ Gross Vehicle Weight Rating (GVWR). When properly equipped; includes vehicle, passengers, cargo and equipment.

⁵ Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.

⁶ Only available as a Two-Tone color.
