## CREATING A NEW DIMENSION.

Welcome to a new age of SUVs. Svelte and sturdy, tasteful and technological, this world is designed to heighten your sensory experience and extend your scope of actions. The perfect blend of a 7-seater SUV with a touring car's elegance and performance.

## A DARING PROFILE.

The modern shape of the PEUGEOT 5008 SUV impresses at first sight. The athletic stance of its raised body outline, its large, finely sculpted wheel rims, its chrome lines, its aluminium bars, and its black protection cladding around the wheel arches stylishly punctuate a generous build.

## CUT OUT FOR THE UNEXPECTED.

At the front, a lighting signature and slightly curved headlights give the vehicle an intense expression. The feline character of the PEUGEOT 5008 SUV is underlined by the finish of its chrome-winged radiator grille and vertical front-end embellished with wide air intakes.

\*Overseas model shown.

## IN THE FOOTSTEPS OF PERFECTION.

At the rear, the aerodynamic shape of its angled back screen enhances its athletic build. Blazing both night and day, the three claw-marks of the LED lights, incorporated into the bodywork's black strip, emphasise the unique style of the PEUGEOT 5008 SUV.

## STYLING TAKES PRIDE OF PLACE.

The vehicle's agility is expressed with style. At the front, its two-tone chrome radiator grille edging and chrome chequered pattern are flanked by the full LED dynamic lighting signature that comes as standard. At the rear, the black strip, edged with three claw-marks at each end, displays an assertive style that adds an athletic touch. The classy Black Diamond roof subtly punctuates the vehicle's roof line.

## EVERYTHING IS UNDER CONTROL.

The PEUGEOT 5008 GT Line SUV has been refined in even the finest details: 18-inch two-tone diamond-cut alloy wheel rims, chrome double-tailpipe, satin-copper GT Line monograms, and Perla Nera Black door mirrors as standard. Exceptional finishes for a model of refinement.

## DRIVING PLEASURE.

High-level performance is in its genes: the PEUGEOT 5008 GT Line SUV is equipped with the powerful THP\* engine for premium efficiency.

## PEUGEOT CARE

When you choose PEUGEOT, you have the reassurance of knowing that your vehicle has been designed and manufactured to give you years of worry-free motoring. Our PEUGEOT Care Program is designed to meet this objective. Whats more, as a PEUGEOT owner, you can rely on a comprehensive range of customer care services from your dealer.

So you can be sure that you're talking to a specialist who'll listen to you, understand your needs and respond efficiently – someone who also has the expertise to maintain your PEUGEOT correctly, using trained technicians, PEUGEOT Diagnostic Equipment and PEUGEOT Genuine Parts.

### PEUGEOT ASSURED SERVICE

When it comes to peace of mind servicing for your new PEUGEOT there is no substitute for certainty, therefore every PEUGEOT comes with PEUGEOT Assured servicing. PEUGEOT petrol and diesel-engined cars need servicing at 20,000 kilometres or every 12 months (whichever comes first). Technical improvements in PEUGEOT engine design and lubricants have resulted in less time spent on maintenance and fewer service calls. While PEUGEOT can predict the maintenance needs of engine components, the wear rate of others – such as brake pads and tyres – are less predictable and are affected by driving style and conditions. Refer to [peugeot.com.au](http://peugeot.com.au) for full details, terms and conditions.

### FIVE YEAR/UNLIMITED KILOMETRE

Should any part of the vehicle require repair or replacement as a result of a manufacturing or material defect within the warranty period the part will be repaired or replaced without charge by your authorised PEUGEOT dealer, regardless of any change of ownership of the vehicle during the period covered. The warranty does not cover items replaced during normal

service and maintenance operations which are subject to wear and tear.

Full details of all terms and conditions are available here: <https://www.peugeot.com.au/aftersales-services/warranty/>

### 12-YEAR ANTI-CORROSION WARRANTY

PEUGEOT vehicles are renowned for their durability and longevity, due in part to the sophisticated measures taken during the production process to optimise long-term protection from the elements. PEUGEOT backs this advanced technology with a 12-year warranty against corrosion/perforation of your car's bodywork (subject to the conditions outlined in the Service and Information Booklet). This is one of the longest body warranties available in the world today.

### PEUGEOT ASSISTANCE

During the warranty period you will also automatically receive PEUGEOT Roadside Assistance cover for complete peace of mind. In the unlikely event of a breakdown or emergency, assistance is only a phone call away. PEUGEOT Roadside Assistance is free for PEUGEOT new car owners for the duration

of the new car warranty. The program includes 24-hour roadside assistance, vehicle recovery and technical advice. Full details of all terms and conditions are available here: <http://www.peugeot.com.au/service-and-support/roadside-assist>

### PEUGEOT GENUINE PARTS PROMISE

If your car is in for service or repair, the parts needed to keep it on the road are PEUGEOT Genuine Parts. Using specifically designed and manufactured parts ensures your PEUGEOT operates at peak performance at all times.
