

Genuine accessories for the B-Class

June 2005

Please note: changes may have been made to the products since this brochure went to press (01.06.05).

The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser.

Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these.

The illustrations may show accessories and items of optional equipment which are not part of standard specification.

Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process.

This brochure is distributed internationally. However, information given regarding statutory regulations, legal requirements and taxation applies only to the Federal Republic of Germany at the time of going to press.

Please consult your Mercedes-Benz dealer for final details and for information about the statutory regulations and legal requirements which apply in other countries.

Genuine Mercedes-Benz accessories for your B-Class

Sportiness, a dynamic design, adaptability and functionality – the B-Class is a car that sets thrilling new standards.

And there's more: over the following pages you will find a wealth of ideas, designed to help make your B-Class even more dynamic, functional and individual.

Turn up the dynamism a notch, for example, with sporty bodystyling components for the front, rear and roof.

Opt for a more individual look with **incenio** light-alloy wheels.

Or add further functionality – for example by choosing the Mercedes-Benz carrier systems, ideal for transporting your sports gear.

5 ▶ Chrome fog lamp surround [p 7] | 6 ▶ Bodystyling package [p 8] | 7 ▶ 3-slat radiator grille [p 7]

incenio

Mercedes-Benz designer wheels

The B-Class is a distinctive presence on the road. The products shown here allow you to interpret it to reflect your own style.

Our designers have reinvented the wheel for you: **incenio** designer wheels add a powerful and exclusive touch to echo your unique personality.

Zaurak | 7-spoke wheel

incenio designer wheel

Finish: titanium silver, burnished

Wheel: 7 J x 17 ET 49 | Tyre: 215/45 R17 MO

| also shown on previous page |

Not compatible with snow chains

3-slat radiator grille, silver with chrome strips

Silver-painted 3-slat radiator grille with chrome strips. Central part of a sparkling range of coordinating exterior refinements

Kochab | 12-spoke wheel

incenio designer wheel

Finish: sterling silver

Wheel: 6 J x 16 ET 46 | Tyre: 205/55 R16 MO

Chromed exterior mirror housing

The high-sheen chromed mirror housings are a particularly distinctive part of the chrome finish concept for the B-Class

Tail light

Sporty design, with dark-tinted ribbing. (Standard on models with sports package, Code 952) | standard equipment pictured left |

Hub caps

Protect the hub from dirt. Available in the following versions: Sterling silver with chrome star | above left | Classic Roadster design in blue | above right | Standard version in titanium silver | not illustrated |

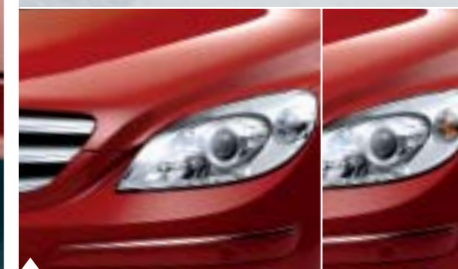

Rim locks, wheel bolts, valve caps

Chrome fog lamp surround and chrome trim panel

High-sheen chromed surround for fog lamps, plus chrome trim panel for the front bumper. Surround and trim panel both available separately as 2-piece sets

Chrome-look indicators

Mirrored indicator bulbs, rounding off the chrome finish of your B-Class to perfection | standard equipment pictured right |

Mercedes-Benz light-alloy wheels
Standard and optional

5-spoke wheel

Finish: titanium silver
Wheel: 6 J x 16 ET 46
Tyre: 205/55 R16

5-twin-spoke wheel

Finish: sterling silver
or titanium silver
Wheel: 6 J x 16 ET 46
Tyre: 205/55 R16

10-spoke wheel

Finish: titanium silver
Wheel: 7 J x 17 ET 49
Tyre: 215/45 R17 MO

**Rudmatic-Disc
snow chain system**

Ensures a secure grip in snowy
conditions. With plastic ring
to protect your light-alloy wheels
from scratches

Mud flaps

Protect the underbody and the
sides of the car from loose
chippings and dirt. For front
and rear axles

Bodystyling package

Give your Sports Tourer an even more dynamic
look with the B-Class bodystyling package,
consisting of rear apron trim [A], roof spoiler [B]
and front apron spoiler lips [C]. Supplied
primed. To be painted in body colour by dealer

[A] Rear apron trim

Available separately as 3-piece set.
*Note: central element cannot be
fitted in conjunction with the trailer
coupling (see page 27)*

[B] Roof spoiler

Available separately.
*Note: not in conjunction
with tailgate-mounted
bicycle rack (see page 27)*

[C] Front apron spoiler lips

Can only be fitted in
conjunction with roof spoiler

AMG light alloy wheel

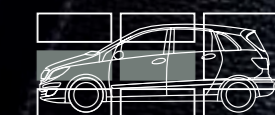

5-spoke wheel | Style III
Finish: sterling silver
Wheel: 7 J x 18 ET 49 | Tyre: 215/40 R18

AMG floor mats

Embroidered with AMG lettering
| not illustrated |

BASE

1 ▶ Mercedes-Benz iPod Interface Kit [p 19] | 2 ▶ Leather steering wheel [p 12] | 3 ▶ Stainless steel-effect pedal covers [p 12] | 4 ▶ Audio 50 APS [p 16]

5 ▶ Mobile-phone holder [p 17]

Leather steering wheel

Leather-trimmed multi-function steering wheel

The B-Class has a strikingly impressive exterior. But as a driver, you'll also appreciate its inner qualities. Which is why we have developed a series of products, designed to make travelling in the B-Class an even more enjoyable experience: practical details, such as extra stowage facilities, extend the sense of space on board, while cutting-edge navigation technology and telephone integration systems connect you to the outside world.

Welcome to the interior of the B-Class.

Stainless steel-effect pedal covers

High-sheen stainless steel-effect pedals with non-slip stud panel. Available for automatic and manual models

Spectacles box

Universal – adjusts to different sizes of spectacles

Roller blind, rear side window

The roller blind is designed for the rear side windows. Simple to use and extremely convenient. Offers optimum protection from sunlight

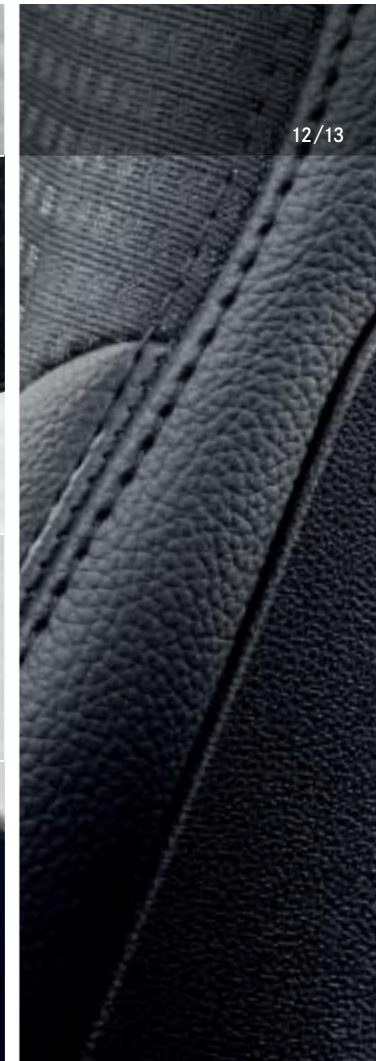

**Illuminated door sill panel, front | above left |
Illuminated door sill panel, rear | above right |**

Brushed aluminium on plastic base with Mercedes-Benz lettering, backlit in blue. Base available in either black, alpaca grey or orient beige

Rubber mats, velour mats, rep mats

Durable, hardwearing materials. Available in various colours to match the interior (rubber mats in black only). Clip fastening for securing in place

“DUO” child seat

With this model the padding on the shoulder straps is designed to limit the force of the belt, reducing stress to the child’s head and neck. With automatic child seat recognition and ISOFIX attachment points. Adjustable tilt. For children between the ages of around 8 months and 4 years (approx. 9 to 18 kg) | also pictured right |

“KID” child seat

Booster seat with height-adjustable backrest. The belt guides at the sides prevent the lap belt from sliding over the child’s abdomen. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12 (approx. 15 to 36 kg)

Mercedes-Benz child seats are available with automatic child seat recognition as an option. If your car also has automatic child seat recognition, the technology automatically deactivates the front passenger airbag when a child seat with automatic child seat recognition is installed on the front passenger seat. All child seats are also suitable for use in vehicles without ISOFIX attachment points. For further information on the Mercedes-Benz child safety range, ask your Mercedes-Benz dealer for a copy of our separate brochure

Vario bag

Plenty of extra stowage space for the really important things in life. Available in two designs | pictured left |

Cover for integral child seat

A highly practical accessory for the integral child seat. The hardwearing, easy-care material keeps the integral child seat clean and offers additional lateral support for the child | not illustrated |

Padded play table for integral child seat

Protects the child’s abdomen when using the integral child seat

Cleanbag

The ideal way to keep the interior clean when you’re on the move: the small “Cleanbag” is simply attached to the net in the front passenger footwell

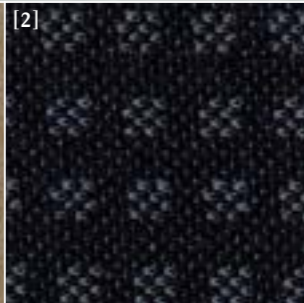

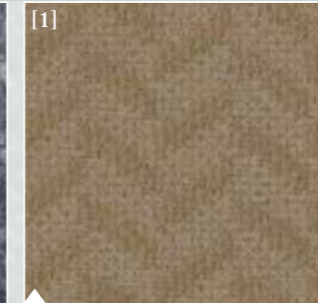

Stowage box

Provides extra stowage space below the driver or front passenger seat, away from prying eyes

Sheepskin seat covers

Cool in summer and warm in winter. Made from extremely durable merino sheepskin. Available in anthracite or grey

Seat covers

Easy-care polyester fabrics, available in two designs: [1] “Antwerp”, orient beige, black and [2] “Maastricht”, black

Audio 50 APS

Navigation system and car hi-fi combined in one unit. Dynamic route guidance using free traffic information via RDS/TMC. Navigation arrows shown on 4.9" TFT colour display. Audio part equipped with double-tuner receiver for FM, MW, LW and SW, 4-channel amplifier, CD slot for audio CDs or navigation CD plus CD changer controls. Can be operated via the multifunction steering wheel

Europe navigation DVD for COMAND APS

The whole of Europe on one DVD

Europe navigation CD for Audio 50 APS

Six CD-ROMs for navigation throughout Europe

COMAND APS

Top-class car hi-fi combined with intelligent navigation technology. Can be operated using multifunction steering wheel. 6.5" TFT colour display, double tuner for FM, MW, LW and SW, 4-channel amplifier (4 x 50W) for outstanding sound quality, CD changer controls. The integral drive reads both audio CDs and navigation DVDs (for map-based navigation throughout Europe). Dynamic route guidance possible, taking into account traffic information supplied by radio

Mobile-phone holders

When it comes to selecting a mobile for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the system's intelligent mobile-phone holder. It takes a matter of seconds and is as straightforward a process as inserting the mobile into the holder itself. Changing your mobile and even alternating between different models of mobile no longer presents a problem. There are no compromises when it comes to convenience-enhancing technology either: the telephone can be operated via the multifunction steering wheel, and the telephone status and call information are displayed in the central multifunction display - as you would expect.

Hands-free system MB FSE-MFL

If your car is not factory-fitted with the optional extra telephone (see above), the Mercedes-Benz hands-free system offers the ultimate comfort. It is perfectly attuned to your car's electronics, allows you to use a mobile-phone holder (see above) and blends discreetly into the interior design concept | pictured above |

To use a mobile-phone holder, your car must be factory-fitted with one of the two following optional extras:

- ▶ Code 386 pre-installation for mobile phone with universal interface (UHI)
- ▶ Code 388 Mercedes-Benz mobile phone (UHI)

Holders are available for many popular Nokia, Siemens and Sony Ericsson mobile phones | see list on page 34 |

For further information about using the phone while in your car, see our Telematics brochure. Ask your Mercedes-Benz dealer for a copy

Audio 20 CD

Hi-fi RDS tuner for FM, MW, LW and SW, 4-channel amplifier, CD drive and CD changer controls.

Can be operated via the multifunction steering wheel

Audio 5 CD

Radio and CD player with monochrome display. Features FM/AM single tuner with RDS function.

Can be operated via the multifunction steering wheel

CD changer

Compact and convenient CD changer for up to 6 CDs. For conventional audio CDs and CDs of audio files in MP3 format. Not compatible with Audio 5 CD

Mercedes-Benz iPod® Interface Kit*

It's never been easier to take your favourite music with you when you're on the move. The Mercedes-Benz Interface Kit provides an elegant and functional way to integrate your iPod into your B-Class's audio system.

The iPod is connected to the system inside the glove compartment, where it is hidden from prying eyes. While you're on the move, you can scroll through the playlists, select songs and adjust the playback volume using the buttons on the multifunction steering wheel. Your iPod's battery is also recharged.

The current status of your iPod appears in the central driver's display, helping you to keep your attention focused on the traffic.

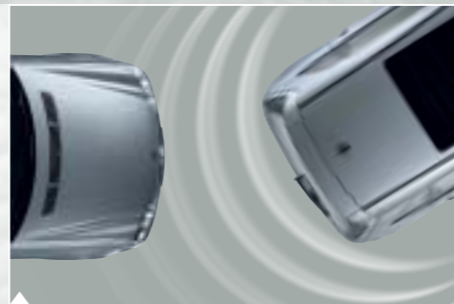

It's easy to control your iPod via the multifunction steering wheel:

- [A] Select the iPod menu and scroll through the options
- [B] Adjust the volume, playback
- [C] Display current artist/title

LOGMATIC electronic log book

LOGMATIC is a fully automatic log book system. Its analyses are recognised by tax authorities and it allows optimised use of the vehicle from a tax point of view with a minimum of effort. Also ideal for simple administration of car-sharing schemes. Available in Germany only

Quickpark

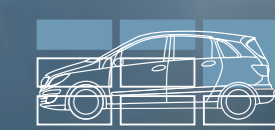

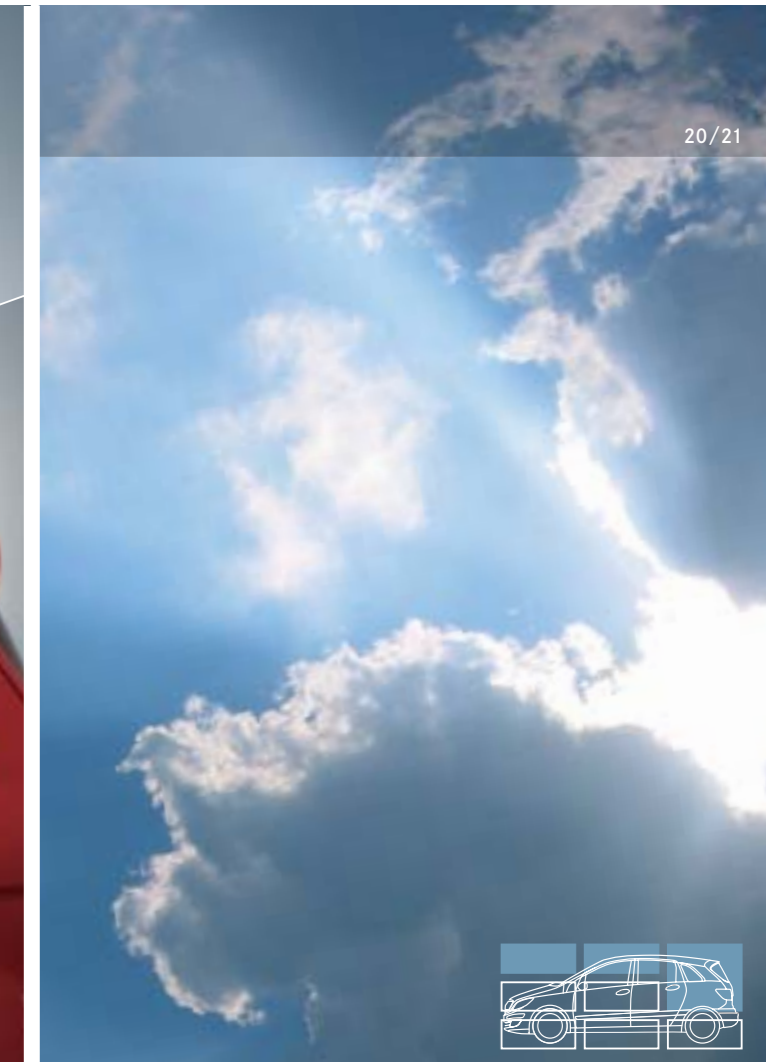

Parking aid, integrated in the rear bumper, with four ultrasonic sensors and acoustic warning signal

* For 3rd generation iPod, 4th generation iPod, iPod Mini, iPod Photo and iPod U2 only

1 ▶ Mercedes-Benz roof box XL [p 23] | 2 ▶ New Alustyle basic carrier bars [p 22]

New Alustyle basic carrier bars

The New Alustyle system opens up a wealth of flexible options when it comes to transporting sports equipment and luggage. Simply combine the New Alustyle basic carrier bars with a variety of different roof-mounted carriers. The basic carrier bars are precisely tailored to the body of your B-Class, ensuring the highest degree of safety and optimum aerodynamics

 Genuine Mercedes-Benz accessories offer you a wealth of sporty transport options.

You have a choice of three different roof boxes of varying size and capacity, depending on your individual needs. And when it comes to transporting your bikes, we offer four different carrier systems – for the interior, the rear and the roof.

All of which makes loading the B-Class simple and convenient and ensures that your journey is as uncompromisingly safe as you would expect in a Mercedes-Benz.

Transport bag for New Alustyle basic carrier bars

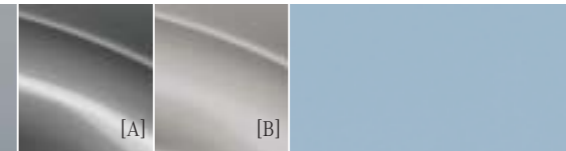

Robust bag, made from a high-quality nylon fabric, protects the basic carrier bars and makes it easier to transport them and stow them away

Ski bag

For up to four pairs of skis. With carrying straps and elasticated straps for attaching to load-securing rings in the load compartment

Mercedes-Benz roof boxes
Elegant, aerodynamic design, made for your Mercedes-Benz. High-quality, extremely durable material. Available in two colours: titanium metallic [A] and matt silver [B]

[1] Mercedes-Benz roof box XL
| family box | Capacity: approx. 450 litres. Available with opening on right or left. Optionally available as part of the accessories range: luggage set and ski rack insert | pictured below |

[2] Mercedes-Benz roof box L
| sports box | Capacity: approx. 330 litres. Available with opening on right or left. Optionally available as part of the accessories range: luggage set and ski rack insert | pictured below |

[3] Mercedes-Benz roof box M
| weekend box | Capacity: approx. 400 litres. Available with opening on right or left

Ski rack insert

A secure hold for up to five pairs of skis | for Mercedes-Benz roof box XL, above | A secure hold for up to three pairs of skis | for Mercedes-Benz roof box L, not illustrated |

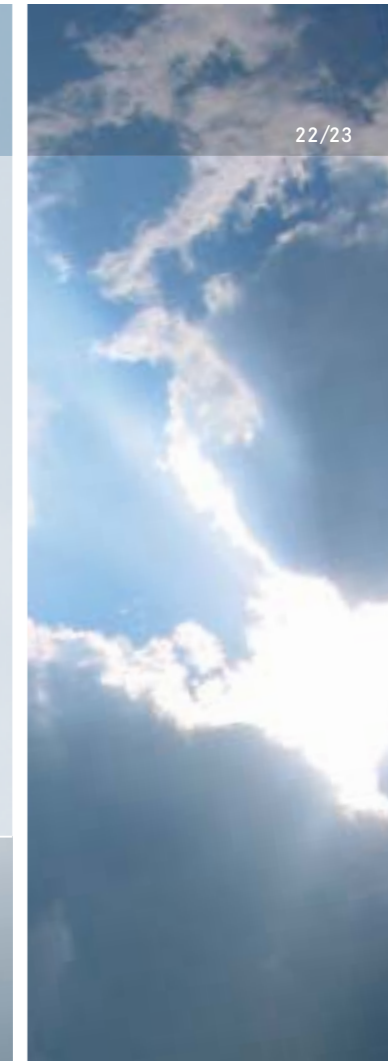

Luggage set

| for the Mercedes-Benz roof box L | Four bags made from hardwearing, water-repellent polyester. Tailored to the dimensions of the roof box L

Luggage set

| for the Mercedes-Benz roof box XL | Four bags, designed to make perfect use of the space available in the roof box XL. Made from hardwearing, water-repellent polyester. Plus two matching ski bags, each designed to hold max. two pairs of skis

For further details, please see our
"Mercedes-Benz Bikes" brochure

Fitness Bike, Sport | above left |
Fitness Bike, Comfort | above right |

These sporty and elegant Fitness Bikes, with their exclusive Mercedes-Benz design, are suitable for everyday all-round use and for touring. Extremely robust, trekking-design aluminium frame, RST suspension fork, Shimano Deore gears and disc brake

Mountain Bike

High-end Mountain Bike, offering supreme roadholding and optimum climbing ability. Shimano Deore LX Dual Control gears and hydraulic disc brake, oil/gas pressure rear damper. Mercedes-Benz carrier available as an option

Internal bicycle rack

The internal bicycle rack protects your cycles from the elements and safeguards them against theft. Designed to hold up to two standard cycles with a max. frame size of 28". Supplied with a practical, hardwearing bag which can be used to secure the removed front wheels in place during your journey. The optional shallow boot tub also helps keep the load compartment floor clean

Shallow boot tub

Simple to clean. Non-slip thanks to Perl-M material. Suitable for transporting foodstuffs | pictured on page 29 |

Deep boot tub

Simple to clean. Tailored to the contours of the load compartment. Suitable for transporting foodstuffs | not illustrated |

New Alustyle ski and snowboard rack

"Standard" for up to 4 pairs of skis or 2 snowboards, lockable | above left |
"Comfort" for up to 6 pairs of skis or 4 snowboards, lockable.
Practical pull-out function makes loading and unloading easier | above right |

New Alustyle bicycle rack

Up to three bicycle racks can be fitted per pair of basic carrier bars. Each bicycle rack can hold one bicycle with a max. frame diameter of 82 mm (tubular frames) or 85 x 50 mm (oval frames). The cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted. The support frame folds down when not in use, reducing drag when travelling without cycles

Rear-mounted bicycle rack for trailer coupling¹

Lockable carrier, designed for attaching to the trailer coupling. Intelligent fold-down mechanism means that load compartment can still be opened when bicycles are in place. Suitable for max. frame diameter of 80 mm (tubular frames) or 80 x 45 mm (oval frames). For a maximum of two cycles. Max. payload: 35 kg

The laden bicycle rack can be pivoted downwards, allowing the tailgate to be opened

When rack is unladen, simply fold down the vertical bar to gain access to the tailgate

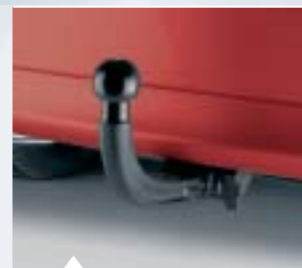

Tailgate-mounted bicycle rack²

Optimally attuned to the contours of the B-Class, the rack ensures a secure hold. Designed for a maximum of two cycles. Lockable. The innovative two-piece design makes it easier to fit and remove the rack. Cannot be fitted in conjunction with the roof spoiler

¹ Not in conjunction with central element of rear apron trim (see page 8)

² Bicycle rack suitable for max. frame diameter of 82 mm (tubular frames) or 85 x 50 mm (oval frames)

Trailer coupling

Detachable. Max. drawbar load: 70 kg

Adapter

For trailer with 7-pin plug

Charger with trickle charge function

With its cutting-edge technology, the Mercedes-Benz charger ensures the longest possible life for the battery

Luggage-securing feature

Ingenious solution to the problem of luggage which slides around in the load compartment. Attaches securely around the object in question thanks to Velcro fastening

Shopping crate

anthracite | collapsible

Reversible mat

Protects the load compartment floor. One side in easy-clean, non-slip rubber. Other side in soft velour. Colour matches load compartment

Non-slip mat

black | Non-slip mat made from oil and acid-resistant polyester. Designed to fit the contours of the load compartment

Stowage tray below load floor

The partitioned stowage tray is perfect for stowing small items such as the shopping crate, an umbrella or maps. Note: when using the stowage tray, the load floor must be in its upper position

Coolbox

blue/white | Robust hard case. 16.5-litre capacity. 12V connection for cigarette lighter or optional socket in load compartment

The range of genuine accessories features plenty of other useful aids, including: a tow rope, fire extinguisher mounting, jump leads and a fluorescent jacket. See your Mercedes-Benz dealer for details

Luggage nets

Net pockets for the load compartment floor and for the rear bench seat. Prevent small objects from sliding around during your journey

Upper load compartment divider

Sturdy grille, designed to separate passenger compartment from luggage area | not illustrated |

Safety tow rod

2-piece steel rod with patented connector and locking splint. Suitable for trailer couplings and towing eyes. Approved for vehicles with a gross weight of up to 3.2 t

Box of replacement bulbs

Practical and readily at hand when needed: all the right bulbs for your B-Class. In protective packaging

Coolbag

black | Capacity: 14 litres. 12V connection for cigarette lighter or optional socket in load compartment

Cargo organiser

Set consists of shallow boot tub and stowage crate. Rigid dividers can be used to partition the stowage crate into four, making it ideal for bags of shopping. Straps can be used to secure the stowage crate in place, either along the loading sill or along the rear bench seat. The stowage crate's full functionality is only available in conjunction with the shallow boot tub

Load sill protection

With PU coating to prevent the bumper from being scratched

1 ▶ Basic watch [p 33]

COLLECTION

Classic key ring

Metal. With revolving star.
Diameter: approx. 3.5 cm

◀ The world of Mercedes-Benz is about far more than just cars. Ask your Mercedes-Benz dealer for a copy of our latest Mercedes-Benz Lifestyle Collection brochure. A brief selection of the range can be seen here.

◀ **Basic watch**

Unisex. Water-resistant to 5 ATM. Matt stainless steel case with screw back. Hardened, convex mineral crystal. Black plastic strap. Matt stainless steel buckle. Mercedes-Benz engraved on back

Baseball cap

black | Lightweight cap in napped cotton. Mercedes-Benz star embossed on buckle. Embroidered logo

Ballpoint and fountain pen set

black/silver | Both pens feature carbon grip

Washbag

Mercedes-Benz by Samsonite. Made from hardwearing polyester. With elasticated straps and partitions inside. Size: approx. 28 x 17 x 9 cm
