

IMPORTANT!

This brochure has been compiled by Daimler AG of Germany or one of its Group Companies to provide a general indication only of the range of vehicles, optional extras (for example satellite navigation systems, interface and telecommunication kits), accessories, merchandise and/or products (together, the range is known as the “Products”) available in various countries. Some of the Products shown may not be available in Australia, or may only be available in a different specification. Additionally, some Products may only be available in combination with others. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. Products available while stocks last. Changes may have been made to the Products since this brochure was printed. The information in this brochure is therefore indicative, illustrative and provided only for guidance and should not be relied upon. For current information on the availability, design, features and prices of Products available in Australia you should contact your local authorised Mercedes-Benz Dealer.

Born to lead

It doesn't take many words to sum up the position of the S-Class – this is a car at the forefront of automotive development. Whatever you dream of in a Mercedes-Benz, you will find it in its ultimate form in the S-Class.

It's hard to believe that this brochure could help top that. But it's true: the broad range of Mercedes-Benz genuine accessories allows you to add a new dimension to the S-Class's legendary perfection: individuality.

The **incenio** designer wheels featured on these pages, for example, help create unmistakably individual star-branded vehicles.

incenio designer wheels

Behes | 5-Y-spoke wheel

incenio designer wheel

Finish: black/high-sheen

Wheel: 8.5 J x 20 ET 43

Tyre: 255/35 R20

B6 647 4529

Option for rear axle:

Wheel: 9.5 J x 20 ET 43

Tyre: 275/35 R20

B6 647 4530

Kiyali | 5-spoke wheel

incenio designer wheel

Finish: titanium silver/high-sheen

Wheel: 8.5 J x 20 ET 43 | Tyre: 255/35 R20

B6 647 4554

Option for rear axle:

Wheel: 9.5 J x 20 ET 43 | Tyre: 275/35 R20

B6 647 4555

On all 17" light-alloy wheels use wheel bolt B6 647 0159 and the corresponding rim lock B6 647 0155. For all 18" wheels please use wheel bolt B6 647 0161 and rim lock B6 647 0156.

Light-alloy wheels are supplied without tyres, wheel bolts or hub caps

Hub caps

Protect the hub from dirt.

Available in the following versions:

- 1 | Classic Roadster design in blue
- 2 | Classic Roadster design in black
- 3 | sterling silver with chrome star
- 4 | titanium silver with chrome star

High-shine chromed door handle recesses

Round off your S-Class's chrome finish and protect the paintwork from scratches. Available as a 4-piece set

Mud flaps

Protect the underbody and the sides of the car from loose chippings and dirt. For front and rear axles. Can be painted in body colour by dealer

Rim locks

Set consisting of coded key and one lock per wheel

Wheel bolts

| not pictured |

Valve caps

Snow chain systems

The RUD-matic snow chain has a user-friendly design and can be fitted and removed quickly. With extra-reinforced chain links for the toughest conditions and excellent traction on snow and ice, it is a reliable companion in wintry road conditions. Your Mercedes-Benz partner will be happy to advise you on this and other snow chain systems

Tyre pressure gauge

Compact design. Saves readings. Suitable for all tyre valves (including cycle tyres). Keeping tyres at the optimum pressure saves fuel and reduces tyre wear. Supplied with leather pouch

Freedom

In the S-Class a variety of electronic assistance systems help ensure your safety and comfort. The genuine accessories shown here are all about your freedom: for example freedom of choice when it comes to your mobile phone or music player.

And, with our regularly updated navigation DVD, the liberating reassurance that your navigation data is up to date.

Europe navigation DVD for COMAND APS

Rediscover navigation. In recent years integral navigation has made journeys more relaxed, less time-consuming and, above all, safer. If you want to continue to enjoy these advantages to the full, we recommend that you regularly replace the navigation DVD in your navigation system with the latest version. Ensuring that the data you're using matches the roads you're travelling on. And that the only surprises you encounter during your journey are of a pleasant nature

Media Interface video cable
Navigation DVD

Media Interface video cable¹

Transforms your Mercedes-Benz into a cinema: the Media Interface video cable allows various video sources (e.g. camcorder, iPod video, iPhone, various brands of video player, etc.) to be connected to the Media Interface via AUX. The videos are played on your COMAND APS monitor when the vehicle is stationary. (Only in conjunction with Media Interface, Code 518)

¹ Does not support your iPhone's phone function. Please contact your Mercedes-Benz partner for details of other function restrictions

TELEMATICS

Holders are available for various current models of mobile phone:

- 1 | Nokia (3109, 3110, 6300, 6500 Classic)
- 2 | Sony Ericsson (K770i, T650i, C902, C702)
- 3 | Apple (iPhone, 3G)
- 4 | BlackBerry (8300, 8310, 8320)

Mobile-phone holders

When it comes to selecting a mobile for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the mobile-phone holder. It takes a matter of seconds and is as straightforward a process as inserting the mobile into the holder itself.

Further advantages of the mobile-phone holders:

- Optimum reception quality as a result of using vehicle's external aerial
- Mobile's battery is charged
- Access to internal phone memory
- Convenient operation using multifunction steering wheel

To use a mobile-phone holder, your car must be factory-fitted with optional extra **Code 386, Convenience Telephony**

To find out more about the mobile-phone holders and functions available for your mobile, go to www.mercedes-benz.com/connect, or contact your Mercedes-Benz partner

SD memory card

The COMAND APS in your S-Class features a slot for SD memory cards. Use the SD memory card as a convenient way to play music

Bluetooth telephone module
Mobile-phone holders
SD memory card

[A]

Mercedes-Benz Bluetooth® telephone module

The telephone module is designed to extend the mobile communication system in your Mercedes-Benz. Just connect it to your Convenience Telephony system (Code 386) in the centre armrest, and start using your mobile via the on-board hands-free system. You can leave your mobile phone in your jacket pocket.

- Access to contact details saved on SIM card
- Optimum reception quality as a result of using vehicle's external aerial
- Read and receive text messages
- The closed box features an integral USB port which can be used to charge the mobile phone

Two versions of the Mercedes-Benz Bluetooth SAP¹ telephone module are available: one in the form of a closed box [A] and the other with a corded handset [not pictured]. Both versions feature a SIM card reader. Contact your Mercedes-Benz partner for details of the handset's compatibility

¹ SAP (SIM Access Profile) allows the module to read your mobile phone's SIM card

INTERIOR

Tangible exclusivity

There are some products you just have to touch to feel the exclusivity and masterly craftsmanship – among them the new wood/leather steering wheel for the S-Class.

Manufactured in an elaborate, multi-stage process, it blends seamlessly with the fine wood interior of your Mercedes-Benz Saloon. For a look that touches the emotions.

Wood/leather steering wheel
burr walnut | black

The wood/leather steering wheels are also available in other colours to match the interior

Cup holder for the centre console

black | Insert for the centre console. Holds up to two drink containers within easy reach. The insert simply slots into the standard stowage compartment in the centre console

Mercedes-Benz

Cup holder
Door sill panels
Spectacles box
Wood/leather steering wheel

Illuminated door sill panels

The blue illuminated Mercedes-Benz lettering is activated every time you open the door to get in or out. These illuminated door sill panels, in ground stainless steel, are a further “highlight” of the S-Class

Spectacles box

Universal - adjusts to different sizes of spectacles/sunglasses

INTERIOR

Back cushion

Ergonomic, individually adjustable cushion, designed to support the back on long journeys. Available in anthracite

Vario bag

Plenty of extra space for the really important things in life. Available in three designs: "DaimlerSquare" fabric, "Angel & Driver" fabric and Alcantara, java fabric (pictured)

Coat hanger

Robust coat hanger made from chromed metal. Easy to fit to the front head restraints. The ideal way to transport items of clothing without creasing them

Cleanbag

The ideal way to keep the interior clean when you're on the move: the "Cleanbag" is simply attached to the net in the front passenger footwell or to the ruffled pockets on the back of the front seats

- 1 | CLASSIC velour floor mats
- 2 | CLASSIC all-season floor mats
- 3 | CLASSIC rep floor mats

Durable, hardwearing materials. Available in various colours to match the interior. Can be clip-fastened to the floor of the vehicle to prevent slipping

“DUO plus” child seat

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable shoulder belt and ventilation channels. With ISOFIX attachment points. Adjustable tilt. Available with automatic child seat recognition as an option. Removable, washable “DaimlerSquare” cover

“KidFix” child seat

Booster seat for optimum side-impact protection, with height-adjustable backrest. The “KidFix” seat can be attached using the 3-point seat belt and ISOFIX attachment points. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12 (15 to 36 kg). Removable, washable “DaimlerSquare” cover

“BABY-SAFE plus” child seat

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg). Removable, washable “DaimlerSquare” cover. With automatic child seat recognition as standard

*Additional interior mirror
Child seats*

Additional interior mirror

Designed to help you keep an eye on what's going on in the rear of the car. This practical product, made from shatterproof safety glass, is simple to snap into place

Boot accessories*

CARGO & CARE

Safety advice

The S-Class is the definitive business car. But it can also benefit your recreational life if you choose: the carrier systems from the range of genuine accessories offer a convenient and safe way to transport everything you need for your leisure activities.

After all, convenience and safety are nothing less than “business as usual” in the S-Class.

New Alustyle basic carrier bars

The New Alustyle system opens up a wealth of flexible options when it comes to transporting sports equipment and luggage. Simply combine the New Alustyle basic carrier bars with a variety of different roof-mounted carriers which you can see here and on the following pages. The basic carrier bars are precisely tailored to the body of your S-Class, ensuring the highest degree of safety and optimum aerodynamics

New Alustyle ski and snowboard rack “Standard”

For up to 4 pairs of skis or 2 snowboards. Lockable

Transport and stowage bag

Robust bag, made from a high-quality nylon fabric. Protects the basic carrier bars and makes it easier to transport them

*Basic carrier bars
Ski and snowboard rack
Transport bag*

CARGO & CARE

**New Alustyle ski and snowboard
rack "Comfort"**

For up to 6 pairs of skis or 4 snowboards.
Lockable. Practical pull-out function
makes loading and unloading easier

New Alustyle bicycle rack

Depending on the maximum roof load, up to four bicycle racks can be fitted per pair of basic carrier bars. Each bicycle rack can hold one bicycle with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes). The support frame folds down when not in use, reducing drag when travelling without cycles. Cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted | also pictured right |

Mercedes-Benz Bikes

These sporty and elegant bikes, with their exclusive Mercedes-Benz design, are suitable for everyday all-round use and for touring. For more detailed information, please see our "Mercedes-Benz Bikes" brochure

The convenient design of the Mercedes-Benz bicycle rack allows the cycle to be attached at ground level. The cycle is simply mounted on the rail alongside the vehicle and both are then fitted to the basic carrier bars

Rear-mounted bicycle rack for trailer coupling

The rear-mounted bicycle rack is easy to attach to the trailer coupling. A simple fold-down mechanism means that the boot can still be opened. Basic version for two cycles. Lockable. Optional extension for a third cycle pictured below right

Coil lock

Designed to prevent theft. Available as an option for the New Alustyle bicycle rack

Extension kit for rear-mounted bicycle rack

Allows you to add a third cycle

The laden rear-mounted bicycle rack can be pivoted downwards, allowing the boot to be opened. When the rack is unladen, simply fold down the vertical retaining bar to access the boot. This function also allows space-saving stowage of the rack when removed

- Ski bag*

1 | Coolbox

black/grey | Hard case with fabric cover featuring pockets for extra items. Cold/hot switch. Capacity: 24 litres. 12V connection. Adjustable carrying strap

2 | Coolbag

black | Fabric outside, plastic liner inside. Outside pockets offer plenty of room for extra items. Capacity: 12 litres. 12V connection. Adjustable carrying strap

3 | Rectifier

Allows the Mercedes-Benz coolbox and the coolbag to be connected to a 230V socket at home

Luggage net

Available for the floor of the boot. Prevents lightweight objects from sliding around during your journey. The net is in pocket format

Ski bag for interior

For up to four pairs of skis. With carrying strap and straps for attaching to load-securing rings in boot

CARGO & CARE

Shallow boot tub

Simple to clean. Non-slip thanks to PP-Flex material. Suitable for transporting foodstuffs

Safety tow rod

2-piece steel rod with patented connector and cotter pin. For trailer couplings and towing eyes. Approved for vehicles with a gross vehicle weight of up to 3.2 t

Charger with trickle charge function

With its cutting-edge technology, the Mercedes-Benz charger ensures the longest possible battery life. Available in a 3.6 amp version (below) and a 25 amp version (not pictured)

Tie-down strap

Even heavy objects can be secured in place easily using this strap

Fluorescent jacket

Already compulsory in many countries, the bright orange and yellow fluorescent jackets with reflective stripes are conspicuous even in the dark. Available individually or as a pack of two

Protective dust cover

Protective cover made from synthetic stretch fabric. Designed to be used in a garage or other enclosed spaces. Keeps the car clean and protects it from dust and scratches

June 2009

Please note: changes may have been made to the products since this brochure went to press (30.05.2009). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure has been compiled by Daimler AG of Germany and is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others. For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest authorised Mercedes-Benz Passenger Car Dealer.
