VOLKSWAGEN POLO

PERFECT HARMONY

POLO – THE SMALL CAR ON A GRAND SCALE

All the safety, luxury and quality you'd expect from a Volkswagen packed into a small car that's big on style!

AUS LIEBE ZUM AUTOMOBIL

VOLKSWAGEN POLO

QUALITY

THE DEFINING MARK
OF EVERY VOLKSWAGEN

Perhaps the most evident of Volkswagen's attributes, quality, is glaringly obvious across the Polo range.

One glance at the class leading, 12-year anti-corrosion perforation warranty leaves no doubt about the confidence Volkswagen has in the Polo's rust resistant, wax coated galvanised steel panels.

Run your hand over the polycarbonate headlight lenses for some hands on proof of the quality and durability built into every Polo.

That satisfying 'thunk' when the door closes, and the quiet that follows you through the city are both evidence of the exceptional strength and rigidity of the laser welded chassis.

LUXURY

ONLY WHAT YOU'D EXPECT

Once inside the cabin the attention given to luxury and style becomes tangibly clear. From the spacious feeling and lavish standard equipment, through to the chic European styling and attention to design detail, the Polo is a showcase of quality materials, innovative thinking and superior design.

SAFETY

THE GREATEST LUXURY OF ALL

Although it's probably the last thing you'll notice about the Polo, it boasts a package of active and passive safety features that were virtually unheard of in the small car category. Until now.

Dual front airbags, front side airbags (standard on Elite), 3-point seat belts for all 5 passengers, height adjustable front seatbelts with pre-tensioners and belt force limiters; front, side and rear impact protection; collapsible steering column and anti-submerging seats all work together to reduce the chance of injury in a collision.

And, to further enhance your safety, the Polo also features advanced active safety technologies like Anti-lock Brakes (ABS) and Electronic Brake-pressure Distribution (EBD).

NB: Features listed may be optional or limited to some models.

CLUB MATCH ELITE

CLUB

The 3-door Club is the ideal way to discover the pleasures of Polo driving. Fitted with category leading standard features like ABS brakes, EBD (Electronic Brake-pressure Distribution), dual front air bags and central locking, the Club showcases the spirit of the entire range. Also equipped with power heated door mirrors, 4 speaker CD system, height / reach adjustable steering wheel, semi-automatic air conditioning and advanced speed sensitive power steering, the Club makes sure the little luxuries are taken care of as well. And should you care for a touch of personal flair, the Club is also available with an optional pearl effect or metallic paint finish.

MATCH

Offering everything found in the impressive Club package, the 5-door Polo Match goes the extra mile in security with programmable remote central locking and an internally monitored alarm system. Comfort and luxury are also taken further with the addition of illuminated vanity mirrors, power front windows, front and rear reading lights and an optional sunroof. You can even make the Match uniquely yours with an optional pearl or metallic effect paint finish.

ELITE

Topping the Polo line up, the 5-door Elite lives up to everything its name promises, and then some. In addition to offering all the features you find on the Club and Match, the Elite provides a range of safety, comfort and functional enhancements that put it clearly at the top of its class. Beginning with the luxury of cruise control, height adjustable front sports seats with storage drawers and a superbly appointed interior, the Elite boasts extras at every turn including fog lights, side impact airbags and a multifunction trip computer. Of course it's also available with the added glitz of an optional pearl or metallic effect paint finish.

EQUIPMENT

POLO – THE EXTRAS YOU'D EXPECT

AIRBAGS

Making sure your fun is always safe, the dual front airbags are standard across the Polo range. The Elite also comes with front side airbags as standard.

Club: ✓ Match: ✓ Elite: ✓

ABS + EBD

Leading the way in safe driving, the entire Polo range comes with Anti-lock Braking System (ABS) and Electronic Brake-pressure Distribution (EBD). They provide safer, smoother braking and increase your control in the event of an emergency.

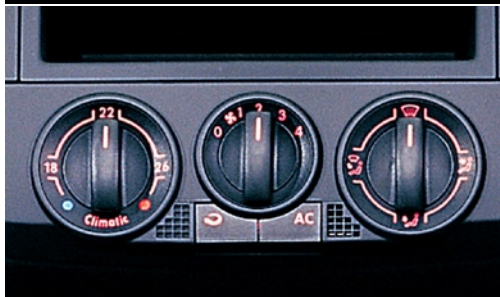

Club: ✓ Match: ✓ Elite: ✓

POWER STEERING

Also standard across the range is electro-hydraulic power steering. This class leading system adapts steering assistance according to driving parameters like current speed.

Club: ✓ Match: ✓ Elite: ✓

SEMI-AUTOMATIC AIR CONDITIONING + FILTER

Boasting unique new comfort technologies, the Polo range offers semi-automatic air conditioning meaning you can always enjoy an optimal cabin temperature.

Club: ✓ Match: ✓ Elite: ✓

EXTERIOR STYLING

Central to the Polo ethos is the belief that aesthetics and style should also be practical. One glance at the versatile dimensions and elegant, free-spirited styling and you know it's something the whole range delivers on.

Club: ✓ Match: ✓ Elite: ✓

ANTI-THEFT + CENTRAL LOCKING

Keeping your stylish investment well protected, an anti-theft alarm system for doors, bonnet, boot and interior is available along with an engine immobiliser.

Club: N/A Match: ✓ Elite: ✓

ENTERTAINMENT

A comprehensive in-car entertainment package featuring AM/FM radio and CD player with four speakers means fun is centre focus in every Polo.

Club: ✓ Match: ✓ Elite: ✓

TRIP COMPUTER + CRUISE CONTROL

Driving comfort is well catered for via cruise control and a multi-function trip computer that displays trip time, trip length, average speed, average and current fuel consumption, distance to empty and outside temperature.

Club: N/A Match: N/A Elite: ✓

HEADLIGHTS + FOG LIGHTS

The distinctive, round Halogen twin headlights with clear lenses feature a combined head/fog light switch, internal angle adjustment and headlight-on warning buzzer. Fog lights only available on Elite.

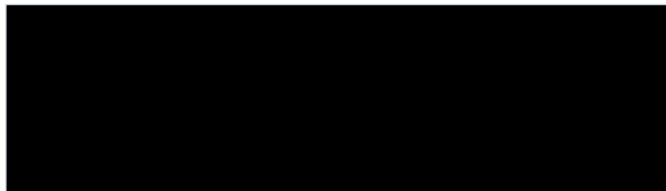

Club: ✓ Match: ✓ Elite: ✓
