

 **TOYOTA KLUGER**  
oh what a *feeling!*

THE ULTIMATE FAMILY SUV

[toyota.com.au](http://toyota.com.au)

## KLUGER. IT'S A FAMILY THING.

From nose to tail gate, Kluger is designed to fit in with the active Australian family lifestyle.

Look behind the bold lines and sculpted contours and you'll find a car brimming with versatility as well as style. Available with 2 or 3 rows of seats, seating arrangements can be changed quickly and easily to accommodate up to 7 passengers. In seven-seat variants, backrests in the third row seats can even be split 50:50 in a single action. So your Kluger can be prepared to handle any kind of family activity.

Within the roomy interior, you'll find an abundance of ingenious storage ideas. Like cleverly concealed stowage compartments and a large centre console box, that put family essentials within easy reach. There's also a handy glass hatch which lets you access the rear without having to open the tail gate - perfect for fast loading and unloading in confined spaces.

Like all Toyotas, Kluger is designed to exceed the world's current and anticipated safety standards under our Global Outstanding Assessment (GOA) programme. Bodywork is reinforced to cocoon and help protect passengers. Seven SRS airbags, including curtain airbags, come as standard across the range.

Kluger's Vehicle Control Management System (VCMS) links important vehicle information to ensure you retain maximum control in emergency situations. And innovative safety features include a Reversing Camera<sup>^^</sup>, that helps you back safely out of any space.

Plus, with features like MP3<sup>\*</sup> compatibility, CD and DVD entertainment<sup>\*</sup> options, the ride is as enjoyable as it is safe.

It's all this that makes us proud to call Kluger the ultimate family SUV.

<sup>^^</sup>The Reversing Camera is designed as a driver assist device only and should not be used as a substitute for skilled driving and safe parking practices. The areas into which the vehicle is to be reversed must be visually monitored by the driver while parking.

<sup>\*</sup>Not all devices will be compatible and functionality will vary depending on the device. \* Grande model only.

## PLEASURE. OUTSIDE AND IN.

The statement made by Kluger's striking appearance is echoed by an astonishingly well-appointed, versatile and comfortable interior.

In-car entertainment is Kluger's most sophisticated yet, with MP3<sup>+</sup> and CD options and a 6-speaker audio system, controllable from the steering wheel so you don't need to take your eyes off the road.

And a roof-mounted, 9" LCD screen Rear Seat DVD player with 3 wireless headsets\* is a great distraction for passengers of any age, however long the trip.

Then there are the little touches that make family trips so much more convenient. Like the 3 individual multi-zone climate control areas, on selected models<sup>‡</sup>, where passengers can determine their own temperature levels. Or the keyless 'Smart' entry and start systems in the Grande model that gets you away faster than ever, by letting you leave the keys in your pocket or handbag, unlock the door by "touch" and start the car just by pushing a button.

It's impressive features like this, and many more, that make Kluger the perfect family all-rounder.

**TOYOTA SERVICE ADVANTAGE CUTS NEW CAR RUNNING COSTS.** Toyota Service Advantage makes owning your Kluger even more economical because you are entitled to low cost scheduled servicing. That's up to 6 standard services during the first three years or 60,000km, whichever occurs first. Terms and conditions apply. See your Toyota dealer or visit [advantage.toyota.com.au](http://advantage.toyota.com.au) for eligibility, pricing and more information. Toyota Service Advantage pricing represents the maximum amount payable for standard scheduled servicing which is as per 'maintenance for normal operating conditions' outlined in the Warranty & Service Handbook's service schedule. Service Advantage eligibility excludes Government and Rental vehicles and certain other exclusions apply.

Toyota Australia reserves the right to vary and discontinue from time to time the interior and exterior colours, trims and colour/trim/model combinations currently available. Colours and trims displayed here are a guide only and may vary from actual colours due to printing/display process. See your Toyota dealer to confirm colour/trim/model availability when ordering your vehicle. Metallic/Mica/Pearlescent paint is optional and is subject to additional charges on most models. \*Not all devices will be compatible and functionality will vary depending on the device. \*Grande model only. >Not available on the KX-R.

# TECHNICAL SPECIFICATIONS

## ENGINE

- Engine Type – Petrol
- Engine Displacement – 3456cc
- Engine Configuration – V6
- Valve Train – Double Over Head Camshaft (DOHC) with 4 valves per cylinder
- Valve Mechanism – Dual Variable Valve Timing with intelligence (VVT-i)
- Bore x Stroke – 94.0mm x 83.0mm
- Maximum Power – 201kW @ 6200rpm
- Maximum Torque – 337Nm @ 4700rpm
- Compression ratio – 10.8:1

## FUEL

- Fuel System – Electronic Fuel Injection (EFI)
- Fuel Type – 91 RON Unleaded
- Fuel economy\* – 11.0L/100km (Grande AWD – 11.6L/100km)
