

GRAND VITARA

Take life for a longer drive in the new Grand Vitara Diesel

The Suzuki Grand Vitara was born from a single idea. That whatever you love doing in your life, you should be able to just do it. Because in our busy lives, it's so easy to lose track of what's really important, like taking your love of life, out onto the open road. Now the Grand Vitara lets you broaden your horizons even further with a new fuel efficient 1.9 litre turbo diesel model that lets you take your off-road adventures to the next level. With the new turbo diesel complementing our existing range of 3 door, 5 door and luxurious Prestige models, Grand Vitara now gives you an even greater feeling of freedom, with sure-footed certainty, poise and control. With the Suzuki Grand Vitara, you enjoy versatility, comprehensive comfort and safety. So you're ready for whatever life throws at you.

Suzuki. 4x4 heritage, performance, innovation and fuel efficiency.

Suzuki has built a reputation for engineering innovation. Whether it's high performance cars, motorcycles or marine engines, Suzuki is constantly evolving to meet our drivers' changing demands. We pride ourselves on building stylish, versatile vehicles that live up to the Suzuki stamp of quality, originality and reliability. In the Grand Vitara, you can feel the extra driving confidence that comes with Suzuki's trademark advanced structural integrity. The special monocoque body incorporates a robust ladder frame chassis and side impact door beams. And every Grand Vitara features the true off-road capability of high and low range 4x4, while our new 1.9 litre turbo diesel model even further enhances our genuine 4x4 capability. You'll always be ready for anything.

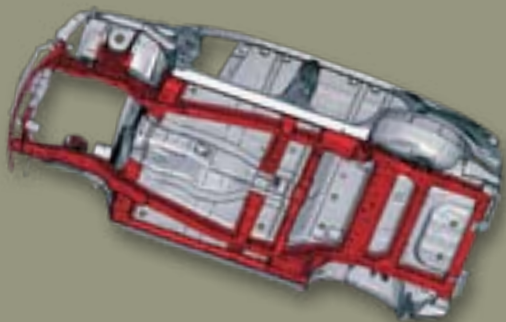

No one has taken the capabilities of the Suzuki Grand Vitara further, than our own "Monster" Tajima. With his heavily modified Grand Vitara he has made a name for himself in rally sprints and hill climb events all over the world. His recent first place in the world famous "Race to the Sky" in Queenstown, NZ and world record victory in the Pikes Peak Hill Climb are testimony to the ruggedness, reliability and capability that comes from Suzuki's racing and rally heritage.

a passion to perform
a drive to succeed

Genuine off-road ability means there are no limits.

The Grand Vitara takes Suzuki's true 4x4 heritage and plants it firmly in today's world. Every model in the range has inherited Suzuki's pedigree of producing sporty vehicles with real off-road capabilities. Underpinned by advanced automotive engineering developed from Suzuki's hard won achievements in racing and rallying heritage. If you're an avid off-road adventurer or an urban go-getter, the journey starts here. Grand Vitara's already impressive off-road capabilities are even further enhanced by the new turbocharged 1.9 litre diesel engine, along with the added benefit of Electronic Traction Control for surer grip in all situations.

The Grand Vitara's robust ladder frame chassis and side impact door beams for extra safety.

GRAND VITARA 3-DOOR

FUN COMES AS STANDARD. The spirited 3-door Grand Vitara has an appetite for endless fun. This sharply styled compact cuts through the tightest city streets with ease. And parks without effort. On the open road, the lively 1.6 litre VVT engine positively purrs with delight. The full-time 4WD system, climate control air conditioning and MP3 compatible CD player with speed-sensing volume control, all add up to an enjoyable drive.

GRAND VITARA 5-DOOR

EXCITEMENT DOESN'T END WITH THE ROAD.

City or bush. The beach or the snow.

A daily commute or a Sunday drive. The 5-door Grand Vitara, with the full-time 4WD system, makes easy going of any drive. Embracing Suzuki's next generation "go-anywhere" compact and rugged design, it positively thirsts for adventure.

Unlike the "soft-roaders" so common today, the Suzuki Grand Vitara's true 4x4 heritage means it has the muscle to tackle rugged terrain, combined with an agility to tame the concrete jungle.

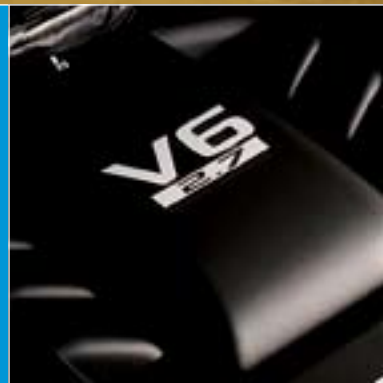

And you have the choice of the economy of a reliable and hardworking 2.0 litre 4 cylinder or the power of the 2.7 litre V6.

So where do you want to go today?

positively thirsts for adventure

Steering wheel audio controls, in-dash CD stereo with MP3 function, ABS with EBD and climate control air conditioning also make every journey an absolute breeze.

GRAND VITARA DIESEL

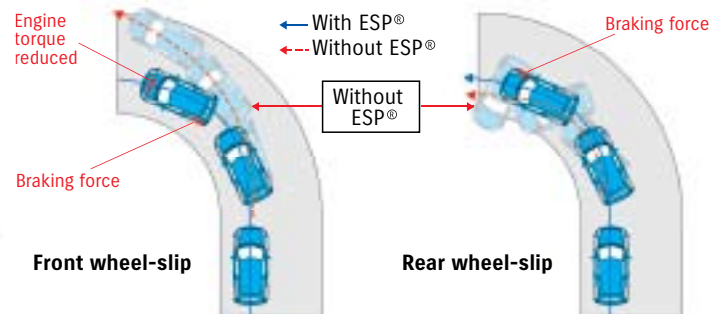

NEW
SUZUKI
TURBO
DIESEL

MORE ADVENTURE. MORE CONTROL.
BETTER FUEL EFFICIENCY.

True 4x4 enthusiasts will rejoice at the addition of a turbocharged diesel engine to the Grand Vitara range. The new Grand Vitara Diesel delivers an impressive fuel economy of 7.6 litres per 100km*, with a common rail, Direct Diesel injection System (DDiS) Turbocharged diesel engine. With maximum torque of 300Nm at 2,000 RPM, it provides real grunt for true 4x4 performance. The dual combination of added Electronic Traction and Stability Control systems (ETC & ESP) work together to reduce the risk of losing vehicle control when driving on road, while providing extra grip for any off-road adventure you choose. Dual front, side and curtain airbags as standard complete an impressive safety package.

**Tackle any terrain
with confidence**

Electronic Stability Program

is a computer-controlled technology using a number of intelligent sensors to immediately detect any loss of control and automatically apply the brakes to individual wheels to help restore the vehicle to its correct alignment.

*ADR 81/01 Test standard - Combined (L/100km)

GRAND VITARA PRESTIGE

POWER AND PRESTIGE, COMBINED. The Grand Vitara Prestige takes you to a whole new level from the moment you step inside. The luxurious leather interior coddles you in comfort, while it surrounds you with safety with no less than six airbags. Activate the keyless start and it more than delivers on the power it promises. The potent 2.7 litre V6 engine produces outstanding performance, generating 135kW of power and up to 250Nm of torque. Dynamic driving characteristics also include a full-time 4WD system, ABS (Anti-lock Braking System) with EBD (Electronic Brake Distribution) and now Electronic Stability Control (ESP), an advanced safety system which helps reduce the risk of losing vehicle control while cornering, braking or sudden swerving.

it's a feeling of quiet confidence

Extra luxury features include keyless start, cruise control and an MP3 compatible, 6-disc in-dash sound system with speed sensing volume control. Low profile alloys and stylish fog lamps also add extra flourish to Prestige's unique presence and stature on or off the road.
