BMW Approved Bluetooth telephones

BMW Approved Bluetooth telephones have been tested by BMW for compatibility / functionality in BMW vehicles. The telephones below, with the relevant software versions loaded, are compatible with the BMW Z4 Roadster and Coupe. Please refer to your BMW Dealer for details of the software versions required.

Motorola V3
Motorola V635
Nokia 6230i
Siemens S65
Sony Ericsson K750i
Sony Ericsson W800i

BMW snap-in adapters enable charging of the phone in the car, in-car storage of the phone and connection to the vehicle's external phone aerial for improved reception. These adapters are available from your BMW Dealer and are suitable for the above phones, except for the Motorola V3.

Note: Not all Bluetooth-enabled mobile phones are compatible with the Bluetooth interface in BMW vehicles and not all mobile phone functions can be used with the hands-free kit. In addition, changes to the mobile phone software by the phone manufacturer may result in the phones no longer being completely compatible or connectable.

Stylish. Dynamic. Exclusive. Experience the drive that is BMW.

Notice to Customers. While BMW has endeavoured to ensure that all representations, specifications, prices and descriptions contained in these materials are correct at the time of printing, vehicle features, prices and performance are subject to change without notice. Performance specifications are subject to variation due to operating conditions and between vehicles. Recommended retail prices are shown and exclude on road costs. The information contained in this price list may need to be read in conjunction with other materials and information available from BMW. To the extent permitted by law, BMW excludes all liability, whether direct, indirect, special or consequential, arising from negligence or otherwise, for any non-compliance by any vehicle with any specifications, descriptions, representations, pictures, colour or other information contained in this price list. Where, by law, BMW is not permitted to exclude its liability, its liability will be limited to, at its discretion, fixing the goods, supplying the goods again or supplying equivalent goods.
