2.0L DOHC engine standard on ESI

1995 Eagle Talon

Sophisticated performance redesigned ... two brand-new Eagle Talon models providing the driver-friendliness and stunning good looks that enthusiasts look for in a real sports coupe. Plus winning performance ... the kind of performance that has helped Talon in recent years achieve success after success in North American motorsport ... racing and rallying. It's this competition pedigree that separates Talon from the also rans. Don't settle for an inferior bloodline. Go for the thoroughbred. Quicken your pulse.

- Two models available: Talon ESI Front-Wheel Drive and Talon TSi All-Wheel Drive
- All-new appearance, longer wheelbase and a wider stance
- New standard DOHC engine on Talon ESI develops 140 horsepower (104 kW)
- DOHC Turbo engine on Talon TSi has horsepower increased by 15 bhp (11 kW) to 210 bhp (157 kW)
- Seating for four
- Liftback convenience with fold-down rear seatback (split seatback on TSi)
- Standard 4-wheel disc brakes; speed-sensitive power-assisted rack-and-pinion steering with tilt-column, multi-link independent suspension front and rear, rear spoiler
