## Exterior

The Golf's shape is recognised the world over for its sleek, precise lines and understated confidence. Perfectly proportioned and unmistakably European in its styling, this is a car whose every curve has been carefully considered.

Longer and wider than the generation it replaced, the latest Golf looks assured in every driving situation. When viewed in profile, the eye is immediately drawn to the Golf's long wheelbase and distinctive horizontal lines that connect the front wheel arch with the rear of the car. The long bonnet and roof, sharply angled rear windscreen and wide C-pillars are all signature Golf features.

At the front a black radiator grille with chrome inserts portrays this as unmistakably a Volkswagen. Halogen headlights with integrated daytime driving lights offer bold illumination and are a design piece in their own right.

The rear offers a resolutely modern interpretation of a design classic. The tail-light cluster forms a distinctive 'L' shape, while the tailgate has an integrated rear spoiler incorporating a third LED brake light. A black rear diffuser below the bumper and visible tailpipes add further points of interest on a car that looks effortlessly cool from every angle.

## Interior

The Golf's interior presents a balanced combination of comfort, style and ergonomics. High-quality materials have been used throughout, making every touchpoint, from steering wheel to switchgear, a pleasure to use. Instrument trims and decorative inlays add to the cabin's visual appeal, while the driver-oriented dash panel and centre console put the driver firmly in charge.

Every journey is more relaxing in the supportive seats trimmed in quality Black Cloth as standard, while Vienna leather appointed upholstery\* is a feature of the 110TSI Highline and 110TDI Highline models. The Golf Comfortline and Highline feature dual-zone automatic climate-control air conditioning as standard, ensuring maximum comfort for all passengers.

The Golf doesn't lack for boot space, whether you choose the hatch or the wagon. The hatch holds an impressive 380 litres, while the Golf Wagon has an outstanding 605 litres with the seats up and 1620 litres with the back seats down. The 60/40 split folding rear seats permit clever stowage of bulky or oddly shaped luggage.

## Highlights

World-class engineering and technological innovation are hallmarks of every Golf. Powerful and reliable TSI and TDI engines provide compelling performance, whatever the drive, while BlueMotion technologies offer greater fuel efficiency.

The Golf has an impressive level of equipment as standard. Central to the car's infotainment offering is the impressive Composition Media and Discover Media systems, with a vibrant 6.5" high-resolution touch screen display and multiple-device Bluetooth® connectivity. Both systems feature Volkswagen's new App-Connect USB interface for Apple CarPlay®, Android Auto™ and MirrorLink® enabling access to range of smartphone apps.

The Golf makes parking safe and easy with Rear View Camera (RVC)^ now standard. Models from the 92TSI Trendline up, feature parking distance sensors front and rear with Optical Parking System (OPS), rain-sensing windscreen wipers, automatic headlight function, and automatically dimming interior rear-view mirror.

Volkswagen's premium 110TSI and 110TDI Highline models represent the pinnacle in motoring style and performance and featuring Vienna appointed leather upholstery~ and Keyless Access and starting system for added driver convenience.

## Colours & Upholstery

The Golf's broad colour palette complements the stylish interior trim, making configuration a simple pleasure. Customise the bodywork of your Golf by choosing from a range of paint finishes that includes Pure White, striking metallic options and Deep Black Pearl Effect. A quality Black Cloth comes as standard, while high-grade Vienna leather appointed upholstery~ is a luxurious addition to the 110TSI Highline and 110TDI Highline models.

- 09 Towbar kit (Golf only)

# Volkswagen Choice: Protecting your investment

Enjoy a flexible finance solution that provides you with the assurance of knowing exactly what the minimum value<sup>#</sup> of your vehicle will be at the end of your term.

- ✓ Personally tailored solutions, based on your term and kilometre usage
- ✓ Opportunity to upgrade your Volkswagen to the latest model more often, enjoying the best innovations and new technologies
- ✓ Peace of mind knowing the minimum future value of your Volkswagen right from the start, so you know it will retain its value over time<sup>^</sup>

**At the end of your term, you can simply choose to:**

## TRADE-IN

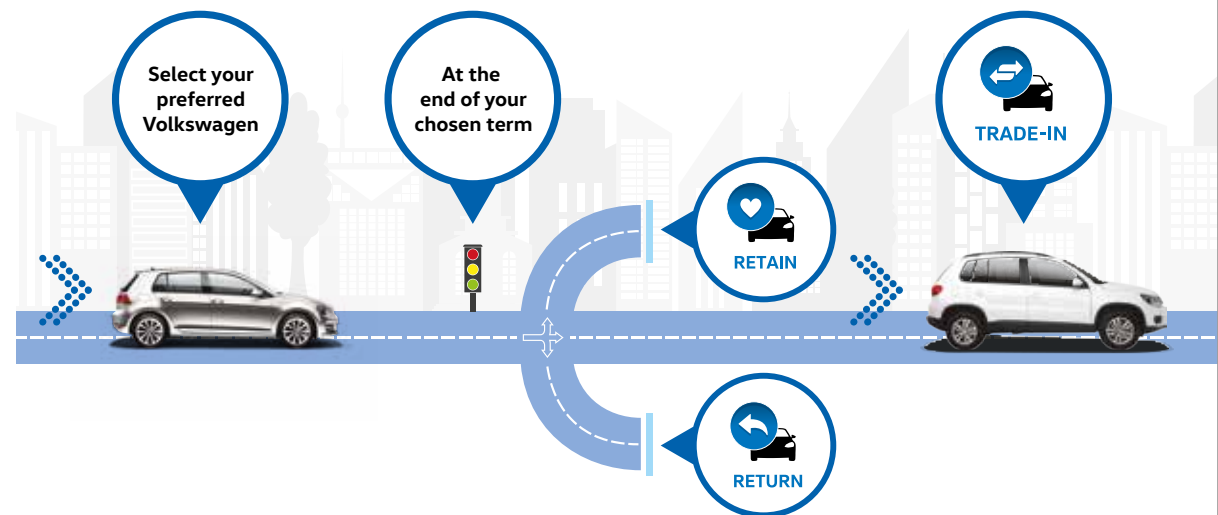

If you wish to trade-in your Volkswagen for a new vehicle, all you need to do is return it to the dealership. If the trade-in value is higher than the Guaranteed Future Value, you can use this equity towards your new vehicle.

## RETAIN

If you prefer to retain your Volkswagen, simply let us know. Provided that you also meet the relevant payment obligations under your contract, if we agree, you can purchase your vehicle outright for the Guaranteed Future Value price locked in at the start of the contract.<sup>#</sup> Then your Volkswagen is yours to keep. Or you can choose to refinance your residual at the end of the term.

## RETURN

Simply return your vehicle to your Volkswagen dealership at the end of the term. If the vehicle meets the agreed requirements,<sup>#</sup> we will give you the benefit of the full Guaranteed Future Value amount.

To find out more, go to [www.volkswagenaustralia.com.au/volkswagenchoice](http://www.volkswagenaustralia.com.au/volkswagenchoice)

To learn more about further finance and insurance options, go to [www.vwfinancialservices.com.au](http://www.vwfinancialservices.com.au)

<sup>#</sup>The Volkswagen Choice Program consists of an option to require Volkswagen Financial Services to purchase your vehicle at the end of your Volkswagen Financial Services Chattel Mortgage, Consumer Loan or Hire Purchase for a value (known as the Guaranteed Future Value) determined by Volkswagen Financial Services and set out in your contract. The Guaranteed Future Value is not a representation by Volkswagen Financial Services as to the likely market value of your vehicle as at the end of your contract. The option is available on new and demonstrator Volkswagen vehicles for selected models only. Please verify with your dealership vehicles that are eligible for the program. <sup>#</sup>If vehicles are not returned in an acceptable condition, as defined in the terms and conditions or exceed kilometre restrictions the Guaranteed Future Value will be reduced. See the Volkswagen Choice Fair Wear and Tear Guide for more information on the required conditions and circumstances. The cost of the Volkswagen Choice Program is incorporated into the applicable interest rate. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information on this page, please seek independent financial and tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Volkswagen Financial Services. Subject to credit assessment. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Volkswagen dealers. Volkswagen Financial Services is a trading name of Volkswagen Financial Services Australia Pty Limited ABN 20 097 071 460. Australian Credit Licence 389344.

Rain sensing windscreen wipers	-	S

\* The Start/Stop system is designed to reduce fuel consumption and CO<sub>2</sub> emissions. It achieves this by automatically switching off the engine while the vehicle is stationary and then starting it again automatically when the driver wants to drive off. There are certain operating conditions where the Start/Stop system is deactivated (e.g. during engine warm-up), please refer to the owner's manual for full operating information.

# Please note figures are sourced from overseas data where equipment levels by model variant may vary. o (Golf Wagon specific figures in brackets). \*\* Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences, the fitment of accessories and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.
