

## IMPORTANT!

This brochure has been compiled by Daimler AG of Germany or one of its Group Companies to provide a general indication only of the range of vehicles, optional extras (for example satellite navigation systems, interface and telecommunication kits), accessories, merchandise and/or products (together, the range is known as the “Products”) available in various countries. Some of the Products shown may not be available in Australia, or may only be available in a different specification. Additionally, some Products may only be available in combination with others. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. Products available while stocks last. Changes may have been made to the Products since this brochure was printed. The information in this brochure is therefore indicative, illustrative and provided only for guidance and should not be relied upon. For current information on the availability, design, features and prices of Products available in Australia you should contact your local authorised Mercedes-Benz Dealer.

# Magic moments

A drive in an M-Class is one of the most magnificent experiences the automotive world has to offer. This vehicle class is one in which Mercedes-Benz leads the way and one which, indeed, may never have existed if it hadn't been for the M-Class.

We now offer you even more ways to build on your car's status.

**incenio** designer wheels, for example, provide a simple and effective way to transform your M-Class.

Other magical ways to personalise your car can be found overleaf.

Gyas | 5-spoke wheel

**incenio** designer wheel  
Finish: sterling silver

Wheel: 8 J x 18 ET 60 | Tyre: 255/55 R18  
B6 647 4216

Rukbat | 6-spoke wheel

**incenio** designer wheel  
Finish: sterling silver

Wheel: 8 J x 19 ET 60 | Tyre: 255/50 R19  
B6 647 4300

Furud | 5-spoke wheel

**incenio** designer wheel  
Finish: sterling silver

Wheel: 8.5 J x 20 ET 60 | Tyre: 265/45 R20  
B6 647 4212; not compatible with snow chains

Klemola | 5-spoke wheel

**incenio** designer wheel  
Finish: sterling silver

Wheel: 8 J x 19 ET 60 | Tyre: 255/50 R19  
B6 647 4217

Alrai | 6-spoke wheel

**incenio** designer wheel  
Finish: sterling silver

Wheel: 8.5 J x 19 ET 60 | Tyre: 255/50 R19  
B6 647 4367

Option for rear axle:

Wheel: 9.5 J x 19 ET 56 | Tyre: 285/45 R19  
B6 647 4368; not compatible with snow chains

Mintaka | 5-spoke wheel

**incenio** designer wheel  
Finish: sterling silver

Wheel: 8 J x 18 ET 60 | Tyre: 255/55 R18  
B6 647 4297

**incenio** designer wheels

**EXTERIOR**

**Tomeko | 10-spoke wheel**

**incenio** designer wheel

Finish: two-tone

Wheel: 8.5 J x 20 ET 56 | Tyre: 265/45 R20

B6 647 4528

On all light-alloy wheels, use wheel bolt A000 990 4907 (up to 17") or A000 990 5307 (from 18") and the corresponding rim lock B6 647 0155 or B6 647 0156.

Light-alloy wheels are supplied without tyres, wheel bolts or hub caps

### **7-spoke wheel**

Finish: titanium silver

Wheel: 7.5 J x 17 ET 56 | Tyre: 235/65 R17  
B6 647 4184

On all light-alloy wheels, use wheel bolt A000 990 4907 (up to 17") or A000 990 5307 (from 18") and the corresponding rim lock B6 647 0155 or B6 647 0156.

Light-alloy wheels are supplied without tyres, wheel bolts or hub caps

### Valve caps

### 7-spoke wheel

Finish: titanium silver

Wheel: 7.5 J x 17 ET 56 | Tyre: 235/65 R17  
B6 647 4247

### Tyre pressure gauge

Compact design. Saves readings. Suitable for all tyre valves (including cycle tyres). Keeping tyres at the optimum pressure saves fuel and reduces tyre wear. Supplied with leather pouch

### Hub caps

Protect the hub from dirt.

Available in the following versions:

- 1 | Classic Roadster design in blue
- 2 | Classic Roadster design in black
- 3 | Sterling silver with chrome star
- 4 | Titanium silver with chrome star

### Snow chain systems

The RUD-matic snow chain has a user-friendly design and can be fitted and removed quickly. With extra-reinforced chain links for the toughest conditions and excellent traction on snow and ice, it is a reliable companion in wintry road conditions. Your Mercedes-Benz partner will be happy to advise you on this and other snow chain systems

### Mud flaps

Protect the underbody and the sides of the car from loose chippings and dirt. For front and rear axles

*Mercedes-Benz  
light-alloy wheels*

*Hub caps*

*Mud flaps*

*Side impact protection*

*Snow chains*

*Tyre pressure gauge*

**Side impact protection with step plates**

Made from polished stainless steel. Plastic step plates make getting in and loading the roof easier | also pictured on page 4 |

**5-twin-spoke wheel**

Finish: titanium silver

Wheel: 8.5 J x 20 ET 55 | Tyre: 265/45 R20

B6 647 4188

# EXTERIOR

**Radiator grille, sterling silver  
with chrome trim**

The chromed radiator grille forms the central part of a sparkling range of coordinating exterior refinements

**Fog lamp surrounds**

Brilliant detail: high-shine surrounds for your M-Class's fog lamps

### Chrome add-on parts for your M-Class

The Mercedes-Benz M-Class is a dazzling presence on today's roads. The chromed add-on parts shown here allow you to add further highlights: high-brilliance flashes of light, high-contrast design accents and even protection for the paintwork in the door handle recesses. These additions are the perfect complement for every M-Class – and because they are developed using the CAD vehicle data, they are precision-tailored to your vehicle and are simple to fit.

A brilliant outlook, we're sure you'll agree.

*Door handle recesses*  
*Exterior mirror cover*  
*Fin attachments*  
*Fog lamp surrounds*  
*Radiator grille*

### Fin attachments for bonnet

High-sheen chromed. Available as a 6-piece set

### High-sheen chromed exterior mirror cover

Rounds off your M-Class's chrome finish and protects the paintwork from scratches. Available as a 4-piece set

### High-sheen chromed door handle recesses

Round off your M-Class's chrome finish and protect the paintwork from scratches

**EXTERIOR**

#### **Roof spoiler**

The roof spoiler is precision-tailored to the M-Class bodywork for a strikingly sporty look. Supplied primed. To be painted in body colour by your Mercedes-Benz partner

**Simulated underguard, rear  
Simulated underguard, front**

Attractive, eye-catching element made from stainless steel. A visual highlight that upgrades the exterior appearance. Brilliant addition to the sterling silver painted radiator grille with chrome trim. Front and rear underguards available separately | pictured on page 12 |

**Load sill protection**

With polyurethane coating to prevent the bumper from being scratched

**Chrome-look indicator bulbs**

Mirrored indicator bulbs round off the chrome finish of your M-Class to perfection | standard equipment pictured right |

# More music

When you drive an off-roader, the usual boundaries don't apply. So why limit your musical explorations?

An M-Class with the optional Media Interface offers a variety of options that suit your vehicle. Listen to music from the MP3 player of your choice, from the iPhone or from devices with a USB or AUX connection.

Telephone accessories, rear-seat entertainment, navigation – in this section there are plenty of pioneering products to discover.

## iPod/iPhone holder<sup>1</sup>

Black plastic holder for the glove compartment. Holds your iPod in place. Soft, flock surface protects the player from scratches and prevents it sliding around

<sup>1</sup> The Mercedes-Benz Interface Kit allows you to listen to the music on your iPhone. It does not support the phone function

The iPod Interface Kit and the iPod holder are compatible with the following models: iPod from 4th generation | iPod video | iPod photo | iPod U2 | iPod mini | iPod nano 1st, 2nd and 3rd generations | iPod classic | iPod touch | iPhone  
iPod/iPhone holder cannot be used in conjunction with Media Interface consumer cables

<sup>2</sup> For details and a list of the supported players, please contact any Mercedes-Benz service outlet or visit the "Accessories" section of our website: [www.mercedes-benz-mobile.com](http://www.mercedes-benz-mobile.com)

<sup>3</sup> Supports MP3, WMA and AAC. For further details, contact your Mercedes-Benz partner

## Mercedes-Benz iPod® Interface Kit<sup>1</sup>

It's easy to control your iPod via the multifunction steering wheel: scroll through the menus [A], adjust the playback and volume [B] and display the artist/title of your choice in the instrument cluster [C].

As with the Mercedes-Benz Media Interface, the connection for your iPod is in the glove compartment and the device is charged while connected. No factory-fitted optional extra required

*iPod Interface Kit  
iPod/iPhone holder*

*Media Interface  
consumer cables*

**Media Interface consumer cables**

*For models with optional extra "Media Interface" (Code 518)*

Set of 3 cables, designed to connect various players (one at a time) to the pre-installed Media Interface in the glove compartment.

Allows you to select tracks and adjust the playback via your car's audio system.

The current status of your player also appears in the central driver's display, helping you to keep your attention focused on the traffic.

Designed to connect iPods<sup>2</sup> [2] and devices with USB<sup>3</sup> [1] or AUX [3]

*Optional extra Media Interface (Code 518) not available for Audio 20 CD without CD changer (Code 523)*

TELEMATICS

## Mobile-phone holders

When it comes to selecting a mobile for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the system's intelligent mobile-phone holder. It takes a matter of seconds and is as straightforward a process as inserting the mobile into the holder itself. Changing your mobile and even alternating between different models of mobile no longer presents a problem. There are no compromises when it comes to convenience-enhancing technology either: the telephone can be operated via the multifunction steering wheel, and the telephone status and call information are displayed in the central multifunction display - as you would expect.

To use a mobile-phone holder, your car must be factory-fitted with the following optional extra:

### *Code 386 Convenience telephony*

Holders are available for various popular Sony Ericsson and Nokia mobile phones. For further details about using the phone while in your car, see our Mercedes-Benz telematics brochures. Ask your Mercedes-Benz partner for a copy

## COMAND APS with 6-DVD changer

The new COMAND APS now offers even more convenience and freedom when you're on the move: your route is navigated with impressive speed, thanks to the integral hard drive. The MUSIC REGISTER has up to 4 GB of memory, offering virtually unlimited space for your favourite music. COMAND APS plays back music from DVDs and CDs and from SD memory cards. The optional Media Interface (see page 18) also allows you to connect your portable music player. And for convenience and enhanced safety, all of these functions can be controlled via your COMAND system. Other features: Bluetooth® connectivity, 6.5" TFT colour display, dynamic route guidance (RDS/TMC), double-tuner radio with 4-channel amplifier for outstanding sound, DVD changer controls. Also available without DVD changer as an option

Europe navigation DVD for COMAND APS

Europe navigation DVD for Audio 50 APS

*The data for the Mercedes-Benz navigation systems is regularly updated. Please ask your Mercedes-Benz partner for the latest map versions*

**Rear-seat entertainment system**

The powerful DVD system delivers optimum entertainment to rear-seat passengers without disturbing the driver or impeding rear vision. Passengers can watch DVDs on the 8" LCD colour displays or connect up a games console. Sound is output via infrared or corded headphones and your car's audio system. External video sources can be connected via the AUX input. The option of separate video playback on the two monitors allows both rear passengers to select their own individual entertainment

# INTERIOR

# My M-Class

Do you remember the days when impressive off-road qualities were synonymous with limited ride comfort? The M-Class makes them seem like a distant memory.

This section is packed with products that offer a little extra comfort – genuine accessories tailored to your very specific comfort needs.

Or those of your youngest passengers – our child seats are shown overleaf.

## EXCLUSIV all-season floor mats

The alternative to the standard all-season floor mats, with integral textile component. High-quality textile character with unchanged functionality when it comes to protecting the interior of your vehicle. Only available in black | pictured on p 25 |

## All-season mats, rep mats, velour mats

Durable, hardwearing materials. Available in various colours to match the interior. Can be clip-fastened to the floor of the vehicle to prevent slipping

## Wood/leather steering wheel

burr walnut | black

The wood/leather steering wheels are also available in other colours to match the interior

## Coat hanger

Robust coat hanger made from chromed metal and plastic. Easy to fit to the front head restraints. The ideal way to transport items of clothing without creasing them

## Cleanbag

The ideal way to keep the interior clean when you're on the move: the small "Cleanbag" is simply attached to the net in the front passenger footwell

## Back cushion

Ergonomic, individually adjustable cushion, designed to support the back on long journeys. Available in anthracite

*Back cushion  
Cleanbag  
Coat hanger  
Door sill panels  
Floor mats  
Spectacles box  
Wood/leather steering wheel*

# INTERIOR

## **Illuminated door sill panels**

The blue illuminated Mercedes-Benz lettering is activated every time you open the door to get in or out. These illuminated door sill panels, in ground stainless steel, are a further “highlight” of the M-Class

## **Spectacles box**

Universal - adjusts to different sizes of spectacles/sunglasses

#### **“KID” child seat**

Booster seat with height-adjustable backrest. The belt guides at the sides prevent the lap belt from sliding over the child’s abdomen. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12 (approx. 15 to 36 kg). Removable, washable “DaimlerSquare” cover

#### **“DUO plus” child seat**

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable shoulder belt and ventilation channels. With ISOFIX attachment points. Adjustable tilt. Available with automatic child seat recognition as an option. Removable, washable “DaimlerSquare” cover

#### **“BABY-SAFE plus” child seat**

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg). Removable, washable “DaimlerSquare” cover. With automatic child seat recognition as standard

### “KidFix” child seat

Booster seat for optimum side impact protection with height-adjustable backrest. The “KidFix” seat can be attached using the 3-point seat belt and ISOFIX attachment points. Available with child seat recognition as an option. For children between the ages of around 3.5 and 12 (15 to 36 kg). Removable, washable “DaimlerSquare” cover

*Mercedes-Benz child seats are available with automatic child seat recognition as an option. If your car also has automatic child seat recognition, the technology automatically deactivates the front passenger airbag when a child seat with automatic child seat recognition is installed on the front passenger seat.*

*All child seats are also suitable for use in vehicles without ISOFIX attachment points.*

*For further information on the Mercedes-Benz child safety range, ask your Mercedes-Benz partner for a copy of our separate brochure*

### Cover for integral child seat

Hardwearing, easy-care material. The side bolsters offer additional support and turn the integral child seat [A] into a fully-fledged child seat for children up to the age of around 12 (up to 36 kg) [B]

### Padded play table for integral child seat

Protects the child’s abdomen when using the integral child seat. For children between the ages of around 2 and 4 (12.5 to 18 kg)

### Vario bag

Plenty of extra stowage space for the really important things in life. Available in three designs: “DaimlerSquare” | pictured |, “Angel & Driver”, Alcantara, java

### Additional interior mirror

Designed to help you keep an eye on what’s going on in the rear of the car. This practical product, made from shatterproof safety glass, is simple to snap into place

# CARGO & CARE

# Moving mountains

The journey is the destination – an axiom that applies to your M-Class but also to your skis, your snowboard or your bikes.

Whichever sports equipment you prefer, the roof carrier system included in the range of genuine accessories effectively supports your sporting ambitions.

Just as you would expect of your M-Class.

## Mercedes-Benz roof boxes

Elegant, aerodynamic design, made for your Mercedes-Benz. High-quality, extremely durable material. Available in titanium metallic [A] and matt silver [B] and the Mercedes-Benz roof box XL is now also available in calcite white [C]

### 1 | Mercedes-Benz roof box XL

family box | Capacity: approx. 450 litres. Available with opening on right or left. Optional accessories: luggage set and ski rack insert

### 2 | Mercedes-Benz roof box L

sports box | Capacity: approx. 330 litres. Available with opening on right or left. Optional accessories: luggage set and ski rack insert

### 3 | Mercedes-Benz roof box M

weekend box | Capacity: approx. 400 litres. Available with opening on right or left

## New Alustyle basic carrier bars

Used in conjunction with other roof accessories, the New Alustyle system opens up a wealth of flexible options when it comes to transporting sports equipment and luggage. The rail-mounted basic carrier bars also ensure the highest degree of safety and aerodynamics

#### Luggage set

| for Mercedes-Benz roof box XL |

Four bags, designed to make perfect use of the space available in the roof box XL. Made from hardwearing, water-repellent polyester. Plus two matching ski bags, each designed to hold max. two pairs of skis. Ski bag also available separately

#### Luggage set

| for Mercedes-Benz roof box L |

Four bags made from hardwearing, water-repellent polyester. Tailored to the dimensions of the roof box L

#### Ski rack insert

| for Mercedes-Benz roof box XL |

A secure hold for up to five pairs of skis, subject to ski geometry. For Mercedes-Benz roof box XL

#### Transport bag for New Alustyle rail-mounted basic carrier bars

Robust bag, made from a high-quality nylon fabric. Protects the basic carrier bars and makes it easier to transport them

#### Ski rack insert

| for Mercedes-Benz roof box L |

A secure hold for up to three pairs of skis, subject to ski geometry. For Mercedes-Benz roof box L | not pictured |

# CARGO & CARE

### **Mercedes-Benz Bikes**

These sporty and elegant bikes, with their exclusive Mercedes-Benz design, are suitable for everyday all-round use and for touring. For more detailed information, please see our “Mercedes-Benz Bikes” brochure

### **New Alustyle ski and snowboard rack “Standard”**

For up to 4 pairs of skis or 2 snowboards. Lockable | pictured below |

### **New Alustyle ski and snowboard rack “Comfort”**

For up to 6 pairs of skis or 4 snowboards. Lockable. Practical pull-out function makes loading and unloading easier | pictured left and right |

### Coil locks

Designed to help prevent theft. Available as an option for the bicycle rack

*Bicycle rack*

*Coil locks*

*Coolbag*

*Coolbox*

*Rectifier*

*Ski bag*

*Ski/snowboard rack*

### New Alustyle bicycle rack

Depending on the maximum roof load, up to four bicycle racks can be fitted per pair of basic carrier bars. Each bicycle rack can hold one bicycle with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes). The support frame folds down when not in use, reducing drag when travelling without cycles. Cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted | also pictured right |

*The convenient design of the Mercedes-Benz bicycle rack allows the cycle to be attached at ground level. The cycle is simply mounted on the rail alongside the vehicle and both are then fitted to the basic carrier bars*

### Ski bag for interior

For up to four pairs of skis. With carrying strap and straps for attaching to load-securing rings in load compartment

### Coolbox

| black/grey | Hard case with fabric cover featuring pockets for extra items. Cold/hot switch. Capacity: 24 litres. 12V connection. Adjustable carrying strap

### Coolbag

| black | Fabric outside – plastic liner inside. Outside pockets offer plenty of room for extra items. Capacity: 12 litres. 12V connection. Adjustable carrying strap

### Rectifier

Allows the Mercedes-Benz coolbox and the coolbag to be connected to a 230V socket at home

# CARGO & CARE

### Fluorescent jacket

Already compulsory in many countries, the bright orange and yellow fluorescent jackets with reflective stripes are conspicuous even in the dark. Available individually or as a pack of two

### Box of replacement bulbs

Practical and ready at hand when needed: all the right bulbs for your car. Supplied in protective packaging

### Safety tow rod

2-piece steel rod with patented connector and cotter pin. For trailer couplings and towing eyes. Approved for vehicles with a gross vehicle weight of up to 3.2 t

### Rear-mounted bicycle rack for trailer coupling

The rear-mounted bicycle rack is easy to attach to the trailer coupling. A simple fold-down mechanism (pictured below left) means that the load compartment can still be opened. Basic version for two cycles. Lockable. Optional extension for a third cycle pictured below

*The laden bicycle rack can be pivoted downwards, allowing the load compartment to be opened.*

*When the rear-mounted bicycle rack is unladen, simply fold down the vertical retaining bar to access the load compartment. This function also allows space-saving stowage of the rack when removed*

### Extension kit for rear-mounted bicycle rack

Allows you to add a third cycle

### Internal bicycle rack | for two cycles up to max. wheel size of 26" |

The internal bicycle rack protects your cycles from the elements and safeguards them against theft. Supplied with a practical, elegant bag which can be used to secure the removed front wheels in place during your journey

*Please note: because cycles vary significantly in design, it may be necessary to adjust or remove parts such as the handlebars, saddle, mudguards, etc.*

*We therefore recommend that you test the rack's suitability before purchase*

### Trailer coupling

Available in detachable or rigid design. Max. drawbar load 140 kg | picture shows similar product |

### Adapter

For trailer with 7-pin plug

**Reversible mat with load sill protection**

This reversible mat features high-quality velour on one side and non-slip rubber on the other. It not only helps keep the original floor of the load compartment clean but the integral load sill protection also protects the load sill from scratches. When the rear seats are folded flat, the reversible mat covers the entire load area

| available in black, alpaca grey and cashmere beige |

### **Stowage crate**

Can be divided into four sections using the adjustable partitioning elements. Ideal for transporting objects you don't want to tip over or slide around. Full functionality only in conjunction with the shallow boot tub

### **Shallow boot tub**

Simple to clean. Non-slip thanks to Perl-M material. Suitable for transporting foodstuffs

### **Concertina bags**

Two bags made from robust, washable nylon, attached to a sturdy aluminium frame. The frames are simply slotted into the load system strips in either side of the load compartment floor. Each bag features two large stowage compartments and has two straps, making it easy to remove and carry

### **Deep boot tub**

The hygienic way to transport objects in the load compartment. Suitable for transporting foodstuffs

### **Non-slip mat**

black | Non-slip mat made from oil and acid-resistant polyester. Designed to fit the contours of the load compartment

#### Partition net

Separates the load compartment from the passenger compartment

#### Partition/divider

black | Three interconnecting steel mesh sections used to divide the load compartment and to shield the passenger compartment

#### Load compartment management system

The load compartment management system prevents objects from sliding around when you're on the move. Consisting of two frame elements, a swivel-mounted and adjustable net frame (with three settings) and a retaining strap and hooks which attach to the net frame

### Luggage nets

Available for the floor of the load compartment, the side of the load compartment and the rear bench seat. Prevent lightweight objects from sliding around during your journey. All nets are in pocket format

### Charger with trickle charge function

With its cutting-edge technology, the Mercedes-Benz charger ensures the longest possible battery life. Available in a 3.6 amp version (below) and a 25 amp version (not pictured)

### Tie-down strap

Even heavy objects can be secured in place easily using this strap

### Luggage-securing feature

Ingenious solution to the problem of luggage sliding around in the load compartment. Attaches securely around the object in question thanks to Velcro fastening

Lifestyle Collection*

# COLLECTION

# It all begins with an M

Mature. Modern. Magnificent. Products which are a perfect match for your M-Class. And for you too?

Decide for yourself.

## Samsonite upright suitcase, large

This robust, hardwearing case is the ideal companion for your world travels. With combination lock, reinforced corners and side handle. W x H x D approx. 48 x 70 x 30 cm

## Samsonite holdall

For a sense of luxury that begins the moment you start packing. Zip opens wide, so everything can be packed and removed without creasing. With comfortable shoulder straps and reinforced base. W x H x D approx. 65 x 33 x 33 cm

## Rucksack

The star of any outing. Rucksack with Mercedes-Benz logo on front. Numerous compartments for a tidy, organised feel: 2 front compartments, zipped compartments, mobile-phone pocket. Padded shoulder straps and carrying handle. Sporty carbon fibre look

## "ML" key ring

Key ring with split ring, central element and moveable brass link - with a replica of the lettering that appears on the tailgate of the car. The fob is virtually nickel-free and plated with high-quality rhodium, giving it a particularly bright silver colour. The high-shine polished finish and the matt link round off the key ring to perfection

### Mercedes-Benz pocket knife by Richartz

Attractive exterior. And impressive features. Pocket knife made from matt stainless steel. With large and small blade, scissors, bottle opener/screwdriver combination, tin opener, bradawl, corkscrew and fastening rings. Rustproof

### Unisex diver's chronograph watch

Harmony of form and function. Contemporary diver's watch design: crown and pushers positioned at nine o'clock. The convex mineral crystal is hardened and non-reflective. Stainless steel case with screw back. Rotating bezel. Date feature. Robust black plastic strap. Tested to 5 ATM

### Thermo mug

Slimline design. Thermo mug made from stainless steel. Double-walled, with vacuum insulation - keeps contents warm for up to 6 hours, cools for up to 12 hours. Sealed lid. By Sigg. Mercedes-Benz logo. Colour: black

### Model car

Scale: 1:43, colour: calcite white, manufacturer: Minichamps

### Men's sunglasses

A sporty look isn't just in the eye of the beholder. These unisex sunglasses ooze pure athleticism. Zeiss lenses. 100% UV protection. Black plastic frame with metal inlay. With case

Please note: changes may have been made to the products since this brochure went to press (01.11.2008). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure has been compiled by Daimler AG of Germany and is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others. For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest authorised Mercedes-Benz Passenger Car Dealer.
