

IMPORTANT!

This brochure has been compiled by Daimler AG of Germany or one of its Group Companies to provide a general indication only of the range of vehicles, optional extras (for example satellite navigation systems, interface and telecommunication kits), accessories, merchandise and/or products (together, the range is known as the “Products”) available in various countries. Some of the Products shown may not be available in Australia, or may only be available in a different specification. Additionally, some Products may only be available in combination with others. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. Products available while stocks last. Changes may have been made to the Products since this brochure was printed. The information in this brochure is therefore indicative, illustrative and provided only for guidance and should not be relied upon. For current information on the availability, design, features and prices of Products available in Australia you should contact your local authorised Mercedes-Benz Dealer.

Please note: changes may have been made to the products since this brochure went to press (01.11.2005). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure has been compiled by DaimlerChrysler AG of Germany and is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others. For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest authorised Mercedes-Benz Passenger Car Dealer.

Genuine Mercedes-Benz accessories for your R-Class

Sports car, luxury cruise liner, space craft.

The Mercedes-Benz R-Class is a car that meets a whole range of different needs profiles. Whichever aspect of its personality attracts you, you will discover a car which sets totally new standards in a whole variety of ways.

And with genuine Mercedes-Benz accessories, this car's extensive possibilities are virtually infinite.

Large **incenio designer wheels** such as the ▶ 19" "Situla" **incenio designer wheel**, pictured left, add a very personal touch to your R-Class.

Large ▶ **Mercedes-Benz roof boxes** allow you to reserve the interior of your Mercedes-Benz exclusively for your passengers.

And small items such as the ▶ **telephone holders**, with their ingenious "one-click" technology, open up further new dimensions.

Think big. Start browsing now.

BASE

incenio

Mercedes-Benz designer wheels

The Mercedes-Benz R-Class makes a powerful impression wherever it goes. But the **incenio** designer wheels shown here make every appearance even more stylish. Showpieces such as the "Alanz" 5-twin-spoke wheel combine technical brilliance with thrilling design.

And there are plenty of other sparkling ideas to discover.

1 With 18" light-alloy wheels and above, use wheel bolt B6 647 0135 and the corresponding rim lock B6 647 0145.

Hub caps

Protect the hub from dirt. Available in the following versions:

- [1] Classic Roadster design in blue
- [2] Sterling silver with chrome star
- [3] High-shine chrome with chrome star
- [4] Titanium silver with chrome star | not illustrated |

Aludra | 6-spoke wheel¹

incenio designer wheel
Finish: titanium silver, burnished
Wheel: 8 J x 18 ET 67 | Tyre: 255/55 R18

Alanz | 5-twin-spoke wheel¹

incenio designer wheel
Finish: sterling silver
| also pictured on pages 4/5 |
Wheel: 8.5 J x 20 ET 61 | Tyre: 265/45 R20 MO

Chromed door handle recesses

Round off your R-Class's chrome finish and protect the paintwork from scratches. Available as a 4-piece set

Chrome-look indicators

Mirrored indicator bulbs, rounding off the chrome finish of your R-Class to perfection | standard equipment pictured opposite |

High-shine chromed fog lamp surrounds

The fog lamp surrounds are available as a 2-piece set

High-shine chromed centre vane trim

Central highlight for the front profile of your R-Class. Particularly effective when combined with the chrome strips in the radiator and the chrome fog lamp surrounds in the front bumper, shown here

Situla | 5-spoke wheel¹

incenio designer wheel
Finish: sterling silver
Wheel: 8 J x 19 ET 67 | Tyre: 255/50 R19

Illuminated door sill panel

High-quality, single-piece door sill panel made from brushed stainless steel. The blue illuminated Mercedes-Benz lettering is activated every time you open the door to get in or out. Available as set of 2 for front doors or as set of 4 for all doors

Door sill panel, not illuminated

High-quality, single-piece door sill panel made from brushed stainless steel. Panel features chrome-backed Mercedes-Benz lettering, set in robust glass. Available as set of 2 for front doors or as set of 4 for all doors

Back cushion

Ergonomic, individually adjustable cushion, designed to support the back on long journeys. Available in anthracite

Rubber mats, rep mats, velour mats

Durable, hardwearing materials. Available in various colours to match the interior. Can be clip-fastened to the floor of the vehicle to prevent slipping | rubber floor mat also pictured opposite |

Did you know that it takes 15 intensive processing stages just to produce the wood sections of a Mercedes-Benz wood/leather steering wheel?

The first stage involves careful selection of particularly attractive woods by experienced specialists. The final stage sees the completed wooden curves being trimmed with leather and combined with the high-tech components to produce a masterly one-off item. Between the two lie precision craftsmanship, patience and passion.

And you can feel it.

Wood/leather multifunction steering wheel

Wood: burr walnut | Leather: alpaca grey

The wood/leather steering wheels are available in various colours to match the interior

Mercedes-Benz child seats are available with automatic child seat recognition as an option. If your car also has automatic child seat recognition, the technology automatically deactivates the front passenger airbag when a child seat with automatic child seat recognition is installed on the front passenger seat. All child seats are also suitable for use in vehicles without ISOFIX attachment points. For further information on the Mercedes-Benz child safety range, ask your Mercedes-Benz dealer for a copy of our separate brochure

“KID” child seat

Booster seat with height-adjustable backrest. The belt guides at the sides prevent the lap belt from sliding over the child’s abdomen. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12 (approx. 15 to 36 kg). Removable, washable “DaimlerSquare” cover

“BABY-SAFE plus” child seat

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of small children up to around 15 months (13 kg). Removable, washable “DaimlerSquare” cover

“DUO plus” child seat

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with TopTether, an additional belt for securing the head section, a height-adjustable shoulder belt and ventilation channels. With automatic child seat recognition and ISOFIX attachment points. Removable, washable “DaimlerSquare” cover

Vario bag

Plenty of extra stowage space for the really important things in life. Available in three designs: [1] “DaimlerSquare” fabric (pictured above), [2] “Angel & Driver” fabric (not illustrated), [3] Alcantara, java (not illustrated)

Spectacles box

Universal – adjusts to different sizes of spectacles

Cleanbag

The ideal way to keep the interior clean when you’re on the move: the “Cleanbag” is simply attached to the net in the front passenger footwell or to the ruffled pockets on the back of the front seats

Coat hanger

Robust coat hanger made of chromed metal and plastic. Easy to fit to the front head restraints. The ideal way to transport items of clothing without creasing them

For further information about using the phone while in your car, see our Telematics brochure. Ask your Mercedes-Benz dealer for a copy

Audio 50 APS

Navigation system and car hi-fi combined in one unit. Dynamic route guidance using free traffic information via RDS/TMC. Navigation arrows shown on 4.9" TFT colour display. Audio part equipped with double-tuner receiver for FM, MW, LW and SW, 4-channel amplifier, CD slot for audio CDs or navigation CD plus CD changer controls. Can be operated via the multifunction steering wheel

Mobile-phone holders

When it comes to selecting a mobile for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the system's intelligent mobile-phone holder. It takes a matter of seconds and is as straightforward a process as inserting the mobile into the holder itself. Changing your mobile and even alternating between different models of mobile no longer presents a problem. There are no compromises when it comes to convenience-enhancing technology either: the telephone can be operated via the multifunction steering wheel and the telephone status and call information are displayed in the central multifunction display - as you would expect. To use a mobile-phone holder, your car must be factory-fitted with one of the two following optional extras:

- ▶ Code 386 Pre-installation for mobile phone with universal interface
- ▶ Code 388 Mercedes-Benz mobile phone with universal interface

Holders are available for many popular Nokia, Sony Ericsson and Siemens mobile phones. The range of mobile-phone holders is constantly being extended. Please contact your Mercedes-Benz dealer for details

Note: the data for the Mercedes-Benz navigation systems is constantly updated. Please ask your Mercedes-Benz dealer for the latest updates

Europe navigation DVD for COMAND APS

The whole of Europe on one DVD

Europe navigation CD for Audio 50 APS

Six CD-ROMs for navigation throughout Europe

Siemens	Nokia	Sony Ericsson
S65	6100	T610
SP65	6210	T630
SK65	6220	K700i
CX65	6230	K750i
CXT65	6230i	
CX65V	6310	
CX70	6310i	
CXT70	6610	
CX70V	6610i	
CX75	7250i	
M75	9300	

COMAND APS

Top-class car hi-fi combined with intelligent navigation technology. Can be operated using multifunction steering wheel. 6.5" TFT colour display, double tuner for FM, MW, LW and SW, 4-channel amplifier (4 x 50W) for outstanding sound quality, CD changer controls. The integral drive reads both audio CDs and navigation DVDs (for map-based navigation throughout Europe). Dynamic route guidance possible, taking into account traffic information supplied by radio

Mercedes-Benz iPod® Interface Kit*

It's never been easier to take your favourite music with you when you're on the move. The Mercedes-Benz Interface Kit provides an elegant and functional way to integrate your iPod into your R-Class's audio system.

The iPod is connected to the system inside the glove compartment, where it is hidden from prying eyes. While you're on the move, you can scroll through the playlists, select songs and control the playback volume using the buttons on the multifunction steering wheel. Your iPod's battery is also recharged.

The current status of your iPod appears in the central instrument cluster display, helping you to keep your attention focused on the traffic.

It's easy to control your iPod via the multifunction steering wheel:

- ▶ Select the iPod menu and scroll through the options
- ▶ Adjust the volume, playback
- ▶ Display current artist/title

iPod holder
Black plastic holder for the glove compartment. Holds your iPod in place. Suitable for iPod and iPod mini. Soft, flock surface protects the MP3 player from scratches and prevents it sliding around

* From 3rd generation iPod, iPod mini, iPod nano, iPod photo and iPod U2.

CD changer
Compact and convenient changer for up to 6 CDs. Plays conventional audio CDs and CDs of audio files in MP3 format

Rear-seat entertainment system
Innovative rear-seat entertainment system, consisting of a DVD player, a high-resolution 7" LCD colour display and two sets of headphones. The system is easy to operate by remote control. The rear-seat entertainment system is available in black, alpaca grey and cashmere beige

1 ▶ Mercedes-Benz roof box XL [p 26] | 2 ▶ New Alustyle basic carrier bars [p 24]

New Alustyle rear-mounted bicycle rack for trailer coupling

The rear-mounted bicycle rack is easy to attach to the trailer coupling. A simple fold-down mechanism (above right) means that the load compartment can still be opened.

Basic version for two cycles. Lockable. Pictures show optional extension for a third cycle

Extension kit for rear-mounted bicycle rack

Allows you to add a third cycle

The laden bicycle rack can be pivoted downwards, allowing the load compartment to be opened

When rack is unladen, simply fold down the vertical bar to gain access to the load compartment

▲ You may have chosen the Mercedes-Benz R-Class because you were looking for a versatile vehicle which met a whole range of different needs. If that's the case, you've not only opted for a car that convinces in every respect but you'll find this section of our brochure of particular interest. It shows a wide range of genuine Mercedes-Benz accessories, designed to extend your options in a very individual way.

For further details, please see our "Mercedes-Benz Bikes" brochure

Trailer coupling

Detachable. Max. drawbar load: 85 kg

Adapter

For trailer with 7-pin plug

Mountain Bike

High-end Mountain Bike, offering supreme roadholding and optimum climbing ability. Shimano Deore LX Dual Control gears and hydraulic disc brake, oil/gas pressure rear damper. Mercedes-Benz carrier available as an option

Fitness Bike, Sport | above left |
Fitness Bike, Comfort | above right |

These sporty and elegant Fitness Bikes, with their exclusive Mercedes-Benz design, are suitable for everyday all-round use and for touring. Extremely robust, trekking-design aluminium frame, RST suspension fork, Shimano Deore gears and disc brake

New Alustyle ski and snowboard rack "Comfort"

For up to six pairs of skis or four snowboards. Lockable.
Practical pull-out function makes loading and unloading easier

New Alustyle ski and snowboard rack "Standard"

For up to four pairs of skis or two snowboards.
Lockable

New Alustyle bicycle rack

Up to three bicycle racks can be fitted per pair of basic carrier bars. Each bicycle rack can hold one bicycle with a max. frame diameter of 98 mm (tubular frames) or 110 x 70 mm (oval frames). The support frame folds down when not in use, reducing drag when travelling without cycles. The cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted. Optional coil lock [A] available to secure against theft

New Alustyle basic carrier bars

The New Alustyle system opens up a wealth of flexible options when it comes to transporting sports equipment and luggage. Simply combine the New Alustyle basic carrier bars with a variety of different roof-mounted carriers. The basic carrier bars are precisely tailored to the body of your R-Class, ensuring the highest degree of safety and optimum aerodynamics

Transport and stowage bag

Robust bag, made from a high-quality nylon fabric, protects the basic carrier bars and makes it easier to transport them and stow them away

Coolbag

black | Capacity: 14 litres.
With 12 V connection for the cigarette lighter

Coolbox

blue/white | Robust hard case.
Capacity: 16.5 litres.
With 12 V connection for the cigarette lighter

Rectifier

Allows the Mercedes-Benz coolbox and the coolbag to be connected to 220 V socket at home

TOP

Mercedes-Benz roof boxes
Elegant, aerodynamic design, made for your Mercedes-Benz. High-quality, extremely durable material. Available in two colours: titanium metallic [A] and matt silver [B]

[1] Mercedes-Benz roof box XL
| family box | Capacity: approx. 450 litres. Available with opening on right or left. Optionally available as part of the accessories range: luggage set and ski rack insert | pictured below |

[2] Mercedes-Benz roof box L
| sports box | Capacity: approx. 330 litres. Available with opening on right or left. Optionally available as part of the accessories range: luggage set and ski rack insert | pictured below |
