

2005 GMC YUKON | YUKON XL

Yukon® and Yukon XL are engineered for surprising agility along with power and performance for the long haul. They're available with a choice of powerful Vortec™ engines and two- or four-wheel drive, so you can choose the combination that matches your particular needs. Whether you're handling traffic or maneuvering into a tight parking spot, Yukon and Yukon XL are sure to exceed your expectations about the capabilities of a full-size SUV.

Yukon XL 3/4-ton SLT shown in Silver Birch Metallic with optional equipment.

SEATING OPTIONS

WE ARE
PROFESSIONAL
GRADE.™

- Official EPA estimates not yet available. Estimates based on GM testing.
- Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo.
- Cargo and load capacity limited by weight and distribution.
- Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.
- Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, driver, passengers, cargo and optional equipment.
- With available seating.
- XM is available only in the 48 contiguous United States. Service fees extra. Visit www.gm.xradio.com for more details.
- Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.
- QUADRASTEER is available on Yukon XL 3/4-ton models in conjunction with Vortec 6000 V8 engine and liftgate with liftglass. Not available with sunroof, Snow Plow Prep Package, StabiliTrak Vehicle Stability Enhancement System, Off-Road Suspension Package, or Deep Blue Metallic, Onyx Black or Carbon Metallic exterior colors. Includes Handling/Trailer Package (roof marker lamps, unique rear flared fenders, heavy-duty rear differential with limited slip, heavy-duty trailing equipment) and Autoride Suspension Package. For 2WD models, QUADRASTEER requires Electronic Traction Control.
- Always use safety belts and proper child restraints, even with air bags. Even with the Passenger Sensing System, children should be properly secured in a rear seat. See the Owner's Manual for more safety information.
- Available on Yukon XL 3/4-ton models only when 4-wheel steering is ordered.
