

 **TOYOTA KLUGER**
oh what a *feeling!*

The Ultimate Family SUV.

Versatile enough to fit any family.

When we designed Kluger, we asked ourselves not only how we could achieve the performance and versatility of a medium sized SUV, but how we could make it even more safe, innovative and family friendly.

So as well as world-class engineers, technicians, designers and safety professionals, we brought in a different kind of expert. People just like you.

SAFETY FIRST

We listened to what drivers like you wanted from an SUV – from interior design ideas such as making the seats more comfortable to extra legroom. Safety, of course, came first. So we added a range of innovative safety features to all models, including a Rear View Camera with 3.5" display, reinforced bodywork and curtain airbags. This, coupled with Toyota's renowned Driver Assist Technologies (DAT) means Kluger contains an exceptional set of safety features such as Vehicle Control Management System (VCMS).

A first for Kluger, it serves as a link between the various safety

enhancing technologies such as Vehicle Stability Control (VSC), Traction Control (TRC), Electric Power Steering (EPS) and Active Braking with intelligence (AB-i). For enhanced stability, the impressive brake package AB-i comprises of the highly efficient Anti-skid Braking System (ABS) with Brake Assist (BA) and Electronic Brakeforce Distribution (EBD) all combined to provide added reassurance. Tricky hill starts are a thing of the past with Hill-start Assist Control (HAC) to prevent rollback for 2 seconds. Downhill Assist Control (DAC) is also available on All Wheel Drive models to help you maintain speed and traction in off-road situations.

THE HIGH ACHIEVER

Performance was also crucial. With the choice of AWD or 2WD, Kluger gives you the sure-footedness you'd expect from an SUV, with unexpected levels of performance.

Its grippy, dynamic but tactile performance makes it a pleasure to drive on and off road – and delivers over 200kW of remarkable power from its 3.5L Dual VVT-i V6 engine. And yet, all this power doesn't come at a high price, as Kluger's engine offers excellent fuel consumption.

Some Toyota Genuine Accessories are not applicable to all models. See your Dealer for advice regarding Toyota Genuine Accessories. Pictured Accessories are all sold separately.
 *All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for one year (unlimited kilometres). Conditions apply. All warranties are additional to the implied warranties under the Trade Practices Act 1974. †The Bluetooth word mark is owned by Bluetooth SIG, Inc. Bluetooth™ will only operate with telephones enabled with compatible Bluetooth™ wireless technology (HFP (Hands Free Profile) v1.0 and OPP (Object Push Profile) v1.1 International standards). **Current Satellite Navigation Audio Systems cover major capital and primary national road networks, as well as offering some coverage of regional areas. ***This accessory is warranted for 12 months from the date of purchase. Suits iPod® models that have a dock connector. #Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations. 1 ParkAssist is designed as a driver assist device only and should not be used as a substitute for skilled driving and safe parking practices. The area into which the vehicle is to be reversed must be visually monitored by the driver while parking.

AWD Grande model shown.

Comfort. To go. Unparalleled luxury as standard.

Forget the destinations, it's the journey through life that really matters. That's why Kluger has been designed to make every trip as easy and comfortable as possible for the whole family. You can keep on track with Kluger's Audio Visual Navigation system (AVN standard on Grande, available as an accessory on

KX-R and KX-S). In the Grande model, just pop in a DVD, and the roof-mounted 9" LCD screen will keep everyone in the rear seats entertained.

And with up to seven seats, Kluger offers loads of versatility and ample comfort, with its roomiest interior yet.

TOYOTA SERVICE ADVANTAGE - A SERVICE PLAN THAT IS GENUINELY BETTER FOR YOUR NEW KLUGER

Nobody knows the Toyota Kluger like a Toyota trained technician. So to make your Kluger experience even better, it now comes with a fixed price standard service plan for the first three years or 60,000 kilometres, whichever comes first (up to the first six standard services). Terms and conditions apply. See your dealer or advantage.toyota.com.au for eligibility, pricing and more information. Toyota Service Advantage pricing represents the maximum amount payable for standard scheduled servicing, as per 'maintenance for normal operating conditions' outlined in the Warranty and Service Handbook's service schedule. Service Plan eligibility excludes Government and Rental vehicles and certain other exclusions apply.

Note: variations between the colours shown and actual paint colours may occur due to the printing process. Actual vehicle colours may appear different under certain light conditions. Model shown for illustrative purposes only. Other models may have different specifications, please refer to your dealer for details, including interior trim colour.

*, ^, # Indicates mica metallic, metallic or pearlescent paint which is available at extra cost.
