

IMPORTANT!

This brochure has been compiled by Daimler AG of Germany or one of its Group Companies to provide a general indication only of the range of vehicles, optional extras (for example satellite navigation systems, interface and telecommunication kits), accessories, merchandise and/or products (together, the range is known as the “Products”) available in various countries. Some of the Products shown may not be available in Australia, or may only be available in a different specification. Additionally, some Products may only be available in combination with others. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. Products available while stocks last. Changes may have been made to the Products since this brochure was printed. The information in this brochure is therefore indicative, illustrative and provided only for guidance and should not be relied upon. For current information on the availability, design, features and prices of Products available in Australia you should contact your local authorised Mercedes-Benz Dealer.

Please note: changes may have been made to the products since this brochure went to press (01.09.05). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure has been compiled by DaimlerChrysler AG of Germany and is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours shown may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others. For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest authorised Mercedes-Benz Passenger Car Dealer.

Genuine Mercedes-Benz accessories for your S-Class

Sublime begins with an S. And in the world of the car, no other letter of the alphabet conveys such supreme composure and inner calm.

In fact there's only one way you can improve on the superior vision that is the Mercedes-Benz S-Class. By adding a distinctive personal touch.

Maybe you've been smitten by the ► **18" 5-twin-spoke "Eridanus" incenio designer wheels**, pictured left. Perhaps you find yourself weighing up the practical benefits of the ► **Mercedes-Benz roof box**.

The choice is sublime - and it's all yours.

1 ▶ Denebola **incenio** designer wheels [p 6] | 2 ▶ Mud flaps [p 9] | 3 ▶ Chromed exterior mirror housings [p 7]

incenio

Mercedes-Benz designer wheels

▼ The Mercedes-Benz S-Class sets the benchmark when it comes to technology. If you want to add a few design highlights or underline the car's dynamism, you'll find some compelling ideas here.

From exquisitely elegant to distinctly sporty – the range of accessories is designed to help give your S-Class the individual look you want.

After all, there's nothing to say that top-class technology can't look stunning too.

Hub caps

Protect the hub from dirt.

Available in the following versions:

Sterling silver with chrome star | above left |

Classic Roadster design in blue | above right |

Titanium silver with chrome star | not illustrated |

1 ▶ Wood/leather steering wheel [p 13] | 2 ▶ Mercedes-Benz iPod Interface Kit [p 18]

Door sill panel, not illuminated, front

High-quality, two-part door sill panel made from brushed stainless steel. Inner panel features chrome-backed Mercedes-Benz lettering with glass inlay

Whether you're the driver or the passenger, the craftsmanship and practicality behind every detail is designed to ensure the ultimate in exclusive comfort.

As a driver you'll appreciate the elegant wood/leather steering wheel, for example, which perfectly complements the fine wood trim inside your Mercedes-Benz.

And as a passenger in the S-Class, however young you are, you'll appreciate the luxurious seat comfort and that reassuring feeling of safety.

Welcome home.

Door sill panel, not illuminated, rear

High-quality, two-part door sill panel made from brushed stainless steel. Inner panel features chrome-backed Mercedes-Benz lettering with glass inlay

Wood/leather steering wheel

Burr walnut: pale matt | Leather: black
The wood/leather steering wheels are available in various colours to match the interior. A heated version is also available

Coat hangers

Robust coat hangers made from chromed metal and plastic. Easy to fit to front head restraints. The ideal way to transport items of clothing without creasing them

Vario bag

Plenty of extra stowage space for the really important things in life. Available in two designs: "Angel & Driver" (not illustrated) and "Alcantara, java" (pictured above)

Cleanbag

The ideal way to keep the interior clean when you're on the move: the "Cleanbag" is simply attached to the net in the front passenger footwell or at the back of the front seat

Back cushion

Ergonomic, individually adjustable cushion, designed to support the back on long journeys. Available in anthracite

Velour mats, rep mats, rubber mats

Velour and rep floor mats, made from durable hardwearing materials, feature an elegant, matt metal badge and are available in all interior colours. Rubber floor mats are available in black and cashmere beige. All mats can be clip-fastened to the floor of the vehicle to prevent slipping

“DUO plus” child seat

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with TopTether, an additional belt for securing the head section, a height-adjustable shoulder belt and ventilation channels. With automatic child seat recognition (see below) and ISOFIX attachment points. Adjustable tilt. Removable, washable “DaimlerSquare” fabric cover

“KID” child seat

Booster seat with height-adjustable backrest. The belt guides at the sides prevent the lap belt from sliding over the child’s abdomen. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12 (approx. 15 to 36 kg). Removable, washable “DaimlerSquare” fabric cover

“BABY-SAFE plus” child seat

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly sensitive body areas of small children up to around 15 months (13 kg). Removable, washable “DaimlerSquare” fabric cover | also pictured right |

Mercedes-Benz child seats are available with automatic child seat recognition as an option. If your car also has automatic child seat recognition, the technology automatically deactivates the front passenger airbag when a child seat with automatic child seat recognition is installed on the front passenger seat. All child seats are also suitable for use in vehicles without ISOFIX attachment points. For further information on the Mercedes-Benz child safety range, ask your Mercedes-Benz dealer for a copy of our separate brochure

Mercedes-Benz iPod® Interface Kit*

It's never been easier to take your favourite music with you when you're on the move. The Mercedes-Benz Interface Kit provides an elegant and functional way to integrate your iPod into your S-Class's audio system.

The iPod is connected to the system inside the glove compartment, where it is hidden from prying eyes. While you're on the move, you can scroll through the playlists, select songs and control the playback volume using the buttons on the multifunction steering wheel. Your iPod's battery is also recharged.

The current status of your iPod appears in the central instrument cluster display, helping you to keep your attention focused on the traffic.

It's easy to control your iPod via the multifunction steering wheel:

- Select the iPod menu and scroll through the options
- Adjust the volume, playback
- Display current artist/title

Illustration shows similar product

* For 3rd generation iPod, 4th generation iPod, iPod Mini, iPod Photo and iPod U2 only

Mobile-phone holders

When it comes to selecting a mobile for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the system's intelligent mobile-phone holder. It takes a matter of seconds and is as straightforward a process as inserting the mobile into the holder itself. Changing your mobile and even alternating between different models of mobile no longer presents a problem. There are no compromises when it comes to convenience-enhancing technology either: the telephone can be operated via the multifunction steering wheel and the telephone status and call information are displayed in the central multifunction display - as you would expect. To use a mobile-phone holder, your car must be factory-fitted with one of the two following optional extras:

▶ Code 386 Pre-installation for mobile phone with universal interface

▶ Code 388 Mercedes-Benz mobile phone

Holders are available for many popular Nokia, Sony Ericsson and Siemens mobile phones. The range of mobile-phone holders is constantly being extended. Please contact your Mercedes-Benz dealer for details

1 ▶ New Alustyle basic carrier bars [p 23] | **2** ▶ Mercedes-Benz roof box XL [p 22]

Mercedes-Benz roof boxes

Elegant, aerodynamic design, made for your Mercedes-Benz. High-quality, extremely durable material. Available in two colours: titanium metallic [A] and matt silver [B]

[1] Mercedes-Benz roof box XL

| Family box | Capacity: approx. 450 litres. Available with opening on right or left. Optionally available as part of the accessories range: luggage set and ski rack insert | pictured below |

[2] Mercedes-Benz roof box L

| Sports box | Capacity: approx. 330 litres. Available with opening on right or left. Optionally available as part of the accessories range: luggage set and ski rack insert | pictured below |

[3] Mercedes-Benz roof box M

| Weekend box | Capacity: approx. 400 litres. Available with opening on right or left

Ski rack insert

A secure hold for up to five pairs of skis | for Mercedes-Benz roof box XL, above | A secure hold for up to three pairs of skis | for Mercedes-Benz roof box L, not illustrated |

Luggage set | for Mercedes-Benz roof box L |

Four bags made from hardwearing, water-repellent polyester. Tailored to the dimensions of the roof box L

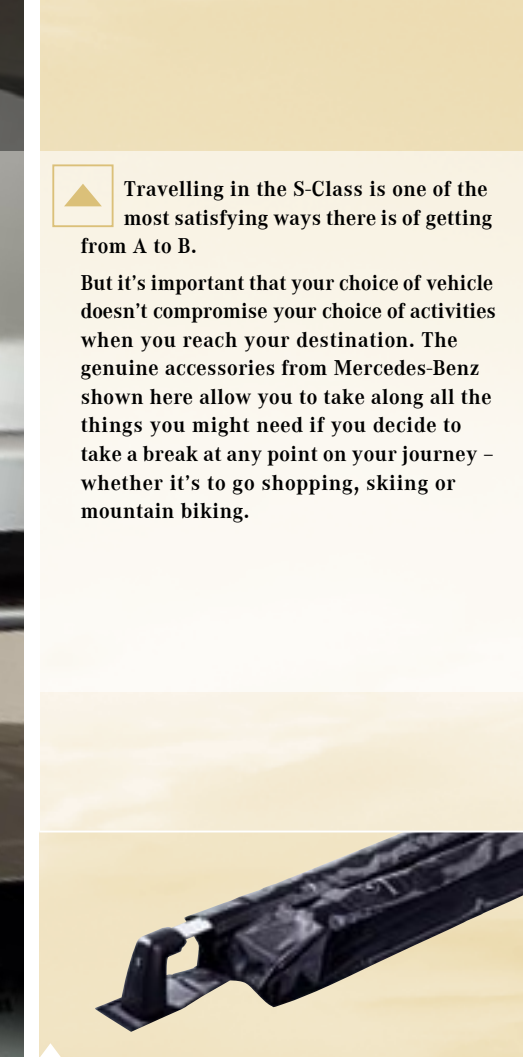

Luggage set | for Mercedes-Benz roof box XL |

Four bags, designed to make perfect use of the space available in the roof box XL. Made from hardwearing, water-repellent polyester. Plus two matching ski bags, each designed to hold max. two pairs of skis

New Alustyle basic carrier bars

The New Alustyle system opens up a wealth of flexible options when it comes to transporting sports equipment and luggage. Simply combine the New Alustyle basic carrier bars with a variety of different roof-mounted carriers. The basic carrier bars are precisely tailored to the body of your S-Class, ensuring the highest degree of safety and optimum aerodynamics

Transport and stowage bag for New Alustyle basic carrier bars

Robust bag, made from a high-quality nylon fabric. Protects the basic carrier bars and makes it easier to transport them and stow them away

TOP

New Alustyle rear-mounted bicycle rack for trailer coupling

The rear-mounted bicycle rack is easy to attach to the trailer coupling. A simple fold-down mechanism (above right) means that the boot can still be opened. For two cycles. Lockable
Optional extension for a third cycle available (see above right)

Extension kit for rear-mounted bicycle rack

Allows you to add a third cycle

The laden bicycle rack can be pivoted downwards, allowing the boot lid to be opened

When rack is unladen, simply fold down the vertical bar to gain access to the boot

Adapter
For trailer with 7-pin plug

Trailer coupling
Fold-away design.
Max. drawbar load:
85 kg

Mountain Bike

High-end mountain bike, offering supreme roadholding and optimum climbing ability. Shimano Deore LX Dual Control gears and hydraulic disc brake, oil/gas pressure rear damper. Mercedes-Benz carrier available as an option

Fitness Bike, Sport | above left |
Fitness Bike, Comfort | above right |

These sporty and elegant Fitness Bikes, with their exclusive Mercedes-Benz design, are suitable for everyday all-round use and for touring. Extremely robust, trekking-design aluminium frame, RST suspension fork, Shimano Deore gears and disc brake

For further details, please see our "Mercedes-Benz Bikes" brochure

New Alustyle ski and snowboard rack "Comfort"

For up to six pairs of skis or four snowboards. Lockable. Practical pull-out function makes loading and unloading easier | pictured right |

New Alustyle ski and snowboard rack "Standard"

For up to four pairs of skis or two snowboards. Lockable

Ski bag

For up to four pairs of skis. With carrying straps and elasticated straps for attaching to load-securing rings in the boot

New Alustyle bicycle rack

Up to four bicycle racks can be fitted per pair of basic carrier bars. Each bicycle rack can hold one bicycle with a max. frame diameter of 98 mm (tubular frames) or 110 x 70 mm (oval frames). The support frame folds down when not in use, reducing drag when travelling without cycles. The cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted | see above right | Optional coil lock available to secure against theft | not illustrated |

TOP

Luggage net

Net pocket for the floor of the boot. Prevents small objects from sliding around during your journey

Shopping crate
anthracite | Collapsible

Shallow boot tub

Simple to clean. Non-slip thanks to Perl-M material. Suitable for transporting foodstuffs. Fitted
