

Canyon SLE Extended Cab 4WD in Fire Red shown with heavy-duty suspension and optional equipment.

2005 GMC CANYON

The GMC® Canyon™ is a midsize pickup that's big on flexibility. Crew Cab® models feature a 60/40 split-bench flat-folding rear seat for greater utility. And both suspension systems offer a smooth ride and make Canyon less sensitive to vehicle loads. With 175 hp from the standard Vortec™ 2800 I-4 engine, Canyon offers best-in-class horsepower of all standard four-cylinder engines.* Or choose the available Vortec 3500 I-5 engine that generates the horsepower of a V-6 with the fuel efficiency of a four-cylinder.† Canyon is engineered to move you.

*Based on 2004 GM Medium Pickup segment and latest available competitive information. Excludes other GM vehicles. †Based on 2004 GM Medium Pickup segment and latest available competitive information. Canyon estimated MPG with Vortec 3500 I-5 and automatic transmission: 18 city, 23 highway (22 highway 4WD). Estimate based on GM testing. Official EPA estimate not yet available.

WE ARE
PROFESSIONAL
GRADE[®]

GMC

¹ Official EPA estimates not yet available. Estimates based on GM testing.

² Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo.

³ Cargo and load capacity limited by weight and distribution.

⁴ Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.

⁵ Gross Vehicle Weight Rating (GVWR). When properly equipped; includes vehicle, passengers, cargo and equipment.

⁶ Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.

⁷ RDS functions only when stations broadcast RDS information.

⁸ XM is available only in the 48 contiguous United States. Services fees extra. Visit www.gm.xradio.com for more details.

⁹ Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.

¹⁰ Available at an extra charge for premium color.

¹¹ Available only on 2WD models with Z85 Heavy-Duty Suspension Package.
