

IMPORTANT!

This brochure has been compiled by Daimler AG of Germany or one of its Group Companies to provide a general indication only of the range of vehicles, optional extras (for example satellite navigation systems, interface and telecommunication kits), accessories, merchandise and/or products (together, the range is known as the “Products”) available in various countries. Some of the Products shown may not be available in Australia, or may only be available in a different specification. Additionally, some Products may only be available in combination with others. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. Products available while stocks last. Changes may have been made to the Products since this brochure was printed. The information in this brochure is therefore indicative, illustrative and provided only for guidance and should not be relied upon. For current information on the availability, design, features and prices of Products available in Australia you should contact your local authorised Mercedes-Benz Dealer.

Mercedes-Benz

March 2009

Please note: changes may have been made to the products since this brochure went to press (30.01.2009). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure has been compiled by Daimler AG of Germany and is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others. For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest authorised Mercedes-Benz Passenger Car Dealer.

EXTERIOR

Extra. Class

Pure Mercedes. In every respect. The new E-Class perfectly encapsulates the qualities of the Mercedes-Benz brand: state-of-the-art design at its most elegant.

This brochure offers a range of ways to interpret the unmistakable character of the new E-Class in your own individual style.

incenio designer wheels, for example, offer a simple way to add a personal touch.

Ask yourself – why does elegance start with an “E”?

Gulshorn | 5-spoke wheel

incenio designer wheel | Finish: sterling silver

Wheel: 8.5 J x 17 ET 48 | Tyre: 245/45 XL R17
A212 401 1902

| also pictured on page 4 |

Haidea | 8-spoke wheel

incenio designer wheel | Finish: sterling silver

Wheel: 8.5 J x 17 ET 48 | Tyre: 245/45 XL R17
A212 401 1802

On all light-alloy wheels, use wheel bolt B6 647 0159 and the corresponding rim lock B6 647 0155.

Light-alloy wheels are supplied without tyres, wheel bolts or hub caps

EXTERIOR

incenio designer wheels

Shayni | 7-spoke wheel

incenio designer wheel

Finish: sterling silver

Wheel: 7 J x 16 ET 38 | Tyre: 205/60 R16

A212 401 1702; not in conjunction with 4MATIC;
for E 200, E 200 CDI and E 220 CDI Saloons only

Tyre pressure gauge

Compact design. Saves readings. Suitable for all tyre valves (including cycle tyres). Keeping tyres at the optimum pressure saves fuel and reduces tyre wear. Supplied with leather pouch

Sinnif | 5-spoke wheel

incenio designer wheel

Finish: sterling silver

Wheel: 8.5 J x 18 ET 48

Tyre: 245/40 R18

A212 401 2102

Option for rear axle:

Wheel: 9 J x 18 ET 54

Tyre: 265/35 XL R18

A212 401 2202; not in conjunction
with 4MATIC

| also pictured on front

EXTERIOR

Chrome-look indicator bulbs

Mirrored indicator bulbs round off the chrome finish of your E-Class to perfection | standard equipment pictured below left |

5-twin-spoke wheel

Finish: titanium silver

Wheel: 8 J x 17 ET 48 | Tyre: 245/45 XL R17
A212 401 0902

Mud flaps

Protect the underbody and the sides of the car from loose chippings and dirt. For front and rear axles. Can be painted in body colour by dealer | not pictured |

9-spoke wheel

Finish: titanium silver

Wheel: 7 J x 16 ET 38 | Tyre: 205/60 R16
A212 401 0002; not in conjunction with 4MATIC;
for E 200, E 200 CDI and E 220 CDI Saloons only

Wheel: 7.5 J x 16 ET 45.5 | Tyre: 225/55 R16
A212 401 0102; not in conjunction with 4MATIC

Standard indicator bulb

10-twin-spoke wheel

Finish: titanium silver

Wheel: 7.5 J x 16 ET 45.5 | Tyre: 225/55 R16
A212 401 0702; not in conjunction with 4MATIC

Wheel: 8 J x 17 ET 48 | Tyre: 245/45 XL R17
A212 401 0302

5-spoke wheel

Finish: titanium silver

Wheel: 8.5 J x 18 ET 48 | Tyre: 245/40 R18
A212 401 1302

Option for rear axle:

Wheel: 9 J x 18 ET 54 | Tyre: 265/35 XL R18
A212 401 1402; not in conjunction with 4MATIC

Snow chain systems

The RUD-matic snow chain has a user-friendly design and can be fitted and removed quickly. With extra-reinforced chain links for the toughest conditions and excellent traction on snow and ice, it is a reliable companion in wintry road conditions. Your Mercedes-Benz partner will be happy to advise you on this and other snow chain systems

5-twin-spoke wheel

Finish: titanium silver, high-sheen

Wheel: 8 J x 16 ET 46 | Tyre: 225/55 R16
A212 401 0202; not in conjunction with 4MATIC

Wheel: 8.5 J x 17 ET 48 | Tyre: 245/45 XL R17
A212 401 0402

On all light-alloy wheels, use wheel bolt B6 647 0159 and the corresponding rim lock B6 647 0155.

Light-alloy wheels are supplied without tyres, wheel bolts or hub caps

TELEMATICS

Media Interface consumer cables

For models with optional extra "Media Interface" (Code 518)

Set of 3 cables, designed to connect various players (one at a time) to the pre-installed Media Interface in the glove compartment. Allows you to select tracks and adjust the playback via your car's audio system.

The current status of your player also appears in the central driver's display, helping you to keep your attention focused on the traffic.

Designed to connect iPods² [2] and devices with USB³ [1] or AUX [3]

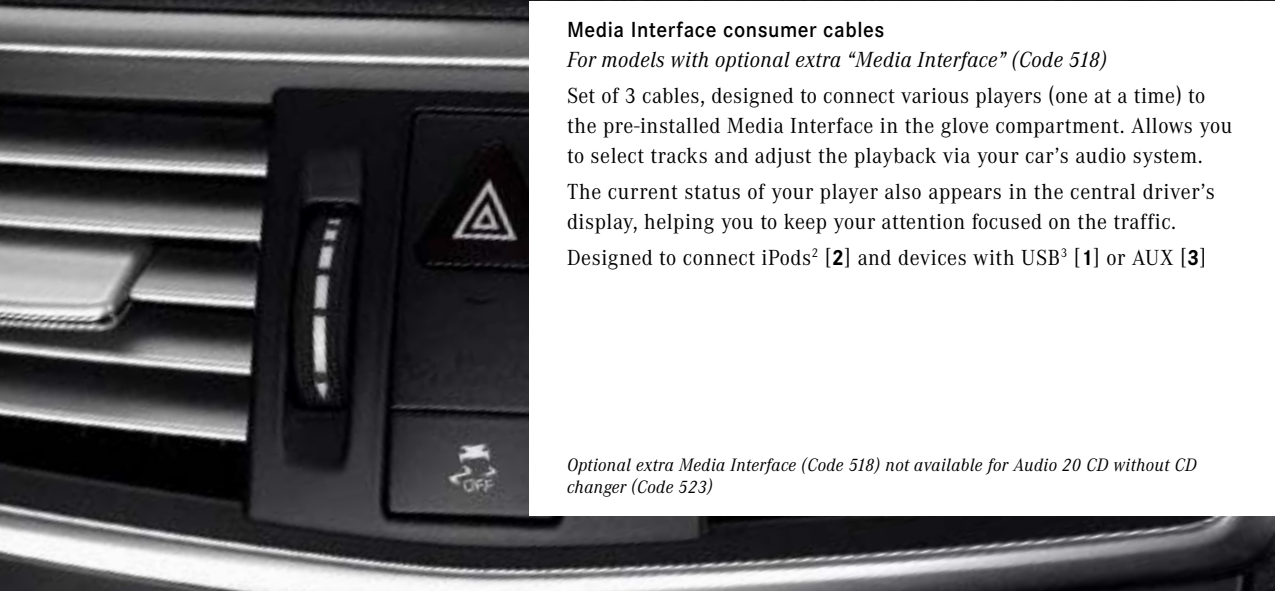

Optional extra Media Interface (Code 518) not available for Audio 20 CD without CD changer (Code 523)

[1]

[2]

[3]

E major. E minor. Easy listening

¹ The Mercedes-Benz Interface Kit will play back audio and video from the iPod application on your iPhone

² For details and a list of supported devices, please contact any Mercedes-Benz service outlet

³ Supports MP3, WMA and AAC. For further details, contact your Mercedes-Benz partner

Musical preferences have always been a matter of personal taste. And nowadays you can listen to your favourite tracks in a whole range of formats too: radio, CD or iPod – in your Mercedes-Benz you're at home on any musical platform.

Relax and enjoy as our effective navigation systems help you find the best way home.

Or do you already feel at home?

iPod Interface Kit

*Media Interface
consumer cables*

Mercedes-Benz iPod® Interface Kit¹

It's easy to control your iPod via the multifunction steering wheel: scroll through the menus [A], adjust the playback and volume [B] and display the title of your choice in the instrument cluster [C]. The iPod is connected and charged in the glove compartment, where it is hidden from prying eyes. No factory-fitted optional extra required

Mercedes-Benz iPod® Interface Kit, Video¹

As with the iPod Interface Kit, controlling your iPod is straightforward. The video appears in the COMAND display (when vehicle is stationary only). Only in conjunction with COMAND (Code 527 or Code 512) | available from 3rd quarter of 2009 |

TELEMATICS

Europe navigation DVDs for Audio 50 APS
 Europe navigation DVD for COMAND APS

¹ Only in conjunction with COMAND APS, Code 527 or 512. The following memory cards are supported: SD, MMC, HS-MMC, DV-RS-MMC, MS, MS-Pro, HS-MS-MG-Pro, HS-MS-Pro, MS-Select, MS-Duo, Ms-Pro Duo, X-card, C-Flash*, T-Flash*, MiniSD*, RS-MMC*, MS-MG*, MS-MP Pro*, MS-Duo-MG*, MS-ROM*. *Additional adapter required (not included)

PCMCIA multi-card reader¹

Listen to your music in comfort while you're out and about using your COMAND system's PCMCIA adapter slot. The plug & play system means your memory card is instantly recognised. MP3, WMA and AAC files are supported. A separate memory card is required for the PCMCIA multi-card reader

Audio 50 APS with 6-DVD changer

Navigation system and car hi-fi combined in one unit which can be operated via the multifunction steering wheel. Dynamic route guidance via RDS/TMC. Navigation arrows shown on 5" colour display. Bluetooth connectivity for automatic transfer of contacts, with hands-free function as standard. Double-tuner radio with 4-channel amplifier for outstanding sound. DVD changer controls. Also available without DVD changer as an option

Audio 20 CD with 6-CD changer

Double-tuner radio with 5" colour display. Bluetooth interface with hands-free function and MP3-compatible CD changer. Can be operated via the multifunction steering wheel

COMAND APS with 6-DVD changer

The new COMAND APS now offers even more convenience and freedom when you're on the move: your route is navigated with impressive speed, thanks to the integral hard drive. Up to 6 GB of memory offers virtually unlimited space for your favourite music. COMAND APS also plays back music from DVDs and CDs, and from SD memory cards. And the optional Media Interface (see page 14) also allows you to connect your portable music player. For convenience and enhanced safety, all of these functions can be controlled via your COMAND system. Other features: Bluetooth® connectivity, 7" colour display, dynamic route guidance (RDS/TMC), double-tuner radio with 4-channel amplifier for outstanding sound, DVD changer controls. Also available without DVD changer as an option

Rediscover navigation. *In recent years integral navigation has made journeys more relaxed, less time-consuming and, above all, safer. If you want to continue to enjoy these advantages to the full, we recommend that you regularly replace the navigation DVD in your navigation system with the latest version. Ensuring that the data you're using matches the roads you're travelling on. And that the only surprises you encounter during your journey are of a pleasant nature*

TELEMATICS

Mobile-phone holders¹

When it comes to selecting a mobile for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the system's "intelligent" mobile-phone holder. It takes a matter of seconds and is as straightforward a process as inserting the mobile into the holder itself.

Changing your mobile and even alternating between different models of mobile no longer presents a problem. There are no compromises when it comes to convenience-enhancing telephone technology either: the phone can be operated via the multifunction steering wheel, and the phone status and call information are displayed in the central multifunction display – as you would expect. Your phone's battery is also charged and connection to the car's external aerial makes for improved reception.

To use a mobile-phone holder, your car must be factory-fitted with optional extra **Code 386, convenience telephony**

Holders are available for various current models of mobile phone:

- 1 | **Nokia** (3109, 3110, 6230, 6230i, 6300, 6500 Classic)
- 2 | **Sony Ericsson** (K800i, K810i, W880i)
- 3 | **Apple** (iPhone)
- 4 | **BlackBerry** (8300, 8310, 8320)

¹ 6-cylinder and 8-cylinder models (automatic transmission) feature an adjustable adapter for mobile-phone holders. This convenient feature allows you to use existing holders which are approved for the E-Class

To find out more about the mobile-phone holders and functions available for your mobile, go to www.mercedes-benz.com/connect, or contact your Mercedes-Benz partner

Mercedes-Benz Bluetooth® telephone module

The telephone module is designed to extend the mobile communication system in your Mercedes-Benz. Just connect it to your convenience telephony system (Code 386) in the centre armrest, and start using your mobile via the on-board hands-free system. You can leave your mobile phone in your jacket pocket.

Making phone calls, looking for a number, checking call lists, reading text messages – all are conveniently carried out via the multifunction steering wheel, the audio system and the central instrument cluster display. You can also access the contact details saved on your SIM card.

Two versions of the Mercedes-Benz Bluetooth SAP² telephone module are available: one in the form of a closed box³ [A] and the other with a corded handset [not pictured]. Both versions feature a SIM card reader. With the closed box version an integral USB connector allows you to charge your mobile. Contact your Mercedes-Benz partner for details of the handset's compatibility

² SAP (SIM Access Profile) allows the module to read your mobile phone's SIM card

³ Available from June 2009

INTERIOR

Cup holder for the centre console¹

black | Insert for the centre console. Holds up to two drink containers within easy reach. The insert simply slots into the standard stowage compartment in the centre console

¹ Not in conjunction with 7G-TRONIC automatic transmission with DIRECT SELECT

Wood/leather steering wheel

ash | black

The wood/leather steering wheels are also available in other colours to match the interior

Please contact your Mercedes-Benz dealer for details of compatibility with your car

Executive. Class

Opt for illuminated door sill panels, and every time you open the door to get into your E-Class, you can savour that little reminder that your car is a Mercedes-Benz. And as the door closes with a satisfying 'clunk', enjoy the feel of the smooth wood/leather steering wheel in your hands.

The interior of your E-Class can be designed to suit young-at-heart drivers or equipped to cope with very young passengers.

What are you waiting for?

Pedal covers in stainless steel

High-sheen stainless steel pedals with non-slip stud panel. Available for automatic and manual models

Spectacles box

Universal - adjusts to different sizes of spectacles/sunglasses

Mercedes-Benz

Illuminated door sill panels

The white illuminated Mercedes-Benz lettering is activated every time you open the door to get in or out. These illuminated door sill panels, in ground stainless steel, are a further "highlight" of the E-Class

Cup holder
Door sill panels
Pedal covers
Spectacles box

INTERIOR

Seat covers

Easy-care polyester fabric, available in the following designs:

- 1 | “Derby”, black
- 2 | “Dover”, black

Back cushion

Ergonomic, individually adjustable cushion, designed to support the back on long journeys. Available in anthracite

Coat hanger

Robust hanger made from chromed metal. Easy to fit to the front head restraints. The ideal way to transport items of clothing without creasing them

**CLASSIC velour floor mats,
CLASSIC rep floor mats,
CLASSIC all-season floor mats**

Durable, hardwearing materials. Available in various colours to match the interior. Can be clip-fastened to the floor of the vehicle to prevent slipping

Cleanbag

The ideal way to keep the interior clean when you're on the move: the "Cleanbag" is simply attached to the net in the front passenger footwell or to the ruffled pockets on the back of the front seats

Vario bag

Plenty of extra space for the really important things in life. Available in three designs: "DaimlerSquare" fabric (pictured), "Angel & Driver" fabric and Alcantara, java fabric

INTERIOR

Mercedes-Benz child seats are available with automatic child seat recognition as an option. If your car also has automatic child seat recognition, the technology automatically deactivates the front passenger airbag when a child seat with automatic child seat recognition is installed on the front passenger seat. All child seats are also suitable for use in vehicles without ISOFIX attachment points. For further information on the Mercedes-Benz child safety range, ask your Mercedes-Benz partner for a copy of our separate brochure

Additional interior mirror

Designed to help you keep an eye on what's going on in the rear of the car. This practical product, made from shatterproof safety glass, is simple to snap into place

“KidFix” child seat

Booster seat for optimum side impact protection, with height-adjustable backrest. The “KidFix” seat can be attached using the 3-point seat belt and ISOFIX attachment points. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12 (15 to 36 kg). Removable, washable “DaimlerSquare” cover

Lateral support headrest for integral child seat

Supports your child's head and shoulders and enhances comfort, particularly for sleeping child. Ensures optimum seat belt guidance in conjunction with the integral child seat. For children between the ages of around 2 and 12 (12.5 to 36 kg). Cannot be used in conjunction with cover for integral child seat

"DUO plus" child seat

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable shoulder belt and ventilation channels. With ISOFIX attachment points. Adjustable tilt. Available with automatic child seat recognition as an option. Removable, washable "DaimlerSquare" cover

"BABY-SAFE plus" child seat

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg). Removable, washable "DaimlerSquare" cover. With automatic child seat recognition as standard

Cover for integral child seat

Hardwearing, easy-care material. The side bolsters offer additional support and turn the integral child seat [A] into a fully-fledged child seat [B] for children up to the age of around 12 (up to 36 kg)

Padded play table for integral child seat

Protects the child's abdomen when using the integral child seat. For children between the ages of around 2 and 4 (12.5 to 18 kg)

INTERIOR

1 Alustyle basic carrier bars | p 30 | 2 Ski and snowboard rack "Standard" | p 31 |

Boot accessories
Carrier systems

CARGO & CARE

Alustyle basic carrier bars

The Alustyle system opens up a wealth of flexible options when it comes to transporting sports equipment and luggage. Simply combine the Alustyle basic carrier bars with a variety of different roof-mounted carriers which you can see here and on the following pages. The basic carrier bars are precisely tailored to the body of your E-Class, ensuring the highest degree of safety and optimum aerodynamics

Transport and stowage bag

Robust bag, made from a high-quality nylon fabric. Protects the basic carrier bars and makes it easier to transport them

Energy. Packages

The E-Class takes you to your destination in superlative style. And if you want to change your mode of transport when you get there, no problem: whether snowboard, skis or bikes, in this section you'll find the answer to virtually any transport dilemma.

*Basic carrier bars
Ski and snowboard rack
Transport bag*

New Alustyle ski and snowboard rack "Comfort"

For up to 6 pairs of skis or 4 snowboards. Lockable.
Practical pull-out function makes loading and unloading easier
| pictured left and above |

New Alustyle ski and snowboard rack "Standard"

For up to 4 pairs of skis or 2 snowboards. Lockable
| pictured left and on page 28 |

CARGO & CARE

Rear-mounted bicycle rack for trailer coupling

The rear-mounted bicycle rack is easy to attach to the trailer coupling. A simple fold-down mechanism (see below) means that the boot can still be opened. Basic version for two cycles. Lockable. Optional extension for a third cycle pictured right

Extension kit for rear-mounted bicycle rack

Allows you to add a third cycle

Coil lock

Designed to prevent theft. Available as an option for the New Alustyle bicycle rack

The laden rear-mounted bicycle rack can be pivoted downwards, allowing the boot to be opened. When the rack is unladen, simply fold down the vertical retaining bar to access the boot. This function also allows space-saving stowage of the rack when removed

*Bicycle rack
Bikes
Coil lock
Rear-mounted bicycle rack*

New Alustyle bicycle rack

Depending on the maximum roof load, up to four bicycle racks can be fitted per pair of basic carrier bars. Each bicycle rack can hold one bicycle with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes). The support frame folds down when not in use, reducing drag when travelling without cycles. Cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted | also pictured left |

The convenient design of the Mercedes-Benz bicycle rack allows the cycle to be attached at ground level. The cycle is simply mounted on the rail alongside the vehicle and both are then fitted to the basic carrier bars

CARGO & CARE

Mercedes-Benz roof boxes

Elegant, aerodynamic design, made for your Mercedes-Benz. High-quality, extremely durable material. Available in titanium metallic [A] or matt silver [B]. The Mercedes-Benz roof box XL is now also available in calcite white [C]

1 | Mercedes-Benz roof box XL

family box | Capacity: approx. 450 litres. Available with opening on right or left. Optional accessories: luggage set and ski rack insert | see p 35 |

2 | Mercedes-Benz roof box L

sports box | Capacity: approx. 330 litres. Available with opening on right or left. Optional accessories: luggage set and ski rack insert | see p 35 |

3 | Mercedes-Benz roof box M

weekend box | Capacity: approx. 400 litres. Available with opening on right or left

Luggage set

| for Mercedes-Benz roof box XL |

Four bags, designed to make perfect use of the space available in the roof box XL. Made from hardwearing, water-repellent polyester. Plus two matching ski bags, each designed to hold max. two pairs of skis. Ski bag also available separately | pictured below |

Ski rack insert

| for Mercedes-Benz roof box XL |

A secure hold for up to five pairs of skis, subject to ski geometry. For Mercedes-Benz roof box XL | pictured below |

Deep boot tub

The hygienic way to transport objects in the boot. Suitable for transporting foodstuffs

Ski bag for interior

For up to four pairs of skis. With carrying strap and straps for attaching to load-securing rings in boot

Convenience box

A practical option for storing objects in the boot. The rail system means that when it is not in use, it can be slid beneath the parcel shelf to save space

Luggage-securing feature

Ingenious solution to the problem of luggage sliding around in the boot. Attaches securely around the object in question thanks to Velcro fastening

CARGO & CARE

Fluorescent jacket

Already compulsory in many countries, the bright orange and yellow fluorescent jackets with reflective stripes are conspicuous even in the dark. Available individually or as a pack of two

Box of replacement bulbs

The box of replacement bulbs ensures that you always have the right bulbs at hand for your E-Class. So if one of the bulbs fails or you're driving in one of the many countries where daytime driving lights are compulsory, you're well prepared

Charger with trickle charge function

With its cutting-edge technology, the Mercedes-Benz charger ensures the longest possible battery life. Available in a 3.6 amp version (below) and a 25 amp version (not pictured)

Safety tow rod

2-piece steel rod with patented connector and cotter pin. For trailer couplings and towing eyes. Approved for vehicles with a gross vehicle weight of up to 3.2 t

Luggage nets

Available for the floor of the boot and the load sill. Prevent lightweight objects from sliding around during your journey. All nets are in pocket format

Shopping crate

anthracite | Collapsible

Non-slip mat

black | Non-slip mat made from oil and acid-resistant polyester. Designed to fit the contours of the boot

Reversible mat

The reversible mat has a high-quality velour side and a non-slip side. It helps keep the original floor of the boot clean
