Sheer
Driving Pleasure

THE BMW X3. ORIGINAL BMW ACCESSORIES.

JOY HAS BOUNDLESS POSSIBILITIES.

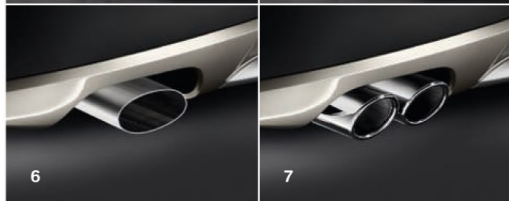

JOY KNOWS NO BORDERS.

In a BMW X3, the possibilities are limitless. Elegant and yet highly practical, its beautifully built interior offers the flexibility to accommodate any plans, and considerable scope for customization.

Original BMW Accessories allow you to put a personal stamp on your BMW X3, over and above what is possible with the wide range of factory-fitted optional equipment. Whether you want to emphasize its urban character, or equip it for expeditions to the country, the Original BMW Accessories range includes an array of innovative and unusual exterior and interior products, communications & information systems and transport & luggage solutions. Discover the possibilities that they offer for tailoring your vehicle to your own personal tastes – and experience driving pleasure without limits in the BMW X3.

JOY LOVES A BIG STAGE. ORIGINAL BMW EXTERIOR ACCESSORIES.

1 + 2 XLine Pro (see also front cover)

Attachments for the bumpers and side skirts further underline the strikingly sporty looks of the BMW X3. Available in matt silver.

1 20-inch M double spoke 310 light-alloy wheels Cast.

1 Mirror caps in matt silver Add emphasis to the dynamic lines of the BMW X3.

1 Roof rails in satin-finish aluminium The perfect combination of functionality and style.

1 Front grille in titanium The kidney grille has titanium-coloured longitudinal bars and a chrome edging.

20-inch star spoke 311 light-alloy wheels (see front cover) Cast.

3 Car cover Washable and precisely fitted to the BMW X3. Easy to put on and take off. Silver in colour, with a surface that is heatproof and dirt/water-repellent. For the whole vehicle, with ventilation openings and BMW logo, or for the windscreen and front side windows only, with BMW lettering.

4 20-inch star spoke 311 light-alloy wheels in chrome Cast.

4 Mud flaps Protect your car and the vehicle behind you against dirt and loose chippings. Available for both front and rear wheels.

5 Snow chains The snow chains have been specially designed for use with BMW tyres. They are easy to fit, and offer optimum grip on snow and ice.

Winter complete wheels (not shown) Specially designed for this vehicle. Available in 17, 18 and 19-inch sizes.

Wheel bolt locks (not shown) The special BMW wheel bolt locks offer excellent protection against theft. Bolts can only be removed using the special tool supplied.

6 + 7 Tailpipe trims These eye-catching trims underline the unique styling of the BMW X3. Available in an oval shape (Fig. 6) for models with a four-cylinder engine, and as a double tailpipe (Fig. 7) for models with a six-cylinder engine.

➤ For more information about the range of wheel-and-tyre combinations and winter complete wheels, please see the Accessories section of the BMW website.

All wheels feature runflat tyres.

JOY COMES FROM WITHIN.

ORIGINAL BMW INTERIOR ACCESSORIES.

1 - 3 Travel & Comfort System

This modular system is designed around a base attachment for the headrest bars. A coat-hanger, folding table or universal hook can then be fitted to this. The **coat-hanger** allows clothes to be transported without creasing. It can also be detached from the mounting and used to carry clothes outside the vehicle. The **folding table** gives passengers in the rear a convenient surface to put things on, and is tilt and height-adjustable. It also includes a fold-out cupholder with a stylish chrome ring. The **universal hook** offers a convenient place to hang light shopping bags, suit hangers and the like. The Travel & Comfort System is finished in a stylish matt black with silver highlights, and goes perfectly with the interior of the BMW X3.

Leather gear lever knob with decorative strip in pearl-effect chrome (not shown)

The perfect finishing touch to the interior.

4 Sports leather steering wheel with decorative trim in pearl-effect chrome

Diameter 380 mm. Also available for vehicles with steering wheel heating.

4 - 6 Interior chrome package

Designed to complement the interior trim finishers in matt satin silver and the Finesse Siena and Finesse Wave fine wood trims. The package comprises precisely fitted accent strips in BMW pearl-effect chrome for the instrument panel, the control display, the front storage compartment in the centre console, the back of the centre console, the doors and the headliner. These accent strips are overlaid on the interior trim finishers, and give an exclusive feel to the interior of the vehicle.

1 Sun screen

Quick and easy to attach to the rear windscreen, rear side windows, and luggage compartment side windows. When not in use, it can be stored in the bag supplied.

1 BMW junior seat I-II, with/without ISOFIX

Suitable for children weighing 9 to 25 kg (aged approx. 9 months to 7 years). The seat features a restraint cushion and a height-adjustable back. The use of the ISOFIX function is permitted for children weighing up to 18 kg. Children weighing more than this should be secured without the restraint cushion, using the seatbelt. Available in various colour schemes.

2 BMW baby seat 0+, with/without ISOFIX

Designed for children weighing between 3 and 13 kg (aged up to around 18 months). A seat reducer is included. The baby seat shell is mounted facing away from the direction of travel, either on the rear seat, or, provided the airbag is deactivated, on the front passenger seat. The shell can be detached from the rebound frame, and used separately as a carrycot. With detachable sun canopy. Available in various colour schemes.

BMW junior seat II-III (not shown)

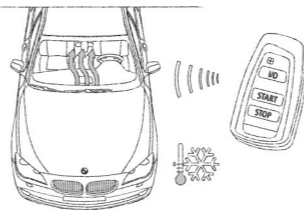

Suitable for children weighing 15 to 36 kg (aged approx. 3 to 12 years). The seat can be quickly and easily secured in place with the three-point belt. The height of the seat and position of the headrest and side bolsters can be adjusted with one hand, and the seat offers outstanding lateral support. The adjustable backrest makes the BMW junior seat II-III perfect for long journeys, and the removable cover is machine-washable. Available in various colour schemes.

3 Storage bag in rear

Offering a storage capacity of 20 litres, the bag is secured to the rear seat bench using the centre seatbelt. Made of a tough fabric, and containing various compartments, including an insulated bottle holder. Additional features like a built-in rucksack carrying system makes this an extremely useful piece of kit on any journey.

4

**4 Auxiliary heating**

In the winter months, auxiliary heating can bring the interior of the vehicle up to a pleasant temperature before you even set off. Pre-heating of the coolant circuit also protects the engine from the effects of extreme cold and reduces fuel consumption. The system is activated by remote control, a programmable timer, or the controls in the vehicle.

5 Seat-back storage pocket

Containing compartments of different sizes, this storage pocket matches the dimensions of the front seats precisely, and can be fitted on either the driver or passenger side. It is the perfect place to store small items. Available in black.

6 Clean bag

This textile bag with a removable plastic liner can be attached to the nets on the seat backs in a matter of seconds.

7 Smoker's package

Comprises a cigarette lighter and an ashtray, which is fitted in the cupholder in the front of the centre console.

8 Halogen reading lamp

Suitable for map reading. The bending arm allows you to adjust the light beam in any direction.

9 All-weather floor mats

Dirt-repellent and water-resistant. The all-weather floor mats from BMW are 100 per cent recyclable. Available in anthracite.

10 Velour floor mats

Available in anthracite or beige, with or without heel pads. The version with heel pads also features BMW lettering.

Cupholder in rear centre armrest (not shown)

The fold-out cupholder in the rear centre armrest has space for two drinks.

Storage net in footwell (not shown)

Fitted on the left-hand side of the passenger footwell, the storage net is divided into two sections, ensuring items like travel documents or a warning jacket can be kept easily to hand.

JOY MAKES ITSELF SEEN AND HEARD.

ORIGINAL BMW COMMUNICATION AND INFORMATION ACCESSORIES.

4

1-3 BMW holder for Apple iPad

In combination with the BMW Car Hotspot, this allows passengers in the rear to make full use of all the functions of their iPad. Using the holder, the iPad can be securely mounted on the base attachment of the Travel & Comfort System (see p. 7), and released again at the touch of a button. The position of the device can be adjusted for maximum comfort and ease of use whether you are reading, watching videos or sending emails. And thanks to a built-in stand on the back, the holder can also be used outside the vehicle.

4+5 BMW Car Hotspot

Need to check your bank balance on the move, or look something up on Wikipedia? The BMW Car Hotspot allows you to use the time you spend in your car productively or for relaxation. Various different devices, including an iPad, laptop and games console, can all access a wireless Internet connection at the same time, via either a SIM card inserted in the BMW Car Hotspot, or a mobile phone with a SIM access profile. The BMW Car Hotspot is fitted into the centre armrest, using a snap-in adapter, with a combination of UMTS (HSDPA) and GSM technology ensuring the best possible connection. A visual display shows the current connection status. International roaming can be switched off by the user. A roof aerial ensures optimum signal reception, and also minimizes radiation in the vehicle interior.

6 BMW Portable navigation system

The perfect combination of sophisticated functionality and cutting-edge design. The latest generation of the BMW Portable Navigation System blends seamlessly into the vehicle, with no visible wiring. The device is held securely in place, and navigation prompts are relayed over the vehicle's loudspeakers. It also includes various advanced features, such as lane assist, and 3D building and junction views.

➤ For more information on BMW Portable Navigation Systems and the latest accessories that go with them, see the Accessories section of the BMW website.

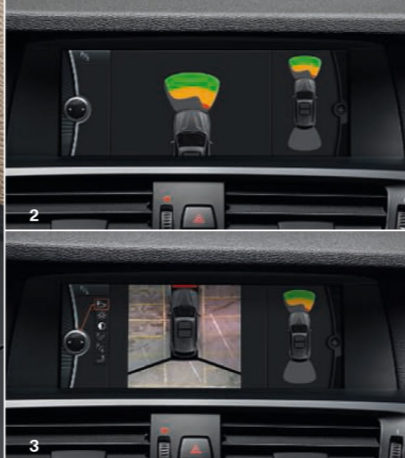

7 BMW Link

The BMW Link app for your iPhone combines telephone and music playback functions with selected BMW ConnectedDrive services, such as weather, a webcam feed from your destination, and BMW roadside assistance, plus model-specific navigation and car finder features. The display of the BMW Link app is in landscape format, and the size of text and buttons has been optimized for in-car use. Where the BMW Station for Apple iPhone (see Fig. 7 + 8) is also fitted, audio output for navigation prompts and phone calls is via the vehicle loudspeakers, even when the CD player/radio is being used to play music. BMW Link is available from the Apple App Store.

7+8 BMW Station for Apple iPhone

The BMW Station is a landscape-format holder in the instrument panel. It connects your iPhone to the vehicle audio system with no visible wiring, and has a hands-free function with high-quality microphone, a GPS aerial and a battery charging function. Where the BMW Link (see Fig. 7) application is also in use, audio output for navigation prompts and phone calls is via the vehicle loudspeakers, even when the CD player/radio is being used to play music. Volume can be controlled using either the BMW radio or the multifunction steering wheel. The design blends seamlessly into the interior of your BMW.

1 Snap-in adapter

A docking system suitable for current Apple, Nokia, Motorola and Sony Ericsson handsets, and for RIM BlackBerry® devices. With the interchangeable phone-specific snap-in adapter, drivers can charge their mobile phone via the mobile phone preparation with Bluetooth interface. An external aerial ensures the best possible reception at all times. For Apple iPhone 3G S and iPhone 4 handsets, a snap-in media adapter is also available. In addition to the basic functions of the snap-in adapter, this also enables music files stored on the device to be played over the vehicle's audio system, and shows the cover artwork on the control display.

Adapter cable for Apple iPod/iPhone (not shown)

A cable for connecting your Apple iPod or iPhone to the vehicle's audio system. Two versions available.

2 Park Distance Control

For front and rear. Makes parking and manoeuvring in tight spaces easier. A warning sound advises the driver of the distance between the vehicle and an obstacle. Where the Radio BMW Professional is fitted, the distance is also shown on the control display.

3 Reversing camera

Shows the area behind the vehicle on the control display, for safer reversing and parking at speeds of up to 20 km/h. On vehicles fitted with the trailer tow hitch, the reversing camera also incorporates a zoom function, for even greater ease of manoeuvring.

DVD changer (not shown)

With built-in video function. Operated via the multifunction steering wheel, the radio buttons or voice control. For up to six CDs or DVDs (including MP3 CDs).

Digital roadmaps (not shown)

Up-to-date digital roadmaps enable the navigation system to work out the best route in no time at all. Depending on the model, updates are available every year either on DVD or a USB stick, with a certification number required for installation.

4 Infrared stereo headphones

Specially designed for use with BMW DVD systems. They are exceptionally comfortable, while delivering outstanding sound quality, and allowing wearers to control their own listening volume. Two versions available.

5 BMW DVD system in rear

Consists of a seven-inch colour monitor built into the centre console and a DVD player. The DVD system plays DVD videos and audio CDs in excellent quality. It also allows you to view or listen to JPEG images, MP3 music files and video files in common formats stored on CD-ROMs, USB sticks or external hard drives with a USB connection. When the monitor is not in use, it can be rotated 180 degrees and folded away into the armrest, protecting it from any damage. External devices such as games consoles or video cameras can be connected via the additional AV socket.

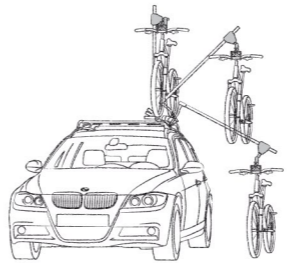

6 BMW Tablet DVD system

Consists of two portable seven-inch monitors, plus two holders that are attached to the headrest support bars. The DVD system can be plugged in to the vehicle's 12-volt power socket. The DVD player, which is integrated into one of the monitors, can play video DVDs, and photo and audio CDs (including MP3 format). In addition, JPEG images and music files on USB sticks and memory cards of various formats can be viewed or listened to. The portable monitors can also be used outside the vehicle. Audio playback is via either the monitors' built-in loudspeakers, or headphones such as the infrared stereo headphones from BMW.

2

1 Rear-mounted rack system

Winner of the red dot award for innovative product design. The click-on function makes it simple to use and easy to fit, with no tools required. Fitted with LED lighting and suitable for carrying one or two bicycles. An extension set for a third bicycle is also available. The rack can be folded down out of the way when you want to open the tailgate. When not in use, it can be folded away neatly to save space. The rack itself and the bicycles are secured against theft. For vehicles with a trailer tow hitch, a special **bicycle holder for the trailer tow hitch** is available, which can be lowered out of the way when you want to open the tailgate.

2 Bicycle lift

Allows a bicycle to be effortlessly lifted onto the roof rack and removed again. Suitable for different bicycle sizes.

3 Racing cycle holder, lockable

Suitable for bicycles with quick-release skewers on the front wheel. A holder for securing the front wheel to the base support system is also available.

4 Trailer tow hitch with electrically operated pivot-mounted tow ball

Can be used for trailer weights of up to 2,700 kg (with a nose weight of up to 100 kg). With trailer stability control. The hitch is not visible when the tow ball is pivoted away to the side. A detachable trailer tow hitch is also available.

5 BMW base support system, lockable

Maximum permissible roof load: 100 kg. The base support arms are made of high-strength aluminium tubing and secured to the roof rails. The BMW base support system with anti-theft locks meets the most stringent security requirements.

6 Touring cycle holder, lockable

Robust attachment for transporting a bicycle with a frame diameter of 22 to 80 mm, also suitable for mountain bikes. A user-friendly fixing system, with a twist mechanism at the same height as the base support system, makes it quick and easy to secure bikes in place.

JOY MAKES SURE EVERYTHING GETS THERE SAFELY.
ORIGINAL BMW TRANSPORTATION AND LUGGAGE ACCESSORIES.

1 BMW roof box 460, LxWxH: 230 x 82 x 37 cm

BMW roof box 350, LxWxH: 140 x 90 x 39 cm

BMW roof box 320, LxWxH: 225 x 55 x 37 cm

1 + 2 BMW roof boxes

Available in three sizes: 460 litres (see Fig. 2), 350 litres and 320 litres. Easy to load, thanks to an innovative system that opens from both sides (roof boxes 460 and 350). Features triple central locking for maximum security.

Universal lift and adapter for roof boxes (not shown)

The simple way to fit and remove all BMW roof boxes. Helps to save space by storing the roof box under the garage roof.

3 Luggage rack

High load-carrying capacity. Made of lightweight, high-strength aluminium.

4 Ski and snowboard holder, lockable

Suitable for carrying up to two snowboards and two pairs of skis, or up to six pairs of skis. Poles can also be carried.

4 Raised carrier bars

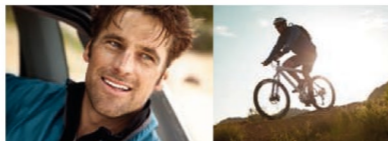

For the BMW ski and snowboard holder. Increases the distance between the ski bindings and the roof by 25 mm.

5 Surfboard holder

With board supports made of impact-resistant plastic, a built-in mast carrier, strap eyelets and tensioning straps.

Universal holder (not shown)

Provides secure support even for large, bulky items. Consists of four infinitely adjustable holders, four strap eyelets and two tensioning straps.

6 Ski and snowboard bag

Allows up to three snowboards or four pairs of skis to be transported safely and without dirtying the car. Can easily be removed from the vehicle and used separately.

7 Side luggage compartment net

Secures small items to the side panels of the luggage compartment.

8 Multifunctional fitted luggage compartment mat with collapsible box

A visually appealing luggage compartment solution that combines a non-slip, acid-resistant fitted mat with a loading sill protector. The waterproof collapsible box has a strap inside to hold items like bottles firmly in place. The **collapsible box** cleverly slots into the fitted mat to prevent it from sliding around.

9 Luggage compartment restraint belts

The restraint belts are simple to insert into the lashing rails, can be moved lengthways, and serve to secure light items of luggage.

10 Adaptive luggage securing system

Consists of an aluminium bar and two straps for holding lighter items of luggage in place. It is mounted on the lashing rails, and its position can be adjusted forward and backward.

11 Luggage compartment floor net

Attaches to the eyelets that are fitted as standard to the floor of the luggage compartment.

Driver Utility Set (not shown)

Two versions available. Both include a selection of tools, torches and much more besides.

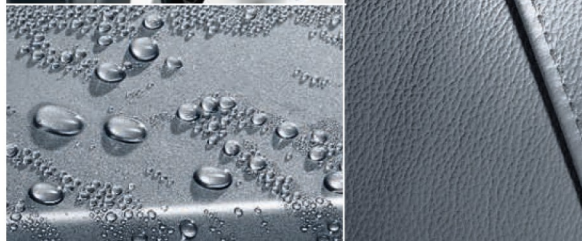

Loading sill protective mat (not shown)

This padded non-slip mat folds out over the loading sill to protect it against damage. It also provides a place to sit.

Dog safety harness (not shown)

Available in a choice of three sizes. It is designed to secure dogs on the rear seat bench, thereby enhancing the safety of passengers. The dog's lead can also be attached to the harness.

FOR SPARKLING RESULTS. ORIGINAL BMW CARE PRODUCTS.

With Original BMW Care Products, it is easy to keep your BMW looking great for longer. Use BMW hard wax with nano-technology to effectively protect your vehicle's paintwork, or the leather preserving set with UV protection to ensure your BMW stays as good as new. Other surfaces, such as glass, plastics and textiles, can also be gently yet effectively cleaned with Original BMW Care Products, all of which are suitable for use with lots of different materials and are very easy to use.

As well as the existing selection of cleaning products, BMW now offers a range called Natural Care. These products are sustainable and environmentally friendly in every way – they are sourced from natural raw materials, manufactured using energy-efficient processes, safe to use, and come with recyclable packaging. The range consists of six products: car shampoo, car polish, car wax, windscreen wash concentrate, glass cleaner and interior cleaner. Natural Care products are primarily made from natural-source raw materials, such as tensesids and bioalcohol from sugar beets, carnauba wax and linseed oil. Natural Care is all about combining sustainability with high product quality.

To find out more about Original BMW Care Products, please see the Accessories section of the BMW website.
