

IMPORTANT!

This brochure has been compiled by Daimler AG of Germany or one of its Group Companies to provide a general indication only of the range of vehicles, optional extras (for example satellite navigation systems, interface and telecommunication kits), accessories, merchandise and/or products (together, the range is known as the “Products”) available in various countries. Some of the Products shown may not be available in Australia, or may only be available in a different specification. Additionally, some Products may only be available in combination with others. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. Products available while stocks last. Changes may have been made to the Products since this brochure was printed. The information in this brochure is therefore indicative, illustrative and provided only for guidance and should not be relied upon. For current information on the availability, design, features and prices of Products available in Australia you should contact your local authorised Mercedes-Benz Dealer.

April 2008

Genuine accessories for the SLK-Class

Mercedes-Benz

Please note: changes may have been made to the products since this brochure went to press (19.12.2007). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure has been compiled by Daimler AG of Germany and is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others. For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest authorised Mercedes-Benz Passenger Car Dealer.

EXTERIOR

Pièces de résistance

People who choose an SLK do so because they appreciate its clean lines and honed design. At the same time they also appreciate the fact that there are plenty of ways to adapt and personalise this stylish car.

Make your SLK as individual as you are. Four pages of **incenio** designer wheels alone give you some idea of the range of possibilities on offer.

incenio designer wheels

Korsunia

iPod Interface

*Media Interface
consumer cables*

*Audio/navigation
Telephony*

TELEMATICS

Sound choices

When you're driving with the top down, the sound of the wind in your ears can be the perfect accompanying music. But if you'd rather listen to a more conventional soundtrack, the Mercedes-Benz telematics systems are the perfect choice.

Have your SLK factory-fitted with the optional extra Media Interface and hook up your music player to the USB, AUX or iPod port. The Interface not only lets you use a variety of players but conveniently allows you to control the playback via your audio system too.

Media Interface consumer cables

For models with optional extra "Media Interface" (Code 518)

Set of 3 cables, designed to connect various players (one at a time) to the pre-installed Media Interface in the glove compartment. Allows you to select tracks and adjust the playback via your car's audio system.

The current status of your player also appears in the central driver's display, helping you to keep your attention focused on the traffic.

Designed to connect iPods¹ [2] and devices with USB² [1] or AUX [3]

¹ For details and a list of the supported players, please contact any Mercedes-Benz service outlet or visit the "Accessories" section of our website: www.mercedes-benz.com

² Supports MP3, WMA and AAC. For further details, contact your Mercedes-Benz partner

iPod®/iPhone® holder³

Black plastic holder for the glove compartment. Holds your iPod in place. Soft, flock surface protects the player from scratches and prevents it sliding around. For the iPod Interface Kit

Mercedes-Benz iPod Interface Kit³

It's easy to control your iPod via the multifunction steering wheel: scroll through the menus [A], adjust the playback and volume [B] and display the artist/title of your choice in the instrument cluster [C].

The soft, flocked surface of the iPod/iPhone holder protects your player from scratches and prevents it from sliding around

³ The Mercedes-Benz Interface Kit allows you to listen to the music on your iPhone. It does not support the phone function

The iPod Interface Kit and the iPod holder are compatible with the following models: iPod (from 4th generation) | iPod video | iPod photo | iPod U2 | iPod mini | iPod nano 1st and 2nd generation | iPod classic | iPod touch | iPhone

iPod/iPhone holder cannot be used in conjunction with Media Interface consumer cables

Media Interface consumer cables

iPod Interface Kit
iPod/iPhone holder

TELEMATICS

COMAND APS with 6-DVD changer

The new COMAND APS now offers even more convenience and freedom when you're on the move: your route is navigated with impressive speed, thanks to the integral hard drive. The MUSIC REGISTER has up to 4 GB of memory, offering virtually unlimited space for your favourite music. COMAND APS plays back music from DVDs and CDs and from SD memory cards. The optional Media Interface (see page 18) also allows you to connect your mobile music player. And for convenience and enhanced safety, all of these functions can be controlled via your COMAND system. Other features: Bluetooth® connectivity, 6.5" TFT colour display, dynamic route guidance (RDS/TMC), double-tuner radio with 4-channel amplifier for outstanding sound, DVD changer controls. Also available without DVD changer as an option

Audio 20 CD with CD changer

Double-tuner radio with 5" colour display. Bluetooth interface with hands-free function. CD changer is MP3-compatible. Can be operated via the multifunction steering wheel

Audio 50 APS with 6-DVD changer

Navigation system and car hi-fi combined in one unit which can be operated via the multifunction steering wheel. Dynamic route guidance via RDS/TMC. Navigation arrows shown on 5" TFT colour display. Bluetooth connectivity with hands-free function as standard, double-tuner radio with 4-channel amplifier for outstanding sound. DVD changer controls. Also available without DVD changer as an option

Europe navigation DVD for COMAND APS

The whole of Europe on one DVD

Europe navigation DVDs for Audio 50 APS

The whole of Europe on three DVDs

The data for the Mercedes-Benz navigation systems is regularly updated. Please ask your Mercedes-Benz partner for the latest versions

For further information about using the phone while in your car, see our Telematics brochure. Ask your Mercedes-Benz partner for a copy

Mobile-phone holders

When it comes to selecting a mobile for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the system's intelligent mobile-phone holder. It takes a matter of seconds and is as straightforward a process as inserting the mobile into the holder itself. Changing your mobile and even alternating between different models of mobile no longer presents a problem. There are no compromises when it comes to convenience-enhancing technology either: the telephone can be operated via the multifunction steering wheel, and the telephone status and call information are displayed in the central multifunction display – as you would expect.

To use a mobile-phone holder, your car must be factory-fitted with one of the two following optional extras:

- ▶ Code 386 convenience telephony
- ▶ Code 388 Mercedes-Benz mobile phone (UHI)

Holders are available for many popular Nokia and Sony Ericsson mobile phones

*Interior appointments
Child safety*

INTERIOR

The view from the inside

In a roadster the boundaries between the interior and exterior are fluid, particularly when it features an intelligent, fully automatic roof.

For those who appreciate comfort, there are plenty of extras to choose from. Including a plexiglass draught-stop that protects the occupants of the SLK from the wind, without depriving them of that glorious sensation of being in direct contact with the outside world.

Wood/leather steering wheel

The exclusive wood/leather steering wheel, with its 3-spoke design, coordinates perfectly with the interior of your SLK. It not only underlines your car's dynamic elegance but also offers ergonomic comfort with its contoured thumbrests | wood: pale burr walnut | leather: black |

Mesh draught-stop

The basis of the draught-stop is a fine-mesh net which slows down the airflow and reduces the volume of air. Its sophisticated design makes it simple to fit. The fabric draught-stop behind the seats protects the occupants from draughts.

Plexiglass draught-stop

Three-piece set for enhanced comfort when driving with the top down. The transparent plexiglass plate and nets stretched on plastic frames for the roll-over bars can be precision-fitted to the vehicle in a few simple steps. Supplied with a practical stowage bag

Wood/leather steering wheel
Draught-stops

INTERIOR

“DUO plus” child seat

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable shoulder belt and ventilation channels. With automatic child seat recognition and ISOFIX attachment points. Adjustable tilt. Removable, washable “DaimlerSquare” cover | pictured above left |

“KID” child seat

Booster seat with height-adjustable backrest. The belt guides at the sides prevent the lap belt from sliding over the child’s abdomen. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12 (approx. 15 to 36 kg). Removable, washable “DaimlerSquare” cover | pictured above right |

“BABY-SAFE plus” child seat

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg). Removable, washable “DaimlerSquare” cover

Seat covers

Available for driver and passenger seat. In black only

Mercedes-Benz child seats are available with automatic child seat recognition as an option. If your car also has automatic child seat recognition, the technology automatically deactivates the passenger airbag when a child seat with automatic child seat recognition is installed on the passenger seat.

For further information on the Mercedes-Benz child safety range, ask your Mercedes-Benz partner for a copy of our separate brochure

*Child safety
Seat covers*

INTERIOR

All-season mats, rep mats, velour mats

Durable, hardwearing materials. Available in various colours to match the interior. Can be clip-fastened to the floor of the vehicle to prevent slipping

Edition SLK suit cover

Made from high-quality ballistic nylon. Holds up to 3 items of clothing. Designed to hang behind one of the seats, taking up a minimum of space. Large leather flap with magnetic fastening at front, embossed with "SLK"

Cup holder

The cup holder allows you to keep cups and cans within easy reach at all times. Available in black

Illuminated door sill panels

The blue illuminated Mercedes-Benz lettering is activated every time you open the door to get in or out. These illuminated door sill panels, in brushed stainless steel, are a further "highlight" of the SLK

Spectacles box

Universal - adjusts to different sizes of spectacles/sunglasses

CARGO & CARE

| 1 |

| 2 |

| 3 |

Mercedes-Benz roof boxes

Elegant, aerodynamic design, made for your Mercedes-Benz. High-quality, extremely durable material. Available in two colours: titanium metallic **A** and matt silver **B**

1 | Mercedes-Benz roof box XL family box | Capacity: approx. 450 litres. Available with opening on right or left. Optional accessories: luggage set and ski rack insert | pictured on p 33 |

2 | Mercedes-Benz roof box L sports box | Capacity: approx. 330 litres. Available with opening on right or left. Optional accessories: luggage set and ski rack insert | pictured on p 33 |

3 | Mercedes-Benz roof box M weekend box | Capacity: approx. 400 litres. Available with opening on right or left

Alustyle basic carrier bars

The Alustyle basic carrier bars, specifically developed for the SLK, are precision-tailored to the vario-roof and are fitted to the A-pillar and the rear. The vehicle must feature the optional extra "pre-installation for carrier systems". The Alustyle basic carrier bars are compatible with a variety of different roof-mounted accessories (e.g. ski and snowboard rack, bicycle rack and roof boxes)

Optional extra "pre-installation for carrier systems"

Required for fitting basic carrier bars (can also be retrofitted). Please contact your Mercedes-Benz retailer

Carrying the argument

Who said a Roadster isn't the best choice for your holiday travels?

Obviously someone who wasn't familiar with the SLK. We offer the same versatile range of roof-mounted carrier systems for your Roadster as we do for our Saloons. Ideal for anything from bikes and snowboards to roof boxes.

Our precision-fit Mercedes-Benz carrier systems are developed using the vehicle's original CAD data and are subjected to intensive testing.

Luggage set | for Mercedes-Benz roof box L |

Four bags made from hardwearing, water-repellent polyester. Tailored to the dimensions of the roof box L | pictured below left |

Luggage set | for Mercedes-Benz roof box XL |

Four bags, designed to make perfect use of the space available in the roof box XL. Made from hardwearing, water-repellent polyester. Plus two matching ski bags, each designed to hold max. two pairs of skis. Ski bag also available separately | pictured below centre |

Ski rack insert

A secure hold for up to five pairs of skis, subject to ski geometry. For Mercedes-Benz roof box XL | pictured below right |

A secure hold for up to three pairs of skis, subject to ski geometry. For Mercedes-Benz roof box L | not pictured |

CARGO & CARE

New Alustyle ski and snowboard rack

“Comfort” | for up to 6 pairs of skis or 4 snowboards.
Lockable | pictured below |
Practical pull-out function makes loading and unloading easier | pictured left |
“Standard” | for up to 4 pairs of skis or 2 snowboards.
Lockable | pictured right |

The convenient design of the Mercedes-Benz bicycle rack allows the cycle to be attached at ground level. The cycle is simply mounted on the rail alongside the vehicle and both are then fitted to the basic carrier bars

*Ski/snowboard rack
Bicycle rack
Coil locks*

New Alustyle bicycle rack

Up to three bicycle racks can be fitted per pair of basic carrier bars. Each bicycle rack can hold one bicycle with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes). The support frame folds down when not in use, reducing drag when travelling without cycles. Cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted | pictured above |

Coil locks

Designed to help prevent theft. Available as an option for the bicycle rack

Mercedes-Benz Bikes

Sporty, elegant bikes in an exclusive Mercedes-Benz design. Ideal for everyday cycling and touring. | not pictured |
For further details, please see our “Mercedes-Benz Bikes” brochure

CARGO & CARE

A | Coolbox
 black/grey | Hard case with fabric cover featuring pockets for extra items. Cold/hot switch. Capacity: 24 litres. 12 V connection. Adjustable carrying strap

B | Coolbag
 black | Fabric outside - plastic liner inside. Outside pockets offer plenty of room for extra items. Capacity: 12 litres. 12 V connection. Adjustable carrying strap

C | Rectifier
 Allows the Mercedes-Benz coolbox and the coolbag to be connected to a 230 V socket at home

Ski bag for interior
 For up to four pairs of skis. With carrying strap and straps for attaching to load-securing rings in boot

Luggage-securing feature
 Ingenious solution to the problem of luggage which slides around in the boot. Attaches securely around the object in question thanks to Velcro fastening

Luggage nets
 Available for the floor or side of the boot, the load sill and the rear bench seat. Prevent lightweight objects from sliding around during your journey. All nets are in bag format

Shallow boot tub
 Simple to clean. Non-slip thanks to Perl-M material. Suitable for transporting foodstuffs

*Mercedes-Benz
Lifestyle Collection*

COLLECTION

“SLK” key ring

Shiny. Solid. Bold. Key ring featuring a replica of the SLK symbol from the SLK boot lid. Letters in diecast zinc. Split ring, centre section and articulated link in brass. All parts feature a high-quality rhodium coating and are virtually nickel-free, emphasising the silver colour to full effect. High-sheen polished surface with matt links. Laser-engraved Mercedes-Benz logo

Scarf

Fine yarns – blended to create a warming and stylish accessory. Made from wool and cashmere. Grey and black stripes. 180 x 30 cm

Living the lifestyle

You drive a Mercedes-Benz. But do you live a Mercedes-Benz lifestyle? The Mercedes-Benz Collection offers a whole range of ways to transfer the standards you apply to your car to other areas of your life too.

So when you purchase a cashmere scarf or a Mercedes-Benz watch you’re investing in a whole lot more than the product itself.

Classic cosmetics bag

A special item for everyday use. This leather cosmetics bag easily accommodates everything you need. One slot pocket on front, two slot pockets inside

Wallet

Life has plenty to offer. If you want to enjoy it to the full, having the right wallet can’t hurt. Six credit card slots, one note section, one slot pocket and one money clip should cover everything

Women’s sunglasses

A lot of things in life depend on your point of view. But good taste is something that’s undeniable. Undeniably attractive. Take a glance at these sunglasses – or, even better, try them on for yourself – and you’ll know what we mean. Delicate metal frame with purple plastic elements. Zeiss lenses with graduated tint. 100% UV protection. With case

Unisex aviator’s watch

Transcends all time zones with its sublime design. Stainless steel and leather combined to stylish and confident effect. Distinctive rotating bezel, glow-in-the-dark hands, screw back. Tested to 5 ATM. Mercedes-Benz logo engraved on back
