

 **TOYOTA RAV4**
oh what a *feeling!*

Engineered for more excitement.

More options for more action.

Australia's most popular AWD gives you more of what you want. RAV4 is also joined by the powerful RAV V6. The RAV4 is driven by an intelligent 2.4 litre twin cam engine which delivers 125kW of power whilst the RAV V6 is powered by an impressive 3.5 litre dual VVT-i quad cam V6 with 201kW on tap. They're both big and roomy with comfortable seating for 5 adults and a large boot that becomes even larger when the back seats are folded flat. RAV4 and RAV V6, they're designed to be uncomplicated, for no-nonsense fun.

Big on comfort and space.

Clever engineering has resulted in a cabin that's spacious inside, with passenger car-like levels of comfort as well. You've not only lots of passenger room, but all the cargo room you'll need. There are also plenty of handy storage compartments like upper and lower gloveboxes, a two shelf centre console box, plus cupholders and bottle holders in each door.

SX6 model shown.

Get to grips with technology.

There's a comprehensive Driver Assist Technology (DAT) package to help make the going easier. Active All Wheel Drive (AWD) is standard which allows the vehicle to switch continuously from front wheel drive to AWD and automatically engages when it anticipates a loss of traction. In RAV4 Cruiser, Cruiser L and all V6 models, Vehicle Stability Control (VSC) and Traction Control (TRC) ensure a greater sense of control in challenging conditions. Hill-start Assist Control (HAC) and Downhill Assist Control (DAC) ensure greater driveability on steep slopes, especially off-road. Toyota's Vehicle Control Management System (VCMS) links the various traction enhancing technologies together for greater vehicle control.

Greater degree of protection.

A total package of active safety measures gives you a greater feeling of confidence. Toyota's Active Braking with intelligence (AB-i) is standard across the range and includes Anti-skid Braking System (ABS) with Brake Assist (BA) and Electronic Brake-force Distribution (EBD).

The body structure is also big on engineering advances which help improve driving stability and steering response for sportier driving while improving passive safety as well. The Supplementary Restraint System (SRS) airbag package has up to 6 airbags available including dual stage front airbags as standard. In selected models, front side airbags, and front and rear side curtain airbags help minimise injury in side collisions. That's powerful thinking.

RAV4. Toyota Genuine Accessories.

When you choose Toyota Genuine Accessories you're adding even more personality, protection and practicality to your Toyota RAV4 by keeping it Genuine. Toyota Genuine Accessories are designed, tested and manufactured to strict Toyota Standards, specifically for your Toyota RAV4.

This quality and reliability is supported with up to a 3 year, 100,000km warranty, whichever occurs first (if fitted at the time of new vehicle purchase, conditions apply). For customised fit and real peace of mind, keep the feeling 100% Genuine, keep your Toyota *all* Toyota. Now that's uncompact thinking!

RAV4 Cruiser L shown accessorised with Deluxe Alloy Nudge Bar, Aero Roof Racks, Side Steps, Bonnet Protector, Headlamp Covers, Front Mudguards, Front Weathershields and Vortex-V 17" Alloy Wheels.

Deluxe Alloy Nudge Bar & Driving Lights (sold separately)

Audio Cable and Car Charger for iPod.[®]

Carpet Floor Mats – Front & Rear Set

TOYOTA GENUINE ACCESSORIES ARE COVERED BY OUR TOYOTA WARRANTY*

Some Toyota Genuine Accessories are not applicable to all RAV4 models. See your Toyota Dealer for advice regarding Toyota Genuine Accessories. Pictured Accessories are all sold separately. For a comprehensive guide on the entire range of Toyota Genuine Accessories, visit our website at accessories.toyota.com.au.

*All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for one year (unlimited kilometres). Conditions apply. All warranties are additional to the implied warranties under the Trade Practices Act 1974.

[#]Current Navigation mapping database encompasses major capital and primary national road networks as well as offering some coverage in regional areas.

[†]The Bluetooth word mark is owned by Bluetooth SIG, Inc. Bluetooth[™] will only operate with telephones enabled with compatible Bluetooth[™] wireless technology (HFP [Hands Free Profile] version 1.0 and OPP [Object Push Profile] version 1.1 international standards).

[^]Available on selected models where AUX-In option is part of audio unit. Suits iPod[®] models that have a dock connector. Refer to your Apple iPod[®] Instruction Manual. iPod[®] is a registered trademark of Apple Inc. This accessory is not a Toyota Genuine Accessory (supplier branded) and is warranted for 12 months from the date of purchase. This warranty is additional to the implied warranties under the Trade Practices Act 1974.

^{##}Towbar capacity subject to regulatory requirements towbar design, vehicle design and towing equipment limitations.

^{^^}ParkAssist is designed as a driver assist device only and should not be used as a substitute to skilled driving and safe parking practices. The area into which the vehicle is to be reversed must be visually monitored by the driver while parking.

^{**}Optional FollowMe iPod[®] kit available. iPod[®] is a registered trademark of Apple Inc.

CV model shown.

RAV4 has more in store.

Powered by a high tech 2.4 litre DOHC 4-cylinder with the added efficiency of VVT-i, RAV4 is equipped to take you wherever you want to go. You've the choice of a 5-speed manual or 4-speed automatic and the practicality of a generous 1500kg braked towing capacity.# Electric Power Steering with tilt and telescopic steering column adjustment is standard.

RAV4 Cruiser is distinguished by its six spoke alloy wheels and overfender flares. Embellishments inside extend to a leather shift lever and knob, 6-disc CD changer, a leather steering wheel with audio controls and front dual zone climate control air conditioning. Cruiser L comes with all these features along with a full leather interior with power adjusted driver's seat.

Cruiser and Cruiser L are also equipped with the reassurance of Traction Control (TRC), Vehicle Stability Control (VSC) and Hill-start Assist Control (HAC). Automatic equipped models also have the reassurance of Downhill Assist Control (DAC).

The intensity of the RAV V6.

Enjoy all the space and practicality of RAV4 with the added punch of a big 3.5 litre dual VVT-i V6 backed by a smooth shifting 5-speed automatic. RAV V6 gives you 201kW of adventure seeking power, yet has an economical fuel consumption figure of just 10.5 L/100km.†

A big 1900kg braked towing capacity# means you don't need to leave anything behind.

On the outside a chrome front grille, V6 badges and darkened headlamps set RAV V6 models apart. A full Driver Assist Technology package is standard, as VSC, TRC, HAC and DAC provide enhanced control in challenging conditions. Along with driver and front passenger airbags, side & curtain shield SRS airbags are also part of the package for extra peace of mind. Interior features of the V6 models are similar to those in the 4-cylinder models.

RAV V6 SX6 and ZR6 models stand alone with their unique five spoke 17" alloy wheel design and also feature overfender flares. The ZR6 comes fully equipped with the guidance of a DVD-based Satellite Navigation system^, and heated front seats for climate comfort.

†Fuel consumption will vary depending on driving conditions/style, vehicle conditions and options/accessories. Source of fuel consumption data: ADR81/01 combined (L/100km) for manual/auto models.

#Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations.

TOYOTA SERVICE ADVANTAGE CUTS NEW CAR RUNNING COSTS

Toyota Service Advantage makes owning your RAV4* or RAV V6 even more economical because you are now entitled to low cost scheduled servicing capped for up to 6 standard services during the first three years or 60,000km, whichever occurs first. Terms and conditions apply. See your Toyota dealer or advantage.toyota.com.au for eligibility, pricing and more information. Toyota Service Advantage pricing represents the maximum amount payable for standard scheduled servicing which is as per 'maintenance for normal operating conditions' outlined in the Warranty & Service Handbook's service schedule. Service plan eligibility excludes Government and rental vehicles and certain other exclusions apply.

Note: Toyota Australia reserves the right to vary and discontinue from time to time the interior and exterior colours, trims and colour/trim/model combinations currently available. Colours and trims displayed here are a guide only and may vary from actual colours due to printing/display process. See your Toyota dealer to confirm colour/trim/model availability when ordering your vehicle.

*Indicates mica, metallic or pearlescent paint which is available at extra cost.

#Toyota Service Advantage effective from January 2008 compliance plate vehicles and onwards.

RAV4 & RAV V6 technical specifications

Engine

Engine type – Petrol
L4 Engine displacement – 2362cc
V6 Engine displacement – 3456cc
L4 Engine configuration – 4-cylinder in-line
V6 Engine configuration – 6-cylinders V type
Valve train – Double Over Head Camshaft (DOHC) with 4 valves per cylinder
L4 Valve mechanism – Variable Valve Timing with intelligence (VVT-i)
V6 Valve mechanism – Dual Variable Valve Timing with intelligence (Dual VVT-i)
Max. power – 125kW/6000rpm (4 cyl), 201kW/6200rpm (V6)
Max. torque – 224Nm/4000rpm (4 cyl), 333Nm/4700rpm (V6)

Fuel

Fuel system – Electronic Fuel Injection (EFI)
Fuel type – 91 RON unleaded

Transmission

Driveline – Active Torque Control 4WD
L4 Transmission – 5-speed manual / 4-speed electronically controlled automatic with lock-up torque converter (optional)
V6 Transmission – 5-speed automatic transmission with Super Intelligent Electronically Controlled Transaxle

Steering

Steering system – Rack and pinion
Steering operation – Electric Power Steering (EPS)
Turns lock to lock – 2.8
Turning circle – 10.6m

Brakes

Front – 296mm ventilated disc
Rear – 281mm solid disc
Active Braking with intelligence incorporating Anti-skid Braking System (ABS) with Brake Assist (BA) and Electronic Brake-force Distribution (EBD)

Suspension

Front – Independent Macpherson strut type
Rear – Independent trailing arm double wishbone type

Dimensions*

Overall length: 4600mm
Overall width: CV & CV6- 1815mm
Overall width: Cruiser, Cruiser L, SX6, ZR6 – 1855mm
Overall height: CV & CV6- 1695mm,
Overall height: Cruiser, Cruiser L, SX6, ZR6 – 1730mm
Wheelbase – 2660mm
Front and rear track – 1560mm
L4 Ground clearance (unladen) – 195mm
V6 Ground clearance (unladen) – 200mm
Approach angle (degrees) – 30
Departure angle (degrees) – 26
Ramp over angle (degrees) – 20

Weights/Capacities

Seating capacity – 5
Fuel tank capacity (litres) – 60

Kerb weight (kg)^o

CV, Cruiser, Cruiser L (manual) – 1550kg
CV, Cruiser, Cruiser L (automatic) – 1590kg
CV6, SX6, ZR6 – 1655kg

Towing capacity*

Without trailer brakes – 750kg
L4 With trailer brakes – 1500kg
V6 With trailer brakes – 1900kg

4 cylinder CV features

Exterior

Body coloured front and rear bumpers
Body coloured power exterior mirrors
Body coloured door handles
Tinted UV cut glass
17" steel wheels
225/65R17 101H tyres
Rear mudflaps
Body coloured rear spoiler
Touch up paint

Interior

Front seat slide and recline adjustment
Driver's seat height adjustment
Front seat height adjustable headrests
60:40 split fold rear seat
Remote release fold flat rear seat
Rear seat slide and recline adjustment
Rear seat centre armrest
3 rear seat height adjustable headrests
